(2) Upon receipt of the copy of a notice of appeal in terms of subsection (1), the driving examiner concerned shall forthwith furnish the Minister with his or her reasons for the decision which is the subject of the appeal.

(3) For the purpose of deciding an appeal in terms of subsection (1), the Minister may appoint any person to examine and test the appellant as to his or her competency to drive the class of motor vehicle concerned and may require any party to the appeal to furnish such information and evidence as the Minister may deem expedient.

(4) The Minister may give such decision as he or she may consider appropriate in an appeal in terms of subsection (1).

Validity and replacement of driving licences issued under repealed laws

40. (1) Subject to subsection (5), a licence authorising the driving of a motor vehicle which was issued under the repealed Ordinance and which was valid immediately before the commencement of this section, shall be deemed to be a licence issued under this Chapter.

(2) With effect from a date to be fixed by the Minister by notice in the Gazette, but not later than the date prescribed by subsection (2A), any holder of a driving licence referred to in subsection (1) may apply to a driving testing centre for the replacement of such licence by a driving licence issued under this Act.

[subsection (2) amended by Act 6 of 2008]

(2A) The date before which the holder of a licence referred to in subsection (1) must apply for the replacement thereof as contemplated in subsection (2) shall -

(3) An application in terms of subsection (2) shall be made in the prescribed manner and be accompanied by the prescribed fee.

(4) Upon being satisfied that an applicant applying for the replacement of a licence in terms of subsection (2) is the holder of such licence, a driving examiner, or any other person authorised thereto by such examiner shall, subject to section 34, and on payment of the prescribed fee, issue or authorise the issue of a driving licence under this Act to the applicant in the prescribed manner.

(5) Notwithstanding subsection (1), a driving licence referred to in that subsection which is not replaced in accordance with subsection (2), shall cease to be a valid licence for the purposes of this Act with effect from such date as the Minister may determine by notice in the *Gazette*, and the Minister may so determine different dates for different categories of licences.

(6) Where a person who is the holder of a licence referred to in subsection (1), holds, in addition to such licence, a public driving permit issued in terms of the provisions of section 78(1) of the repealed Ordinance, or issued in terms of that section after the commencement of this Act by virtue of the provisions of section 113(1)(a) of this Act, such licence and permit shall jointly, for the period of validity of such permit, but subject to subsections (2) and (5), be deemed to be a licence issued under this Chapter which bears an endorsement contemplated in section 33(c) and granting the corresponding authority conveyed by such public driving permit.

(7) Upon application of any person who is the holder of a driving licence which was issued under any law before the date on which the repealed Ordinance came into force, and who had failed to surrender such licence in accordance with section 59 of that Ordinance for replacement by a licence issued under that Ordinance, the Minister, if in his or her opinion good reason for such failure is shown by the applicant, may direct that such licence be deemed, for the purposes of this section, to be a licence which was issued under the repealed Ordinance.

**Foreign driving licences and international driving permits**

41. (1) Subject to subsection (2) and to such conditions as may be prescribed -

(a) a licence authorising the driving of a motor vehicle issued in a country other than Namibia; and

(b) an international driving permit issued in a country other than Namibia while the holder thereof was not permanently or ordinarily resident in Namibia,

shall, in respect of the class of motor vehicle to which such licence or permit relates and subject to the conditions thereof, be deemed to be a licence for the purposes of this Chapter, but any such licence which is a provisional licence, or an international driving permit, shall not authorise the driving of a motor vehicle carrying passengers for which an operator is required to be registered under this Act.

(2) The period for which a licence or a permit referred to in subsection (1) shall be deemed to be a licence for the purposes of this Chapter, shall be as prescribed, and different periods may be so prescribed in respect of licences or permits issued in different countries.

(3) The holder of a licence or an international driving permit referred to in subsection (1) may, subject to the prescribed conditions, apply for the replacement of such licence or permit by a driving licence issued under this Chapter.

