- (c) cause all such receptacles and covers to be kept clean and maintained in good order and hygienic condition.

18. No person shall throw or deposit slopwater in any place other than such receptacle or allow such receptacle to overflow or its contents to spill, or deposit therein anything other than slopwater.

19. No occupier of any dwelling or public building shall dispose of waste water from baths, lavatory basins or kitchen sinks by any method of surface irrigation or sub-irrigation without written permission of the Council given on the recommendation of the Medical Officer of Health or Health Inspector.

20. The Council shall carry out the removal and disposal of slopwater, either by its own employees or by a contractor, and shall set apart and maintain a place or places whereat such slopwater shall be deposited under such conditions as the Council may from time to time prescribe and in such a manner as not to cause a nuisance.

21. The removal of all such slopwater shall be carried out in respect of every occupied dwelling or public building at least three times in each week, and more often when deemed necessary by the Council.

22. The occupier of every dwelling or public building shall, to the satisfaction of the Council, arrange for free access to such dwelling or public building by any person carrying out the removal of slopwater on behalf of the Council, and shall place such receptacle for removal at such spot as the Council may from time to time direct.

23. (a) Charges for the removal and disposal of slopwater shall be in accordance with Schedule "B" to these regulations.

(b) In the event of any premises in respect of which slopwater removal service is being rendered becoming vacant, the owner of such premises shall forthwith notify the fact to the Council, and, in the event of his failing to give such notice, he shall, until such notice be given, remain liable to continue to pay for such services.

24. The Council may, on the recommendation of the Medical Officer of Health or Health Inspector by resolution passed at any ordinary meeting, exempt the occupier or person in charge of any dwelling or public building

16. Die Raad kan op aanbeveling van die Geneeskundige Gesondheidsbeampte of die Gesondheidsinspekteur, met 'n besluit op 'n gewone vergadering van die Raad, die eienaar van 'n perseel vrystel van die werkung van regulasies 1, 2, 12 en 15 van Hoofstuk IV, as die Raad oortuig is dat die grondgebied wat sodanige gebied omring en deel daarvan uitmaak en die afstand tussen die perseel en ander bewoonde persele sodanig is dat daar geen oorlaas vir naburige eienaars veroorsaak kan word nie, en dat die nagvul en urine van sodanige perseel op geskikte wyse op sodanige perseel weggedoen kan word.

Met dien verstaande dat waar 'n perseel so vrygestel word, die nagvul en urine van elke gemakhus- en urinalemmer daarop of in verbond duurme, ten genoech van die Raad behoorlik en dikwels genoeg verwyder word, en deeglik begrawe of andersins weggedoen word; Met dien verstaande voorts dat die Raad sodanige besluit te eniger tyd kan intrek, en binne een week vanaf die datum van die kennisgewing aan sodanige eienaar van die intrekking van die besluit, tree genoemde regulasies 1, 2, 12 en 15 van Hoofstuk IV ten opsigte van sodanige perseel in werkung.

17. Elke bewoner of besetter van 'n woonhuis of openbare gebou moet—

- (a) 'n genoegsame getal silindervormige houers van onbuigbare metaal wat groot genoeg is om alle vuilwater wat by of op sodanige perseel ontstaan, agt-en-veertig uur lank te bewaar, tensy ander goedgekeurde voorseeing vir die beskikkings daaroor gevnaak word;
- (b) vir elke sodanige houer wat gebruik word, 'n noppasende deksel luat verskaf, en sodanige houers steeds toe luat hou buiten wanneer spoelwater daarin geplaas of daaruit gehual word;
- (c) elke sodanige houer en deksel skoon, higiënies en in goeie herstel laat hou.

18. Niemand mag spoelwater érens anders as in sodanige houer gooi of plus nie, of toelaat dat die houer oorloop of dat sy inhoud uitval nie, of eniglets buiten spoelwater daarin weggedoen nie.

19. Geen bewoner of besetter van 'n woonhuis of openbare gebou mag vuilwater uit baddens, waskamerbakke of kombuisbakke sonder die skrifstelike toestemming van die Raad, verleen op aanbeveling van die Geneeskundige Gesondheidsbeampte of die Gesondheidsinspekteur, met enige oppervlakte- of onderoppervlakte-besproeiingstelsel weggedoen nie.

20. Die Raad verwyder en beskik oor spoelwater, of deur sy eie werknemers of deur 'n ondernemer, en moet 'n plek of plekke afsonder en in stand hou waar sodanige spoelwater weggedoen word op voorwaarde soos die Raad van tyd tot tyd voorskryf en op 'n wyse wat geen oorlaas veroorsaak nie.

