3. Die superintendent kan van tyd tot tyd op skrif onder sy hand en onderhewig aan die voorwaarde wa hy goedvind elke of enige bevoegdheid wat hierdie ordonnansie aan hom verleen, aan 'n beambte oordra en hom sodanige oordrag terugtrek.

4. Die Administrateur kan van tyd tot tyd, behou dens die bepaling van artikel *vyf*, en die wette me-

to the Public Service, appoint assizers to assize and re-assize any weighing or measuring instrument, weight or measure and to carry out the provisions of this Ordinance.

5. No person shall be appointed as an assizer unless he has shown in undergoing an examination a knowledge of the provisions of this Ordinance and —

(a) has, in accordance with a curriculum laid down from time to time by the board, passed an examination in mensuration, elementary physics, elementary mechanics and practical work in assizing weighing and measuring instruments; or

(b) has satisfied the Administrator that he holds a certificate qualifying him to act as an assizer,

and holds a certificate issued in accordance with the directions of the Administrator to the effect that he is qualified to act as an assizer.

6. The Administrator may, subject to the laws relating to the Public Service, appoint inspectors to exercise the functions of inspectors under this Ordinance.

7. Subject to the provisions of section twenty-one no assizer shall derive any profit from, or be employed in, the making, adjusting or selling of weighing or measuring instruments, weights or measures.

CHAPTER II.

STANDARD WEIGHTS AND MEASURES

8. (1) The standard measures of weight, lengths and capacity (or volume) are described in the First Schedule.

(2) The Administrator may by proclamation in the *Gazette* amend the First Schedule by adding new standard measures based on the standard measures described therein.

9. The standard measures of area are obtained by squaring the standard measures of length and the standard measures of cubic content are obtained by cubing the standard measures of length.

10. (1) Save as is specially provided in this Ordinance no person shall use in trade any weights or measures other than standard weights or measures of the denominations set out in the Second Schedule.

(2) The abbreviations set out in the Second Schedule are the only recognized abbreviations of the said denominations.

(3) The Administrator may by proclamation in the *Gazette* amend the Second Schedule.

11. The Administrator shall cause to be kept in the custody of the superintendent a verified set of weights and measures (in this Ordinance referred to as the South West Africa standards).

12. The Administrator shall provide such verified copies (in this Ordinance referred to as working standards) of the South West Africa standards as may be required by assizers.

13. The Administrator shall cause —

(a) the South West Africa standards to be re-verified at intervals not exceeding five years;

(b) all working standards to be re-verified with South West Africa standards —

(i) in the case of working standards consisting of brass avoirdupois weights for testing weights used in trade, at intervals not exceeding six months;

(ii) in the case of all other working standards, at intervals not exceeding one year.

14. The Administrator shall from time to time cause to be examined and tested all scale-beams, balances or other instruments used or intended to be used with the South West Africa standards, or working standards and in which may depend the accuracy of any testing and verification in connection with which such standards are used.

betrekkings tot die Staatsdiens, ykbeamptes aanstel om weeg- of meetinstrumente, mate of gewigte te yk en te heryk en om die bepalings van hierdie ordonnansie uit te voer.

5. Niemand word as ykbeampte aangestel nie tensy hy by die aflegging van 'n eksamen kennis van die bepalings van hierdie ordonnansie getoon het en —

(a) ooreenkomsdig 'n leerplan wat die ykraad van tyd tot tyd vassel, in 'n eksamen in meting, elementêre fisika, elementêre werktyukunde en praktiese werk verbonde aan die yk van weeg- en meetinstrumente geslaag het; of

(b) die Administrateur oortuig het dat hy 'n sertifikaat besit waarvolgens hy bevoeg is om as ykbeampte op te tree.

en 'n sertifikaat besit ooreenkomsdig die opdrag van die Administrateur uitgereik, wat aandui dat hy bevoeg is om as ykbeampte op te tree.

6. Die Administrateur kan, behoudens die wette met betrekking tot die Staatsdiens, inspektors aanstel om die werkzaamhede van inspektors ingevolge hierdie ordonnansie te verrig.

7. Behoudens die bepalings van artikel een-en-twintig, mag geen ykbeampte enige winste verkry uit of werkzaam wees by die vervaardiging, regstel of verkoop van weeg- of meetinstrumente, mate of gewigte nie.

HOOFSTUK II.

STANDAARDMATE EN -GEWIGTE

8. (1) Die standaardmate van gewig, lengte en inhoud (of volume) word in die eerste bylae beskryf.

(2) Die Administrateur kan by proklamasie in die *Offisiële Koerant* die eerste bylae wysig deur nuwe standaardmate, gebaseer op die standaardmate daarin beskryf, by te voeg.

9. Die standaardmate van oppervlakte word verkry deur die standaardmate van lengte tot die tweede mag te verhef en die standaardmate van kubieke inhoud word verkry deur die standaardmate van lengte tot die derde mag te verhef.

10. (1) Behoudens spesiale bepalings van hierdie ordonnansie, mag niemand ander mate of gewigte as die standaardmate of -gewigte van die maateenhede in die tweede bylae uiteengesit, in die handel gebruik nie.

(2) Die afskortings in die tweede bylae uiteengesit, is die enigste erkende afskortings van genoemde maateenhede.

(3) Die Administrateur kan by proklamasie in die *Offisiële Koerant* die tweede bylae wysig.

11. Die Administrateur moet 'n geverifieerde stel mate en gewigte in die bewaring van die superintendent laat hou. (In hierdie ordonnansie heet dit die Suidwes-Afrikastandaard.)