42. (1) If the Minister is of the opinion that the holder of a learner’s licence or driving licence issued under this Act or the repealed Ordinance -

(a) is disqualified in terms of section 34 from holding such licence, the Minister shall cancel such licence; or

(b) would constitute a source of danger to the public by driving a motor vehicle on a public road, the Minister may cancel or suspend such licence.

(2) For the purposes of subsection (1), the Minister may request the holder of the licence concerned to submit himself or herself, within such period as the Minister may determine -

(a) to an examination and a test by one or more driving examiners nominated by the Minister to determine his or her competency to drive a motor vehicle of the class to which his or her licence relates;

(b) to an examination by a medical practitioner nominated by the Minister to determine his or her physical and mental fitness to drive a motor vehicle.

(3) The holder of a driving licence who submits himself or herself for an examination and test pursuant to paragraph (a) of subsection (2), may request that, instead of such examination and test being conducted in respect of a class of motor vehicle referred to in that paragraph, his or her competency to drive a motor vehicle be examined and tested in relation to -

(a) any other class of motor vehicle the driving of which is authorised by his or her driving licence; or

(b) a specific prescribed class of motor vehicle.

(4) For the purpose of any examination and test in terms of subsection (2)(a) or (3), the holder of the licence shall provide a motor vehicle of the class concerned.

(5) If, upon an examination and test in terms of subsection (2)(a) or (3), the holder of the licence is found to be competent to drive a motor vehicle of the class provided by him or her and is not disqualified in terms of section 34, the Minister may direct -

(a) that every licence authorising the driving of a motor vehicle and of which he or she is the holder shall be cancelled; and

(6) The cost of any examination by a medical practitioner referred to in subsection (2)(b), shall be at the expense of the State.

(7) If a person fails to comply with a request of the Minister in terms of subsection (2), the Minister may forthwith suspend or cancel, as the case may be, the licence concerned, unless such person is able to satisfy the Minister within a period determined by the Minister that such failure was due to a reason beyond his or her control and that such licence should not be suspended or cancelled.

(8) The suspension or cancellation of a licence of any person in terms of this section shall apply to any other learner’s licence or driving licence held by that person, as the Minister may determine.

(9) When a licence is cancelled or suspended in terms of any provision of this section, the holder thereof shall forthwith submit the licence to the Minister or a licence inspector authorised thereto by the Minister and where the licence has been suspended, the Minister or licence inspector, as the case may be, shall retain the licence until the period of suspension expires.

(10) The Minister may, where he or she deems it expedient, and on such conditions as he or she may determine -

   (a) reinstate a licence suspended in terms of this section in the prescribed manner; or

   (b) authorise a person whose licence has been cancelled in terms of this section to apply for a learner’s licence and a driving licence.

(11) If, in the opinion of the Minister, the holder of a licence or an international driving permit referred to in section 41(1) -

   (a) is subject to any disqualification referred to in section 34; or

   (b) would constitute a source of danger to the public by driving a motor vehicle on a public road,

the Minister may in writing inform such person that such licence is of no force within Namibia, and as from the date on which such person is so informed the licence or permit concerned shall cease to be of force within Namibia.

Lapsing of endorsement on licence

43. (1) An endorsement in terms of an order of court effected on a licence authorising the driving of a motor vehicle under this Chapter, shall lapse after the expiry of a period of three years from the date on which the terms of the court’s order evidenced by such endorsement ceases to be of effect or, if applicable, such longer period as may have been stipulated by the court in terms of section 50(3), if during such period no further endorsement has been made on that licence: Provided that no other period of suspension of such licence shall be included in the calculation of the period of three years.

(2) If all endorsements made on a licence have lapsed in accordance with subsection (1), a driving testing centre may, upon application by the holder thereof in the prescribed manner, and on payment of the prescribed fee, issue to such holder a driving licence free from any endorsement.

