General Notice.

Algemene Kennisgewing.

(No. 47 of 1955)

(No. 47 van 1955)

Applications will be received at the Lands Branch, Windhoek, for a period of eight weeks from the date of the first publication of this notice (thus expiring on the 21st July, 1955), and for such time thereafter as any of the holdings remain unallotted, for the undermentioned holdings, to be disposed of on lease for a period of five (5) years, with the option of acquiring the land at any time during the currency of the lease, or at the expiration thereof, in terms of Conditional Purchase Lease extending over a period of thirty (30) years, and subject to the provisions of the Land Settlement Consolidation and Amendment Proclamation, 1927, and any further amendments thereto, and any regulations published thereunder.

The holdings will at first be allotted provisionally for a probationary period of one year only, during which period the successful applicant will be called upon to pay an annual rental of £1 as well as the annual Land Tax on the holding. If the Land Board is satisfied with the way in which the successful applicant has pursued his farming operations during the probationary period of allotment, the holding will be allotted to him in terms of the Land Settlement Laws, as set out above. If at any time during such probationary period the successful applicant does not comply with all the terms and conditions of the allotment especially that relating to occupation the allotment may be cancelled forthwith. The period of the probationary allotment may be extended at the discretion of the Land Board.

Applicants are particularly requested to state how long they have been permanently resident in South West Africa.

J. C. P. SONNEKUS,
Director of Lands.

WINDHOEK,
26th May, 1955.

Gedurende 'n tydperk van agt weke vanaf die eerste publikasie van hierdie kennisgewing (wat dus op 21 Julie 1955 verstryk), kan by die Afdeling van Lande, Windhoek, aansoek gedoen word om die toekenning van die ondergenoemde hoewes, en vir solank daarna as wat enige van die hoewes nie toegeken is nie, volgens huurkontrak vir 'n termyn van vyf (5) jaar met die reg om die grond te enige tyd gedurende die termyn van die huurkontrak of by verstryking daarvan aan te koop op voorwaardes van Voorwaardelike Koophuurkontrak wat oor 'n tydperk van dertig (30) jaar strek, ooreenkomstig en onderworpe aan die bepallings van die Landnederkomsing en Wysings Proklamasie 1927, en setting Gekonsolideerde en Wysings Proklamasie 1927, en enige verdere wysiging daarvan en regulasies daerkragsins afgekonk.

Die hoewes sal vireers voorwaardelik toegeken word vir 'n proeftydperk van slegs een jaar gedurende welke tydperk 'n jaarlikse huurgeld van £1 asook die jaarlikse Grondheer 'n jaarlikse tuurgeld sal word. As die Landraad instemming op die hoewe, ingevorder sal word, en die Landraad voortsig het gedurende die tydperk van die proeftoekenning, sal die hoewe aan hom toegestaan word. Indien die Landnederkomsingwette, soos aangehaal is hierbo, indien die aansoekende applikant te enige tyd gedurende die proeftydperk nie of die terme op voorwaardes van die toekenning nakoem nie, word met betrekking tot persoonlike okkupasie van die hoewe, stel dit die toekenning bloot aan onmiddellike verkanseling. Die tydperk van die proeftoekenning mag verkanseling word in besonder gevalle as te veel hoekluk.

Applicants word in besonder gevra om te meld hoelank hulle permanent in Suidwes-Afrika woonagtig is.

J. C. P. SONNEKUS,
Direkteur van Lande.

1 Hectare = $1\frac{1}{2}$ morgen approximately.

1 Hektar = ongeveer $1\frac{1}{2}$ morg.

The Administration reserves the right at any time to withdraw any holding offered for disposal by this notice. Any previous notices advertising these holdings are hereby withdrawn.

The extents of the holdings are indicated approximately and it is accordingly possible that the purchase prices and rentals can be subject to variations.

The compensation which has as far as possible, been included in the purchase prices, will be paid by the Administration, except in those cases where the successful applicant himself erected the improvements, when the purchase price will be reduced accordingly.

Where improvements have been effected after the farms were inspected for advertisement purposes, such improvements will be valued by the Land Board and the valuations added to the purchase prices.

The purchase prices also include, as far as possible, cost of boreholes. Where this has not been done mention of that fact has been made and the amount thereof will, in due course be added to the purchase price.

The distances of the holdings from the nearest town or railway, as stated, are approximate only.

The particulars regarding the holdings, such as improvements, water supply and the type of farming for which the holdings are suitable, are based on inspection reports and applicants should satisfy themselves as to the correctness of the information furnished.

Occupation.—The leases to be issued will contain conditions to the effect that the lessees shall personally and beneficially occupy the holdings allotted within six weeks from the date of allotment and thereafter for at least eleven months in every calendar year.

In view of the large number of applications which may be received for some of the holdings in this notice, applicants are advised, in their own interest, to apply for more than one holding, stating their order of preference. Should their first choice not be allotted to them consideration will then be given to their other selections in order of preference.

The ownership of land in South West Africa does not include the ownership of minerals and precious stones in or under such land. All the above holdings are open to prospecting and pegging by any person duly authorised thereto in accordance with the provisions of Proclamation No. 4 of 1946, as amended. The holder of a prospecting licence over any of the above-named holdings is entitled to grazing and water for livestock required in connection with the prospecting operations, as well as wood in so far as it is available, without materially interfering with the working of the farm (vide section 33 of the Proclamation quoted above) and subject to payment of compensation as provided for in the Mining Law.

GENERAL CONDITIONS.

Fencing.

The successful applicants shall, on the allotments being made to them, assume full liability for the payment of all amounts which may be payable for fencing erected on the holdings. The successful applicants for any of the holdings on which the boundaries or part thereof are fenced, shall accept liability under any law relating to Fencing in South West Africa, for any amounts which may be claimed by adjoining owners in terms of the said Law.

ALGEMENE VOORWAARDES.

Omheining.

Die suksesvolle applikante moet, sodra toekennings aan die hulle gemaak word, alle verantwoordelikhede aanvaar vir die betaling van alle bedrae wat betaalbaar mag wees vir omheining wat op die hoewes opgerig is. Suksesvolle applikante van enige van die hoewes waarop die grenslyne of gedeeltes daarvan opgerig is, sal verantwoordelikhede moet aanvaar onder enige Omheiningwet in Suidwes-Afrika vir enige bedrae wat deur aangrensende eienaars kragtens sodanige Wet ge-eis mag word.
