DECLARATION OF AREA AS CUMA COMMUNITY FOREST: FOREST ACT, 2001

Under subsection (3) of section 15 of the Forest Act, 2001 (Act No. 12 of 2001), I declare -

- (a) the area, in respect of which the geographical boundaries have been identified in the Schedule, to be the Cuma Community Forest; and
- (b) that the Cuma Community Forest must be managed in accordance with the agreement referred to in subsection (1) of that section.

A map and other information referred to in subparagraph (a) lie open for inspection by the public during office hours at the offices of the Directorate: Forestry, Government Office Park, Third Floor, Room No. 305, Windhoek.

J. MUTORWA
MINISTER OF AGRICULTURE,
WATER AND FORESTRY

Windhoek, 14 February 2013

SCHEDULE

BOUNDARY DESCRIPTION OF CUMA COMMUNITY FOREST: KAVANGO REGION

The Cuma Community Forest is located in the constituency of Rundu Rural West of the Kavango Region and belongs to Shambyu tribal area. The community forest covers an area of 11 550 ha and is situated about 30km south east of Rundu. It can be accessed on road D3400 leading to Ncaute up to Ncuncuni and from there south-eastwards on road D3401 to Cuma.

The north-western corner of point A of the community forest is reached about 6 km from the turnoff in Ncuncuni. The northern boundary follows the road D3401 to Cuma at point B and proceeds south-eastwards along a bush road passing at point C until the fence of Matapi farm is reached at point D. From there, the boundary continues south-eastwards to point E for about 8 km and meets with the northern boundary of Ncaute Community Forest that marks the south-eastern boundary at point F. The southern boundary extends for about 12 km and is at the same time the northern boundary of Ncaute Community Forest. From the south-eastern boundary at point G, the western boundary extends for about 13.5 km and meets again road D3401 at point A. All the boundaries are demarcated and trees alongside are painted with yellow colour.

Co-ordinates of geographical boundaries of Cuma Community Forest

**DECLARATION OF AREA AS GCWATJINGA COMMUNITY FOREST:
FOREST ACT, 2001**

Under subsection (3) of section 15 of the Forest Act, 2001 (Act No. 12 of 2001), I declare -

- (a) the area, in respect of which the geographical boundaries have been identified in the Schedule, to be the Gcwatjinga Community Forest; and
- (b) that the Gcwatjinga Community Forest must be managed in accordance with the agreement referred to in subsection (1) of that section.

A map and other information referred to in subparagraph (a) lie open for inspection by the public during office hours at the offices of the Directorate: Forestry, Government Office Park, Third Floor, Room No. 305, Windhoek.

J. MUTORWA
MINISTER OF AGRICULTURE,
WATER AND FORESTRY

Windhoek, 14 February 2013

SCHEDULE

**BOUNDARY DESCRIPTION OF GCWATJINGA COMMUNITY FOREST:
KAVANGO REGION**

The Gcwatjinga Community Forest is located in the constituency of Rundu Rural west of the Kavango Region and belongs to the Shambyu tribal area. The community forest covers an area of 31897ha and is situated about 80km south of Rundu in the Omatako vally. It can be accessed on the gravel road D3427 leading to Ncaute afterwards continuing on the small road D3425 leading to Kanovlei. The community forest area is situated on the eastern side fo the Omatako between the villages on Gcigco and Naingopo. The northern and the southern boundaries are demarcated and painted with yellow colour. The road D3425 marks the western boundary. To the east Gcwatjinga Community Forest borders the private small-scale farms demarcated for the Ministry of Land and Resettlement. Private farmers will demarcate the boundaries when they establish their farms. Inside the community forest exists a farm established in the colonial times which is not part of the community forest.