21. Alle sodanige spoelwater moet ten opsigte van elke bewoonde of besette woonhuis of openbare gebou minstens drie keer per week verwyder word, en meer dikwels waar die Raad dit nodig ag.

22. Die bewoner of besetter van elke woonhuis of openbare gebou moet ten genoech van die Raad reël dat elkeen wat spoelwater namens die Raad verwyder, vrye toegang het tot sodanige woonhuis of openbare gebou, en moet ter verwydering sodanige houer op sodanige plek wat die Raad van tyd tot tyd vasstel, neersit.

23. (a) Die gelde betaalbaar vir die verwydering van, en beskikkingsoor spoelwater is die uiteengesit in Bylae B van hierdie regulasies.

(b) Waar 'n perseel ten opsigte waarvan spoelwater verwyderingsdienste gelewer word, vakant word, moet die eienaar van die perseel die Raad onmiddellik daarvan, in kennis stel, en as hy versuyn om sodanige kennisgewing te verstrek, bly hy aansprklik vir die betalung vir sodanige dienste totdat hy sodanige kennisgewing verstrek het.

24. Die Raad kan, op aanbeveling van die Geneeskundige Gesondheidsbeampte of die Gesondheidsinspekteur, met 'n besluit op 'n gewone vergadering, die bewoner of besetter of beheerde van 'n woonhuis of openbare gebou

from the provisions of regulations 17, 18, 19, 20, 21, 22 and 23 of Chapter IV, or one or more of them: Provided that the Council may at any time rescind any such resolution, and thereupon the said regulations shall apply to such occupier.

25. In the interpretation of these regulations "Slop-water" shall include all bedroom slopwater and all other wastewater, but shall not include urine.

CHAPTER V.

SEPTIC TANK AND FILTER INSTALLATIONS.

1. No person shall construct, fix or maintain any septic tank — and filter installation or other work for the disposal of sewage on any property within the Municipal Area without the written consent of the Council. When making application for such consent, the applicant shall submit plans, in duplicate, drawn to scale, to the satisfaction of the Council, and showing the proposed works.

2. No septic tank — and — filter installation or similar works shall be permitted—

- (a) unless it be situated in the open air and at a sufficient distance from any building and from the boundary of the owner's ground as prescribed by the Council in each case;
- (b) unless it be sufficiently covered and ventilated, and so protected as to minimise offensive smell therefrom and to prevent the breeding of mosquitoes;
- (c) unless provision be made for the innocuous disposal of the effluent or filtrate.

3. The Council may specify by notice in writing, the hours at or between which liquid may be pumped from any sewage disposal works, and no person shall pump or permit to be pumped the contents therefrom at any other time.

4. No person shall continue to use any septic tank or other sewage disposal works after notice in writing has been given to him by the Council to discontinue the use thereof.

5. Any person concerned shall without delay, open up, clean out, repair, alter or reconstruct any septic tank — and — filter installation or other sewage disposal works on private property when so required by the Council by notice in writing.

6. No person shall construct or cause to be constructed, or maintain or use, any French drain or Vivian Poore drain or other similar works for the disposal of solid or liquid sewage effluent without the permission in writing of the Council. Such permission shall be granted only if the Medical Officer of Health or Health Inspector is satisfied that such French drain, Vivian Poore drain or other similar works will not cause or is not likely to cause, dampness of premises or any other form of nuisance: Provided, however, that whenever the Medical Officer to the Administration requests the Council to refer to him an application for permission to construct a septic tank, French drain or similar installation for the disposal of night soil or domestic effluent, the Council shall not approve of such application without the written consent of such Medical Officer.

CHAPTER VI.

REFUSE.

1. (a) Every occupier of any dwelling, public building or other premises shall to the satisfaction of the Council—

- (i) provide a sufficient number of receptacles of rigid metal cylindrical in shape, each of a capacity not exceeding 0.085 cubic metre (3 cubic feet), for the reception of domestic refuse upon such premises;

vrystel van die bepalings van regulasie 17, 18, 19, 20, 21, 22 en 23 van Hoofstuk IV, of van enige van dié daarvan: Met dien verstaande dat die Raad 'n sodanige besluit moet neem tyd kan intrek, en daarop is die genoemde regulasies van toepassing op sodanige bewoner of besetter.

25. By die titel van hierdie regulasies omvat „spoelwater“ alleしゃapkamerspoelwater en al ander vuilwater, maar sluit nie urine in nie.

HOOFTUK V.

ROTTINGSRIOOL- EN -FILTREERINRIGTINGS.

1. Niemand mag sonder die skriftelike toestemming van die Raad 'n rottingsriool- en -filtreerinrigting of ander werke vir die beskikking oor riolenvuil op eiendom binne die Municipale gebied bou, inrig of in stand hou nie. Wanneer iemand aansoek doen om sodanige toestemming moet hy planne volgens skaal en ten genoech van die Raad geteken, in tweevoud indien, waarop die voorgenoemde uitrigting aangedui word.

