(2) (a) If a permit referred to in subsection (1) has been issued subject to any condition, the immigration officer may, in order to ensure that such condition is complied with, require prior to the issue of such permit that the person to whom such permit is to be issued deposit with such immigration officer an amount to be fixed by the immigration officer, not exceeding an amount determined by the Minister by notice in the Gazette in general, or to lodge with the immigration officer, to his or her satisfaction, a guarantee in the prescribed form, for the amount concerned.

(b) An amount or guarantee deposited or lodged with an immigration officer in terms of paragraph (a) shall, subject to paragraph (c), be refunded or cancelled on such person’s departure from Namibia or if the immigration officer decides under subsection (4) that such person is not a prohibited immigrant.

(5) (a) If any person referred to in subsection (1) is for any reason not removed from Namibia in the ship on which such person was conveyed to Namibia (except by reason of the fact that such person was found not to be a prohibited immigrant) the owner of that ship shall, at the request of the immigration officer, convey that person free of charge to the State, to a place outside Namibia.

(b) If the owner referred to in paragraph (a) fails to comply with the provisions of that paragraph, such owner shall forfeit in respect of each person referred to in that paragraph an amount to be fixed by the immigration officer, not exceeding an amount determined by the Minister by notice in the Gazette in general.

(6) If any person who, after having escaped or in his or her attempt to escape from detention, enters Namibia or, after having been refused to enter Namibia while being dealt with under this section, is found within Namibia, he or she shall be guilty of an offence and on conviction be liable to a fine not exceeding R20 000 or to imprisonment for a period not exceeding five years or to both such fine and such imprisonment, and may be dealt with under Part VI as a prohibited immigrant.

Responsibility of owner and master of ship in respect of transit passengers
17. If a ship arrives at any port in Namibia with a passenger on board bound for a destination outside Namibia and, whether or not that passenger has been refused by an immigration officer to land and to enter Namibia, such person is not on board when the ship departs, the master or the owner of that ship shall forfeit in respect of such passenger an amount to be fixed by the immigration officer, not exceeding an amount determined by the Minister by notice in the Gazette in general.

Responsibility of owner and master of ship in respect of crew

18. (1) An immigration officer may require the master of a ship to muster the crew of such ship on or after the arrival of such ship in any port and again before such ship departs from such port.

(2) If any person whose name appears on the list referred to in section 15(1)(c) is not on board when the ship is ready to depart, the master or the owner of the ship may be required before the ship departs, to deposit with the immigration officer in respect of such person an amount fixed by the immigration officer, not exceeding an amount determined by the Minister by notice in the Gazette in general, unless it is proved to the satisfaction of the immigration officer that such person is a Namibian citizen or such person is domiciled in Namibia.

(3) The amount referred to in subsection (2) shall be forfeited to the State unless the master or owner proves to the satisfaction of the immigration officer within 90 days after such amount was deposited that the person in respect of whom such amount was deposited, is no longer in Namibia.

Recovery of amounts forfeited under sections 16 and 17 or deposited under section 18

19. (1) Until any amount which has been forfeited under section 16 or 17 has been paid, or any amount which is to be deposited under section 18 has been submitted, no clearance papers shall be given to the master or owner of the ship in question.

(2) Such ship may be declared executable by order of the High Court for the recovery of any amount forfeited under section 16 or 17 or required to be deposited under section 18.

Power to refuse clearance papers

20. The competent officer of customs at any port may refuse to give to the master of any ship clearance papers to leave that port until such master has complied with the provisions of this Act and produced a certificate of an immigration officer to that effect.

Agreement with ship-owners relating to the carrying out of certain provisions of Act

21. (1) In order to facilitate the clearance of ships habitually calling at any port, the Minister may enter into an agreement (with or without the giving of security) with the owner of such ships whereby such owner undertakes that he or she or the masters of such ships belonging to him or her and calling habitually at such ports shall carry out so much of the provisions of sections 16, 17 and 18 as may relate to such owner or master.

(2) The terms of an agreement entered into under subsection (1), shall be substituted for the provisions of section 16, 17 or 18 in so far as those provisions relate to the payment or deposit of moneys by such owner or master of a ship.

shall be regarded as a period of residence in Namibia.

Loss of domicile

23. (1) A person shall lose his or her domicile in Namibia -

25. (1) There is hereby established a board to be known as the Immigration
Selection Board.