12. Die Administrateur verskaf geverifieerde replikas (in hierdie ordonnansie werkstandaarde genoem) van die Suidwes-Afrikastandaarde wat ykbeamptes nodig het.

13. Die Administrateur laat —

(a) die Suidwes-Afrikastandaarde by tussenpose van hoogstens vyf jaar herverifieer;

(b) alle werkstandaarde met Suidwes-Afrikanstaarde herverifieer —

(i) in die geval van werkstandaarde wat bestaan uit geelkop-avoirdupoisgewigte vir die toets van gewigte wat in die handel gebruik word, by tussenpose van hoogstens ses maande;

(ii) in die geval van alle ander werkstandaarde, by tussenpose van hoogstens 'n jaar.

14. Die Administrateur laat van tyd tot tyd alle balansjukke, balanse of ander instrumente ondersoek en toets wat gebruik word of bestem is om gebruik te word met Suidwes-Afrika- of werkstandaarde, en waarvan die noukeurigheid van 'n toets of verifikasie in verband waarmee genoemde standaarde gebruik word, kan afhang.

CHAPTER III.

ASSIZING AND RE-ASSIZING OF WEIGHING AND MEASURING INSTRUMENTS, WEIGHTS AND MEASURES

15. Every weighing and measuring instrument, weight and measure, used in trade for the determination of length, area, capacity, volume, weight or quantity shall be assized in accordance with the provisions of this Ordinance.

16. (1) No assizer shall assize or re-assize —

- (a) subject to the provisions of section eighteen, any weighing or measuring instrument, weight or measure which is not properly constructed, or the material or mode of construction or nature or condition or any part of which appears, in the opinion of the assizer, likely to facilitate the commission of fraud;
- (b) any weighing or measuring instrument, weight or measure presenting unusual or novel features and in respect of which the assizer has not satisfied himself that an article or instrument of similar design or construction has been approved of by the superintendent;
- (c) any weighing instrument upon which the maximum weighing capacity is not marked in accordance with the provisions of section thirty-five or which is not provided with a suitable plug for receiving the stamp of assize, or the knife edges and bearing parts of which are not of hardened steel, agate or other material approved of by the superintendent;
- (d) any weight (except where its small size renders it impracticable) which is not properly denominated;
- (e) any weight which is made of earthenware or lead or pewter, or contains any such material (except in the form of a plug of lead or pewter which is necessary for the purpose of adjusting the weight or enabling it to receive the stamp of assize);
- (f) any measure of capacity or length which is not properly denominated;
- (g) any measure of capacity made of material easily liable to be bent or to lose its shape;
- (h) any measure of length made of material sufficiently elastic to cause material variations in its length, or the length of which is materially influenced by variations in atmospheric temperature or humidity;
- (i) any weighing or measuring instrument, weight or measure which does not conform to the requirements of this Ordinance.

(2) Any decision of an assizer under this section shall be liable to revision by, and subject to appeal to, the Administrator.

(3) If in the opinion of the Administrator any appeal is based upon frivolous grounds, the expenditure incurred by the Administration in connection with such appeal shall be borne by the appellant.

17. (1) An assizer shall, in the manner prescribed by regulation, deface by means of a rejection stamp, the stamp of assize on any weighing or measuring instrument, weight or measure which he finds to be false, defective or inaccurate, or not to comply with the requirements of this Ordinance, and thereupon such instrument, weight or measure, shall be deemed to be unassized.

(2) An assizer who defaces any stamp of assize on any such instrument, weight or measure, shall at the same time issue to the person in charge of the instrument, weight or measure, a certificate stating the reason for the defacement.

18. (1) The superintendent shall examine and test, with reference to the material of which and the principle on which it is constructed, any pattern of any weighing or measuring instrument, weight or measure for trade use submitted to him.

HOOFSTUK III.

DIE YK EN HERYK VAN WEEG- EN MEETINSTRUMENTE, MATE EN GEWIGTE

15. Alle weeg- en meetinstrumente, mate en gewigte wat in die handel gebruik word vir die bepaling van lengte, oppervlakte, inhoud, volume, gewig of hoeveelheid, moet ooreenkomsdig die bepaling van hierdie ordonnansie geyk word.

16. (1) Geen ykbeampte yk of heryk —

- (a) behoudens die bepaling van artikel *agtien*, weeg- of meetinstrumente, mate of gewigte, wat nie behoorlik gemaak is nie, of waarvan die materiaal of wyse van konstruksie of aard of toestand of 'n deel volgens die oordeel van die ykbeampte waarskynlik die pleeg van bedrog in die hand sal werk;
- (b) weeg- of meetinstrumente, mate of gewigte wat buitengewone of nuwe elenskappe vertoon en ten opsigte waarvan die ykbeampte hom nie vergewis het dat 'n artikel of instrument van 'n soortgelyke ontwerp van konstruksie deur die superintendent goedgekeur is nie;
- (c) 'n weeginstrument waarop die maksimum weegvermoed nie ooreenkomsdig die bepaling van artikel *vijf-en-dertig* gemaak is nie, of wat nie van 'n geskikte prop vir die aanbring van die ykstempel voorsien is nie, of waarvan die balanseermesse en draagpunte nie van geharde staal, agaat of 'n ander deur die superintendent goedgekeure materiaal gemaak is nie;
- (d) 'n gewig waarop die maateenheid nie behoorlik aangedui word nie (behalwe wanneer dit onpraktiese is as gevolg van die kleinheid daarvan);
- (e) 'n gewig vervaardig uit erdewerk of lood of piouter, of wat sodanige materiaal bevat nie (behalwe in die vorm van 'n prop van lood of piouter wat nodig is om die gewig reg te stel of om die aanbring van die ykstempel moonlik te maak);
- (f) 'n inhouds of lengtemaat waarop die maateenheid nie behoorlik aangedui word nie;
- (g) 'n inhoudsmaat vervaardig uit materiaal wat geneig is om maklik ingedruk te word of sy fatsoen te verloor nie;
- (h) 'n lengtemaat vervaardig uit materiaal wat voldoende elasties is om wesentlike veranderinge in die lengte daarvan te veroorsaak, of waarvan die lengte wesentlik beïnvloed word deur veranderings in die lugtemperatuur of -vogtigheid nie;
- (i) weeg- of meetinstrumente, mate of gewigte wat nie aan die vereistes van hierdie ordonnansie voldoen nie.

