(1) As soon as the voting at an election of members of the Executive Committee has been completed, the returning officer shall open the ballot box containing the ballot papers and proceed with the count in the presence of the assessors appointed in terms of regulation 3 and the assistant returning officer.

(2) No person other than a person referred to in subregulation (1), shall be present at the proceedings mentioned in that subregulation.

(3) At any election in terms of these regulations other than an election in accordance with the system of proportional representation, the number of candidates, but not exceeding the number to be elected, in whose favour the highest number of votes have been recorded shall be declared by the returning officer to be duly elected.

(4) If two or more candidates for the same vacancy receive the same number of votes, a re-election for that vacancy shall forthwith be held in accordance with the system of proportional representation and thereupon the provisions of regulations 15 to 25, inclusive, shall apply.

19. For the purpose of counting the votes in the case of a re-election held under subregulation (4) of regulation 18 —

- (a) every valid ballot paper shall be of the value of one hundred; and
- (b) all fractions and all preferences recorded in favour of candidates already elected or excluded from the poll, shall be disregarded.

ELECTION OF ONE MEMBER.

20. (1) Where one member of the Executive Committee is required to be elected, the returning officer shall in respect of each candidate make a separate parcel of all the ballot papers on which a first preference is recorded in favour of that candidate.

(2) If after the counting of the various parcels of ballot papers any candidate has an absolute majority that candidate shall be declared to be duly elected.

(3) If no candidate obtains an absolute majority, the returning officer shall exclude from the poll the candidate in whose favour the smallest number of first preferences have been recorded, and transfer the ballot papers in his parcel to the continuing candidates according to the next preferences recorded thereon, the value of the ballot papers so transferred being added to that of the ballot papers already in the parcel of the candidate concerned.

(4) If at any time two or more candidates, being the lowest on the poll, have the same value of votes, the one in whose favour the smallest number of first preferences have been recorded shall be excluded from the election, and if the first preferences recorded in favour of two or more candidates are also equal, the returning officer shall determine by lot which candidate is to be excluded.

(5) The procedure described in subregulation (3) shall be repeated in respect of the continuing candidates as often as may be necessary to obtain an absolute majority in favour of one candidate. The continuing candidate with the lowest value of votes being excluded at each repetition of such procedure.

(6) As soon as any candidate obtains an absolute majority in consequence of any steps taken in terms of this regulation, he shall be declared to be duly elected.

VERKIESING VAN MEER AS EEN LID.

21. (1) As meer as een lid vir die Uitvoerende Komitee verkies moet word, moet die kiesbeampte eers die waarde (hieronder word dit die „kwota” genoem) van die stemme vasstel wat vir die verkiesing van 'n kandidaat nodig is; dit moet 'n getal wees wat met een die kwosiënt oorskry wat verkry is deur die waarde van al die geldige stembriefies wat ten opsigte van die betrokke verkiesing by die kiesbeampte ingedien is, deur 'n getal te deel wat met een groter is as die getal lede van die Uitvoerende Komitee wat verkies moet word.

(2) Daarna moet die kiesbeampte al die stembriefies ten opsigte van die betrokke verkiesing by hom ingedien, in pakkies verdeel, soos in subregulasie (1) van regulasie 20 bepaal, en die getal eerste keuses wat vir elke kandidaat aangeteken is, vasstel.

(3) Elke kandidaat wat 'n getal stemme van 'n waarde wat gelyk is aan of groter is as die kwota ontvang het, moet behoorlik verkose verklaar word, en as die waarde van die stemme deur 'n kandidaat ontvang, gelyk is aan die kwota, moet sy stembriefies as finaal afgehandel opsygesit word.

(4) (a) As 'n kandidaat 'n getal stemme van 'n waarde wat groter as die kwota is, ontvang het, moet sy surplus op die wyse wat hieronder voorgeskryf word onder die orige kandidate verdeel word.

(b) As die surplus slegs uit oorspronklike stemme ontstaan, moet die kiesbeampte die onafgehandelde stembriefies in die betrokke kandidaat se pakkie volgens die volgende keuses wat daarop aangedui is, in kleiner pakkies verdeel. Hy moet ook 'n afsonderlike subpakkie van die afgehandelde stembriefies van sodanige kandidaat maak.