(2) The board -

(a) shall, subject to the provisions of -

(i) section 26, consider applications for permanent residence permits referred to
in section 24(a);

(ii) section 27, consider applications for employment permits referred to in
section 24(b)(1);

(b) may take such other action and do such other things as may be required for the
proper performance of its functions and duties under this Act.

(3) The board shall consist of not less than five and not more than seven members as
the Minister may appoint, of whom one shall be designated by the Minister as chairperson of
the board.

(4) A member of the board shall hold office for such period as the Minister may, either
generally or in respect of any particular member, determine.

(5) The remuneration, allowances, benefits and gratuities of a member of the board
who is not in the full time service of the State, shall be determined by the Minister, in
consultation with the Minister of Finance.

(6) A member of the board shall be notified in writing of his or her appointment or
designation or any determination in respect of him or her in terms of subsection (3), (4) or (5),
as the case may be.

(7) The quorum for any meeting of the board shall be a majority of the members of the
board.

(8) (a) The chairperson shall preside at all meetings of the board at which he or she
is present and in the event of his or her absence from any meeting, the members
present thereat shall elect one of their number to act as chairperson at that meeting.

(b) An acting chairperson referred to in paragraph (a) shall at any meeting at which he
or she presides, have all the powers and perform all the duties and functions of the
chairperson.
(9) The decision of the majority of the members of the board present at any meeting thereof, shall be a decision of the board and in the event of an equality of votes, the person presiding at the meeting in question shall have a casting vote in addition to his or her deliberative vote.

(10) (a) The board may, with the approval of the Minister, subject to such conditions as the board may determine, establish committees and assign to it any of its powers, duties and functions conferred or imposed upon it by or under this Act.

(11) The meetings of the board and of its committees shall be held at such times and at such places as the chairperson of the board may determine.

(12) The administrative work in connection with the functions of the board or any committee thereof shall be performed by officers in the Ministry designated by the Permanent Secretary.

Application for permanent residence permits

26. (1) (a) An application for a permanent residence permit shall be made on a prescribed form and shall be submitted to the Chief of Immigration.

(b) Different forms may, for the purpose of paragraph (a), be prescribed for different categories of persons.

(2) Subject to the provisions of subsection (7), the Chief of Immigration shall submit every application received by him or her to the board together with such information relating to the applicant as he or she may have obtained and shall furnish such further information to the board as it may require in connection with such applicant.

(3) The board may authorize the issue of a permit to enter and to be in Namibia for the purpose of permanent residence therein to the applicant and make the authorization subject to any condition the board may deem appropriate: Provided that the board shall not authorize the issue of such a permit unless the applicant satisfies the board that -

(a) he or she is of good character; and

(b) he or she will within a reasonable time after entry into Namibia assimilate with the inhabitants of Namibia and be a desirable inhabitant of Namibia; and

(c) he or she is not likely to be harmful to the welfare of Namibia; and

(d) he or she has sufficient means or is likely to earn sufficient means to maintain himself or herself and his or her spouse and dependent children (if any), or he or she has such qualifications, education and training or experience as are likely to render him or her efficient in the employment, business, profession or occupation he or she intends to pursue in Namibia; and

(e) he or she does not and is not likely to pursue any employment, business, profession or occupation in which a sufficient number of persons are already engaged in Namibia to meet the requirements of the inhabitants of Namibia; and
(f) the issue to him or her of a permanent residence permit would not be in conflict with the other provisions of this Act or any other law; or

(g) he or she is the spouse or dependent child, or a destitute, aged or infirm parent of a person permanently resident in Namibia who is able and undertakes in writing to maintain him or her.

(4) When the board has authorized the issue of a permanent residence permit, the Chief of Immigration shall issue such permit in the prescribed form to the applicant concerned.

(5) The validity of a permanent residence permit shall lapse if the person to whom such permit has been issued in terms of subsection (4) -

(a) fails to enter Namibia for the purpose of permanent residence therein within a period of six months from the date on which that permit was issued or within such longer period as the Chief of Immigration may from time to time determine and on such conditions as he or she may determine.