The north-western corner (point A) of the community forest is reached about 5.1km from Ncaute where to bush road to Gcwasha turns off road D3425. Following the bush road to Gcwasha (point B) is reached after 2.9km where another bush road diverts eastwards to a farm. The north-eastern corner (point C) can be found after following the bush road for about 6.8km. The eastern boundary of the community forest is at the same time the western boundary of the small-scale farms (each approximately 2500ha) established and allocated by the Ministry of lands and Resettlement. Points D to H are corners of these farms. From north to south the following farms have shared boundary with the community forest: Farm No. 1563, No. 1562, No.1547, No. 1546 and No.1529. From the south-eastern corner (point I) a cutline goes westwards for 17.3km until it meets again the road D3425 at the south-western corner (point K). The southern boundary of the community forest is also considered as the community boundary between Gcawatjinga and Neushe. Road D3425 forms

the western boundary of Gwatjinga Community Forest. Inside the community forest a private farm was allocated in colonial times to the late Paulus Munangu. It is demarcated with poles and regarded as private property by the owner and also the residents of Gwatjinga. Therefore this farm (points L to P) is excluded from the community forest. It covers an area of 2178ha. The whole community forest covers an area of 34075ha including the private farm. That means that the area of Gwatjinga Community Forest extends to 31897ha.

2013

DECLARATION OF AREA AS GEORGE MUKOYA COMMUNITY FOREST: FOREST ACT, 2001

Under subsection (3) of section 15 of the Forest Act, 2001 (Act No. 12 of 2001), I declare -

- (a) the area, in respect of which the geographical boundaries have been identified in the Schedule, to be the George Mukoya Community Forest; and
- (b) that the George Mukoya Community Forest must be managed in accordance with the agreement referred to in subsection (1) of that section.

A map and other information referred to in subparagraph (a) lie open for inspection by the public during office hours at the offices of the Directorate: Forestry, Government Office Park, Third Floor, Room No. 305, Windhoek.

J. MUTORWA
MINISTER OF AGRICULTURE,
WATER AND FORESTRY

Windhoek, 14 February 2013

SCHEDULE

**BOUNDARY DESCRIPTION OF GEORGE MUKOYA COMMUNITY FOREST:
 KAVANGO REGION**

George Mukoya Community Forest is situated in the North-Eastern part of Kavango Region. The area lies within Ndiyona Constituency and belongs to the Gciriku Traditional Authority. The George Mukoya Community Forest borders Muduva Nyangana Conservancy and Community Forest in the East and Khaudum National Park in the South. The boundary of George Mukoya Community Forest is defined by six 'Corner Points'.

Corner point A not only marks the south-western corner of George Mukoya Community Forest, but also defines at the same time the north-western corner of Khaudum National Park. From corner point A the boundary line runs in a north-easterly direction towards corner point B. At corner point B the boundary line sharply turns to the east and runs towards corner point C. At corner point C the boundary line meets the boundary line of Muduva Nyangana Conservancy and Community Forest and follows its course in a southerly direction towards corner point D. At corner point D the boundary line sharply turns to the east and runs towards corner point E. From corner point E the boundary line runs in a south-easterly direction along the border of Muduva Nyangana Conservancy and Community Forest towards corner point F. Corner point F lies on the northern boundary line of Khaudum National Park approximately seven kilometers to the west of the national border to Botswana. Here, the boundary line sharply turns to the west and runs in a straight line for approximately 23 kilometers along the northern border of the National Park up to point A.

**DECLARATION OF AREA AS KAHENGE COMMUNITY FOREST:
 FOREST ACT, 2001**

Under subsection (3) of section 15 of the Forest Act, 2001 (Act No. 12 of 2001), I declare -

- (a) the area, in respect of which the geographical boundaries have been identified in the Schedule, to be the Kahenge Community Forest; and
- (b) that the Kahenge Community Forest must be managed in accordance with the agreement referred to in subsection (1) of that section.

A map and other information referred to in subparagraph (a) lie open for inspection by the public during office hours at the offices of the Directorate: Forestry, Government Office Park, Third Floor, Room No. 305, Windhoek.

