SCHEDULE

BOUNDARY DESCRIPTION OF OMURAMBA UA MBINDA COMMUNITY FOREST: OMAHEKE REGION

Omuramba Ua Mbinda Community Forest is located within the Otjombinde Constituency in the Omaheke Region, under the jurisdiction of the Ovaherero Traditional Authority. It covers an area of 382,400 ha. The area was registered as Omuramba Ua Mbinda Communal Conservancy in 2011.

The Omuramba Ua Mbinda Community Forest borders with Eiseb Conservancy in the north starting at Omuramba Ua Tjora at the quarantine fence separating Omuramba Ua Mbinda and Epukiro (Point A). The boundaries then extends to north eastern direction to an area between Oruu Rondjamao and Otjikoto (Point B) and then proceeds east to the national border dividing the Republic of Namibia and the Republic of Botswana (Point C). From Point C the boundary follows the national border in a southern direction to Okomukaru (Point D). From Point D the boundary extends to western direction to Ourundu (Point E) and then in a northern direction link to point A.

Windhoek, 9 October 2018

SCHEDULE

**BOUNDARY DESCRIPTION OF OTJITUUO COMMUNITY FOREST:
OTJOZONDJUPA REGION**

Otjituuo is a communal area in the Okakarara Constituency, Otjozondjupa Region. It falls under the jurisdiction of the Kambazembi Royal House Traditional Authority. It covers an area of 613,278 ha and situated about 60 km south of Grootfontein. The communal area was registered as Otjituuo Communal Conservancy in 2005.

The point starts in the south-east corner of the Otjituuo Community Forest, at point A. From point A the boundary follows a north-east direction along the boundary of the communal land and commercial farming areas through points B, C, D, E, F, G, H, I, J, K, L, M, N and O. From point O the boundary follows a south-eastern direction along the boundary of the communal land and commercial farming, later along the veterinary cordon fence, through point P to point Q bordering Tsumkwe Constituency, then from the fence it extends to point R. From point R the boundary runs to the west direction at point S bordering Okamatapati Conservancy. From point S it turns north-west through point T and point U. From this point U it turns south-west to point V, where it turns west towards point W. From point W the boundary follows a south-west direction to point X and then turns north-west to point A.

Windhoek, 9 October 2018

SCHEDULE

BOUNDARY DESCRIPTION OF OTJOMBINDE COMMUNITY FOREST: OMAHEKE REGION

Otjombinde is a communal area in the Otjombinde Constituency, Omaheke Region. It falls under the jurisdiction of the Ovambanderu Traditional Authority. The area forms part of the border between the Republic of Namibia and the Republic of Botswana. The Community Forest covers approximately 589,100 ha. The communal area was declared as Otjombinde Communal Conservancy in 2011.

The boundary starts at point A and then follows the international boundary between the Republic of Namibia and the Republic of Botswana northwards up to point B in the north. It then turns westwards along the veterinary cordon fence between Omuramba Ua Mbinda and Otjombinde. Point C stretches to point D then extends to point E then through point F, point G, point H, point I, point J, point K up to point L in the west. From point L it turns in a straight line, bordering commercial farms on the west, towards the south facing point M. From point M it again follows the international boundary between the Republic of Namibia and the Republic of Botswana boundaries eastwards up to point A.

SCHEDULE

BOUNDARY DESCRIPTION OF OTSHIKU-SHIITHILONDE COMMUNITY FOREST:
OSHANA REGION

The Otshiku-ShiIthilonde Community Forest is located in Uuvudhiya Constituency, Oshana Region and Otamanzi Constituency in Omusati Region. Otshiku-ShiIthilonde falls under the jurisdiction of Uukwambi Traditional Authority. It is accessible by gravel road about 70 km south of Oshakati town. Otshiku-ShiIthilonde Community Forest covers area of 109,218 ha. Otshiku-ShiIthilonde Community Forest shares boundaries with proposed Ongandjera Community Forest on the west, Etosha National Park fence on the south, Engombe Growth Point on the north and Onoolongo area on the east. The area is partial overlap with Iipumbu ya Tshilongo Communal Conservancy boundaries.