(2) 'n Beslissing deur 'n ykbeampte ingevolge hierdie artikel is onderhewig aan hersiening deur, en onderworpe aan appèl by die Administrateur.

(3) Indien volgens die oordeel van die Administrateur 'n appèl op beuselagtige gronde berus, word die onkoste deur die Administrasie in verband met so 'n appèl aangegaan, deur die appellant gedra.

17. (1) 'n Ykbeampte moet die ykstempel op weeg- of meetinstrumente, mate of gewigte wat na hy bevind vals, gebrekbaar of onnoueurig is, of nie aan die vereistes van hierdie ordonnansie voldoen nie, op die by regulasie voorgeskrewe wyse met 'n afkeurstempel uitwiss, en daarna word daardie instrumente, mate of gewigte geag ongeyk te wees.

(2) 'n Ykbeampte wat 'n ykstempel op sodanige instrumente, mate of gewigte uitwiss, relk terselfdertyd aan die persoon in beheer van die instrumente, mate of gewigte 'n certifikaat uit waarin die rede vir die uitwisseling vermeld word.

18. (1) Die superintendent moet modelle van weeg- of meetinstrumente, mate of gewigte vir handelsgebruik wat aan hom voorgelo word, ondersoek en toets met betrekking tot die materiaal waarvan en die beginsel waarop dit vervaardig is.

(2) A decision of the superintendent under this section shall be liable to revision by, and subject to appeal to, the Administrator whose decision shall be final.

(3) If in the opinion of the Administrator any appeal is based on frivolous grounds, the expenditure incurred by the Administration in connection with such appeal shall be borne by the appellant.

(1) The superintendent or any assizer may, in accordance with regulation, call upon any person or all persons within any district, having any weighing or measuring instrument, weight or measure in use in trade, to produce it for the purpose of being examined and assized or re-assized at such time or times and at such place or places within that district as he may appoint by notice affixed to the principal door or to a notice board at or near the principal door of the magistrate's court of that district and published in a newspaper circulating in that district: Provided that there shall be an interval of at least fourteen days between the date of such notice and the first date on which any such weighing or measuring instrument, weight or measure has to be produced.

(2) Any person who fails to comply with such notice, except with regard to any weighing or measuring instrument, weight or measure, which, by reason of being fixed or of heavy weight or of delicate construction, cannot conveniently be moved, shall be guilty of an offence.

(3) Any person who has any instrument, weight or measure referred to in sub-section (2) in use in trade, shall forthwith in writing notify the assizer or the magistrate of the district in which it is used for trade or any person appointed by the superintendent for the purpose of being notified, of the place where it is kept.

(4) Any person who fails to comply with the provisions of sub-section (3) shall be guilty of an offence.

(5) Any assized measure of capacity made of clear glass or a fixed assized metal measure of length need not be re-assized unless the assizer has reasonable grounds for believing that it has been materially altered since it was assized, or unless the original stamp of assize has been defaced or has become illegible.

(1) An assizer shall, at the time and place appointed under sub-section (1) of section nineteen, examine any weighing or measuring instrument, or any weight or measure of a denomination authorized by this Ordinance which is brought to him to be assized or re-assized and shall, after verification or comparison with or a test by means of working standards, assize or re-assize, in such manner as best to prevent fraud or deception and to indicate the year of such assizing or re-assizing, any such instrument, weight or measure which he finds to be correct and to comply with the requirements of this Ordinance.

(2) The assizer shall keep a record of such verification, comparison, test, assizing or re-assizing, and shall issue to any person who has so brought to him any such instrument, weight or measure, a certificate signed by him, that such instrument, weight or measure has, on the date mentioned in such certificate, been assized, reassized or rejected, as the case may be.

21. Any assizer shall charge —

- (a) in respect of any verification or comparison with or test by means of standards, or assizing or re-assizing, of any weighing or measuring instrument, weight or measure; and
- (b) in respect of the adjustment of any weight or measure, if authorised by the superintendent to adjust any weight or measure, fees according to a tariff fixed by the Administrator and published by notice in the Gazette.

22. Any assizer who stamps with a stamp of assize any weighing or measuring instrument, weight or measure in contravention of any provision of this Ordinance shall be guilty of an offence.

23. Any weighing or measuring instrument, weight or measure used by the State for the purpose of, or in

(2) 'n Beslissing van die superintendent ingevolge hierdie artikel is onderhewig aan hersiening deur, en onderworpe aan appèl by die Administrateur wie se beslissing afdoen is.

(3) Indien volgens die oordeel van die Administrateur 'n appèl op beseulagtige grond berus, word die onkoste deur die Administrasie in verband met so 'n appèl aangegaan, deur die appellant gedra.