(c) As die waarde van die onafgehandelde stembriefies van sodanige kandidaat —

(i) gelyk aan of minder as sy surplus is, moet die kiesbeampte sodanige stembriefies in elke subpakkie teen die waarde oordra waarteen hulle deur die kandidaat wie se surplus oorgedra word, ontvang is;

(ii) groter as sy surplus is, moet die kiesbeampte sodanige stembriefies teen 'n waarde oordra wat vasgestel word deur die surplus deur die totale getal onafgehandelde stembriefies te deel.

(d) As die surplus nie slegs uit oorspronklike stemme ontstaan nie, moet die kiesbeampte die onafgehandelde stembriefies in die laaste subpakkie wat aan die kandidaat oorgedra is, in subpakkies verdeel volgens die volgende keuses daarop aangeteken, en daarna moet hy net die subpakkies op dieselfde manier handel as in die geval van 'n surplus wat slegs uit oorspronklike stemme ontstaan.

(5) Die stembriefies wat aan enige kandidaat oorgeleë word, moet as 'n subpakkie by die stembriefies van die kandidaat aan wie die stembriefies oorgedra word, geëe word.

(6) Enige stembriefies in 'n verkose kandidaat se pakkie of subpakkie wat nie kragtens hierdie regulasie oorgedra word nie, moet beskou word as finaal afgehandel en as sodanig opsygesit word.

(7) (a) Slegs een surplus word op 'n keer oorgedra en as meer as een kandidaat by enige telling 'n surplus het, word die grootste van die betrokke surplusse eerste oorgedra, en indien twee of meer kandidate gelyke surplusse het, word die surplus van die kandidaat vir wie die kleinste getal oorspronklike stemme aangeteken is, eerste oorgedra.

(b) Indien twee of meer kandidate wat gelyke surplusse het ook dieselfde getal oorspronklike stemme het,

ELECTION OF MORE THAN ONE MEMBER.

21. (1) Where more than one member of the Executive Committee is to be elected, the returning officer shall first determine the value (hereinafter referred to as the “quota”) of the votes required for the election of a candidate, which shall be a number exceeding by one the quotient obtained by dividing the value of all the valid ballot papers lodged with the returning officer in connection with the election in question by a number exceeding by one the number of members of the Executive Committee required to be elected.

(2) Thereupon the returning officer shall divide all the ballot papers lodged with him in connection with the election in question into parcels as provided in subregulation (1) of regulation 20 and ascertain the number of first preferences recorded in favour of each candidate.

(3) Every candidate who has obtained a number of votes of a value equal to or exceeding the quota, shall be declared to be duly elected, and where the value of the votes obtained by a candidate is equal to the quota, his ballot papers shall be regarded as finally disposed of and set aside accordingly.

(4) (a) Where a candidate has obtained a number of votes of a value exceeding the quota, his surplus shall be distributed amongst the remaining candidates as hereinafter provided.

(b) If the surplus arises from original votes only, the returning officer shall divide the unexhausted papers in the parcel of the candidate in question into sub-parcels according to the next preferences recorded thereon, and also make a separate sub-paragraph of the exhausted papers of such candidate.

(c) If the value of the unexhausted papers of such candidate —

(i) is equal to or less than his surplus, the returning officer shall transfer such papers in each sub-paragraph at the value at which they were received by the candidate whose surplus is being transferred;

(ii) is greater than his surplus, the returning officer shall transfer such papers at a value ascertained by dividing the surplus by the total number of unexhausted papers.

(d) If the surplus does not arise from original votes only, the returning officer shall divide the unexhausted papers in the last sub-paragraph transferred to the candidate into sub-parcels according to the next preferences recorded thereon and thereupon deal with such sub-parcels in the same manner as in the case of a surplus arising from original votes only.

(5) The ballot papers transferred to any candidate shall be added in the form of a sub-paragraph to those of the candidate to whom the transfer is effected.

(6) Any ballot papers in a parcel or sub-paragraph of an elected candidate which are not transferred under this regulation, shall be regarded as finally disposed of and set aside accordingly.

