No. 248

2020

NOTIFICATION OF REGISTRATION OF CERTAIN MEDICINES: MEDICINES AND RELATED SUBSTANCES CONTROL ACT, 2003

In terms of section 23 of the Medicines and Related Substances Control Act, 2003 (Act No. 13 of 2003), I give notice that medicines set out in the Schedule have been registered in terms of that Act, subject to the following conditions:

- (a) the applicant must ensure that the medicine is manufactured and controlled in terms of the existing current good manufacturing practices as determined by the World Health Organisation;
- (b) inspections and investigations may be carried out regularly by inspectors authorised in terms of sections 35 of the Act, to assess compliance with existing current good manufacturing practices;
- (c) the applicant must, subject to the approval of Namibia Medicines Regulatory Council (hereafter referred to as "the Council"), ensure that the information contained in the medicine package insert is regularly updated so as to provide accurate information to the user of the medicine;

- (d) the holder of the certificate of registration in terms of section 19(4) must comply with the provisions of the Medicines and Related Substances Control Act, 2003 (Act No. 13 of 2003);
- (e) the registration of medicine is subject to regular review by the Council regarding its quality, safety and efficacy and the Council may vary the registration of the medicine, as it considers necessary;
- (f) the applicant must validate the first two production batches in terms of the detailed process validation protocol which was submitted at the time of the application for registration and that validation report must be submitted to the Council within 30 days from the date of completion of the validation;
- (g) the Council may review the registration dossier and may determine the intervals when the reviews will take place; and
- (h) the information of the product must comply with regulations 11, 12 and 13 of the Regulations relating to Medicines and Related Substances published under Government Notice No. 178 of 25 July 2008.