(1) Die superintendent of 'n ykbeampte kan, oorkomstig die regulasies, 'n persoon of alle persone in 'n distrik, wat weeg- of meetinstrumente, mate of gewigte in die handel gebruik, aansoek om dit te toon om ondersoek en gelyk of heryk te word op die tyd van tye en op die plek van plekke binne daardie distrik wat hy by kennisgewing bepaal, wat aan die hoofdeur of op die kennisgewingbord by of naby die hoofdeur van die landdroshof van daardie distrik geheg word, en in 'n koorant wat in daardie distrik omloop, gepubliseer word: Met dien verstande dat daar 'n typerk van minstens veertien dae moet verloop tussen die datum van genoemde kennisgewing en die eerste datum waarop die weeg- of meetinstrumente, mate of gewigte getoon moet word.

(2) Iemand wat versuim om aan so 'n kennisgewing te voldoen, behalwe met betrekking tot weeg- of meetinstrumente, mate of gewigte wat weens die onbeweeglikheid of swaar gewig of delikate konstruksie daarvan, nie gemaklik vervoer kan word nie, is aan 'n misdryf skuldig.

(3) Iemand wat instrumente, mate of gewigte in subartikel (2) vermeld, in die handel gebruik, stel onverwyd die ykbeampte of die landdros van die distrik waarin dit in die handel gebruik word, of iemand wat deur die superintendent aangeset is om daarvan kennis te neem, skriflik in kennis van die plek waar dit gehou word.

(4) Iemand wat versuim om aan die bepalings van subartikel (3) te voldoen, is aan 'n misdryf skuldig.

(5) 'n Geykta inhoudsmaat uit heder glas vervaardig of 'n vasgehegte metaallengtemaat hoef nie heryk te word nie, tensy die ykbeampte redelike gronde het om te glo dat dit wesentlik verander is sedert dit geyk is, of tensy die oorspronklike ykstempel uitgewis is of onleesbaar geword het.

(1) 'n Ykbeampte ondersoek, op die tyd en plek ingevolge subartikel (1) van artikel negentien bepaal, alle weeg- of meetinstrumente, of alle mate of gewigte van 'n maateenheid by hierdie ordonnansie gemagtig wat na hom gebring word om gelyk of heryk te word, en na verifikasiëring van vergelyking met of 'n toets deur middel van werkstandaarde, yk of heryk hy op 'n wyse wat bedrog of misleiding die beste sal voorkom, en wat die jaar van die yk of heryk aandui, die instrumente, mate of gewigte wat na sy bevinding juis is en aan die vereistes van hierdie ordonnansie voldoen.

(2) Die ykbeampte teken die verifikasiësie, vergelyking, toets, yk of heryk aan, en relk aan iemand wat die instrumente, mate of gewigte aldus na hom gebring het 'n sertifikaat uit deur hom onderteken dat die instrumente, mate of gewigte op die datum in dié sertifikaat vermeld, gelyk, heryk of afgekeur is, na gelang van die gevall.

21. 'n Ykbeampte vra —

- (a) ten opsigte van die verifikasiësie of vergelyking met of toets deur middel van standaarde, of die yk of heryk van weeg- of meetinstrumente, mate of gewigte;

(2) Iemand wat weeg- of meetinstrumente, mate of gewigte wat in die handel gebruik word, heelgemaak of herstel moet, tensy dit onmiddellik daarna geyk word, die superintendent onverwyd van die heelmaak of herstel in kennis stel, en hom 'n skriftelike waarborg, verstrek dat die instrumente, mate of gewigte juis is en ingevolge hierdie ordonnansie ykbaar is, en indien die superintendent oortuig is van die toereikendheid van die waarborg en die vaardigheid van die hersteller, reik hy sonder verskriklike magtiging uit vir die gebruik van die instrumente, mate of gewigte totdat reëlings getref kan word vir die yk daarvan.

(3) Niemand mag weeg- of meetinstrumente, mate of gewigte in die handel gebruik wat heelgemaak of herstel is nie, tensy dit daarna geyk is of tensy 'n skriftelike magtiging ingevolge subartikel (2) ten opsigte daarvan uitgereik is.

34. The superintendent may grant permission in writing to use any unassized weighing or measuring instrument, where for any reason it is not possible for an assizer to carry out the tests required by the regulations and the superintendent is satisfied that the instrument is correct and assizable.

35. No person shall use in trade or have in his possession for such use any weighing instrument, unless the maximum weighing capacity thereof is clearly marked thereon.

36. (1) Any person who uses any weight in trade shall, except where the small size of the weight renders it impracticable, have the denomination of such weight stamped on the top or side thereof in legible figures or letters.

(2) Any person who uses in trade any measure of capacity or length shall have the denomination thereof stamped on the outside of such measure in legible figures or letters.

37. Any weighing instrument shall be so constructed that the knife edges and bearing parts thereof are of hardened steel or agate or other approved material, and shall be fitted in some part essential to the use of the instrument, with a soft metal plug for receiving a stamp of assize.

38. (1) No person shall use troy weights in trade except for weighing precious metals.

(2) No person shall use metric carat weights in trade except for weighing precious stones.

(3) No person shall use apothecaries' weights in trade except in the dispensing of poisons, drugs or medicines.

(4) (a) A measure of capacity or cubic content or a measure of weight may be used in selling fluids, unless otherwise provided by regulation.

(b) No person shall sell any fluid by measure of capacity in any container unless the container is clearly labelled with the actual liquid contents expressed in measures of capacity given in the Second Schedule or unless the actual liquid contents are indicated in such manner as may be prescribed by regulation.

(c) The provisions of paragraph (b) shall not apply —

(i) in respect of the sale of beer, wine or other intoxicating liquor in quantities of one quart, one pint, one half pint, or one-sixth, one-twelfth or one-twenty-fourth of a gallon, in containers of corresponding capacity;

(ii) in respect of any container not intended for delivery by the seller with the fluid.