J. MUTORWA
MINISTER OF AGRICULTURE,
WATER AND FORESTRY

Windhoek, 14 February 2013

SCHEDULE

**BOUNDARY DESCRIPTION OF KAHENGE COMMUNITY FOREST:
 KAVANGO REGION**

Kahenge Community Forest is situated in the North-Western part of Kavango Region. The area lies within Mpungu Constituency and belongs to the Kwangali Traditional Authority. The boundary of Kahenge Community Forest is defined by six corner points. Corner point A is situated closely to Kaukuwa village which is commonly known as “winnie”. It is defined as the T-junction of gravel road C45 (linking Rundu with Okongo) and gravel road D3406 leading from Kaukuwa village in a north-easterly direction towards Nkurenkuru. The boundary line follows road D3406 for about 17km towards point B. Point B marks the beginning of a ‘settlement buffer zone’ encircling the town of Nkurenkuru. Here, the boundary line sharply turns off the gravel road D3406 and runs in a straight line parallel to the city limits of Nkurenkuru for about 13.5km through uncleared forest vegetation in a south-easterly direction towards corner point C. At corner point C the boundary line leads onto a fire cutline running for about 2.5km at a right-angle in a north-easterly direction towards the asphalt road D3405 which links the village Rupare with Nkurenkuru. Corner point D is the point at which the fire cutline intersects with asphalt road D3405. From here the boundary line follows the asphalt road in the direction of Rundu for about 5.2km. Corner point E is defined as a big marked Manketti tree at the village of Nambi. From here it is 111km to Rundu. The boundary line turns off the asphalt road at Nambi and follows an old bush road for about 10.3km leading in a south-westerly direction towards the village Nsivi. Corner point F is close to Nsivi village. It marks the point where the bush road coming from Nambi joins the gravel road C45. The intersection of both roads lies in a long-stretched curve. The boundary line follows the gravel road C45 in a westerly direction up to point A.

DECLARATION OF AREA AS LIKWATERERA COMMUNITY FOREST: FOREST ACT, 2001

Under subsection (3) of section 15 of the Forest Act, 2001 (Act No. 12 of 2001), I declare -

- (a) the area, in respect of which the geographical boundaries have been identified in the Schedule, to be the Likwaterera Community Forest; and
- (b) that the Likwaterera Community Forest must be managed in accordance with the agreement referred to in subsection (1) of that section.

A map and other information referred to in subparagraph (a) lie open for inspection by the public during office hours at the offices of the Directorate: Forestry, Government Office Park, Third Floor, Room No. 305, Windhoek.

J. MUTORWA
MINISTER OF AGRICULTURE,
WATER AND FORESTRY

Windhoek, 14 February 2013

SCHEDULE

BOUNDARY DESCRIPTION OF LIKWATERERA COMMUNITY FOREST: KAVANGO REGION

The Likwaterera Community Forest is situated in the constituency of Rundu Rural East of the Kavango Region and belongs to Shambyu tribal area. The community forest covers an area of 13790ha and is situated about 30km south-east of Rundu. It can be accessed on the gravel road D3427 leading to Ncaute up to Sharukwe, afterwards following a sandy bushroad for 17km to Likwaterera. The community forest area is situated around the village including the settlement of Magua (within the jurisdiction of Likwaterera headman). The boundaries to the south, west and north follow cutlines established by the Likwaterera Community in 2004 and 2005 and are demarcated and painted with yellow colour. The eastern boundary follows the bushroad from Gonwa south-easterly towards Mbambi and is also painted with yellow colour.

The north-western corner (point A) of the community forest can be reached from Sharukwe following the bush road to Likwaterera until the boundary of the community forest is reached about 9km from Sharukwe. From the boundary one has to turn northwards following the cutline to point A. The northern boundary consists of a straight cutline marking the boundary to Shimpanda. North of Magua the boundary crosses some fields. From the north-eastern corner (point B) the eastern boundary follows an existing bush road (points C, D, E, F) up to the south-eastern corner (point G) which marks the northern boundary of Matapai farm. The southern boundary follows the bush road alongside the fence of Matapai farm up to point H. From there the cutline continues to meet the bush road from Cuma to Likwaterera at point I. Continuing westwards following the cutline to the south-western corner (point J) is reached. From there the cutline runs northwards to meet point K and later the north-western corner (point A).

**DECLARATION OF AREA AS MUDUVA NYANGANA COMMUNITY FOREST:
FOREST ACT, 2001**

Under subsection (3) of section 15 of the Forest Act, 2001 (Act No. 12 of 2001), I declare -

- (a) the area, in respect of which the geographical boundaries have been identified in the Schedule, to be the Muduva Nyangana Community Forest; and
- (b) that the Muduva Nyangana Community Forest must be managed in accordance with the agreement referred to in subsection (1) of that section.

A map and other information referred to in subparagraph (a) lie open for inspection by the public during office hours at the offices of the Directorate: Forestry, Government Office Park, Third Floor, Room No. 305, Windhoek.