(b) not yet having acquired a domicile in Namibia in terms of this Act -

(i) has been absent from Namibia for a continuous period exceeding two years or exceeding such longer period as the Chief of Immigration may in writing in each case determine, but exclusive of any such period in respect of which such person is so absent mutatis mutandis in accordance with the provisions of section 23(2);

(ii) voluntarily departs from Namibia and resides in a country other than Namibia with the intention of permanently residing outside Namibia; or

(iii) becomes a prohibited immigrant in terms of this Act.

(6) The board may, on an application referred to in subsection (1) made by a person who has been permitted under this Act to be in Namibia or to whom an employment permit referred to in section 27 or a student’s permit referred to in section 28 or a visitor’s entry permit referred to in section 29 has been issued, authorize the issue to him or her of a permit in terms of this section mutatis mutandis as if he or she were outside Namibia, and upon the issue of that permit he or she may reside permanently in Namibia.

(7) (a) If the board rejects an application submitted to it in terms of subsection (2), the board shall not be obliged to reconsider such application, and the board shall not consider another such application by the same person before the expiration of a period of not less than six months from the date on which the said person was informed of the decision of the board: Provided that if the Chief of Immigration receives any new information or it is shown that the circumstances affecting the application in question have changed, he or she may at any time request the board to reconsider the first-mentioned application.

(b) After receipt of a request in terms of paragraph (a) the board shall reconsider the application in question as if it were submitted to the board under subsection (2).

Application for employment permits

27. (1) The board may, subject to the provisions of subsection (2), on application of any person made on a prescribed form, authorize the Chief of Immigration to issue to such person an employment permit -
(a) to enter Namibia or any particular part of Namibia and to reside therein;
(b) if he or she is already in Namibia to reside in Namibia or any particular part of Namibia,

for the purpose of entering or continuing in any employment or conducting any business or carrying on any profession or occupation in Namibia during such period and subject to such conditions as the board may impose and stated in the said permit.

(2) The board shall not authorize the issue of an employment permit unless the applicant satisfies the board that -

(a) he or she has such qualifications, education and training or experience as are likely to render him or her efficient in the employment, business, profession or occupation concerned; and

(b) the employment, business, profession or occupation concerned is not or is not likely to be any employment, business, profession or occupation in which a sufficient number of persons are already engaged in Namibia to meet the requirements of the inhabitants of Namibia; and

(c) the issue to him or her of an employment permit would not be in conflict with the other provisions of this Act or any other law.

(3) The board may, with due regard to the provisions of subsection (2), from time to time extend the period for which, or alter the conditions subject to which, such permit was issued under subsection (1), and a permit so altered shall be deemed to have been issued under that subsection.

(4) (a) If the board intends issuing an employment permit under subsection (1) to a person for that purpose or subject to conditions, he or she may, in order to ensure that the purpose of his or her residence and the conditions under which the permit was issued are observed or complied with, require that person, before issuing the permit to him or her, to deposit with the Chief of Immigration an amount fixed by the board, not exceeding an amount determined by the Minister by notice in the Gazette in general, or to lodge with the Chief of Immigration to his or her satisfaction, in the prescribed form, a guarantee for the amount concerned.

[There appears to be some grammatical confusion in paragraph (a) regarding the pronouns in the phrase “he or she may… require that person...”. The words “he or she” appear to refer to the board given the sentence structure, but the appropriate pronoun in that case would be “it”. It may be that the provision intended to state that the board may instruct the Chief of Immigration to require that the person seeking the employment permit must deposit a specified amount of money. However, it is not possible to be certain about what was intended.]

(b) An amount or guarantee deposited or lodged with the Chief of Immigration in terms of paragraph (a) shall, subject to paragraph (c), be refunded to the person concerned or cancelled on his or her departure from Namibia, as the case may be.

(c) If such person acted in conflict with the purpose for which, or failed to comply with a condition subject to which, the employment permit was issued to him or her under subsection (1), the Minister may order that the amount deposited with the Chief of Immigration be forfeited to the State or, if a guarantee was lodged with the Chief of Immigration that the amount payable in terms of the guarantee be recovered for the benefit of the State.
(5) When the board authorizes the issue of such an employment permit to any person under subsection (1), it may authorize in that permit the spouse and dependent child of that person, if the spouse or child accompanies or resides with him or her, to enter and reside in Namibia with that person.

