DIT WORD VERORDEN deur die Wetgewende Vergadering vir die Gebied Suidwes-Afrika as volg:—

1. Die Administrateur kan, by proklamasie in die *Offisiële Koerant*, enige distrik of bepaalde gebied as 'n beeste-verbeteringsgebied in die betekenis en vir die doeleindes van hierdie Ordonnansie verklaar, as die magistraat van daardie distrik of van die distrik waarin daardie gebied geleë is, aan die Sekretaris vir Suidwes-Afrika 'n resolusie oorgestuut het, waarin aanbeveel word dat sodanige distrik of gebied tot 'n beesteverbeteringsgebied geproklameer word, en 'n sertifikaat dat die bepalinge van artikel twee nagekom is en dat die resolusie behoorlik, op 'n wyse bepaal in daardie artikel, aangeneem is.

(5) Enige persoon, wat 'n reg het om op die vergadering te stem, mag daardie reg persoonlik uitoefen.

(6) Nie meer as een stem mag deur of ten behoeve van enige persoon uitgebring word nie.

3. (1) Die Administrateur sal vir elke geproklamoerde beesteverbeteringsgebied 'n Bul-inspeksieraad, hierna die Raad genoem, aanstel, om bulle, gebruik of gebruik te word in sodanige gebied vir die teel van beeste, te inspekter en goed te keur en sodanige ander pligte te vervul as wat deur hierdie Ordonnansie opgelê word.

(2) Die Raad sal bestaan uit 'n beampete, soos later hierin omskrywe, en twee ander persone, of hulle onderskeie plaasvervangers, behoorlik aangestel ooreenkomstig subartikel (1) hiervan. Met dien verstande dat, niesteenstaande enigets vervat in hierdie Ordonnansie, die Administrateur sodanige beampete mag aanstel as die enigste lid van die Raad vir sodanige gebied, watter beampete dan al die verskeie magte en pligte van sodanige Raad sal uitoefen.

(3) Die Administrateur mag meer as een Raad aanstel vir enige beesteverbeteringsgebied.

(4) By aanstelling van die lede van die Raad sal die Administrateur enige aanbeveling, in geval van 'n eerste aanstelling na die uitvaardiging van die proklamasie, van die persone wat stem op die vergadering, waarna verwys word in artikel twee en, in geval van verdere aanstellings, die aanbeveling gemaak deur die magistraat van die distrik na raadpleging van sulke persone en liggame as wat hy as verteenwoordigend van die beesboere van die distrik of gebied beskou, behoorlik in aanmerking neem.

(5) The members of the Board shall be appointed for periods fixed by the Administrator.

(6) Any member of the Board may resign by writing addressed to the magistrate of the district, and all members shall be subject to removal by the Administrator.

(7) Notwithstanding anything contained in this Ordinance, the Administrator may abolish the system of Boards, and in their place appoint one or more officers to carry out the functions now performed by the Boards, which officers shall thereupon exercise all the several powers and duties of such Board or Boards.

4. (1) The Board shall make an annual inspection of all bulls of the age of twelve months and over in the cattle improvement area concerned.

(2) It shall be the duty of every owner of such bulls to report in writing during the month of February in each year to the office of the Board concerned, the number of such bulls in his possession or under his control within such area which are liable to annual inspection in terms of this Ordinance.

(3) The date or dates on which such annual inspection shall be made shall be fixed by the Board and sufficient notice thereof shall be given to all owners of such bulls within the said area.

(4) Additional inspections may be made by the Board on special written application being made to it by the owner of any bull in the said area, provided that the applicant shall be responsible for the subsistence and travelling expenses involved, and shall deposit for this purpose the sum of £10 or a suitable bank guarantee for such sum with the Board, a proper adjustment of the account being made after the inspection has been concluded.

(5) At such annual or additional inspection the Board after careful examination shall either approve, provisionally approve or disapprove every bull liable to and submitted for inspection.

(6) The Board may recommend that the owner of any bull which is disapproved at such inspection should receive assistance from the Administration of the Territory by loan or otherwise, if satisfied that the said owner is not financially in a position to purchase another suitable bull. Such owner may then be assisted in terms of the Board's recommendation.

5. (1) There shall be a right of appeal from any decision of the Board, whereby any bull is disapproved, to a court nominated by the Administrator and consisting of the Chief Veterinary Officer to the Administration and two recognised cattle farmers, not being members of the said Board who are resident in the district in which the appellant is carrying on farming operations, on condition that such appeal is noted in writing to the said Chief Veterinary Officer within fourteen days after such decision is notified to the owner of the said bull, and that the appellant deposits (in respect of each and every bull concerned) the sum of £10 (ten pounds) or a suitable bank guarantee for such sum at the office of the Board concerned in order to cover the cost of any inspection that may have to be made by the Court of Appeal.