(7) (a) Only one surplus shall be transferred at a time and if at any count more than one candidate has a surplus the largest of the respective surpluses shall be first transferred, and if two or more candidates have equal surpluses, the surplus of the candidate in whose favour the smallest number of original votes has been recorded shall be first transferred.

(b) If two or more candidates, having equal surpluses also have equal numbers of original votes, the candidate

word die kandidaat wie se surplus eerste oorgedra moet word, deur loting aangewys.

22. (1) (a) As daar, nadat al die surplusse volgens voorskrif van regulasie 21 oorgedra is, minder kandidate as die nodige getal verkies is, moet die kiesbeampte die kandidaat met die minste stemme van die verkiesing uitsluit en sy onafgehandelde stembriefies volgens die volgende keuses daarop aangeteken onder die blywende kandidate verdeel. Enige afgehandelde stembriefies van sodanige kandidaat moet opsygesit word.

(b) Die onafgehandelde stembriefies waarop oorspronklike stemme vir die kandidaat aangeteken is, moet eers oorgedra word; die oordragwaarde van enige sodanige stembriefie is honderd.

(c) Die stembriefies wat as gevolg van die uitsluiting van 'n vantevore uitgeslote kandidaat aan 'n kandidaat oorgedra is, word dan oorgedra in die orde waarin en volgens die waarde waarteen hulle vroeër oorgedra is. Elke oordrag word as 'n afsonderlike oordrag beskou.

(2) Die metode van uitsluiting van kandidate en die oordrag van hulle stembriefies, soos in subregulasie (1) voorgeskryf, moet na elke nuwe telling wat op 'n voorafgaande uitsluiting en oordrag volg, herhaal word totdat 'n genoegsame aantal kandidate die kwota behaal het of andersins verkies is: Met dien verstande dat indien die waarde van 'n kandidaat se stemme na enige oordrag gelyk aan of groter is as die kwota, geen verdere oordrag aan hom gedoen moet word nie.

23. 'n Kandidaat wat, nadat enige oordrag ingevolge regulasie 22 voltooi is, 'n getal stemme het van 'n waarde wat gelyk aan of groter is as die kwota, moet behoorlik verkose verklaar word en sy stembriefies —

- (a) indien hulle gelyk in waarde aan die kwota is, as finaal afgehandel opsygesit word; of
- (b) indien hulle groter as die kwota is, behou word sodat die surplus verdeel kan word voordat enige ander kandidaat uitgesluit word.

24. (1) Wanneer die aantal blywende kandidate tot die getal vakatures wat nog aangevul moet word, verminder is, moet al daardie kandidate behoorlik verkose verklaar word.

(2) As slegs een vakature nog aangevul moet word en die waarde van die stemme van enige blywende kandidaat groter is as die totale waarde van al die ander stemme wat oorgedra kan word, moet daardie kandidaat behoorlik verkose verklaar word.

(3) As slegs een vakature nog aangevul moet word en daar slegs twee blywende kandidate is, en as hierdie twee kandidate elkeen dieselfde waarde van stemme het en daar geen surplus oorbly wat oorgedra kan word nie, moet die kandidaat wat die grootste getal oorspronklike stemme het behoorlik verkose verklaar word; indien albei dieselfde getal oorspronklike stemme het, moet die een wat behoorlik verkose verklaar moet word deur loting aangewys word.

PROSEDURE BY LOTING.

25. (1) As dit nodig word om deur loting te bepaal watter van twee of meer kandidate van 'n stemming uitgesluit moet word, of watter van twee of meer surplusse eerste oorgedra moet word, of watter van twee kandidate behoorlik verkose verklaar moet word, moet die kiesbeampte die name van die betrokke kandidate van wie een van 'n stemming uitgesluit moet word, of van die kandidate wie se surplusse oorgedra moet word of van die twee kandidate van wie een behoorlik verkose verklaar moet word, na gelang van die geval, op aparte stukkie papier

whose surplus is to be first transferred shall be determined by lot.

22. (1) (a) If after all surpluses have been transferred as provided in regulation 21, the required number of candidates has not been elected, the returning officer shall exclude from the poll the candidate lowest on the poll and distribute his unexhausted papers amongst the continuing candidates according to the next preferences recorded thereon, any exhausted papers of such candidate being set aside.

