## **Cold Storage Works and Abattoirs Proclamation 50 of 1921.**

**Summary:** This Proclamation places limits on the construction and operation of cold storage works used for the export of meat.

**Amendments:** The Proclamation is amended by Proc. 3/1923 (which repeals section 5), and Ord. 13/1928 (which repeals section 4).

## **Locust Suppression Proclamation 34 of 1923.**

**Summary:** This Proclamation places certain requirements on the occupiers of land relating to the notice and destruction of locust eggs and “voetgangers”. Although it is technically still in force, it appears to have been superseded to some extent by the *Agricultural Pests Act 3 of 1973*, which deals with locusts in sections 16 and 17.

**Amendments:** The Proclamation was extended to the Rehoboth Gebiet by Proc. 30/1924.

## **Agricultural Pests Ordinance 11 of 1927.**

**Summary:** This Ordinance deals with insect pests, plant diseases, bee diseases, and the importation of exotic animals. Although it is technically still in force, it appears to have been superseded to some extent by the *Agricultural Pests Act 3 of 1973*, which covers the same topics.

**Amendments:** The Ordinance is amended by Ord. 3/1928, Ord. 9/1938 and Ord. 8/1939. It was extended to the Rehoboth Gebiet by Proc. 12/1930.

## **Agricultural Produce Export Ordinance 13 of 1928.**

**Summary:** This Ordinance regulates the export of agricultural produce and meat.

**Amendments:** The application of this Ordinance is affected by Proc. 62/1931. Section 23 is amended by Ord. 3/1936. The Ordinance was extended to the Rehoboth Gebiet by AG 12/1930.

## **Karakul Sheep Farming Industry Protection Proclamation 31 of 1930.**

**Amendments:** The Proclamation is amended by Ord. 11/1938, Proc. 24/1951 and Ord. 25/1952. It was extended to the Rehoboth Gebiet by Proc. 30/1963.

## **Tobacco Growers Protection Ordinance 2 of 1933.**

**Summary:** This Ordinance regulates the importation and sale of tobacco used for farming purposes.

**Amendments:** The Ordinance is amended by Ord. 7/1933.

## ***Sugar Act 28 of 1936*, with some South African amendments.**

**Summary:** This Act provides for the control of the sugar industry and regulates sugar prices. Its present status in Namibia is unclear.

**Applicability to SWA:** Section 10(2), which was added by Act 17 of 1955, states that “This Act shall apply also in the territory”, which is defined in section 13 of the Act as “the Territory of South West Africa”.

This wording does not seem to make amendments to the Act automatically applicable to SWA. However, the amendments contained in Act 17 of 1955 may be applicable to SWA since it was that amending act which applied the principal Act to SWA. There was only one other amending act in South Africa -- the *Sugar Amendment Act 26 of 1958* -- which was not made expressly applicable to Namibia.

The Act was repealed in South Africa in its entirety by the *Sugar Act 9 of 1978* (dated 10 March 1978), which does not mention SWA. The Act had not been transferred to SWA at this stage. Therefore, it is not clear whether the Act was repealed in respect of SWA as well as in respect of South Africa.

**Transfer of administration to SWA:** If the Act continued to apply in SWA after its repeal in South Africa, the relevant transfer proclamation would have been the Executive Powers (Commerce) Transfer Proclamation, AG 28 of 1978, dated 28 April 1978.

## **Karakul Pelt Export Duty Proclamation 34 of 1939.**

**Summary:** This Proclamation regulates the export of karakul pelts.

## **Cattle Improvement Consolidation Ordinance 14 of 1941.**

**Summary:** This Ordinance makes provision for the establishment and regulation of “cattle improvement areas”.

**Amendments:** The Ordinance is amended by Proc 14/1941.

## **Abattoirs Restriction Proclamation 8 of 1944.**

**Summary:** This Proclamation places restrictions on the types of animals which can be slaughtered in abattoirs.

## **Bonemeal and Superphosphates Control Proclamation 37 of 1944.**

**Summary:** This Proclamation controls the importation, sale and supply of bonemeal, bonemeal products and superphosphates. It is still in force, but there is some overlap with the provisions of the *Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act 36 of 1947*.

