Die bedrag van sodanige bydrae moet deur die persoon, aan wie die plaas toegeken word, in kontant aan die Administrasie betaal word, of kan na verkiezing van die persoon aan wie die eiendom toegeken is, by die waardering van die hoeve gevoeg word, in watter geval die bydrae van die huur en paaiemente van die koopprys ooreenkomsdig verhoog sal word. Geslaagde applikante vir enige van die hoeve, waarvan die grenslyne of gedeelte daarvan omhein is, sal verantwoordelik wees ooreenkomsdig enige Omheiningswet in Suidwes-Afrika, vir enige bedrae wat deur die eienaars van aangrensende eiendomme, kragtens die wet, geëis mag word.

Ingeval daar op enige van die hoewe boorgate mag voltooi wees en windmeule opgerig is, voor die datum van toekenning daarvan, sal die koste van die boorgate en van die windmeule by die koopprys van die hoeve gevoeg word, en die huurgeld en paaiemente op die koopprys gevvolglik verhoog word.

Ingeval die persoon aan wie die hoeve toegeken is, versoek dat op sy hoeve 'n boorgat mag gesink word en 'n windmeul daarop mag opgerig word, en sodanige applikasie deur die Administrateur goedgekeur word, sal die koste van sodanige boorgat (behalwe van transport, brandstof en water wat deur die persoon moet betaal word) en van sodanige windmeul by die koopprys van die hoeve gevoeg word, en die halfjaarlike huurgeld en paaiemente op die koopprys, sal gevvolglik verhoog word vanaf die datum van die voltooiing van die werk.

holes on his holding, and shall be liable for any damage caused thereto. He must, therefore, on no account raise water without proper pumping machinery. Issue of Government Grant:

Administration Grants of holdings may, in special cases, with the approval of the Administrator, be issued before the expiry of a period of ten (10) years from the date of allotment. When a lessee after five years tenancy can satisfy the Land Board that the value of his holding with permanent and substantial improvements exceeds by one fourth (but not in any case by less than £400) the total indebtedness of the lessee to the Administration, the Administrator may issue a Government Grant and accept a mortgage bond for the total amount of the then remaining indebtedness.

General Remarks:

The lease to be issued will contain conditions relative to residence, improvements, fencing, outspans, roads, and such other conditions as are usually inserted in agricultural leases granted under the Land Settlement Consolidation and Amendment Proclamation, 1927.

The following special clauses will be inserted in the leases which it is proposed to issue and in the Government grant to be issued later:-

- (a) Giving the Administration the right to resume the whole or a portion of any holding, required for public purposes or outspan purposes, on payment of compensation therefor;
- (b) stipulating that roads and thoroughfares, whether they are described in the diagram or not, existing on the land shall remain free and uninterrupted, and requiring the lessee of any holding to grant to any adjacent or neighbouring proprietor a way or road of necessity to or from the land of such adjacent or neighbouring proprietor.

The rent paid during the lease period of five years is not deducted from the purchase price in the event of the option to purchase being exercised.

The Lands Branch has made every effort to render as accurate as possible the information given in this notice, but will not be responsible for any inaccuracies should such exist.

Applicants are recommended in their own interests, personally to inspect farms before formally applying therefor. No railway or transport concessions are given by the Government in connection with the inspection of holdings.

After the expiry date of this notice intending applicants should ascertain from the Lands Branch which holdings are still available before proceeding to inspect any of them.

Occupation can be granted immediately on allotment, unless other provision be made in the letter of allotment.

All applications must be submitted on the prescribed form, which can be obtained from the magistrates of the districts in which the farms are situated or from the Senior Officer, Lands Branch, Windhoek.

The Branch has a staff dealing specially with applications and inquiries for land, and prospective settlers desirous of obtaining information with regard to land settlement in South West Africa are advised to apply for such information direct to the Senior Officer, Lands Branch, Windhoek.

word vir die behoorlike oppas en onderhoud van die boorgat, of boorgate, op sy hoeve en aanspreeklik sal wees vir enige skade daaraan veroorsaak. Hy moet derhalwe in geen geval sonder behoorlike pompmasjienerie daaruit water neem nie. Navraag betreffende masjienerie wat mees geskik is om gebruik te word in verband met enige van die boorgate, behoort deur die suksesvolle applikant by die Booringsenieur, Windhoek, gedoено te word voordat enige pompmasjienerie opgerig word.

Uitreiking van Goewerments-Grondbrieve:

Goewerments-Grondbrieve van hoeve kan in spesiale gevalle, met toestemming van die Administrateur, uitgegee word voor afloop van 'n termyn van 10 jaar na die datum van toe-kennig. Na 'n huurder 'n hoeve vir 5 jaar gehuur het en die Landraad kan oortuig dat die waarde van sy hoeve en blywende verbeterings van deeglike aard meer as een-vierde van die totale skuld van die huurder aan die Administrasie bedra (maar in geen geval minder as £400), sal die Administrateur in staat wees om 'n Goewerments-Grondbrief uit te reik, en 'n verband te neem vir die totale bedrag van die skuld wat nog oorbly.

Algemene Opmerkinge:

Die huurkontrak wat uitgegee word sal voorwaardes bevat met betrekking tot die okkupasie, verbeterings, omheining, uitspannings, paaie en sulke ander voorwaardes wat gewoonlik gestel word in landbou-huurkontrakte uitgereik onder die Landnedersetting Gekonsolideerde en Wysigings-Proklamasie 1927.

In die voorgestelde huurkontrakt en die daaropvolgende Goewerments-Grondbrief sal spesiale voorseenings gemaak word waardeur:

- (a) die Administrasie die reg sal hê om, teen betaling van skadevergoeding, enige hoeve, of enige gedeelte daarvan vir publieke doeleindes of 'n uitspanning terug te neem;
- (b) bestaande paaie en deurgange, op die kaart aangegee of nie, vry en onbelemmerd sal bly, en die huurder van enige hoeve noodsaaklike paaie na en van die grond van aangrensende of naburige eienaars sal toelaat.

Ingeval gebruik van die opsie van aankoop gemaak word, sal die huurgeld wat gedurende die tydperk van die huurkontrak van vyf jaar betaal is nie van die kooprys afgetrek word nie.

Die Afdeling van Lande het alle pogings gemaak om die informasie, in hierdie kennisgewing bevat, so juis as moontlik te gee, maar sal nie verantwoordelik wees vir enige onjuistheid wat mag voorkom nie.

Applikante word in hulle eie belang aangeraai om plase persoonlik te inspekteer, voordat hulle formele applikasies daarvoor indien. Geen spoorweg of ander transportkoncessies word deur die Administrasie in verband met die inspeksie van hoeves verleen nie.

Na die datum, waarop hierdie kennisgewing verstryk is, behoort applikante eers van die Afdeling van Lande te verneem watter hoeve nog beskikbaar is voordat hulle een daarvan inspekteer.

Onmiddellik na toekenning kan okkupasie toegestaan word, tensy in die brief van toekenning anders bepaal word.

Alle applikasies moet ingedien word op die voorgeskrewe vorm, wat van die magistrate van die distrikte waarin die plase geleë is, of van die Afdeling van Lande, Windhoek, verkrygbaar is.