Cancellation or amendment of endorsement on licence
44. (1) Where the holder of a licence -  
(a) authorising the driving of a motor vehicle in Namibia; and  
(b) on which an endorsement in terms of section 37(6) or a similar endorsement by an 
authority in another country has been effected,
is of the opinion that there are circumstances justifying the cancellation or amendment of such 
endorsement, he or she may apply to the Minister for the cancellation or amendment of such 
endorsement.

(2) An application in terms of subsection (1) shall be accompanied by -  
(a) the licence concerned;  
(b) a statement by the applicant setting forth the reasons for the application; and  
(c) the prescribed fee.

(3) The Minister may on receipt of an application in terms of subsection (1) require the 
applicant to submit such further statement or document or take such other steps as the Minister 
considers expedient.

(4) If an application in terms of subsection (1) -  
(a) is refused by the Minister, he or she shall notify the applicant accordingly and 
return the licence to the applicant; or  
(b) is granted by the Minister, he or she shall -  
(i) cancel the licence and authorise the issue of a new licence to the applicant in 
the prescribed manner, either without endorsement or reflecting the amended 
endorsement, as the case may be; and  
(ii) if the cancelled licence was issued under this Act or the repealed Ordinance, 
notify the authority where the record of such licence is kept accordingly.

Voidness of licence unlawfully issued

45. (1) A learner’s licence or driving licence issued contrary to the provisions of this 
Chapter shall be void, and the holder of such licence shall, upon the request of the Minister or 
the authority which issued the licence or any traffic officer, forthwith submit such licence to the 
Minister or such authority or officer, as the case may be, for cancellation.

(2) A traffic officer may cancel a licence in terms of subsection (1) only with the prior 
approval of the Minister.

(3) Where a licence is cancelled by an authority referred to in subsection (1), such 
authority shall notify the Minister of the cancellation.

CHAPTER 6
OPERATOR FITNESS AND CROSS-BORDER ROAD TRANSPORT

PART I: OPERATOR

Registration of operator

60. (1) No person shall operate on a public road any motor vehicle of a class prescribed for the purposes of this Part unless a person is registered as the operator of such motor vehicle in accordance with the provisions of this section.

(2) Except in a case contemplated in subsection (3)(a), the owner of a motor vehicle of a class prescribed under subsection (1) shall be regarded as the operator thereof and, subject to subsection (4), be required to be registered as such in terms of subsection (6).

(3) Where a person, other than a manager, employee or agent of the owner of a motor vehicle of a class referred to in subsection (1), enters into a written agreement with the owner of such motor vehicle by virtue of which such person is granted the right to operate such motor vehicle for -

(a) a period in excess of three months, such person shall be regarded as the operator of such motor vehicle and, subject to subsection (4), be required to be registered as such in terms of subsection (6);

(4) Notwithstanding subsections (2) and (3)(a), no person shall be registered as operator of a motor vehicle unless -

(a) such person -

(i) is a Namibian citizen or has been lawfully admitted to Namibia for permanent residence therein, and is resident in Namibia;

(ii) such motor vehicle became a vehicle of a class so prescribed, notify the registering authority in the prescribed manner of the person who is to be registered as the operator of such motor vehicle.

[Paragraph (b) is reproduced here as it appears in the Government Gazette. However, it appears that the phrase “notify the registering authority in the prescribed manner of the person who is to be registered as the operator of such motor vehicle” is misplaced. Paragraph (b) should probably appear as follows:

“(b) within 21 days after -

(i) the conclusion or amendment of an agreement referred to in subsection (3); or

(ii) such motor vehicle became a vehicle of a class so prescribed,

notify the registering authority in the prescribed manner of the person who is to be registered as the operator of such motor vehicle.”]

(7) The Minister may by regulation exempt any operator or category of operator from any provision of this Act.

person in the prescribed manner for each motor vehicle in respect of which he or she is registered as operator.

(2) No person shall for the purposes of subsection (1) certify a document to be a true imprint, copy or extract of an operator card, knowing that it is not a true imprint, copy or extract thereof.