(b) The unexhausted papers on which original votes have been recorded in favour of the candidate shall first be transferred, the transfer value of any such ballot paper being one hundred.

(c) Thereupon any ballot papers transferred to the candidate in consequence of the exclusion of a previously excluded candidate shall be transferred in the order in which and at the values at which they were previously transferred, each transfer being regarded as a separate transfer.

(2) The process of exclusion of candidates and transfer of their ballot papers provided for in subregulation (1) shall be repeated after each fresh count following upon a prior exclusion and transfer until a sufficient number of candidates has obtained the quota or is otherwise elected: Provided that if after any transfer the value of the votes of a candidate is equal to or exceeds the quota, no further transfer to him shall be effected.

23. Any candidate who after completion of any transfer in terms of regulation 22, has a number of votes of a value equal to or greater than the quota, shall be declared to be duly elected, and his voting papers shall —

- (a) if equal in value to the quota, be set aside as finally disposed of; or
- (b) if in excess of the quota, be retained for the purpose of distribution of the surplus before any other candidate is excluded.

24. (1) Whenever the number of continuing candidates is reduced to the number of vacancies to be filled, all those candidates shall be declared to be duly elected.

(2) Where there is only one vacancy remaining to be filled, and the value of the votes of any continuing candidate exceeds the total value of all other votes capable of being transferred, that candidate shall be declared to be duly elected.

(3) If only one vacancy remains to be filled, and there are only two continuing candidates each having the same value of votes, and no surplus remains to be transferred, that one of such candidates having the largest number of original votes shall be declared to be duly elected, and if both have the same number of original votes, the one to be declared to be duly elected shall be determined by lot.

PROCEDURE WHEN DETERMINING BY LOT.

25. (1) Whenever it is necessary to determine by lot which of two or more candidates are to be excluded from a poll, or which of two or more surpluses is to be first transferred or which of two candidates is to be declared to be duly elected, the returning officer shall write the names of the candidates concerned of whom one shall be excluded from the poll of the candidates whose surpluses are to be transferred or of the two candidates of whom one is to be declared to be duly elected, as the case may be, on separate pieces of paper of equal size and of the same

van eenderse grootte, en wat dieselfde fatsoen en voorkoms het, skryf. Daarna moet die kiesbeampte die stukkie papier op 'n wyse vou wat sal verseker dat hulle sover moontlik uiterlik identies lyk.

(2) Die kiesbeampte plaas daarna, in teenwoordigheid van die assessore ingevolge regulasie 3 aangestel, die stukkie papier in 'n stembus; nadat hy die stembus toegemaak en geskud het, maak hy dit weer oop en haal dan sonder om in die stembus te kyk, een van die stukkie papier daarin uit.

(3) Die kandidaat wie se naam op die stukkie papier wat aldus uitgehaal is, voorkom, is die kandidaat wat uitgesluit moet word, of wie se surplus eerste oorgedra moet word of wat behoorlik verkose verklaar moet word, na gelang van die geval.

LYSTE VAN VERKOSE KANDIDATE.

26. (1) Sodra die verkiesing afgehandel is, moet die kiesbeampte die name van die persone wat verkose verklaar is in die volgorde van hul verkiesing aan die Voorsitter verstrek en die Voorsitter maak dan die uitslag van die verkiesing aan die Wetgewende Vergadering bekend.

(2) (a) Die kiesbeampte verstrek ook die volle name van die persone wat verkies is, tesame met die datum waarop hulle verkose verklaar is, aan die Administrateur en stuur aan hom 'n volledige opgawe wat deur hom (die kiesbeampte) en die assessore onderteken is waarin die verskillende stappe van die verkiesing aangetoon word.

(b) Die kiesbeampte moet ook aan die Administrateur afsonderlike verseëde pakkies wat al die nominasie-riewe, gebruikte stembriefies en teenblaaië daarvan bevat, stuur.

(c) Die Administrateur moet, nadat hy sodanige pakkies ontvang het, hulle vir een jaar hou en daarna moet hulle vernietig word. Geen sodanige pakkie word te eniger tyd oopgemaak nie behalwe op bevel van die Hooggeresiof.