2. Geen rottingsriool- en -filtreerinrigting of soortgelyke werke word toegelaat nie, tensy—

- (a) dit in die ooplig geleë is en vir genoeg is vanaf 'n gebou en vanaf die grens van die eiendom so groot om te voldoen aan die Raad se voorskrifte in elke besondere geval;
- (b) dit behoorlik bedek en belug en sodanig beskut is dat aanstootlike reuke daaruit tot op die mins moontlike beperk is, en die uitvoer van muskiete daarvan verbinder word;
- (c) daar voorseening gemaak word vir die onskadelike beskikking oor die uitvoersel of filtrat.

3. Die Raad kan by skriftelike kennisgeving vassel op of tussen watter ure vlootsels uit riolenvuilverwyderingswerke gepomp kan word, en niemand mag te enige ander tyd die inhoud daarvan uitpomp of toelast dat dit uitgepomp word nie.

4. Niemand mag 'n rottingsriool of ander riolenvuilverwyderingsinrigting in gebruik hou nadat die Raad hom skriftelik aangeset het om die gebruik daarvan te staak nie.

5. Elkeen wat daarby betrokke is, moet, wanneer die Raad hom skriftelik daartoe aansoek, onverwyl 'n rottingsriool- en -filtreerinrigting of ander riolenvuil-verwyderingswerke op private eiendom oopmaak, skoommaak, herstel, verander of herbou.

6. Niemand mag sonder die skriftelike toestemming van die Raad 'n Franse afvoermiddel of een volgens die model van Vivian Poore of ander soortgelyke werke vir die beskikking oor vaste of vloeibare riolenvloeisel bou of laai bou of in stand hou of gebruik nie. Sodanige toestemming word verleen slegs wanneer die Geneeskundige Gesondheidbeampte of die Gesondheidsinpekteur oortuig is dat sodanige Franse, Vivian Poore, of ander soortgelyke afvoermiddel nie klammigheid van die perseel of enige ander oorlae sal veroorsaak of waarskynlik sal veroorsaak nie: Met dien verstaande dat wanneer die Geneeskundige Gesondheidbeampte van die Administrasie die Raad vra om 'n aansoek na hom te verwys wat om vergunning aansoek doen om 'n septiese tenk, Franse afvoermiddel of 'n dergelike installasie te bou vir die verwydering van ingvul of huishoudelike riolenvuil, die Raad sodanige aansoek nie goedkeur sonder die skriftelike toestemming van die Geneeskundige Gesondheidbeampte nie.

HOOFTUK VI.

VULLIS.

1. (a) Elke bewoner of besetter van 'n woonhuis, openbare gebou of ander perseel moet ten genoech van die Raad—

- (i) genoeg silindervormige houers van onbuigbare metaal, elk met 'n inhoudsvermoë van hoogstens 0.085 kubiese meter (3 kubiese voet), verskaal vir die bewaring van huisvullis op sodanige perseel;

- (ii) cause all such receptacles in use to be furnished with a close-fitting cover and shall cause such receptacles to be continuously covered save when refuse is being deposited therein or discharged therefrom;
- (iii) cause all such receptacles and covers thereof to be kept clean and maintained in effective order and condition.

(b) The Council may supply to the occupier of any dwelling, public building or other premises a sufficient number of receptacles as described in sub-sections (a) and (b) of this regulation at cost plus 10% thereon, which may be recovered from the occupier either by way of monthly instalments or in such other manner as may be decided by the Council.

2. No person shall place any matter or thing which is not strictly domestic refuse in any such receptacle.

3. The occupier of any premises, upon which is produced any refuse other than domestic refuse or any manure or any trade effluent (which for the purposes of these regulations shall mean any water or other effluent produced in the conduct or process of any manufacture, trade or business), shall remove or cause to be removed such refuse manure or effluent as often as prescribed by the Council, but at least twice per week, to a place approved by the Council; or the Council may, in its discretion, remove and dispose of such refuse, manure or effluent, if so requested by the owner or occupier, on payment of a sum in accordance with the tariff appearing in Schedule "C" hereto. The Council shall decide, in its discretion, whether any refuse is or is not domestic refuse: Provided that no refuse produced on any premises not used either wholly or in part as a dwelling-house shall be deemed to be domestic refuse.

4. All refuse removed by the Council or deposited for removal in any receptacle provided in accordance with these regulations on premises from which the Council undertakes the removal of refuse, shall be the property of the Council and no person who is not an employee of the Council shall remove or interfere with any such refuse except with the written permission of the Council.