**Amendments:** The Proclamation is amended by Proc. 33/1947.

## ***Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act 36 of 1947*, as amended in South Africa to March 1978.**

**Summary:** This Act governs the registration, importation, sale and use of the items listed in the title.

**Applicability to SWA:** Section 1 defines “Republic” to include “the territory of South West Africa”. Section 24 states “This Act and any amendment thereof shall apply also in the territory of South West Africa, including the Eastern Caprivi Zipfel.”

**Transfer of administration to SWA:** The administration of the Act was transferred to SWA by the Executive Powers (Agricultural Technical Services) Transfer Proclamation (AG 11/1978), dated 2 March 1978.

Section 3(1)(b) of the transfer proclamation excluded section 2 of the Act (which deals with the designation of a Registrar of Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies by the Minister) from the operation of section 3(1) of the General Proclamation, meaning that this section of the Act continued to be administered by the South African Minister of Agriculture.

Section 3(1)(b) of the transfer proclamation also excluded the references to the “Republic” in sections 16(1) and 16(6)(a)(i) of the Act from the operation of section 3(1) of the General Proclamation, meaning that in these sections “Republic” retained the meaning it was given in the definition section of the Act (South Africa and SWA).

Section 3(1)(g) of the transfer proclamation exempted section 23 of the *Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Amendment Act 24 of 1977* (regarding promulgation of the Act by proclamation in the *Government Gazette*) from the operation of section 3(1) of the General Proclamation.

There was only one South African amendment to the Act after the date of transfer and prior to Namibian independence -- the *Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Amendment Act 4 of 1980* -- which was not made expressly applicable to SWA.

**Amendments:** The Medicines and Related Substances Control Act 13 of 2003 amends sections 1, 3, 7, 15, 23, and 26 and deletes section 7(2)(b).

**Regulations:** Prohibitions on certain types of farm feeds were issued in terms of section 7bis in GN 199/1998 (GG 1927) and GN 201/2003 (GG 3060). Regulations concerning fees payable for the registration of fertilizers, farm feeds, sterilizing plants, agricultural remedies and stock remedies are contained in GN 202/2001 (GG 2624).

**Related international agreements:** The *Convention on the Prior Informed Consent Procedure for Certain Hazardous Chemicals and Pesticides in International Trade, 1998* came into force internationally on 24 February 2004. Namibia signed this Convention on 11 September 1998, but has apparently not yet ratified it.

### **South West African Meat Industry Ordinance 39 of 1955.**

**Summary:** This Ordinance provides for the control of the meat industry and establishes the South West Africa Meat Corporation. Although it is technically still in force, it appears to have been superseded in some respects by the Meat Trade Control Ordinance 20 of 1962, which was replaced by the Meat Industry Act 12 of 1981.

**Amendments:** Section 39 is repealed by Ord. 7/1958. See also Ordinance 8/1982 of the Representative Authority for the Whites.

### **Weeds Ordinance 19 of 1957.**

**Summary:** This Ordinance provides for the eradication of plants which are identified as “weeds” by proclamation in the *Gazette*.

### **Dried Peas Control Ordinance 35 of 1957.**

**Summary:** This Ordinance regulates the supply, sale and possession of dried peas with respect to “natives”.

***Dairy Industry Act 30 of 1961***, in part, as amended in South Africa to December 1977.

**Summary:** This Act governs the registration of dairy premises, the marketing of dairy products, and the dairy industry in general. Only the portions of the Act relating to margarine apply to Namibia.

**Applicability to SWA:** The Act was applied to SWA only in so far as it relates to margarine. Section 1 defines “Republic” as including the territory “in relation to margarine”. The “territory” is defined as “the territory of South West Africa, including the Eastern Caprivi Zipfel”. Section 35A states “This Act, and any amendment thereof which may be made from time to time, in so far as it relates to margarine or to a margarine factory, shall apply also in the territory.”

**Transfer of administration to SWA:** The administration of this Act was transferred to SWA by the Executive Powers (Agricultural Economics and Marketing) Transfer Proclamation (AG 18/1977), dated 20 December 1977.