The boundaries of Otshiku-ShiIthilonde Community Forest starts at Ondjungulume (Point A) stretching towards Iinyaishe (Point B) and Onkolankola (Point C). The boundary further stretches through Onkulumba area (Point D) located near Windhoek area, towards Okakango ku Utembukilo (Point E), to the Salt Pan (Point F, G and H) which forms part of the Etosha National Park boundary. The boundary line then extends south-east direction to Omushimbaapakwa (Point I), then stretches northwards to Omapale (Point J), and finally extends north-western direction to Onkani (Point K), linking the boundary to Point A (Ondjungulume).

OTJOZONDJUPA REGION**

The N#aJaqna Community Forest is located in the communal area in the Tsumkwe Constituency, Otjozondjupa Region under the jurisdiction of !Kung Traditional Authority. The Community Forest covers an area of 629,837 ha. It can be accessed on the C44 road to Tsumkwe. The Community Forest area is situated between the veterinary cordon fence in the west, the cordon fence to the Kavango Region in the north, the community of Noma and the Nyae Nyae Conservancy Community Forest in the east and the 20 Degree cordon fence in the south.

The point of beginning is an intersection of a track with the east-west towards veterinary cordon fence at point A. The boundary follows the fence in a western direction up to point B, when it turns north westerly along the veterinary fence to point C and then in northern direction still following the veterinary fence up to intersection of the Grootfotein -Tsumkwe main road on point D at Rooidaghek Pos. From this point the boundary runs eastward following the center of the main road up to point E, and then the boundary turns southwards along a track to a borehole at Tjeka point F. From Tjeka the boundary continues straight to south-eastern direction up to the borehole at !Am!'ha point G. From !Am!'ha the boundary follows a track southwards up to the intersection of the east-west which link veterinary cordon fence at point A.

MINISTRY OF AGRICULTURE, WATER AND FORESTRY

No. 276

2018

**DECLARATION OF AN AREA AS OMUNDAUNGILO COMMUNITY FOREST:
FOREST ACT, 2001**

Under subsection (3) of section 15 of the Forest Act, 2001 (Act No. 12 of 2001), I declare -

- (a) the area, in respect of which the geographical boundaries have been identified in the Schedule, to be the Omundaungilo Community Forest; and
- (b) that the Omundaungilo Community Forest must be managed in accordance with the agreement contemplated in subsection (1) of that section.

A map and other particulars relating to Omundaungilo Community Forest lie open for inspection by the public during office hours at the offices of the Directorate: Forestry, Government Office Park, Third Floor, Room No. 303, Windhoek.

**A. !NARUSEB
MINISTER OF AGRICULTURE,
WATER AND FORESTRY**

Windhoek, 9 October 2018

SCHEDULE

**BOUNDARY DESCRIPTION OF OMUNDAUNGILO COMMUNITY FOREST:
OHANGWENA REGION**

Omundaungilo Community Forest is a communal area in the Omundaungilo Constituency, Ohangwena Region. It is accessible by gravel road of about 40 km from Eenhana town. It falls under the jurisdiction of the Oukwanyama Traditional Authority. Omundaungilo Community Forest covers an area of 22 256 ha. It borders with Republic of Namibia and Republic of Angola borderline on the northern side, starting from Ohakaonde Village (Cuca shop on both side of border) point 1 and runs to Oshipala Village near Philipus Nghihepa farm point 2. From point 2 the border continues to point 3 at Eenhana-Okongo tared road near Ondobe Yongwena Cuca shop, the border proceeds to point 4 along the Eenhana-Okongo tarred road. It runs to point 5 between Onamungodji Village and Uushini Village and stretches to point 6 near Omadano cuca shop toward point 7 at Namibia-Angola border near Okatale KaSheehama linking to point 1 along the border (Namibia and Angola).
