REGULATIONS

REGULATIONS MADE IN TERMS OF

Health Professions Act 16 of 2024
section 91(1)

**Regulations relating to Minimum Requirements of Study for
Registration as Podiatrist and Scope of Practice of Podiatrist**

Government Notice 61 of 2026

(GG 8862)

came into force on date of publication: 9 March 2026

The Government Notice which publishes these regulations notes that they were made after consultation with the Allied Health Professions Board and on the recommendation of the Health Professions Council of Namibia.

It also repeals the pre-independence regulations on chiropodiatrists in RSA GN R.2294 of 3 December 1976 and RSA GN R.2295 of 3 December 1976 (both contained in [RSA GG 5349](#)).

The repealed regulations were made in terms of section 61 of the RSA Medical, Dental and Supplementary Health Service Professions Act 56 of 1974 and survived due to the chain of savings clauses in the Allied Health Services Professions Act 20 of 1993, the Allied Health Professions Act 7 of 2004 and section 95(10) of the Health Professions Act 16 of 2024.

ARRANGEMENT OF REGULATIONS

1. Definitions
2. Minimum requirements of study for registration as podiatrist
3. Registrable additional qualifications
4. Application for registration as podiatrist
5. Scope of practice of podiatrist
6. Restoration of name to register
7. Language of forms and documents

[Annexure: Registrable Additional Qualifications](#)

REGULATIONS
Health Professions Act 16 of 2024**Regulations relating to Minimum Requirements of Study for Registration as Podiatrist
and Scope of Practice of Podiatrist**

Definitions

1. In these regulations, a word or an expression defined in the Act has that meaning and unless the context indicates otherwise -

“equivalent qualification” means a qualification obtained after full-time education, tuition and training of similar course and comprising of similar subjects as specified in regulation 2(2);

“medical practitioner” means a person registered as a medical practitioner under section 34 of the Act or authorised to practice as a medical practitioner under section 37 of the Act;

“medicine” means medicine as defined in section 1 of the Medicines and Related Substances Control Act, 2003 (Act No. 13 of 2003);

“podiatrist” means a person registered as a podiatrist under section 34 of the Act; and

“the Act” means the Health Professions Act, 2024 (Act No. 16 of 2024).

Minimum requirements of study for registration as podiatrist

2. (1) Subject to other requirements of the Act, the Council may register a person as a podiatrist, if the person holds any of the following qualifications -

- (a) a Bachelor of Health Science degree in Podiatry; or
- (b) an equivalent qualification,

after receiving full-time education from an educational institution for a period of not less than four years.

(2) The curriculum for the qualification referred to in subregulation (1) must include the following subjects -

- (a) basic science: physics;
- (b) basic science: chemistry;
- (c) anatomy and physiology;
- (d) clinical practice;
- (e) human science;
- (f) medical science;
- (g) podiatry medicine;
- (h) podiatric anatomy (theory and practical);
- (i) podiatric orthotics;
- (j) applied pharmacology; and

REGULATIONS
Health Professions Act 16 of 2024**Regulations relating to Minimum Requirements of Study for Registration as Podiatrist
and Scope of Practice of Podiatrist**

- (k) podiatric surgery.

Registrable additional qualifications

3. (1) Subject to section 38 of the Act, the qualifications referred to in the Annexure may be registered as additional qualifications for a podiatrist.

(2) Despite subregulation (1), the Council may recognise other additional qualifications not listed in the Annexure and that qualification must be entered against the name of a podiatrist as an additional qualification, if that additional qualification complies with section 38 of the Act.

[The phrase “other additional qualifications” should be
“an additional qualification” to fit the sentence structure.]

Application for registration as podiatrist

4. (1) A person who holds a qualification referred to in regulation 2(1) may in terms of section 33 of the Act, apply to be registered as a podiatrist.

(2) An application referred to in subregulation (1) must in addition to the documents referred to in section 33 of the Act, be -

- (a) made on form 3 set out in the Annexure to the Regulations prescribing application forms, certificates and licences published under Government Notice No. 26 of 23 February 2026 submitted to the Registrar; and
- (b) accompanied by a certified copy of the identity document or passport of the person.

(3) The Council may require the applicant to furnish proof of his or her proficiency in the English language, in the manner that the Council may determine.

Scope of practice of podiatrist

5. The following acts fall within the scope of practice of a podiatrist, in the conducting of his or her practice -

- (a) perform routine and specialised podiatric skills and techniques to clinically assess, diagnose, treat and manage conditions or infections affecting a foot or ankle;
- (b) promote feet health and the prevention and rehabilitation of a feet or ankle ailments;

[The article “a” before “feet and ankle ailments” is superfluous.]

- (c) recognise and evaluate the signs and symptoms of general conditions that impact the feet or ankle for the purpose of treatment, and referral to a medical practitioner or other practitioners for subsequent management where required;
- (d) treat feet or ankle conditions such as flat feet and foot imbalance by using corrective devices;
- (e) perform minor podiatry surgical procedures on feet, for the removal of foreign bodies such as ingrown nails, where general anesthetics are not required;

REGULATIONS
Health Professions Act 16 of 2024

**Regulations relating to Minimum Requirements of Study for Registration as Podiatrist
and Scope of Practice of Podiatrist**

- (f) treat disorders of bones, joints, skin and nails of the feet or ankle; and
- (g) recommend footwear for specific foot conditions.

[The verbs in each of the preceding paragraphs
should be gerunds (ending in “-ing”) to fit the sentence structure.]

Restoration of name to register

6. The register of podiatrist established and kept in terms of section 46 of the Act must, in addition to the particulars specified by subsection (3) of that section, contain -

[The singular word “podiatrist” should be the plural word “podiatrists” (“register of podiatrists”).]

- (a) any particulars that Council may determine; and
- (b) any change in the particulars recorded in the register.

Language of forms and documents

7. (1) A document required to be submitted to the Council or the registrar in terms of these regulations must be in the English language.

(2) A document referred to in subregulation (1) that is not in the English language must be accompanied by a sworn translation of that document in the English language.