J. MUTORWA
MINISTER OF AGRICULTURE,
WATER AND FORESTRY

Windhoek, 14 February 2013

SCHEDULE**BOUNDARY DESCRIPTION OF MUDUVA NYANGANA COMMUNITY FOREST:
KAVANGO REGION**

Muduva Nyangana Community Forest is situated in the north-eastern part of Kavango Region. The area lies within Ndiyona Constituency and belongs to the Gciriku Traditional Authority. It borders Botswana in the south-east, Khaudum National Park in the south and George Mukoya Conservancy and Community Forest in the West. The boundary of Muduva Nyangana Community Forest is defined by eleven 'Corner Points'.

Corner point A not only forms the south-western corner of Muduva Nyangana Community Forest, but at the same time defines the south-eastern corner of George Mukoya Community Forest. It lies on the northern boundary line of Khaudum National Park approximately seven kilometres to the west of the national border to Botswana. From corner point A the boundary line runs in a northerly direction along the border of George Mukoya Community Forest towards corner point B. At corner point B the boundary line sharply turns to the west and runs towards corner point C. At corner point C the boundary line sharply turns to the north and runs towards corner point D. Corner point D marks the north-eastern corner of George Mukoya Community Forest. From here, the boundary line continues in a northerly direction towards corner point E. Corner point E defines the point at which the boundary line meets the asphalt road B8 (Trans-Caprivi Highway). From here, the boundary line follows the road in the direction of Katima Mulilo towards corner point F. At corner point F the boundary line makes a long-stretched curve and follows the road B8 in a north-easterly direction towards corner point G. Corner point G marks the north-eastern corner of Muduva Nyangana Community Forest. Here, the boundary line sharply turns off the Trans-Caprivi Highway and follows a fire cutline leading in a southerly direction towards corner point H. Corner point H defines the north-eastern corner of Muduva Nyangana Conservancy. From here, the boundary line follows the fire cutline for approximately 35 kilometers towards the national border of Namibia and Botswana. Corner point I marks the point at which the boundary line of Muduva Nyangana Community Forest intersects with the national border of Namibia and Botswana. From here, the boundary line follows the national border line in a westerly direction towards corner point J. At corner point J the boundary line sharply turns to the south following the national border line towards corner point K. Corner

point K marks the north-eastern corner of Khaudum National Park. From here, the boundary line of Muduva Nyangana Community Forest runs along the northern border of the National Park in a westerly direction towards corner point A.

**DECLARATION OF AREA AS NYAE NYAE COMMUNITY FOREST:
FOREST ACT, 2001**

Under subsection (3) of section 15 of the Forest Act, 2001 (Act No. 12 of 2001), I declare –

- (a) the area, in respect of which the geographical boundaries have been identified in the Schedule, to be the Nyae Nyae Community Forest; and
- (b) that the Nyae Nyae Community Forest must be managed in accordance with the agreement referred to in subsection (1) of that section.

A map and other information referred to in subparagraph (a) lie open for inspection by the public during office hours at the offices of the Directorate: Forestry, Government Office Park, Third Floor, Room No. 305, Windhoek.

J. MUTORWA
MINISTER OF AGRICULTURE,
WATER AND FORESTRY

Windhoek, 14 February 2013

SCHEDULE

**DESCRIPTION OF GEOGRAPHICAL BOUNDARIES OF
NYAE NYAE COMMUNITY FOREST: OTJOZONDJUPA REGION**

The Nyae Nyae Community Forest's eastern boundary coincides with the national border between the Republic of Namibia and the Republic of Botswana. The most northern point A along this boundary is 21.00000 degrees E and -19.16640 degrees S and the most southern point B is at -20.00176 degrees S where the boundary turns west and follows the veterinary cordon fence until it intersects with a north/south going track at point C 19.89831 degrees E. It follows this track northwards until it

reaches the borehole known as !Am!'ha at point D at 19.88282 degrees E and -19.62294 degrees S. From !Am!'ha the boundary continues straight in a north-eastern direction to the borehole known as Tjeka at point E at 20.11400 degrees E and -19.57883 degrees S. From Tjeka the boundary continues north along a track until it intersects on point F with the main road to Tsumkwe at 20.11361 degrees E and -19.51610 degrees S. From this point the boundary runs eastward following the center of the main road until the 20.23333 degrees E at point G. From this point the boundary continues north until point H at 20.23333 degrees E and -19.28333 degrees S. It then goes north-easterly until point I at 20.43013 degrees E and -19.16854 degrees S where it joins the southern boundary of Khaudum Game Park and continues east to the boundary of Botswana at 21.00000 degrees E and -19.16640 degrees S at point A.