Section 3(1) of the transfer proclamation excluded section 13 of the Act (which deals with the sale of falsely marked dairy produce) from the operation of section 3(1) of the General Proclamation, meaning that in this section “Republic” retained the meaning it was given in the definition section of the Act.

There were no amendments to the Act in South Africa after the date of transfer and prior to Namibian independence.

**Amendments:** The Importation of Margarine Amendment Proclamation (AG 32/1978) amends section 15 to prohibit the importation of margarine into South West Africa without a permit from the Administrator-General. Section 15(3) is deleted by Act 6/1997.

### ***Land Tenure Act 32 of 1966***, as amended in South Africa to November 1977.

**Summary:** This Act establishes a Land Tenure Board and provides for the acquisition and development of land in connection with farming purposes.

**Applicability to SWA:** Section 10A,, which was added by RSA Act 67 of 1970, states “This Act and any amendments thereof which may be made from time to time, with the exception of section 5, shall apply also in the territory”, which is defined as “the territory of South West Africa”. (Section 5 concerns the disposal of state land which is not required for or suitable for farming purposes in terms of the *State Land Disposal Act 48 of 1961*.)

**Transfer of administration to SWA:** The administration of this Act was transferred to SWA by the Executive Powers (Agricultural Credit and Land Tenure) Transfer Proclamation (AG 13/1977), dated 18 November 1977.

There were no amendments to the Act in South Africa after the date of transfer. The Act was repealed in South Africa by the *Second Community Development Amendment Act 68 of 1982*, which was not made expressly applicable to SWA.

### ***Canned Fruit Export Marketing Act 100 of 1967***, as amended in South Africa to April 1978.

**Summary:** This Act provides for the control and promotion of the marketing of canned fruit on export markets.

**Applicability to SWA:** Section 11 (as substituted by *Act 48 of 1971*) states that “This Act and any amendment thereof shall apply also in the territory of South-West Africa, including the Eastern Caprivi Zipfel”.

**Transfer of administration to SWA:** The administration of this Act (which was the responsibility of the Minister of Economic Affairs) was transferred to SWA by the Executive Powers (Commerce) Transfer Proclamation (AG 28/1978), dated 28 April 1978. There were no amendments to the Act in South Africa after the date of transfer.

The Act was repealed in South Africa by the *Marketing Amendment Act 79 of 1987*, which was not made expressly applicable to SWA.

***Marketing Act 59 of 1968***, as amended in South Africa to December 1977.

**Summary:** This Act regulates the production and sale of agricultural products, as well as the grading and standardisation of such products. It also establishes various boards and control bodies.

**Applicability to SWA:** Section 99(1), which was inserted by Act 78 of 1971, states “This act and any amendments thereof shall apply also in the territory, including the Eastern Caprivi Zipfel.” Section 99(2) states “Any proclamation, regulation or notice issued or made under this Act prior to the commencement of the Marketing Amendment Act, 1971, and which does not apply in the territory immediately prior to such commencement, shall, subject to the provisions of this Act, not apply in the territory.” “Republic” is defined to include the “territory”, which is defined as “the territory of South West Africa”.

**Transfer of administration to SWA:** The administration of this Act was transferred to SWA by the Executive Powers (Agricultural Economics and Marketing) Transfer Proclamation (AG 18/1977), dated 20 December 1977.

The provisions of the Act which relate to the Karakul Scheme and the Wool Scheme published under the Act by Proclamation R.172 of 1968 and Proc. R.155 of 1972 were excluded from the operation of section 3(1) of the General Proclamation, meaning that they were not transferred to SWA.

The provisions of the Act relating to boards and control bodies relevant to these schemes were excluded from transfer by section 3(2)(b) of the General Proclamation, which exempted from the operation of section 3(1) of the General Proclamation “those provisions of any law... which provide for or relate to the institution, constitution or control of any juristic person or any board or any other body of persons that may exercise powers or perform other functions in or in respect of both the territory and the Republic”.

None of the amending acts in South Africa after the date of transfer were made expressly applicable to SWA. The *Marketing Amendment Act 79 of 1987* repealed section 99 of the Act (concerning applicability to SWA) in South Africa, but this amending Act was not made expressly applicable to SWA.