(5) No person shall save in so far as may be otherwise prescribed by regulation, use a measure of capacity for selling anything other than a fluid: Provided that for the purpose of complying with this Ordinance, a sack or bag shall consist of or mean such stated weight of that commodity or those goods as may be declared by the Administrator by proclamation in the *Gazette*.

(6) No person shall use Cape measures of length or area except for measuring land, and then only for so long as, and to the extent to which, the survey laws in the Territory admit of the use of those measures for land survey.

39. Notwithstanding anything in this Ordinance contained, no person who carries on a retail trade shall, without the written consent of an assizer, have in his possession any metric weight or measure of any denomination referred to in the Second Schedule, if he has in his possession any other weight or measure.

40. (1) No person shall —

(a) sell any goods by weight unless by net weight; or

(b) deliver to the purchaser of any goods so sold, an invoice or delivery note which does not contain a statement of the net weight of such goods; or

34. Die superintendent kan skriftelike toestemming verleen om ongekykte weeg- of meetinstrumente te gebruik, waar dit om een van ander rede nie vir 'n ykbeampte moonlik is om die toetsdeur die regulasies vereis, uit te voer nie en die superintendent oortuig is dat die instrument juis en ykbaar is.

35. Niemand mag enige weeginstrument in die handel gebruik of in sy besit hê vir sodanige gebruik nie, tensy die maksimum weegvermoë daarvan duidelik daarop gemerken word.

36. (1) Iemand wat gewigte in die handel gebruik, laat, behalwe wanneer die kleinheid van die gewig dit onpraktiese maak, die maateenhed van die gewigte in leesbare syfers of letters op die bo- of sykant daarvan stempel.

(2) Iemand wat 'n inhoudsmaat of lengtemaat in die handel gebruik, laat die maateenhed daarvan in leesbare syfers of letters op die buitekant van so 'n maatstempel.

37. Weeginstrumente word so saamgestel dat die balansermesse en draagpunte daarvan uit geharde staal of agaat of ander goedgekeurde materiaal bestaan, en word, in 'n onderdeel wat noodsaklik vir die gebruik van die instrumente is, van 'n sagte metaalprop vir die aanbring van 'n ykstempel voorsien.

38. (1) Niemand mag troy-gewigte in die handel gebruik behalwe by die weeg van edelmetale nie.

(2) Niemand mag metriekie karaatgewigte in die handel gebruik behalwe by die weeg van edelgesteentes nie.

(3) Niemand mag aptekersgewigte in die handel gebruik behalwe by die toebereiding van gif, verdowingsmiddels of medisyne nie.

(4) (a) 'n Inhoudsmaat of kubieke maat of gewigsmaat kan by die verkoop van vloeistowwe gebruik word, tensy by regulasie anders bepaal word.

(b) Niemand mag 'n vloeistof by inhoudsmaat in 'n houer verkoop nie tensy die houer van 'n duidelike etiket voorsien word wat die werklike vloeistofinhoud aandui, uitgedruk volgens inhoudsmaate in die tweede bylae vermeld of tensy die werklike vloeistofinhoud op die by regulasie voorgeskrewe wyse aangedui word.

(c) Die bepalings van paragraaf (b) is nie van toepassing nie —

(i) ten opsigte van die verkoop van bier, wyn of ander sterk drank in hoevelhede van 'n kwart, 'n pint, 'n halfpint of 'n sesde, 'n twaalfe of 'n vier-en-twintigste van 'n gelling, in hours met 'n ooreenstemmende inhoud;

(ii) ten opsigte van 'n houer wat nie bedoel is om met die vloeistof deur die verkoper afgeweier te word nie.

(5) Niemand mag behalwe vir sover anders by regulasie voorgeskryf word 'n inhoudsmaat vir die verkoop van iets anders as 'n vloeistof gebruik nie: Met dien verstande dat ten einde aan hierdie ordonnansie te voldoen, 'n sak of baal dié bepaalde gewig van daardie ware of goedere bevat of beteken, wat deur die Administrateur by proklamasie in die *Offisiele Koorant* verklaar word.

(6) Niemand mag Kaapse mate van lengte of oppervlakte gebruik, behalwe by die opmeting van grond nie, en dan slegs so lank soos en vir sover die wette op opmeting in die Gebied die gebruik van daardie mate vir landmeting toelaat.

39. Ondanks andersluidende bepalings in hierdie ordonnansie, mag niemand wat kleinhandel dryf, sonder die skriftelike toestemming van 'n ykbeampte, metriekie mate of gewigte van 'n maateenhed in die tweede bylae vermeld in sy besit hê, indien hy ander mate of gewigte in sy besit het nie.

40. (1) Niemand mag —

(a) goedere by die gewig anders as by netto gewig verkoop nie; of

(b) aan die koper van aldus verkooppte goedere 'n faktuur of afleveringsbrief oorhandig wat nie 'n verklaring van die netto gewig van die goedere bevat nie; of

(c) sell by weight any goods in made-up packages or containers, unless the net weight of such goods is clearly and legibly marked on the outside of the package or container in the manner prescribed by regulation and is in accordance with the weight so marked.

(2) Sub-section (1) shall not apply to —

- (a) any article which, by reason of its being subject to variation in weight owing to climatic influences, is specially exempted by regulations from the provisions of that sub-section;
- (b) any article for which weight is used for the purpose of designating grade or class only.

(3) Paragraph (c) of sub-section (1) shall not apply to any article which is specially exempted by regulation from any or all of the provisions of that paragraph, or to goods weighed at the time of sale and sold by the net weight determined by such weighing.