(2) The time and place of such inspection shall be decided by the Chief Veterinary Officer, and the appellant shall at his own expense convey such bull to the appointed place at the appointed time, provided that the Chief Veterinary Officer shall, as far as possible, meet the convenience of the appellant in his requirements.

(3) If such appeal is decided against the appellant a refund shall be made to the appellant of any balance available out of the aforesaid sum after deduction of all necessary expenses incurred by the Court of Appeal in deciding the appeal. If the appeal is upheld, the deposit shall be refunded to the appellant and the expenses incurred shall be a charge upon the Territory Revenue Fund.

(4) The Court of Appeal shall adjudicate on any appeal as soon as possible, but in any event not more than three months after such appeal is noted. If during such period it is found to be impossible to obtain the services of two suitable cattle farmers to serve as members of the Court of Appeal the Administrator may appoint the Chief Veterinary Officer as sole member of the Court of Appeal, and the said officer shall thereupon proceed to adjudicate accordingly.

6. From and after the date fixed by the Proclamation declaring any district or area a cattle improvement area, such date being not less than twelve months and not more than eighteen months later than the date on which that Proclamation takes effect, (except in regard to any portion of such district or area which has previously been declared a cattle improvement area, in which said portion the date originally fixed by Proclamation shall continue to be the determining date) it shall not be lawful:—

(5) Die lede van die Raad sal vir tydperke, deur die Administrateur vasgestel, aangestel word.

(6) Emige lid van die Raad kan skriftelik by die magistraat van die distrik bedank en al die lede sal onderhewig wees aan verwydering deur die Administrateur.

(7) Nieteenstaande enigiets bepaal in hierdie Ordonnansie, kan die Administrateur die stelsel van Rade afskaf en in die plek daarvan een of meer beamptes aanstel om die funksies, wat nou deur die Rade uitgeoefen word, uit te voer, en daarna sal sodanige beamptes al die verskeie magte en pligte van so 'n Raad of Rade uitoefen.

4. (1) Die Raad sal 'n jaarlikse inspeksie hou van alle bulle van die ouderdom van twaalf maande en ouer in die betrokke beesteverbeteringsgebied.

(2) Dit sal die plig van elke eienaar van sodanige bulle wees om gedurende Februarimaand van elke jaar skriftelik aan die kantoor van die betrokke Raad die getal van sodanige bulle in sy besit of onder sy beheer binne sodanige gebied, wat onderhewig is aan jaarlikse inspeksie in terme van hierdie Ordonnansie, te rapporteer.

(3) Die datum of datums, waarop die jaarlikse inspeksie sal plaasvind, sal deur die Raad vasgestel word en voldoende kennis daarvan moet aan alle eienaars van sodanige bulle binne die genoemde gebied gegee word.

(4) Addisionele inspeksies kan deur die Raad gedoen word op spesiale skriftelike aansoek van die eienaar van enige bul in die genoemde gebied, met dien verstande dat die applikant verantwoordelik sal wees vir die onderhouds- en reis-koste daaraan verbonde, vir welke doel hy die bedrag van £10 of 'n behoorlike bankgaransie vir sodanige bedrag, by die Raad moet deponeer. 'n Behoorlike afrekening sal gemaak word nadat die inspeksie afgehandel is.

(5) By so 'n jaarlikse of addisionele inspeksie moet die Raad na sorgvuldige ondersoek elke bul, onderhewig aan en voorgebring vir inspeksie, goedkeur, voorlopig goedkeur of afkeur.

(6) Die Raad mag aanbeveel dat die eienaar van enige bul wat afgekeur is by sodanige inspeksie, hulp by wyse van 'n lening of andersins, van die Administrasie van die Gebied moet ontvang, as dit tevrede is dat die genoemde eienaar finansieel nie in staat is om 'n ander geskikte bul te koop nie. So 'n eienaar mag dan gehelp word in terme van die Raad se aanbeveling.

5. (1) Daar sal 'n reg van appèl wees teen enige beslissing van die Raad, waardeur enige bul afgekeur is, na 'n hof genomineer deur die Administrateur en bestaande uit die Hoofveearts van die Administrasie en twee erkende beesboere, wat nie lede van die Raad is nie en woonagtig is in die distrik waarin die appellant boer, op voorwaarde dat sodanige appèl skriftelik by die Hoofveearts aangeteken word binne veertien dae nadat sodanige beslissing aan die eienaar van die genoemde bul meegedeel is en dat die appellant die bedrag van £10 (tien pond), (ten opsigte van elke betrokke bul) of 'n behoorlike bankgaransie vir sodanige bedrag, by die kantoor van die betrokke Raad deponeer, om die koste van enige inspeksie, wat moontlik deur die Hof van Appèl gemaak moet word, te dek.

