**PERI-URBAN DEVELOPMENT BOARD:
AMENDMENT OF ELECTRICITY SUPPLY
REGULATIONS: BETHANIEN**

The President has under section 40 of the Peri-Urban Development Board Ordinance, 1970 (Ordinance 19 of 1970), with effect from 1 July 1989, further amended the Electricity Supply Regulations promulgated under Government Notice 280 of 1976, as set out in the Schedule.

SCHEDULE

1. The regulations are hereby amended by the substitution for the words "Village Management Board", wherever they occur, of the words "Peri-Urban Development Board".
2. Part I is hereby amended -
 - (a) by the insertion in regulation 1 after the definition of "authorised undertaker" of the following definition:

" 'board' means the Peri-Urban Development Board established under section 2 of the Peri-Urban Development Board Ordinance, 1970 (Ordinance 19 of 1970);";
 - (b) by the substitution for the definition of "consumer" of the following definition:

" 'consumer' means a person who has entered into a contract with the supply authority for the supply of electricity, or the owner of any property where electricity supply is available, but not made use of, or the owner of any property, with or without improvements thereon, which can reasonably be connected to the board's main or connection cables, wires and lines for the supply of electricity;"; and
 - (c) by the amendment of regulation 2 by the substitution for the words "township of Bethanien" of the words "peri-urban area of Bethanien".
3. Part II is hereby amended by the substitution for regulation 33 of the following regulation:

" 33. The consumer shall be liable for all moneys due in respect of electricity consumed by him, and for the basic charge, as set out in the appropriate part of Appendix C, which shall be applicable to all built-upon or vacant erven which are connected to the board's electricity supply mains or which can reasonably be connected to the board's electricity supply mains, irrespective of whether electricity has been consumed or not."

4. Part III is hereby amended -

- (a) by the deletion of subregulation (2) of regulation 2;
- (b) by the substitution in regulation 10 for the amount "R2,00", wherever it occurs, of the amount "R20,00" and for the amount "R0,50" of the amount "R5,00"; and
- (c) by the substitution in Form A for the words "said village management board" of the words "said board".

5. Appendix C of Part III is hereby amended -

- (a) by the substitution for paragraph (b) of item (1) of the following paragraph:

"(b) (i) In cases where the tariffs and charges are questioned, the secretary shall rule on the tariffs and charges applicable.

(ii) If the consumer is not satisfied with the decision of the secretary, he may apply in writing within 21 days of the date of such decision to the board for a review of the decision in question, and the board's decision shall be final."

- (b) by the substitution in paragraph (c) of item 3 for the amount "R2,00" of the amount "R10,00"; and

- (c) by the substitution for item 5 of the following item:

"5. Determination of Tariffs and Charges.

A. Tariffs.

- (a) Domestic consumers.

For the supply of electricity at 220V single phase to bona fide domestic consumers:

- (i) Basic charge:

Each consumer shall pay a monthly charge of R0,88 per ampère of the summated rating of the circuit breakers at the point of supply, subject to a minimum amount of R13,20 and a maximum amount of R52,80.

- (ii) Unit charge:

R0,16 per unit for every unit consumed.

- (b) Businesses:

For the supply of electricity at 220V single phase or 380/220V three phase to businesses:

(i) Basic charge:

Each consumer shall pay a monthly charge of R 1,64 per ampère of the summated rating of the circuit breakers at the point of supply, subject to a minimum amount of R24,60 and a maximum amount of R295,20.

(ii) Unit charge:

R0,16 per unit for every unit consumed.

(c) Bulk consumers:

For the supply of electricity at 380/220V three phase, with a circuit breaker rating exceeding 45 ampère per phase at the point of supply:

(i) Basic charge:

Each consumer shall pay a monthly charge of R15,24 per KVA requested, with a minimum of 25 KVA.

(ii) Unit charge:

R0,16 per unit for every unit consumed.