(3) Indien 'n assessor wat kragtens regulasie 3 aangestel is om die een of ander rede ontevrede is met die wyse waarop die verkiesing kragtens hierdie regulasies gehou is, moet hy dienooreenkomstig skriftelik aan die Administrateur en die Voorsitter verslag doen. Indien die Administrateur en die Voorsitter dit, na oorleg met mekaar, nodig ag kan hulle gelas dat die stemme deur die kiesbeampte oorgetel word en in daardie geval moet die kiesbeampte dienooreenkomstig optree.

27. Sodra die name van die persone wat behoorlik verkose verklaar is, deur die Administrateur ontvang is, moet hy by proklamasie in die *Offisiële Koerant* van die gebied die volle name van sodanige persone en die datums waarop hulle verkose verklaar is, publiseer.

TUSSENVERKIESING.

28. Wanneer 'n toevallige vakature ontstaan, word so 'n vakature aangevul ooreenkomstig artikel 4 (4) van die Wet op die Konstitusie van Suidwes-Afrika, 1968, by wyse van 'n verkiesing deur die Wetgewende Vergadering indien dit byeen is, en in so 'n geval word die prosedure soos voorgeskryf in hierdie regulasies *mutatis mutandis* gevolg of, indien dit nie byeen is nie, deur die aanstelling van 'n persoon deur die Administrateur uit die lede van die Wetgewende Vergadering wat die amp tydelik moet beklee in afwagting van so 'n verkiesing wanneer die Wetgewende Vergadering weer byeen is.

29. Hierdie regulasies —

- (a) tree in werking met ingang van die datum van afkondiging daarvan; en
- (b) vervang die regulasies afgekondig by Goewermentskennisgewing No. 1067 van 16 Mei 1952.

(2) Thereupon the returning officer shall in the presence of assessors appointed under regulation 3 put the pieces of paper in a ballot box, close that ballot box and having shaken it, open it again and without looking draw out one of the pieces of paper therein.

(3) The candidate whose name appears on the piece of paper so drawn out shall be the candidate who shall be excluded or whose surplus shall be first distributed or who shall be declared to be duly elected, as the case may be.

LIST OF ELECTED CANDIDATES.

26. (1) When the election has been completed, the returning officer shall furnish the Chairman with the names of the persons declared elected in the order of their election and the Chairman shall announce the result of the election to the Legislative Assembly.

(2) (a) The returning officer shall also furnish the Administrator with the full names of the persons elected, together with the date on which they were declared elected, and shall make to him a complete return signed by himself and the assessors indicating the various steps of the election.

(b) The returning officer shall also transmit to the Administrator separate sealed packets containing the nomination papers, the used ballot papers, and the counterfoils thereof.

(c) Such packets shall be retained by the Administrator for a period of one year after receipt thereof by him, after which they shall be destroyed and no such packet shall at any time be opened except upon an order of the Supreme Court.

(3) If an assessor appointed under regulation 3 is for any reason dissatisfied with the conduct of an election under these regulations, he shall report accordingly to the Administrator and the Chairman. If the Administrator and the Chairman after consultation with each other, consider it necessary, they may direct that a recount be made by the returning officer who shall thereupon proceed accordingly.

27. As soon as the names of the persons declared duly elected have been received by the Administrator, he shall cause to be published by Proclamation in the *Official Gazette* of the Territory the full names of such persons, together with the date on which they were declared elected.

BY-ELECTION.

28. When, and as often as a casual vacancy occurs, such vacancy shall be filled in terms of section 4 (4) of the South West Africa Constitution Act, 1968, by election by the Legislative Assembly if it is in session, the like proceedings being *mutatis mutandis* carried out as are hereinbefore prescribed or, if it is not in session, by a person appointed by the Administrator from among the members of the Legislative Assembly, to hold office temporarily, pending such an election when the Legislative Assembly is next in session.

29. These regulations —

- (a) shall come into operation with effect from the date of promulgation thereof; and
- (b) shall be substituted for the regulations published under Government Notice No. 1067 of 16th May 1952.