5. The Council shall carry out the removal and disposal of all domestic refuse at least twice per week, by its own employees or by a contractor, and shall set apart and maintain a place or places whereat such refuse shall be deposited under such conditions as the Council may from time to time prescribe and in such a manner as not to cause a nuisance.

6. The occupier of every dwelling or public building shall, to the satisfaction of the Council arrange for free access to such dwelling or public building by any person carrying out the removal of refuse on behalf of the Council, and shall place such receptacle for removal at such spot as the Council may from time to time require.

7. (a) The Council may levy in respect of any occupied dwelling or public building a charge for the removal and disposal of refuse therefrom in accordance with the tariff appearing in Schedule "C" hereto.

(b) In the event of any premises in respect of which refuse removal service is being rendered becoming vacant, the owner of such premises shall forthwith notify the fact to the Council, and, in the event of his failing to give such notice, he shall, until such notice be given, remain liable to continue to pay for such services.

8. The Council may, on the recommendation of the Medical Officer of Health or Health Inspector by resolution passed at an ordinary meeting of the Council, exempt the occupier of any dwelling or public building from the operation of regulations 1, 5, 6 and 7 of Chapter VI hereof: Provided that the Council shall be satisfied that no nuisance will result therefrom: Provided further that the Council may at any time rescind any such resolution, and thereupon the said regulations shall apply to such occupier.

(ii) sorg dat elke sodanige houer wat gebruik word, 'n noupassende deksel het en gedurig toegehou word, buiten wanneer vullis daarin gesit of daaruit gehaal word;

(iii) sorg dat elke houer en deksel skoon en in goeie orde en herstel gehou word.

(b) Die Raad mag aan 'n besetter van 'n woonhuis, openbare gebou of ander perseel 'n voldoende aantal houers verskaf soos omskryf in subartikels (a) en (b) van hierdie regulasie teen die kosprys daarvan plus 10% en die onkoste verhal of by wyse van maandelikse paaiements of by sodanige ander wyse as wat die Raad op mag besluit.

2. Niemand mag enigiets wat nie werklik huisvullis is nie, in so 'n houer plaas nie.

3. Die bewoner of besetter van 'n perseel waarop daarder vullis is huisvullis, of mis of bedryfsuitvlotsel (wat by die toepassing van hierdie regulasies alle water- of ander uitvlotsel omvat, wat ontstaan by die bestuur of dryf van 'n nywerheid, ambag of saak) ontstaan, moet sodanige vullis, mis of uitvlotsel so dikwels sonder die Raad voorskryf, maar minstens twee keer per week, verwyder of laat verwyder na 'n plek wat die Raad goedkeur; of die Raad kan, na goedkeur, sodanige vullis, mis of uitvlotsel verwyder en wegdoen as die eienaar of bewoner of besetter hom daaroor versoek en dan wel by betaling van die geldie volgens die tarief wat in bylae C hiervan verskyn.

Die Raad besluit na eie goedkeur of vullis huisvullis is, al dan nie: Met dien verstande dat geen vullis wat ontstaan op 'n perseel wat nog in sy geheel nog gedeeltelik as woonhuis gebruik word, vir huisvullis gehou word nie.

4. Alle vullis wat die Raad verwyder, of wat in 'n houer, ingevolge hierdie regulasies verskaf, vir die doel van verwydering gesit word op 'n perseel vanwaar die Raad vullis, volgens onderneming, verwyder, is die eindom van die Raad, en niemand buiten 'n werkner van die Raad mag sodanige vullis verwyder of hom daarmee bemoei nie, tensy met die skriftelike goedkeuring van die Raad.

5. Die Raad moet alle huisvullis minstens twee keer per week, of deur sy werkneemers of deur 'n ondernemer, verwyder en wegdoen, en moet 'n plek van plekke afsonder en in stand hou waar sodanige vullis neergeplaas word op die voorwaarde wat die Raad van tyd tot tyd voorstryk en op 'n wyse wat geen oorlaas veroorsaak nie.

6. Die bewoner of besetter van elke woonhuis, openbare gebou of ander perseel moet ten genoegte van die Raad reël dat elkeen wat namens die Raad vullis verwyder, vrye toegang het tot sodanige woonhuis of openbare gebou, en moet sodanige vullishouer op 'n plek wat die Raad van tyd tot tyd vasstel, vir verwydering neersit.

7. (a) Die Raad kan ten opsigte van elke bewoonde woonhuis, openbare gebou of ander perseel geldie hof vir die verwydering van en beskikkings oor vullis daarruit in ooreenstemming met die tarief uiteengesit in bylae C hiervan.

