TRADE MARKS .....	1
-------------------	---

#### APPLICATIONS FOR REGISTRATION OF TRADE MARKS IN NAMIBIA

(Applications accepted in terms of Act No. 48 of 1973)

Any person who has grounds for objection to any of the following trade marks, may, within the prescribed time, lodge Notice of Opposition on form SM6 contained in the Second Schedule to the Trade Marks Rules in Namibia, 1973. The prescribed time is two months after the date of advertisement. This period may on application be extended by the Registrar. Where the Gazette is issued late, the period of opposition will count as from the date of issue and a notice relating thereto will be displayed on the public notice board in the Trade Marks Registry.

Formal opposition should not be lodged until after notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the Notice of Opposition is incurred. Failing such notice to the applicant an opponent may not succeed in obtaining an order for costs.

"B" preceding the number indicates Part B of the Trade Mark Register.

Neither the office mentioned hereunder nor Solitaire Press CC., acting on behalf of the Government of Namibia, guarantee the accuracy of this publication or undertake any responsibility for errors or omissions or their consequences.

Applicants undertake that, in use, the blank space/s appearing in the mark will be occupied only by matter of descriptive or non-distinctive character, or by a trade mark registered in the name of the applicants in respect of the same goods, or by a trade mark of which the applicants are permitted users, in respect of the same goods, with the consent of the proprietor, or the blank space/s will be left vacant.

The mark consists of a label to a packet or container or a wrapper for goods, having the appearance substantially as symbolised by the label affixed to the application form. The area within the rectangle numbered "2" (coloured white for identification purposes only), indicates the location where trade mark matter, in the colour "YELLOW", appear in the mark in use. The areas within the rectangles numbered "1" and "3" (coloured white for identification purposes only), indicate the location where writing, in the form of trade mark matter and/or descriptive matter may appear in the mark in use, in the colour "WHITE" on the red background colour of the mark. The shape or configuration of the aforementioned areas are not essential features of the mark, and its precise position on the background colour red may vary in use. The numerals "1", "2" and "3" do not form part of the mark but merely serve the purpose of indicating the areas where additional matter may appear in use. The combination of the colours "RED", "WHITE" and "YELLOW" is an essential and distinctive feature of the mark.
