**CHAPTER 3
RESTRICTIVE BUSINESS PRACTICES***Part I*

Competition Act 2 of 2003

*Restrictive Agreements, Practices and Decisions***Restrictive practices prohibited**

23. (1) Agreements between undertakings, decisions by associations of undertakings or concerted practices by undertakings which have as their object or effect the prevention or substantial lessening of competition in trade in any goods or services in Namibia, or a part of Namibia, are prohibited, unless they are exempt in accordance with the provisions of Part III of this Chapter.

(2) Agreements and concerted practices contemplated in subsection (1), include agreements concluded between -

- (a) parties in a horizontal relationship, being undertakings trading in competition; or
- (b) parties in a vertical relationship, being an undertaking and its suppliers or customers or both.

(3) Without prejudice to the generality of the provisions of subsection (1), that subsection applies in particular to any agreement, decision or concerted practice which -

- (a) directly or indirectly fixes purchase or selling prices or any other trading conditions;
- (b) divides markets by allocating customers, suppliers, areas or specific types of goods or services;
- (c) involves collusive tendering;
- (d) involves a practice of minimum resale price maintenance;
- (e) limits or controls production, market outlets or access, technical development or investment;
- (f) applies dissimilar conditions to equivalent transactions with other trading parties, thereby placing them at a competitive disadvantage;
- (g) makes the conclusion of contracts subject to acceptance by other parties of supplementary conditions which by their nature or according to commercial usage have no connection with the subject of the contracts.

(4) Paragraph (d) of subsection (3) does not prevent a supplier or producer of goods or services from recommending a resale price to a reseller of the goods or a provider of the service, provided -

- (a) it is expressly stipulated by the supplier or producer to the reseller or provider that the recommended price is not binding; and
- (b) if any product, or any document or thing relating to any product or service, bears a price affixed or applied by the supplier or producer, the words "recommended price" appear next to the price so affixed or applied.

(5) It is presumed that an agreement or a concerted practice of the nature prohibited by subsection (1) exists between two or more undertakings if -

Competition Act 2 of 2003

- (a) any one of the undertakings owns a significant interest in the other or they have at least one director or one substantial shareholder in common; and
- (b) any combination of the undertakings engages in any of the practices mentioned in subsection (3).

(6) The presumption created by subsection (5) may be rebutted if an undertaking or a director or shareholder concerned establishes that a reasonable basis exists to conclude that any practice in which any of the undertakings engaged was a normal commercial response to conditions prevailing in the market.

(7) For the purposes of subsection (5), “director” includes -

- (a) a director of a company as defined in the Companies Act, 1973 (Act No. 61 of 1973);

**[The Companies Act 61 of 1973 has been replaced by
the Companies Act 28 of 2004.]**

- (c) a trustee of a trust; or

(8) Subsection (1) does not apply in respect of an agreement entered into between, or a practice engaged in by -

- (a) a company and its wholly owned subsidiary, as contemplated in section 1 of the Companies Act, 1973, or a wholly owned subsidiary of that subsidiary company; or
- (b) undertakings other than companies, each of which is owned or controlled by the same person or persons.

Part II

- (b) the method for calculating an undertaking’s annual turnover or value of assets for the purposes of paragraph (a).

Criteria for determining dominant position

25. For the purposes of this Part, the Commission must prescribe criteria to be applied for determining whether an undertaking has, or two or more undertakings have, a dominant

Competition Act 2 of 2003

position in a market, which may be based on any factors which the Commission considers appropriate.

Abuse of dominant position

26. (1) Any conduct on the part of one or more undertakings which amounts to the abuse of a dominant position in a market in Namibia, or a part of Namibia, is prohibited.