(6) Any person to whom an employment permit was issued under subsection (1) or who was authorized in that permit under subsection (5) to reside with that person, and who remains in Namibia after the expiration of the period or extended period for which, or acts in conflict with the purpose for which, that permit was issued, or contravenes or fails to comply with any condition subject to which it was issued, shall be guilty of an offence and on conviction be liable to a fine not exceeding R12 000 or to imprisonment for a period not exceeding three years or to both such fine and such imprisonment, and may be dealt with under Part VI as a prohibited immigrant.

Application for students’ permits

28. (1) The Chief of Immigration may, on application of any person who has complied with all the relevant requirements of this Act, issue to him or her a student’s permit -

(a) to enter Namibia or any particular part of Namibia and to reside therein;

(b) if he or she is already in Namibia to reside in Namibia or any particular part of Namibia,

for the purpose of attending or undergoing any training, instruction or education at any training or educational institution, approved by the Minister, during such period and subject to such conditions as the Chief of Immigration may impose and stated in the said permit.

(2) The Chief of Immigration may from time to time extend the period for which, or alter the conditions subject to which, such permit was issued under subsection (1), and a permit so altered shall be deemed to have been issued under that subsection.

(3) (a) If the Chief of Immigration intends issuing a student’s permit under subsection (1) to a person for that purpose or subject to conditions, he or she may, in order to ensure that the purpose of his or her residence and the conditions under which the permit was issued are observed or complied with, require that person, before issuing the permit to him or her, to deposit with the Chief of Immigration an amount fixed by him or her, not exceeding an amount determined by the Minister by notice in the Gazette in general, or to lodge with him or her to his or her satisfaction, in the prescribed form, a guarantee for the amount concerned.

[This sentence is confusing as written because some of the pronouns (“he or she”, “him or her”, “his or her”) appear to refer to the Chief of Immigration, while others (“his or her” and “him or her”) appear to refer to the person seeking the permit.]

(b) An amount or guarantee deposited or lodged with the Chief of Immigration in terms of paragraph (a) shall, subject to paragraph (c), be refunded to the person concerned or cancelled on his or her departure from Namibia, as the case may be.

(c) If such person acted in conflict with the purpose for which, or failed to comply with a condition subject to which, the student’s permit was issued to him or her under subsection (1), the Minister may order that the amount deposited with the Chief of Immigration be forfeited to the State or, if a guarantee was lodged with
the Chief of Immigration that the amount payable in terms of the guarantee be recovered for the benefit of the State.

(4) When the Chief of Immigration issues such a student’s permit to any person under subsection (1), he or she may authorize in that permit the spouse and dependent child of that person, if the spouse or child accompanies or resides with him or her, to enter and reside in Namibia with that person.

(5) Any person to whom a student’s permit was issued under subsection (1) or who was authorized in that permit under subsection (4) to reside with that person, and who remains in Namibia after the expiration of the period or extended period for which, or acts in conflict with the purpose for which, that permit was issued, or contravenes or fails to comply with any condition subject to which it was issued, shall be guilty of an offence and on conviction be liable to a fine not exceeding R12 000 or to imprisonment for a period not exceeding three years or to both such fine and such imprisonment, and may be dealt with under Part VI as a prohibited immigrant.

(6) The provisions of this section shall not be construed as authorizing any person to whom a student’s permit has been issued (whether or not as a purpose for which or a condition subject to which such permit has been issued), to enter into or to be in any employment or to conduct any business or to carry on any profession or occupation in Namibia, unless such person is under any law required to enter into or to be in any employment in order to attend or undergo any such training, instruction or education and such permit or such purpose or condition relates to such employment.

Application for visitors’ entry permits

29. (1) An immigration officer may, on the application of any person who has complied with all the relevant requirements of this Act, issue to such person a visitor’s entry permit -

(a) to enter Namibia or any particular part of Namibia and to sojourn temporarily therein;

(b) if he or she is already in Namibia to sojourn temporarily in Namibia or any particular part of Namibia,

for such purposes and during such period, not exceeding 12 months, as may be determined by the immigration officer and subject to such conditions as the immigration officer may impose, and stated in the said permit.

(2) An immigration officer may, from time to time, extend the period for which a visitor’s entry permit was issued under subsection (1), but not for more than 12 months at a time, or alter the purpose for which, or the condition subject to which, such permit was issued, and a permit so altered shall be deemed to have been issued under that subsection.