(4) No person shall sell any article exempted in the manner described in paragraph (a) of sub-section (2) unless it is conspicuously marked on the package or container in which it is sold in the manner prescribed by regulation with a statement giving the net weight of the contents at the time of packing.

41. (1) Any person who uses a weighing or measuring instrument for the purposes of retail trade shall keep such instrument wholly exposed to the view of any person dealing with him.

(2) Any person who in retail trade sells by weight any goods prepacked by him shall keep available for the use of any person dealing with him an assized weighing instrument, suitable for weighing such goods.

42. (1) No person shall print, publish, make, circulate or cause to be printed, published, made or circulated in the Territory any return, price list or price current or any journal or other paper containing the prices current of goods, if the denomination of weights or measures quoted or referred to therein, denotes or implies a greater or less weight or measure than is denoted or implied by the same denomination of the weights or measures authorized by this Ordinance.

(2) Sub-section (1) shall not apply to —

- (a) any catalogue emanating from a country outside the Territory and circulated in the Territory, which clearly shows on its outside cover that references to prices and denominations of weight and measure in such catalogue are not applicable to the Territory; or
- (b) any such catalogue which bears a statement on its outside cover showing the South West Africa equivalent of the denominations of weights and measures set forth therein.

43. Nothing in this Ordinance contained shall prohibit the sale, in a vessel or container, of any article not required by regulation to be sold by measure of capacity, where such vessel or container is not represented as containing a stated quantity according to South West Africa measure, and nothing in this Ordinance contained shall subject any person to any penalty for the possession of such vessel or container where it is shown that such vessel or container is not used or intended for use as a measure.

CHAPTER V.

44. (1) The Administrator may make regulations not inconsistent with this Ordinance —

- (a) prescribing the times and places at which weighing or measuring instruments, weights or measures shall be examined and assized or re-assized;
- (b) with regard to the assizing or re-assizing of weighing or measuring instruments, weights or measures used by the State for the purpose of, or in con-

(c) goedere in klaargemaakte pakkies of houers per gewig verkoop nie, tensy die netto gewig van die goedere duidelik en leesbaar aan die buitekant van die pakkie of houer op die by regulasie voorgeskreve wyse gemerk is, en met die aldus gemerkte gewig ooreenstem.

(2) Subartikel (1) is nie van toepassing nie op —

- (a) 'n artikel wat omrede dit ten gevolge van die uitwerking van klimaat aan gewigsverandering onderhevig is, uitdruklik by regulasie van die bepalings van daardie subartikel vrygestel word;
- (b) 'n artikel waaroor gewig gebruik word slegs om graad of klas aan te du.

(3) Paragraaf (c) van subartikel (1) is nie van toepassing op 'n artikel wat uitdruklik by regulasie vrygestel word van een van of al die bepalings van daardie paragraaf, of op goedere wat op die tydstip van verkoop geweg word en volgens die netto gewig by die weeg bepaal, verkoop word nie.

(4) Niemand mag 'n artikel wat op die in paragraaf (a) van subartikel (2) omskrywe wyse vrygestel word, verkoop nie, tensy dit opvallend op die pakkie of houer van dit verkoop word op die by regulasie voorgeskreve wyse gemerk word met 'n verklaring waarin die netto gewig van die inhoud ten tyde van die verpakking aangegee word.

41. (1) Iemand wat 'n weeg- of meetinstrument vir kleinhandelsdoeleindes gebruik,hou die instrument oop en bloot om deur enigiemand wat met hom sake doen, gesien te kan word.

(2) Iemand wat in die kleinhandel goedere wat vooraf deur hom verpak is, volgens gewig verkoop moet 'n gelyke weeginstrument wat vir die weeg van daardie goedere geskik is beskikbaar hou vir gebruik deur iemand wat met hom sake doen.

42. (1) Niemand mag 'n opgawe of pryslys of 'n blad of ander geskrif wat die pryslys van goedere bevat in die Gebied druk, uitgee, opstel, in omloop bring of laat druk, uitgee of opstel of in omloop laat bring nie, indien die maateenhed van mate of gewigte daarin aangehaal of vermeld, 'n groter of kleiner maat of gewig aandui of veronderstel as wat deur dieselfde maateenhed van die mate of gewigte deur hierdie ordonnansie gemagtig, aangedui of veronderstel word.

(2) Subartikel (1) is nie van toepassing nie op —

- (a) 'n katalogus afgkomstig uit 'n land buite die Gebied en in die Gebied in omloop gebring, wat op die buiteblad daarvan duidelik aantoon dat verwysings na prys en maateenhede van mate en gewigte in die katalogus nie op die Gebied van toepassing is nie; of
- (b) so 'n katalogus wat op die buiteblad daarvan die in Suidwes-Afrika gangbare ekwivalente van die maateenhede van mate en gewigte wat daarin voorkom, aangee.

43. Die bepalings van hierdie ordonnansie verbied nie die verkoop, in 'n vat of houer, van 'n artikel waarvan die nie by regulasie vereis word dat dit by inhoudsmaat verkoop moet word nie, waarna dit nie voorgegee word dat die vat of houer 'n vasgestelde hoeveelheid volgens Suidwes-Afrikaanse mate bevat nie, en die bepalings van hierdie ordonnansie maak niemand strafbaar weens die besit van so 'n vat of houer nie, waar dit aangetoond word dat die vat of houer nie as maat gebruik word of vir gebruik bestem is nie.

HOOFSTUK V.