(b) Waar 'n perseel ten opsigte waarvan vullisverwyderingsdienste gelewer word, vakant word, moet die eienaar van sodanige perseel die Raad onmiddellik daarvan kennis gee, en as hy versuim om sodanig kennis te gee, bly hy, totdat sodanige kennisgewing geskied, aanspreeklik vir die geldie betaalbaar vir sodanige dienste.

8. Die Raad kan, op aanbeveling van die Geneskundige Gesondheidsbeampte of die Gesondheidsinspekteur met 'n besluit op 'n gewone vergadering van die Raad, die bewoner of besetter van 'n woonhuis, openbare gebou of ander perseel vrystel van die werking van regulasie 1, 5, 6 en 7 van hoofstuk VI hiervan: Met dien verstande dat die Raad oortuig is dat geen oorlaas daardoor sal ontstaan nie: Met dien verstande voorts dat die Raad van tyd tot tyd enige sodanige besluit kan intrek en daarop is die regulasies van toepassing op sodanige bewoner of besetter.

9. The Council may at any time whenever it may deem fit take a census for the purpose of assessing the number of persons living in or frequenting a dwelling or public building, as also to ascertain the number of sanitary pails and refuse bins in use therein and it may for that purpose appoint some person to act as enumerator.

Any person upon being questioned by such enumerator in pursuance of the objects prescribed in this regulation refusing such information as is within his knowledge or wilfully or negligently giving wrong information shall be guilty of an offence.

CHAPTER VII.

THE USE OF MOVABLE, TEMPORARY OR UNAUTHORISED STRUCTURES FOR DWELLING OR BUSINESS PURPOSES.

1. No person shall let, occupy or allow to be occupied for living, working or sleeping purposes, or for the storage or preparation or cooking of foodstuffs—

(a) any caravan, van, vehicle or other movable structure, whether on wheels or otherwise; or

(b) any tent or similar structure; or

(c) any temporary building or structure or part thereof, unless the occupation, or use thereof has first been approved by the Medical Officer of Health or Health Inspector in writing. The Council may impose any restriction or conditions it may deem necessary when such approval is given.

CHAPTER VIII.

THE KEEPING OF ANIMALS.

1. No person shall keep anywhere within the Municipal Area any animal, including wild animals, which might constitute a nuisance.

2. No person shall keep any animal on any premises without the written sanction of the Council specifying the premises in respect of which such sanction is given, the nature and extent of accommodation for animals to be provided thereon, the number and kind of animals which are permitted to be kept and the conditions attaching thereto.

3. (a) Every stable, cow-shed, pig-sty, or other similar structure intended for the housing of any animal shall, to the satisfaction of the Council, be—

(i) constructed of proper materials and in suitable manner;

(ii) provided with a hard, impermeable, well-laid and suitably inclined floor;

(iii) provided with proper means of drainage to be kept at all times in good order;

(iv) provided with suitable means for collecting and disposing of all manure, filth or rubbish, and all such manure, filth or rubbish shall be removed therefrom as often as may be required, but not less than once in three days, in order to keep such stable, cowshed, pig-sty or other structure in a clean and sanitary condition;

(v) provided with a suitable and sufficient supply of clean water;

(vi) kept at all times in a clean welldrained and satisfactory condition throughout.

(b) Every kraal, intended for the keeping of animals, shall, to the satisfaction of the Council, be kept clean, intact and well-drained.

4. Any person so authorised to keep animals shall deposit the manure of such animals and stable refuse at a place fixed by the Council unless exempted from so doing.

5. No part of any such stable, kraal, cow-shed, pig-sty or other similar structure for housing or keeping an animal shall, be under the same roof as, or form portion of any wall of any dwelling or public building.

9. Die Raad kan van tyd tot tyd wanneer hy dit wenslik vind 'n sensus openbaar vas te stel hoeveel persone 'n woonluis, openbare gebou of ander persel bewoon, beset of dikwels besoek; en ook om vas te stel hoeveel gemeenkens en vullishoners daarvan gebruik word, en hy kan iemand vir hierdie doel as opneem aanstel.

Enige wat deur so 'n opneem ondervraag word met die doel voorgeskryf in hierdie regulasie, en wat weier om sodanige inligting wat hom bekend is, te verstrek, of wat met opset of deur nalatigheid die verkeerde inligting verstrek, is skuldig aan 'n misdryf.

HOOFSTUK VII.

DIE GEBRUIK VAN BEWEEGBARE, TYDELIKE OF ONGEMAGTIGDE STRUKTURE AS WOONHUISE OF SAKEPERSELLE.

1. Niemand mag—

(a) 'n woonwa, bagasiewa, voertuig of ander beweegbare struktuur, hetsy op wle of andersins; of

(b) 'n tent of soortgelyke struktuur; of

(c) 'n tydelike gebou of bouwerk of deel daarvan, verhuur, beset of toelaat dat dit beset word met die doel om daarin te woon, werk of slaap, of vir die bewaring, bereiding of kook van voedsel nie, tensy die Geneeskundige Gesondheidsbeampte of die Gesondheidsinspekteur die besetting of gebruik daarvan vooraf skriftelik goedkeur het.