**Amendments:** The Meat Industry Act 12 of 1981 repealed the Act insofar as it relates to controlled products. The Karakul Pelts and Wool Act 14 of 1981 repealed the Act insofar as it relates to karakul pelts or wool. Act 19/1980 amends section 46D.

**Regulations:** The import of vegetable oil is governed by AG 31/1979 (as amended by AG 20/1986), which is issued under the authority of the principal Act. See also AG GN 112/1980, read together with Act 19/1980 (re: levies and regulations).

***Agricultural Pests Act 3 of 1973***, as amended in South Africa to March 1978.

**Summary:** This Act covers the registration of nurseries and the control and destruction of certain plants, insects and animals. It also regulates the importation of plants, insects, honey, honey bees and exotic animals.

**Applicability to SWA:** Section 1 defines “Republic” to include “the territory of South West Africa”. Section 36 states “This Act and any amendment thereof shall apply also in the territory of South West Africa, including the Eastern Caprivi Zipfel.”

**Transfer of administration to SWA:** The administration of this Act was transferred to SWA by the Executive Powers (Agricultural Technical Services) Transfer Proclamation (AG 11/1978), dated 2 March 1978.

Section 3(1)(g) of the transfer proclamation excluded the reference to the “Minister” in section 15 of the Act (which concerns the payment of compensation) from the operation of section 3(1) of the General Proclamation, meaning that in this section “Minister” continued to refer to the South African Minister of Agriculture.

Section 3(2) of the transfer proclamation excluded all references to the “Republic” in the Act from the operation of section 3(1)(c) of the General Proclamation, meaning that “Republic” retained the meaning it was given in the definition section of the Act (South Africa and SWA).

Section 3(3) of the transfer proclamation excluded section 32 of the Act (which deals with appeals to the Minister) from the operation of section 4(1) of the General Proclamation, meaning that the Administrator-General was not authorised to delegate the powers transferred to him pursuant to this section of the Act.

There were no amendments to the Act in South Africa after the date of transfer. This Act was repealed in South Africa by the *Agricultural Pests Act 36 of 1983*, which was not made expressly applicable to SWA.

**Regulations:** Regulations concerning locusts are contained in AG GN 30/1989.

### ***Abattoir Industry Act 54 of 1976***, as amended in South Africa to December 1977.

**Summary:** This Act covers a wide range of matters relating to abattoirs.

**Applicability to SWA:** Section 1 defines “the territory” as “the territory of South West Africa”. Section 75 states “This Act and any amendment thereof shall apply also in the territory of South West Africa, including the Eastern Caprivi Zipfel.”

**Transfer of administration to SWA:** The administration of this Act was transferred to SWA by the Executive Powers (Agricultural Economics and Marketing) Transfer Proclamation (AG 18/1977), dated 20 December 1977.

Section 3(2) of the transfer proclamation provided that, notwithstanding section 3(2)(b) of the General Proclamation, references to the Minister of Agriculture in sections 3(1)(c) and (e) and sections 46(j) and (l) of the Act (which deal with certain powers and functions of the Abattoir Commission and the South African Abattoir Corporation), and in those sections relating to the National Marketing Council and the

Agricultural Reference Board, should be construed as a reference to the Administrator-General.

None of the amendments to the Act in South Africa after the date of transfer were made expressly applicable to SWA.

***Livestock Improvement Act 25 of 1977***, as amended in South Africa to March 1978.

**Summary:** This Act provides for the development and promotion of the livestock industry and regulates breeding. There is some question as to whether it has yet come into force in Namibia. The 1993 judgement of *S v Lofty-Eaton & Others (1)* 1993 NR 370 (HC) found that the Act had never been brought into operation in South West Africa or Namibia by proclamation, as section 38 of the Act requires. This case also found that the organs and procedures mentioned in section 16 must be in place before the Act can be operational.

**Applicability to SWA:** Section 1 defines “Republic” to include “the territory,” which is defined as “the territory of South West Africa”. Section 35 states “This Act and any amendment thereof shall apply also in the territory of South West Africa, including the Eastern Caprivi Zipfel.” However, section 38 stated that the Act would come into operation only on a date fixed by the State President by Proclamation in the Gazette.