ALGEMENE EN DIVERSE BEPALINGS

44. (1) Die Administrateur kan regulasies wat nie met hierdie ordonnansie onbestaanbaar is nie, uitvaardig —

- (a) wat die tye en plekke voorskryf waarop en waar weeg- of meetinstrumente, mate of gewigte ondersoek en gelyk of heryk word;

and generally for more effectually carrying out the objects and purposes of this Ordinance.

(2) Any regulation may be made in respect of the whole of the Territory or any part thereof.

45. Any person who contravenes, or fails to comply with, any provision of this Ordinance shall be guilty of an offence and shall, where no penalty is specially provided, be liable on a first conviction, to a fine not exceeding one thousand rand (R1000), and on a second or subsequent conviction to such fine or to imprisonment without the option of a fine for a period not exceeding six months.

46. (1) Whenever any manager, agent or employee of any person does or omits to do any act which it would be an offence under this Ordinance for such person to do or omit to do, then, unless it is proved that —

- (a) in doing or omitting to do that act, the manager, agent or employee was acting without the convenience or the permission of such person;
- (b) all reasonable steps were taken by such person to prevent any act or omission of the kind in question;
- (c) it was not within the scope of the authority or in the course of the employment of the manager, agent or employee to do or omit to do an act whether lawful or unlawful, of the character of the act or omission charged,

such person shall be presumed himself to have done or omitted to do that act and be liable to be convicted and sentenced in respect thereof, and the fact that he issued instructions forbidding any act or omission of the kind in question shall not of itself be sufficient proof that he took all reasonable steps to prevent the act or omission.

(2) Whenever any manager, agent or employee of any person does or omits to do any act which it would be an offence under this Ordinance for such person to do or to omit to do, the manager, agent or employee shall be liable to be convicted and sentenced in respect thereof as if he were such person.

47. (1) The court convicting any person of an offence under this Ordinance may order the confiscation of any forged or counterfeited stamp or die, any weighing or measuring instrument, weight or measure or any other article in connection with which such offence has been committed.

(2) Any article confiscated under sub-section (1) shall be disposed of as the Administrator may direct.

48. (1) Subject to the provisions of sub-section (2), The Weights and Measures Ordinance, 1937 (Ordinance 18 of 1937), the Weights and Measures Amendment Proclamation, 1944 (Proclamation 41 of 1944) and the Weights and Measures Amendment Ordinance, 1956 (Ordinance 24 of 1956) are hereby repealed.

(2) Any proclamation, regulation, notice, approval, authority, certificate or document issued, made, promulgated, given or granted and any other action taken under

- (r) wat die vorms voorskryf wat in verband met hierdie ordonnansie gebruik moet word;
- (s) wat voorwaarde vir die verskaffing, bewaring, versorging en verifikasie van Suidwes-Afrikaanse standaarde en werkstandaarde voorskryf;
- (t) wat voorwaarde voorskryf wat op meetinstrumente van toepassing is wat by die opmeting van grondte of spoorweg-, besproeiings- of ondergrondse opmetings gebruik word;
- (u) wat die grootte en gewig van leë bale vir wol, angorahaar of katoen voorskryf, en wat die invoer of gebruik van ander as die aldus voorgeskrewe bale verbied;
- (v) wat die gebruiksmetode van die maateenhede van standaardmate en -gewigte in die tweede bylae vermeld en van gevoude daarvan, voorskryf,

en oor die algemeen vir die doeltreffender uitvoering van die oogmerke en doelstellings van hierdie ordonnansie.

(2) 'n Regulasie kan ten opsigte van die hele Gebied of 'n deel daarvan uitgevaardig word.

45. Iemand wat 'n bepaling van hierdie ordonnansie oortree of versuim om daaraan te voldoen, is aan 'n misdryf skuldig, en is, waar geen uitdruklike straf bepaal word nie, by 'n eerste skuldigbevinding strafbaar met 'n boete van hoogstens eenduisend rand (R1000) en by 'n tweede of daaropvolgende skuldigbevinding met daardie boete of met gevangenisstraf sonder die keuse van 'n boete vir 'n tydperk van hoogstens ses maande.

46. (1) Wanneer 'n bestuurder, agent of werknemer van 'n persoon 'n handeling verrig of versuim om dit te verrig en dit 'n misdryf ingevalle hierdie ordonnansie sou wees indien daardie persoon dit sou verrig of versuim om dit te verrig, dan tensy bewys word dat —

- (a) by die verrigting van daardie handeling of versuim om dit te verrig, die bestuurder, agent of werknemer sonder die oogluikende toelating of die toestemming van daardie persoon gehandel het; en
- (b) daardie persoon alle redelike stappe gedoen het om 'n handeling of versuim van die onderhavige soort te voorkom; en
- (c) 'n handeling of versuim, hetby wettig of onwettig, van die ten laste gelegde aard nie binne die bestek van die bevoegheid of in die loop van die diens van die bestuurder, agent of werknemer gevah het nie,

word daar vermoed dat bedoelde persoon self daardie handeling verrig het of versuim het om dit te verrig, en kan hy ten opsigte daarvan skuldig bevind en gestraf word, en die feit dat hy bevele uitgerek dat het 'n handeling of versuim van die onderhavige soort verbied, word op sigself nie as voldoende bewys aanvaar dat hy alle redelike stappe gedoen het om die handeling of versuim te voorkom nie.

(2) Wanneer 'n bestuurder, agent of werknemer van 'n persoon 'n handeling verrig of versuim om dit te verrig en dit 'n misdryf ingevalle hierdie ordonnansie sou wees indien daardie persoon dit verrig of versuim om dit te verrig, kan die bestuurder, agent of werknemer ten opsigte daarvan skuldig bevind en gestraf word asof hy bedoelde persoon is.

