REZONING OF ERF 1499, ROCKY CREST EXTENSION 4 FROM 'GENERAL RESIDENTIAL' WITH A DENSITY OF 1 DWELLING PER 250M² TO 'RESIDENTIAL' WITH A DENSITY OF 1 DWELLING PER 300M². SUBDIVISION OF ERF 1499, ROCKY CREST EXTENSION 4 INTO TWELVE (12) PORTIONS AND A REMAINDER

Van Rooi & Associates Urban and Regional Planners on behalf of the owner of Erf 1499, Rocky Crest Extension 4 Windhoek, and in line with the terms and stipulations of the Urban and Regional Planning Act, 2018 (Act No. 5 of 2018) intends to apply to the City of Windhoek (CoW) for the:

- Rezoning of Erf 1499, Rocky Crest Extension 4 from 'General Residential' with a density of 1 dwelling per 250m² to 'Residential' with a density of 1 dwelling per 300m².
- Subdivision of Erf 1499, Rocky Crest Extension 4 into twelve (12) portions and a remainder.
- For consent, to commence with the development on the newly created erven, whilst the town planning processes are underway.

Erf 1499, Rocky Crest, Extension 4 measures 4275m² in extent and is zoned 'General Residential' with a density of 1:250m². It is our client's intention to rezone the erf from 'General Residential' to 'Residential' with a density of 1:300m², and to 'subdivide the erf into twelve portions and a remainder for the purpose of creating single residential erven suitable for the development of free standing dwelling units.

The high demand for land in the city, and the exponential growth of the city's population makes it very difficult for the local authority to keep at bay with the demand for serviced land for housing. However, engaging the private sector in land delivery has increased the pace and quantity of serviced land for housing significantly. As such, this development is aimed at contributing to the housing shortfall within the city.

Take note that the locality plan of Erf 1499, Rocky Crest Extension 4 is posted for inspection on the notice board in the Customer Care Centre of the City of Windhoek and a notice of the intent to rezone, and subdivide is affixed to the property.

Any person objecting to the proposed rezoning and subdivision as set out above may lodge such objection together with the grounds thereof with the City of Windhoek and the applicant in writing within 14 days of the last publication of this notice. The last date for comments / objections is thus **25 July 2021**.
