Under the powers vested in him by section 27 of the Animal Diseases and Parasites Ordinance, 1959 (Ordinance 34 of 1959) the Administrator has made the following regulations without prior publication because he is of opinion that the purpose of these regulations would be defeated by delay:—

1. Every owner of cattle, sheep, goats and pigs in the districts mentioned in the Schedule hereto, shall have such animals inoculated by a person authorised thereto by the State Veterinarian against foot- and mouth disease with a vaccine approved by the State Veterinarian, at a time specified by the State Veterinarian.

2. All cattle, sheep, goats and pigs which have been thus inoculated, must be branded with a branding iron prescribed by the State Veterinarian at the time of the inoculation.
