NOTIFICATION OF REGISTRATION OF CERTAIN MEDICINES: MEDICINES AND RELATED SUBSTANCES CONTROL ACT, 1965

In terms of section 17 of the Medicine and Related Substances Control Act, 1965, (Act No. 101 of 1965), the Registrar of Medicines gives notice that the medicines set out in the Schedule have been registered in term of that Act, subject to the following conditions:

1. The manufacture and control of the medicines must be in accordance with the existing good manufacturing practices as required by the World Health Organization.
2. Inspection and investigations may be carried out, as the need arises, by inspectors authorized in terms of sections 26 of the Act in order to assess compliance with paragraph 1.
3. The information in the package insert must, as the need arises, be updated to conform with the package insert approved by the council.

4. The provisions of the Medicines and Related Substances Control Act, 1965 (Act No. 101 of 1965), apply to each holder of a certificate of registration referred to section 15 (4) of that Act.
5. The registration of medicine is subject to regular review regarding its quality, safety and efficacy and the council may, as it considers necessary, vary the registration of the medicine.
6. The first two production batches must be validated in accordance with the detailed process validation protocol submitted at the time of the application for registration.
7. A validation report must be submitted to the council within one month from the date of completion of the validation process referred to in paragraph 6.
8. The council may review the registration dossier at such intervals as the council may determine.