(3) (a) If an immigration officer intends issuing a visitor’s entry permit under subsection (1) to a person for a specified purpose or subject to conditions, such immigration officer may in order to ensure that the purpose of such person’s sojourn and the conditions under which the permit was issued are observed or complied with, require such person, before issuing the permit to him or her, to deposit with such immigration officer an amount fixed by him or her, not exceeding an amount determined by the Minister by notice in the Gazette in general, or to lodge with him or her to his or her satisfaction, in the prescribed form, a guarantee for the amount concerned.
(b) An amount or guarantee deposited or lodged with an immigration officer in terms of paragraph (a) shall, subject to paragraph (c), be refunded to the person concerned or cancelled on his or her departure from Namibia, as the case may be.

(c) If such person acted in conflict with the purpose for which, or failed to comply with a condition subject to which, such permit was issued to him or her under subsection (1), the Minister may order that the amount deposited with the immigration officer be forfeited to the State or, if a guarantee was lodged with the immigration officer, that the amount payable in terms of the guarantee be recovered for the benefit of the State.

(4) When an immigration officer issues such a visitor’s entry permit to any person under subsection (1), such immigration officer may issue a similar permit to the spouse, dependent child or any other person who is in the employ of such person, if such spouse, child or employee accompanies or resides with such person.

(5) Any person to whom a visitor’s entry permit was issued under subsection (1) and who remains in Namibia after the expiration of the period or extended period for which, or acts in conflict with the purpose for which, that permit was issued, or contravenes or fails to comply with any condition subject to which it was issued, shall be guilty of an offence and on conviction be liable to a fine not exceeding R12 000 or to imprisonment for a period not exceeding three years or to both such fine and such imprisonment, and may be dealt with under Part VI as a prohibited immigrant.

(6) The provisions of this section shall not be construed as authorizing any person to whom a visitor’s entry permit has been issued (whether or not as a purpose for which or a condition subject to which such permit has been issued), to enter into or to be in any employment or to conduct any business or to carry on any profession or occupation or to receive any training, instruction or education in any training or educational institution, in Namibia.

(i) require a police officer, or request any other person, to assist him or her as an interpreter or otherwise in exercising or performing his or her powers, duties and functions under this Act.

(3) An immigration officer may seize any passport or other document, if -

(a) he or she has reasonable grounds to believe that such passport or document has been obtained by any fraudulent act or false representation;
(b) the passport or document has been defaced or mutilated to such an extent that the passport or document or any part thereof is illegible;
(c) any amendment or endorsement has been made to, or inserted in, the passport or document by any person other than an official duly authorized to do so,
and may transmit the passport or document concerned to the authority which issued that passport or document or on behalf of which it was so issued.

(4) A search of a home in terms of a power conferred by subsection (1), shall not be carried out without a search warrant, unless -

(a) the owner or occupier of the dwelling, as the case may be, has consented to the search; or

(b) the immigration officer or police officer on reasonable grounds believes -

   (i) that a search warrant will be granted if applied for; and

   (ii) that the delay in obtaining such warrant would defeat the objects of the search.

(5) The provisions of sections 21 and 29 of the Criminal Procedure Act, 1977 (Act 51 of 1977), shall mutatis mutandis apply with reference to the obtaining and execution of a search warrant referred to in subsection (4), and, in the application of those provisions, a reference to a police official shall be construed as including a reference to an immigration officer.

(6) When an immigration officer exercises or performs a power or duty under this Act in the presence of any person affected thereby, the immigration officer shall on demand by any such person produce to him or her the certificate issued to such immigration officer in terms of section 3(4).

(7) A police officer required or any other person requested by an immigration officer to assist him or her as provided in paragraph (i) of subsection (1) may accompany such immigration officer in the performance of his or her duties or functions under this Act as if such police officer or person were an immigration officer.

[The reference to “paragraph (i) of subsection (1)” must be in error as there is no such provision in this section. It was probably intended to refer to “paragraph (i) of subsection (2)”, which would make sense given the context.]

(8) Any owner or person in charge of any premises or conveyance on which persons are present, shall at all times make available such facilities as are reasonably required by an immigration officer in order to enable him or her to exercise or perform effectively the powers, duties and functions to be exercised or performed by him or her under this Act on or in any such premises or conveyance.