(2) Die tyd en plek van sodanige inspeksie sal deur die Hoofveearts bepaal word en die appellant moet op sy eie koste sodanige bul vervoer na die vasgestelde plek op die bepaalde tyd, met dien verstande dat die Hoofveearts in sy vereistes sover as moontlik, die gerief van die appellant in aanmerking moet neem.

(3) Indien die beslissing van sodanige appèl teen die appellant is, sal 'n terugbetaling van die beskikbare balans uit bogenoemde bedrag, na aftrekking van alle nodige onkoste aangegaan deur die Hof van Appèl om uitspraak te doen in verband met die appèl, aan die appellant terugbetaal word. Indien die appèl gehandhaaf word, sal die deposito aan die appellant terugbetaal word en sal die Gebied se Inkomstefonds belas word met die aangegane onkoste.

(4) Die Hof van Appèl moet so gou as moontlik uitspraak doen oor enige appèl, maar in elk geval nie later as drie maande nadat sodanige appèl aangeteken is nie. As dit gedurende sodanige tydperk onmoontlik blyk om die dienste van twee geskikte beesboere te bekom, om as lede van die Hof van Appèl te dien, kan die Administrateur die Hoofveearts aanstel as die enigste lid van die Hof van Appèl en genoemde beampte sal daarop voortgaan om uitspraak te doen.

6. Vanaf en na die datum bepaal by Proklamasie wat enige distrik of gebied tot 'n beesteverbeteringsgebied verklaar, welke datum nie minder as twaalf maande en nie meer as agtien maande vanaf die datum waarop die Proklamasie in werking tree, sal wees nie, (behalwe met betrekking tot enige gedeelte van sodanige distrik of gebied wat voorheen tot 'n beesteverbeteringsgebied verklaar is, in watter genoemde gedeelte die oorspronklike datum by Proklamasie bepaal, sal voortgaan om die bepalende datum te wees), sal dit nie wettig wees:—

Such bull shall be inspected within seven days, or as soon as possible thereafter, of entering such area by the officer or a person designated by him. After such inspection such bull shall for all purposes be dealt with in terms of the next succeeding section, except that it shall be subject to the next annual inspection even though it may have been approved by the officer or person designated by him. The expenses incurred for such inspection shall be borne by the owner of such bull but any balance available out of the aforesaid deposit after deduction of such expenses shall be refunded to the owner;

(ii) if a bull is imported from the Union of South Africa it may be introduced into such cattle improvement area if it has previously been approved in terms of section twenty-six of the Livestock and Meat Industries Act, 1934, of the Parliament of the Union of South Africa, and where such bull comes from a district or area which has not been declared a cattle improvement area in terms of section twenty-four of the said Act, if it has previously been inspected and approved by a Union Government Veterinary Officer. (iii) on written permission being granted thereto by an officer and subject to such conditions as may be stipulated by him it shall be lawful to convey or despatch a disapproved or unapproved bull through a cattle improvement area.

7. (1) All bulls which have been approved by a Board in terms of section four shall forthwith be branded or suitably marked by the owner in a manner prescribed by regulation and to the satisfaction of the Board. Thereafter such bulls shall be deemed to be approved bulls throughout the Territory and shall not be subject to further inspection in terms of section four.

(2) All bulls which have been provisionally approved by a Board in terms of section four shall forthwith be branded or suitably marked by the owner in a manner prescribed by regulation and to the satisfaction of the Board. (3) All bulls which have been disapproved by a Board in terms of section four shall forthwith be branded or suitably marked by the owner in a manner prescribed by regulation and to the satisfaction of the Board. Thereafter such bulls shall be castrated or removed from such cattle improvement area within fourteen days after the decision of disapproval is conveyed to the owner; provided that—

- (a) where the owner is agreeable to the immediate castration of any such bull under the supervision of the Board, it shall not be branded or suitably marked as aforesaid; and
- (b) where the owner of such bull immediately notifies his intention to appeal, such bull shall not be branded or marked as aforesaid unless and until the owner fails to prosecute the appeal in terms of section four, or the appeal is discussed, whereupon such bull shall be castrated or removed from such cattle improvement area within one week after the decision of the Court

Sodanige sal binne sewe dae of so gou as moontlik daartoe nadat dit sodanige gebied binnegekome het, gespekteer word deur die beaampte of 'n persoon deur hom aangewys.
