REGULATIONS

REGULATIONS MADE IN TERMS OF

Nursing Act 8 of 2004
section 59 read with section 18(1)

**Regulations relating to the Minimum Requirements of Study
for Registration as Nurse or Midwife**

Government Notice 143 of 2008

(GG 4068)

came into force on date of publication: 18 June 2008

The Government Notice which publishes these regulations notes that they were made on the recommendation of the Nursing Council of Namibia. It also repeals the regulations published in GN 193/2000 (GG 2392), which were issued under the previous Nursing Professions Act 30 of 1993.

ARRANGEMENT OF REGULATIONS

1. Definitions

PART I

REGISTERED NURSES AND REGISTERED MIDWIVES

2. Minimum qualifications required for registration as a nurse
3. Minimum qualifications required for registration as a midwife

Definitions

1. In these regulations, unless the context otherwise indicates, a word or expression defined in the Act has that meaning, and -

“midwife” includes an accoucheur; and

**REGULATIONS
Nursing Act 8 of 2004**

**Regulations relating to the Minimum Requirements of Study
for Registration as Nurse or as Midwife**

“the Act” means the Nursing Act, 2004 (Act No. 8 of 2004).

**PART I
REGISTERED NURSES AND REGISTERED MIDWIVES**

Minimum qualifications required for registration as a nurse

2. Subject to compliance with all the other requirements prescribed by the Act the following are requirements for registration as a nurse -

- (a) a four year Bachelors Degree in Nursing Sciences (Clinical); or
- (b) a three year Bachelor Degree of Nursing Sciences (Advanced practice)
 - (i) Community Health Nursing Science;
 - (ii) Health Services Management; or
- (c) a four year Diploma in Comprehensive Nursing and Midwifery Science; or
- (d) a three and a half year Diploma in General Nursing and Midwifery,

obtained at the University of Namibia or any other educational institution approved by the Council for such purpose, after the successful full-time education, tuition and training at that university or educational institution for the period of time prescribed by paragraphs (a), (b) or (c), respectively, entitles the holder thereof to registration as a nurse under the Act.

Minimum qualifications required for registration as a midwife

3. (1) Subject to compliance with all the other requirements prescribed by the Act the following are minimum qualifications required for registration as a midwife -

- (a) a four year Diploma in Comprehensive Nursing and Midwifery Science; or
- (b) a three and a half year Diploma in General Nursing and Midwifery; or
- (c) subject to subregulation (2), a one year Diploma in Midwifery,

obtained at the University of Namibia or any other educational institution approved by the Council for such purpose, after the successful full-time tuition and training at that university for the period of time prescribed by paragraphs (a), (b) or (c), respectively, entitles the holder thereof to registration as a midwife under the Act.

(2) A person who holds the qualification prescribed by paragraph (c) of subregulation (1) may be registered as a midwife, only if that person is registered as a nurse under the Act.