Windhoek, 14 February 2013

SCHEDULE

**DESCRIPTION OF GEOGRAPHICAL BOUNDARIES OF
 OSHAAMPULA COMMUNITY FOREST: OSHIKOTO REGION**

As shown in the map of the community forest below, the map is marked with points on the corners from A to E. From point A on the north-western corner located on the eastern corner of Mr. Amushanga's farm at Oshaampula village. Point B lies on the south-west of the community forest at the borders of Oshaampula and Omaha villages. The point is located at the huge *Burkea africana* tree, near Mr. Jason Nepililo's farm, along the former Onkumbula-Okankolo truck (bush) road. Point B to C lies on the southern part of the community forest alongside the electricity power line running from Okatope to Okongo. Points C to D lies on the eastern side towards north-east. Point D is situated in the dense forest at Mr. Paulus Ndapuka's farm. The community members gather at the *Terminalia sericea* (*Omugolo*) tree traditionally used by the Evangelical Lutheran Church missionaries as a church and resting place. Currently the tree is used as a community office for Oshaampula community forest. From point D proceed in a north-westerly direction to point E and from point E proceed in a south-westerly direction up to point A.

Windhoek, 14 February 2013

SCHEDULE

BOUNDARY DESCRIPTION OF PUROS COMMUNITY FOREST:
KUNENE REGION

The point of beginning is a point on the Skeleton Coast Park boundary at the co-ordinates set out in point 1. From here it moves in an easterly direction to point 2 before turning in a north-easterly direction to point 3. At this point it follows an easterly direction again to point 4 from where it turns to the south-east through points 5, 6, 7, 8, 9, 10, 11 and 12; thence from point 12 in a southerly direction to point 13. From this point it turns to the south-west until point 14 is reached. Here it follows a north-westerly direction to point 15 and then south to point 16 after which it follows a westerly direction until it intersects the eastern boundary of the Skeleton Coast Park at point 17. From here it moves in a northerly direction following the Skeleton Coast Park boundary until the beginning at point 1.

2013

**DECLARATION OF AREA AS ZILITENE COMMUNITY FOREST:
FOREST ACT, 2001**

Under subsection (3) of section 15 of the Forest Act, 2001 (Act No. 12 of 2001), I declare -

- (a) the area, in respect of which the geographical boundaries have been identified in the Schedule, to be the Zilitene Community Forest; and
- (b) that the Zilitene Community Forest must be managed in accordance with the agreement referred to in subsection (1) of that section.

A map and other information referred to in subparagraph (a) lie open for inspection by the public during office hours at the offices of the Directorate: Forestry, Government Office Park, Third Floor, Room No. 305, Windhoek.

J. MUTORWA
MINISTER OF AGRICULTURE,
WATER AND FORESTRY

Windhoek, 14 February 2013

SCHEDULE**DESCRIPTION OF GEOGRAPHICAL BOUNDARIES OF
ZILITENE COMMUNITY FOREST: CAPRIVI REGION**

The Zilitene community forest lies within the points 1 to 9. Point 2 runs for about 2.6km eastwards up to the point 3. Point 3 runs slightly southwards to point 4 about 2.45km. The boundary then runs straight eastwards to point 5 for 2.74km. From point 5 to 6 the boundary runs slightly south-east for 8.0km. The boundary runs southwards 6.47km from point 6 to point 7. It slants westwards to point 8 for a distance of 2.18km. From point 8 to 9 the boundary runs for a distance of 7.56km north-west. It then turns northwards to point 1 for a distance of 7.14km after which it joins point 2 at a distance of 4.19km.

Co-ordinates of geographical boundaries of Zilitene Community Forest

Corner Points	E-Coordinates	S-Coordinates
1	24.35644	-17.71572
2	24.33424	-17.68189
