**CONSENT IN TERMS OF TABLE B OF THE RUNDU ZONING SCHEME TO
CONSTRUCT AND OPERATE RESIDENTIAL BUILDINGS ON PROPOSED
CONSOLIDATED ERF "X" (COMPRISING OF ERVEN 1664, 1665, 1668 AND 1669,
RUNDU EXTENSION 6)**

Stubenrauch Planning Consultants cc were appointed by Ms. Frieda Kishi, the registered owner of Consolidated Erf "X" (comprising of Erven 1664, 1665, 1668 and 1669, Rundu Extension 6), to apply to Rundu Town Council and Urban and Regional Planning Board for the following:

- Consent in terms of table b of the rundu zoning scheme to construct and operate residential buildings on proposed consolidated erf "x" (comprising of erven 1664, 1665, 1668 and 1669, rundu extension 6)

Proposed Consolidated Erf "X" is to be created from the consolidated of Erven 1664, 1665 1668 and 1669, Rundu Extension 6. Erven 1664, 1665 1668 and 1669, Rundu Extension 6 are situated adjacent to one another in the CBD area of Rundu. Consolidated Erf "X" measure $\pm 2700\text{m}^2$. According to the Rundu Zoning Scheme, the subject erf is zoned for "Business" purposes.

Rundu's CBD area comprises of a linear stretch of "Business", "Local Business" and "Office" developments. Typical to most CBDs in Namibia, the CBD of Rundu is vibrant during business operation and working hours. As soon as business and work activities have closed for the day, this area becomes a dead space as activities disperse into neighbourhoods.

In order to keep this area vibrant even after working hours it is important to integrate the concepts of mixed use developments in the CBD by incorporating a residential aspect that keeps life going in the area, even after business hours. Not only does this promote vibrancy, but it also adds value to the area by enhancing identity and sense of place.

In terms of Table B of the Rundu Zoning Scheme, one can with consent from the Rundu Town Council have residential buildings on erven zoned for "Business" purposes. It is thus our client's intention to apply for the subject consent use which allows the owner of Consolidated Erf "X" to construct and operate residential buildings on land that is zoned for "Business" purposes.

Sufficient onsite parking will be provided in accordance to the Rundu Zoning Scheme.

As per the Urban and Regional Planning Act, 2018 (Act No. 5 of 2018), SPC submitted an application with the Rundu Town Council and was formally instructed by Council to advertise the consent use in the prescribed manner as stipulated by the Act.

Take notice that the locality map of the erf lies for inspection during normal office hours on the town planning notice board at the Rundu Town Council and SPC Office, 45 Feld Street, Windhoek.

Any person objecting to the proposed change in land use as set out above may lodge such objection together with the grounds thereof, with the Rundu Town Council and with the applicant in writing before **Friday, 28 May 2021**.