B. Miscellaneous Charges:

(1) Connection and disconnection of supply:

- (a) For connection on entering into an agreement for supply with the board — Nil;
- (b) For disconnection on termination of agreement for supply with the board — R10,00;
- (c) For temporary disconnection required by the consumer —R10,00;
- (d) For a re-connection following disconnection referred to in subparagraph (c) — R10,00;
- (e) For re-connection following disconnection on non-payment of account or for breach of contract — R10,00.

(2) Special reading of meters.

Where a special reading of a meter is taken at the request of the consumer questioning the accuracy of a reading, and the reading is found to be correct — R10,00.

(3) Testing of meters and circuit breakers.

(a) Meters.

- (i) If a consumer is not satisfied with any reading of a meter supplied by the board and wishes for such meter to be tested, he or she shall apply in writing to the board within ten days of the last day of the month during which the reading in question was taken, to have such meter tested, making a deposit of R20,00.
- (ii) (aa) If the meter is found to be registering correctly, the deposit shall be forfeited to the board.
- (bb) If the meter is found to be registering incorrectly, the deposit shall be refunded to the consumer, and the meter shall be repaired and reconnected free of charge.

(b) Circuit breakers.

- (i) If a consumer is not satisfied with the accuracy of the rating of the circuit breaker controlling his supply, and wishes for such circuit breaker to be tested, he shall apply in writing to the board to have such circuit breaker tested, making a deposit of R20,00.
- (ii) (aa) If the circuit breaker is found to be operating correctly, the deposit shall be forfeited to the board.
- (bb) If the circuit breaker is found to be operating incorrectly, the deposit shall be refunded to the consumer, and a circuit breaker operating correctly shall be installed free of charge.
- (iii) A circuit breaker shall be deemed to be correctly operating if it carries the full rated current for an indefinite period. (For testing purposes this requirement shall be deemed to be met if the circuit breaker carries the full rated current for one hour without tripping.)

(4) Location and rectification of faults.

If the board is called upon to locate and rectify a fault and the fault is found not to be with the supply network, the consumer shall be charged as follows:

- (a) Per call-out during working hours — R10,00;
- (b) per call-out after working hours — R20,00.

(5) Installation charges.

The installation charges for connecting a consumer's premises to the board's electricity supply system shall be as follows:

- (a) Metering equipment — Nil;
- (b) circuit breaker — Nil;
- (c) overhead conductors or underground cables: actual cost incurred by the board to supply and install such conductors or cables from the board's service connection to the consumer's circuit breaker or metering equipment, plus a surcharge of 15% of such metering equipment, plus a surcharge of 15% of such amount.

(6) Miscellaneous services:

For work done or services rendered by the board where such work or services are not chargeable under any of the preceding tariffs, the charge shall be the actual costs of materials, labour and transport, plus a surcharge of 15% of such amount.

(7) Late fees:

The board may impose and recover a penalty not exceeding R1,00 on all fees not paid within 15 days of the date upon which they fall due.

C. Special Agreements:

Notwithstanding the provisions of these tariffs and charges, the board may enter into special agreements with large consumers for the supply of electricity in bulk for industrial and other purposes, at the tariffs and charges specified in such agreement.

D. Deposits:

- (1) Every consumer other than the State shall deposit with the board an amount equal to the estimated charge for a month's average consumption, but not less than R20,00, as security for payment of charges due or which may become due to the board under these tariffs in respect of electricity supplied.
- (2) (a) If the sum so deposited by the consumer under subparagraph (1), at any time thereafter is no longer at least equal to the estimated charge for a month's average consumption, the board may, by giving such consumer one month's written notice, require such consumer to deposit a further amount with it so that the total sum so deposited will again at least be equal to the estimated charge for a month's average consumption.

- (b) If a consumer fails to comply with any requirement for a further amount referred to in paragraph (a), the supply of electricity to such consumer may be suspended on 48 hours written notice.
- (3) The deposit referred to in sub-item (1) shall not be payment or part payment of an account for the supply of electricity.
- (4) On cessation of the supply of electricity, the amount of such deposit, minus any fees which may be due to the board, shall be refunded to the consumer on application.
- (5) No deposit under this tariff shall bear any interest.
- (6) The board may accept a bank guarantee in lieu of a cash amount where any such deposit exceeds R30,00.”.