(2) Without prejudice to the generality of subsection (1), abuse of a dominant position includes -

- (a) directly or indirectly imposing unfair purchase or selling prices or other unfair trading conditions;
- (b) limiting or restricting production, market outlets or market access, investment, technical development or technological progress;
- (c) applying dissimilar conditions to equivalent transactions with other trading parties; and
- (d) making the conclusion of contracts subject to acceptance by other parties of supplementary conditions which by their nature or according to commercial usage have no connection with the subject-matter of the contracts.

*Part III**Exemption of Certain Restrictive Practices***Grant of exemption for certain restrictive practices**

27. (1) Any undertaking or association of undertakings may apply to the Commission to be exempted from the provisions of Part I or Part II of this Chapter in respect of -

- (a) any agreement or category of agreements;

(2) An application for an exemption under subsection (1) must -

- (b) be accompanied by such information as may be prescribed or as the Commission may reasonably require.

(3) The Commission must give notice in the *Gazette* of an application received in terms of subsection (1) -

- (a) indicating the nature of the exemption sought by the applicant; and
- (b) calling upon interested persons to submit to the Commission, within 30 days of the publication of the notice, any written representations that they may wish to make in regard to the application.

Competition Act 2 of 2003

Determination of application for exemption

28. (1) After consideration of an application in terms of section 27 and any representations submitted by interested persons, the Commission must make a determination in respect of the application, and may -

- (a) grant an exemption; or
- (b) refuse to grant an exemption, accompanied by a statement of the reasons for the refusal; or
- (c) issue a certificate of clearance stating that in its opinion, on the basis of the facts in its possession, the agreement, decision or concerted practice or the category of agreements, decisions or concerted practices does not constitute an infringement of the Part I or the Part II prohibition.

(2) The Commission may grant an exemption if the Commission is satisfied that there are exceptional and compelling reasons of public policy why the particular -

- (a) agreement or category of agreements;
- (b) decision or category of decisions; or
- (c) concerted practice or category of concerted practices,

ought to be excluded from the Part I or the Part II prohibition.

(3) In making a decision under subsection (2) the Commission must take into account the extent to which the agreement, decision or concerted practice, or the category of agreements, decisions or concerted practices concerned contributes to or results in, or will be likely to contribute to or result in -

- (a) maintaining or promoting exports;
- (b) enabling small undertakings owned or controlled by historically disadvantaged persons, to become competitive;
- (c) improving, or preventing decline in, the production or distribution of goods or the provision of services;
- (d) promoting technical or economic progress or stability in any industry designated by the Minister, after consultation with the Minister responsible for that industry;
- (e) obtaining a benefit for the public which outweighs or would outweigh the lessening in competition that would result, or would be likely to result, from the agreement, decision or concerted practice or the category of agreements, decisions or concerted practices.

(4) The Commission may grant an exemption subject to such conditions and for such period as the Commission may think fit.

Revocation or amendment of exemption

29. (1) If the Commission, at any time after it has granted an exemption or issued a certificate of clearance under section 28, is satisfied that -

Competition Act 2 of 2003

- (a) the exemption was granted or the certificate of clearance was issued on materially incorrect or misleading information;
- (b) there has been a material change of circumstances since the exemption was granted or the certificate was issued;
- (c) a condition upon which an exemption was granted has not been complied with,

the Commission may revoke or amend the exemption or revoke the certificate of clearance, as the case may be.

(2) If the Commission proposes to revoke or amend an exemption or to revoke a certificate of clearance under subsection (1), it must -

- (a) give notice in writing of the proposed action to the person to whom the exemption was granted or the certificate of clearance was issued, and to any other person who in the opinion of the Commission is likely to have an interest in the matter; and
- (b) call upon such persons to submit to the Commission, within 30 days of the receipt of the notice, any representations which they may wish to make in regard to the proposed action.

(3) In the event of non-compliance with a condition of an exemption, and irrespective whether the Commission revokes or amends the exemption on account of the non-compliance, the Commission may make application to the Court for the imposition of a pecuniary penalty in respect of that non-compliance, either with or without any other order.

Exemption in respect of intellectual property rights

30.