47. (1) Die Hof wat iemand skudig bevind aan 'n misdryf ingevalle hierdie ordonnansie, kan die verbeurdverklaring gelaai van vervalste of nagaamakte stempels of seëlstempels, van weeg- of meetinstrumente, mate of gewigte van ander artikels in verband waarmee die misdryf gepleeg is.

(2) Daar word oor 'n artikel wat ingevalle subartikel (1) verbeurd verklaar is, beskik op die wyse deur die Administrateur bepaal.

48. (1) Behoudens die bepaling van subartikel (2) word die Ordonnansie op Mate en Gewigte 1937 (Ordonnansie 18 van 1937), die Wysigingsproklamasie op Mate en Gewigte 1944 (Proklamasie 41 van 1944) en die Wysigingsordonnansie op Mate en Gewigte 1956 (Ordonnansie 24 van 1956) hierby herroep.

(2) 'n Proklamasie, regulasie, kennisgewing, goedkeuring, magtiging, sertifikaat of dokument uitgereik, uitgevaardig, afgekondig, gegee of verleen en enige ander

any provision of a law repealed by sub-section (1), shall be deemed to have been issued, made, promulgated, given, granted or taken under the corresponding provision of this Ordinance.

49. This Ordinance shall be called the Weights and Measures Ordinance, 1962.

FIRST SCHEDULE

STANDARD MEASURES OF WEIGHT, CAPACITY AND LENGTH

1. The reference unit of the standard measure of weight is the kilogram, which is represented by the mass of the piece recognized by the General International Conference of Weights and Measures as the international prototype of the kilogram and deposited at the International Bureau of Weights and Measures.

The standard pound for South West Africa shall be the Imperial Standard Pound.

The equivalents for the kilogram and the pound are those derived at the International Bureau of Weights and Measures, namely —

$$\begin{array}{lcl} 1 \text{ pound} & = & 0.4535924 \text{ kilogram.} \\ 1 \text{ kilogram} & = & 2.2046225 \text{ pounds (avoir)} \end{array}$$

2. The reference unit of the standard measure of length is the metre, which is represented by the distance existing at the temperature of melting ice between two lines traced upon the bar sanctioned by the General International Conference of Weights and Measures as the international prototype of the metre and deposited at the International Bureau of Weights and Measures.

The standard yard for South West Africa shall be the Imperial Standard Yard.

The equivalents for the metre and the yard are those derived at the International Bureau of Weights and Measures, namely —

$$\begin{array}{lcl} 1 \text{ yard} & = & 0.9143992 \text{ metre.} \\ 1 \text{ metre} & = & 1.0936143 \text{ yard.} \end{array}$$

3. The reference unit of the standard measure of capacity is the litre, which is the volume of one kilogram of distilled water at its maximum density and under normal atmospheric pressure.

The standard gallon for South West Africa shall be the Imperial Gallon, which is the volume occupied by 10 pounds of distilled water weighed in air against brass weights at 62 degrees Fahrenheit under a pressure of 30 inches.

The equivalents for the litre and the gallon are as follows —

$$\begin{array}{lcl} 1 \text{ gallon} & = & 4.545963 \text{ litres.} \\ 1 \text{ litre} & = & 0.219975 \text{ gallon.} \end{array}$$

EERSTE BYLAE

STANDAARDMATE VAN GEWIG, INHOUD EN LENGTE

1. Die vergelykingseenheid van die standaardgewigsmaat is die kilogram wat voorgestel word deur die massa van die voorwerp wat deur die Algemene Internasionale Konferensie van Mate en Gewigte as die internasionale prototipe van die kilogram erken is en by die Internasionale Buro vir Mate en Gewigte bewaar word.

Die standaardpond vir Suidwes-Afrika is die Imperiale Standaardpond.

Die ekwivalente van die kilogram en die pond is dié verkry by die Internasionale Buro vir Mate en Gewigte, naamlik —

$$\begin{array}{ll} 1 \text{ pond} & = 0.4535924 \text{ kilogram} \\ 1 \text{ kilogram} & = 2.2046225 \text{ pond (avoir).} \end{array}$$

2. Die vergelykingseenheid van die standaardlengtemaat is die meter, wat voorgestel word deur die afstand wat by die temperatuur van ys wat aan die smelt is, bestaan tussen twee lyne getrek op die staaf wat deur die Algemene Internasionale Konferensie van Mate en Gewigte as die internasionale prototipe van die meter gedegekeur is en by die Internasionale Buro vir Mate en Gewigte bewaar word.

Die standaardjaart vir Suidwes-Afrika is die Imperiale Standaardjaart.

Die ekwivalente van die meter en die jaart is dié verkry by die Internasionale Buro vir Mate en Gewigte, naamlik —

$$\begin{array}{ll} 1 \text{ jaart} & = 0.9143992 \text{ meter.} \\ 1 \text{ meter} & = 1.0936143 \text{ jaart.} \end{array}$$

3. Die vergelykingseenheid van die standaardinhoudsmaat is die liter wat die volume van 'n kilogram gedistilleerde water by maksimum digtheid en onder normale lugdruk is.

Die standaardgelling vir Suidwes-Afrika is die Imperiale Gelling wat die volume is wat gevul word deur 10 pond gedistilleerde water in lug geweeg teen geelkopergewigte by 62 grade Fahrenheit onder 'n druk van 30 duim.

Die ekwivalente van die liter en die gelling is soos volgt:

$$\begin{array}{ll} 1 \text{ gelling} & = 4.545963 \text{ liter.} \\ 1 \text{ liter} & = 0.219975 \text{ gelling.} \end{array}$$