Portions of the Act were brought into operation in South Africa as of 1 May 1979 by RSA Proc. R.80 of 1979, but this Proclamation was not applicable to SWA because it occurred after the date of transfer and yet made no explicit reference to SWA. Therefore, according to *S v Lofty-Eaton & Others (1)* 1993 NR 370 (HC) at 386-89, the Act is not actually operative in Namibia until it is expressly brought into force.

**Transfer of administration to SWA:** The administration of this Act was transferred to SWA by the Executive Powers (Agricultural Technical Services) Transfer Proclamation (AG 11/1978), dated 2 March 1978.

Section 3(2) of the transfer proclamation excluded the Act from the operation of section 3(1)(c) of the General Proclamation, meaning that “Republic” retained the meaning given to it in the definition section of the Act (South Africa and SWA).

The provisions of the Act relating to the Advisory Board for Animal Production were excluded from transfer by section 3(2)(b) of the General Proclamation, which exempted from the operation of section 3(1) of the General Proclamation “those provisions of any law ... which provide for or relate to the institution, constitution or control of any juristic person or any board or any other body of persons that may exercise powers or perform other functions in or in respect of both the territory and the Republic”.

There was only one amendment to the Act in South Africa after the date of transfer and prior to Namibian independence -- the *Livestock Improvement Amendment Act 31 of 1984* -- which was not made expressly applicable to SWA.

**Amendments:** The Act is substantially amended by Act 25/1993, which establishes a Livestock Improvement Board. The amending act indicates that the legislature believes the Act to be operative. However, Act 25/1993 does not repeal section 38, which requires that a date for the commencement of the Act be set by a Proclamation of the State President, nor does it otherwise expressly bring the primary Act into force.

**Regulations:** See AG GN 61/1979, concerning kinds and breeds of animals to which the Act applies.

Regulations regarding artificial insemination, etc. are contained in GN 60/1993 (GG 653).

**Cases:** *S v Lofty-Eaton & Others (1)* 1993 NR 370 (HC).

## **Meat Industry Act 12 of 1981.**

**Summary:** This Act establishes a meat board and sets forth its objects, powers, duties and functions. It also provides for control over the grading, sale, import and export of livestock, meat and meat products, and the levies on these items. It was brought into operation by AG 30/1981.

**Amendments:** Prior to independence, the Act was amended by Act 3/1987 and AG GN 20/1983. See also the Swameat Corporation Ordinance 2 of 1986 of the Legislative Assembly of the Whites (which has since been repealed by the Meat Corporation of Namibia Act 1 of 2001).

Act 21/1992, which was brought into operation by GN 125/1992 (GG 482), amends sections 1, 2, 4, 8, 10, 12 and 21, inserts section 10A, and substitutes certain expressions and the long title to make the Act consistent with an independent Namibia and to extend the powers of inspectors in certain circumstances.

**Regulations:** Regulations are contained in GN 110/1992 (GG 468), GN 126/1992 (GG 482), and General Notice 3/1993 (GG 567) (record-keeping). Levies are contained in GN 4/1992 (GG 336), GN 93/1992 (GG 449), GN 127/1992 (GG 482), GN 120/1993 (GG 875) and GN 227/1994 (GG 985).

GN 129/2004 (GG 3214) prohibits the import and export of certain controlled products.

**Amendments:** Act 11/1994 amends sections 1 and 2.

**Regulations:** Regulations are contained in GN 219/1994 (GG 975). Prohibited substances are listed in GN 220/1994 (GG 975).

Regulations relating to the grading and classification of maize are contained in GN 71/1994 (GG 854). Standards for maize products are contained in GN 72/1994 (GG 854).

## **Stock Brands Act 24 of 1995.**

**Summary:** This Act consolidates and amends the laws relating to the branding of stock. It came into force on 9 April 1999 (GN 57/1999, GG 2078).

**Amendments:** Act 7/2001 inserts sections 20A and 21A and amends section 22.

**Regulations:** Regulations are contained in GN 73/2004 (GG 3187), which repeals the regulations in GN 58/1999 (GG 2078). GN 72/2004 (GG 3187) declares sheep and goats to be stock in terms of section 2.