Die Raad kan sodanige goedkeuring beswaar met enige beperking of voorwaardes wat hy nodig ag.

HOOFSTUK VIII.

DIÉ AANHOU VAN DIERE.

1. Niemand mag 'n dier insluitende 'n wilde dier wat moontlik 'n oorlaas kan veroorsaak, op enige plek binne die Municipale gebied aanhou nie.

2. Niemand mag 'n dier op 'n perseel aanhou nie, tensy die Raad skriftelik sy toestemming daartoe gee met melding van die perseel ten opsigte waarvan die toestemming verleen word, die aard en omvang van die plausruimte vir die diere wat daar aangehou sal word, die getal en soort diere wat aangehou mag word en die voorwaardes daarvan verbonde.

3. (a) Elke stal, kocistal, varkhok of ander soortgelyke bouwerk bestem vir die huisvesting van 'n dier, moet ten genoë van die Raad—

(i) behoorlik en van geskikte stowwe gebou word;

(ii) voorsien word van 'n lude ondeurdringbare, goedgeboude en behoorlik afdraend gegradeerde vloer;

(iii) voorsien word van 'n behoorlike afvoertelsel wat te alle tye in goeie herstel gehou moet word;

(iv) voorsien word van 'n geskikte middel waarmee alle mis, vuilnis of vuilgoed bymekaar gemaak en weggedoen kan word, en alle sodanige mis, vuilnis of vuilgoed moet so dikwels sou as die Raad vereis, maar minstens een keer elke drie dae, daaruit verwyder word, sodat die stal, kocistal, varkhok of ander bouwerk skoon en higiënies gehou kan word;

(v) voorsien word van 'n geskikte en genoegsame voorraad skoon water;

(vi) te alle tye en deurgaans in 'n skoon, goed gedreineerde en bevredigende toestand gehou word.

(b) Elke kraal wat bestem is vir die aanhou van diere moet ten genoë van die Raad skoon, in goeie herstel en goed gedreineer gehou word.

4. Elkeen wat aldus gemagtig is om diere aan te bou, moet die mis van sulke diere en die stalvullis op 'n plek wat die Raad aanwys, wegdoen, tensy hy daarvan vrygestel word.

5. Geen deel van 'n sodanige stal, kraal, kocistal, varkhok of ander soortgelyke bouwerk wat vir diere bestem is, mag onder dieselfde dak staan, of deel van die muur uitmaak van 'n woonhuis of openbare gebou nie.

6. Every such stable, cow-shed or structure other than a kraal or pig-sty, intended for housing an animal, shall be—

(a) unless open along the whole length of one of its longest sides, lighted by glazed windows, in the proportion of not less than 0.279 of one square metre (3 square feet) per animal accommodated, and capable of being fully opened;

(b) of such dimensions that the height of walls to the wall plates shall be—

(i) 2.44 metres (8 feet) in the case of a pitched roof;

(ii) 3.05 metres (10 feet) in the case of a flat roof;

(iii) a mean height of 3.05 metres (10 feet) with a minimum of 2.44 metres (8 feet) on the one side in the case of a lean-to type of roof;

(c) a minimum length of 3.66 metres (12 feet) and a minimum width of 1.52 metres (5 feet) for each animal.

Provided that such stable, cow-shed or structure shall at all times be kept clean throughout by the owner or occupier.

7. The Council may at any time cancel or vary its consent for the keeping of any animal within the Municipal Area if it considers it might constitute a nuisance.

CHAPTER IX.

THE KEEPING OF POULTRY AND PIGEONS.

1. No person shall keep any pigeons, fowls, ducks, geese, turkeys or other birds hereinafter referred to as "poultry", in any dwelling-house or part thereof; nor, shall any person keep any such "poultry" in any other place than in a poultry house and run properly constructed of suitable material to the satisfaction of the Council.

2. No such house or run shall—

(a) be within 7.62 metres (25 feet) of any door or window of any dwelling, or

(b) abut on the wall of any dwelling, or

(c) be within 5 metres (16 feet 5 inches) of any boundary of the property facing any street.

3. Every person keeping such house or run shall keep it at all times in a thoroughly clean condition and free from vermin.

CHAPTER X.

MEASURES AGAINST RODENTS.

N.B.—The subject of extermination and prevention of the breeding of or the infestation by rodents, as also the spread of infectious diseases is governed by the provisions of Government Notice No. 32 of 13th February, 1950, published under and by virtue of Sections *thirty-six (h), thirty-eight and forty-four* of the Public Health Act No. 35 of 1919 (Union), as amended and applied to South West Africa by the Public Health Proclamation, 1920 (No. 35 of 1920).

