REZONING OF ERF 317, KLEINE KUPPE, FROM “UNDETERMINED” TO “GENERAL RESIDENTIAL” WITH A DENSITY OF 1:900

Stubenrauch Planning Consultants cc were appointed by Olympia View Properties (Proprietary) Limited, the registered owners of Erf 317, Kleine Kuppe to apply to the City of Windhoek and Urban and Regional Planning Board for the subject rezoning of Erf 317, Kleine Kuppe.

Erf 317 is situated along Sesriem Street, in the neighbourhood of Kleine Kuppe and measures 139 141 m² in extent. According to the Windhoek Zoning Scheme, Erf 317, Kleine Kuppe is zoned for “Undetermined” purposes. It is the intension of the owner to rezone the subject erf from “Undetermined” to “General Residential” with a density of 1:900. The proposed rezoning of Erf 317, Kleine Kuppe, to “General Residential” with a density of 1:900 will allow for a maximum of 154 dwelling units in total on Erf 317, given the size of the subject erf.

The proposed rezoning will formalise the existing 40 residential units which were approved vide the City’s Resolution 143/06/2010, as well as enable the construction of an additional 89 dwelling units on Erf 317, Kleine Kuppe. **It should be noted that although the rezoning of Erf 317 to a density of 1:900 allows for the construction of a maximum of 154 dwelling units, the topography of the subject erf and urban design concept of an up-market development restricts the development to a total of 129 dwelling units.**

Once the rezoning is approved, our client will appoint an engineer to design the service system on Erf 317, Kleine Kuppe to ensure that water and sewer is safely distributed and disposed from the units.

In line with the Windhoek Zoning Scheme, sufficient onsite parking will be provided for the proposed development.

Please take note that the locality map of the subject erf lies open for inspection during normal office hours on the town planning notice board at the Customer Care Centre of the City of Windhoek (Town house, Independence Avenue, 5th floor, office No. 515) and SPC Office, 45 Feld Street, Windhoek.

Further take notice that any person objecting to the proposed change in land use as set out above may lodge such objection together with the grounds thereof, with the City of Windhoek and with the applicant (SPC) in writing on or before **Friday, 5 February 2021.**