CHAPTER XI.

THE PREVENTION OF THE BREEDING AND THE DESTRUCTION OF MOSQUITOES.

1. The occupier of any premises, in order to prevent the breeding of mosquitoes, shall, to the satisfaction of the Council—

(a) keep such premises free from stagnant water and from articles not under cover such as bottles or crockery, whether whole or broken, tins, tanks and other vessels which may retain water;

6. Elke sodanige stal, kooistal of bouwerk, buiten 'n kraal van varkhok, wat vir diere bestem is, moet—

(a) tensy dit langs die hele lengte van een van sy langste sny oop is, verlig word met glasvensters in die verhouding van minstens 0.279 vierkante meter (3 vierkante voet) per dier wat daarin gehuisves word, en hierdie vensters moet heeltemal oopgemaak kan word;

(b) sodanige uitmetings hê dat die muurhoogte tot by die muurplate—

(i) 2.44 meter (8 voet) by 'n staandak is;

(ii) 3.05 meter (10 voet) by 'n platdak is;

(iii) gemiddeld 3.05 meter (10 voet) met 'n minimum van 2.44 meter (8 voet) aan die langste kant by 'n afdaak is;

(c) 'n minimale lengte van 3.66 meter (12 voet) en 'n minimale breedte van 1.52 meter (5 voet) vir elke dier daarin hê.

Met dien verstande dat die eienaar of besitter of bewoner sodanige stal, kooistal of bouwerk te alle tyde deurgangs skoon moet hou.

7. Die Raad kan te eniger tyd sy toestemming tot die aanhou van 'n dier binne die Municipale gebied intrek of wysig, as hy meen dat dit 'n oorlaas kan veroorsaak.

HOOFSTUK IX.

DIE AANHOU VAN PLUIMVEE EN DUIWE.

1. Niemand mag duwe, hoenders, eende, gans, kalkoen of ander voëls, hierna genoem pluimvee, aanhou in 'n woonhuis of 'n gedeelte daarvan nie; ook mag niemand sodanige pluimvee in 'n ander plek aanhou, behalwe in 'n hoenderhok en kamp wat behoorlik van geskikte materiaal gebou is tot beverdiging van die Raad nie.

3. Geen sodanigs hok of kamp mag—

(a) binne 7.62 meter (25 voet) vanaf 'n deur of venster van 'n woonhuis wees nie; en

(b) aan die muur van 'n woonhuis grens nie; of

(c) binne 5 meter (16 voet 5 duim) vanaf die straatgrens van 'n perseel wees nie.

3. Elkeen wat so 'n hok of kamp het, moet dit te alle tyde deeglik skoon en vry van ongediertes hou.

HOOFSTUK X.

MAATREELS TEEN KNAAGDIERE.

HOOFSTUK XIX.

YSFABRIEK.

1. Niemand mag op in 'n perseel 'n ysfabriek dryf nie, tensy die onderstaande vereistes ten genoeg van die Raad nagekom is:—

- (a) Daar moet 'n kamer op sodanige perseel vir die vervaardiging van ys verskaaf word wat aan die onderstaande vereistes voldoen:—
- (i) Die vloere moet van cement, beton of ander soortgelyke onderuurdringbare materiaal gebou wees; moet 'n glad afgewerkte oppervlakte wat so skuins gegradeer en gedreineer is dat alle vloeistof daarvandaan afloop tot in 'n buite-rioolstankafsluiting;
 - (ii) tensy wat geglasuurde of glassteus of geglasuurde teëls gebruik word, moet die binnemuur met cementpleister glad afgewerk wees, en moet ligkleurige olieverf geverf wees;
 - (iii) die plafonne moet stofdig en lig geverf of gekleur wees;
- (b) die perseel moet toereikend verlig en belug wees;
- (c) gev deur of venster in enige deel van die fabriek mag so ingerig wees dat dit nader as vyf meter (16 voet 5 duim) vanaf 'n urinal of emmerongemaak en 9.15 meter (30 voet) vanaf die deur of venster vanaf 'n stal is nie;
- (d) geen deel van die fabriek mag regstreeks verbind wees met 'n woonhuis, genak of urinal nie;
- (e) daar moet 'n behoorlike en toereikende voorraad gesonde water wat teen besmetting bestand is, verskaaf word;

- (f) adequate latrine accommodation is provided for Europeans and non-Europeans employed on such premises.
2. No person carrying on the business of an ice factory shall—
- fail to maintain at all times the premises and all equipment and plant therein in a clean and hygienic condition and in good repair;

 - washed after each time of use;
 - suitably stored when not in use;
 - fail to provide all employees engaged in the manufacture, handling and distribution of ice with suitable hooded overalls and to maintain such overalls in a clean and sound condition;
 - fail to ensure that such overalls are worn by himself and his employees whenever engaged in the handling of ice.

- (f) daar moet toereikende latrinegeriewe vir blanke en nie-blanke werknemers op die perseel verskaf word.
2. Niemand wat 'n ysfabriek dryf mag—
- naalat om die perseel en alle toerusting en masjinerie daarop te hou tye skoon, higiëniëns en in goeie herstel te hou nie;
 - naalat om alle gereedskap, vate, hours, bottels en ander bukkie, apparaat, masjinerie en ander toerusting, en elke voertuig wat by die vervaardiging en aflewing van ys wat ter verkoop of mensverbruik bestem is, te alle tye skoon en higiëniëns en in goeie herstel te hou nie;
 - naalat om geskikte maatreels te tref en in stand te hou om die uitbriek van vlieë te voorkom, en vlieë, kakkerlakke, knaagdiere en ander ongediertes uit te roei nie;
 - naalat om geskikte maatreels te tref en in stand te hou ter beskerming van alle materiaal wat by die vervaardiging, letsy gedurende voorbereiding, bewaring of uitstalling ter verkoop, of by vervoer, deur die strate, teen besetting deur stof, vuilheid, vlieë of ander oorsaak nie;
 - naalat om die afgeskafte vrieskamer wat gebou is om metaal-svorms te hou, skoon, higiëniëns en in goeie herstel te hou nie;
 - naalat om die kamerplatform en vervoerbare houtdeksels skoon, higiëniëns en in goeie herstel te hou nie;
 - naalat om alle ouvoertje, stoorkamers en ysaflawering-waens skoon, higiëniëns en in goeie herstel te hou nie;
 - naalat om die ysvriesvorms te voorsien van noupasende metaaldeksels, en sulke deksels af te haal slegs wanneer die vorms geheel uit die vrieskamer gelig is nie;
 - naalat om die ysvriesvorms roesvry te hou en hulle elke keer voor gebruik met skoon stoom te steriliseer nie;
 - naalat om ys op 'n metaal-roostertafel minstens 0.61 meter (2 voet) bokant die oppervlakte van die kamerplatform te plaas, wanneer dit uit die ysvriesvorms gehaal word, en om slegs vanghake te gebruik by die hantering daarvan nie;
 - naalat om alle werknemers by die ysvervaardiging van ys van rubberstewels te voorsien nie;
 - naalat om te sorg dat sodanige rubberstewels—
 - deur hom en sy werknemers gedru word wan-neer hulle op die kamerplatforms loop nie;
 - slegs vir voormalde doel gebruik word nie;
 - elke keer na gebruik gewas word nie;
 - behoorlik bewaar word, wanneer hulle nie gebruik word nie;
 - naalat om alle werknemers by die vervaardiging, hantering en levering van ys met geskikte oorpakke met kappie te voorsien en sodanige oorpakke skoon en heel te hou nie;
 - naalat om te sorg dat hy en sy werknemers sodanige oorpakke altyd dra by die hantering van ys nie.

CHAPTER XX.

AERATED OR MINERAL WATERS AND SIMILAR DRINKS.

1. For the purpose of this Chapter, unless the context indicates otherwise—

- "Bottle washing room" shall mean that portion of the factory premises in which the washing of bottles, syphons, casks or other vessels is conducted;
- "Filling room" shall mean that portion of the factory premises used for the filling of bottles, syphons, casks or other vessels with water or mineral water and shall include that portion of the premises in which the filling and filtering machinery is established;

HOOFSKUXX.

BRUIS- OF MINERAALWATERS EN SOORTGELYKE DRANKE.

1. By die toepassing van hierdie Hoofskuk, en tensystrydig met die sinsverband—
- betekeen „bottelwaskamer“ die gedeelte van die fabrieksperseel waarin bottels, silofs, kuipe en ander vate gewas word;
 - betekeen „vulkankamer“ die gedeelte van die fabrieksperseel waarin bottels, silofs, kuipe en ander vate met water of mineraalwater gevul word, en onivat dit daardie deel van die perseel waarin die vul-en filtreremasjinerie ingerig is;

- (c) "Storeroom" shall mean that portion of the factory premises used for the storage of utensils, apparatus, aerated waters and materials used in the process of the business;
- (d) "Syrup and essence room" shall mean that part of the factory premises in which essences and flavourings are stored.

2. Regulations Nos. 1 to 8 inclusive of Chapter XVI, regarding food, shall *mutatis mutandis* apply to aerated water, and to every person who shall sell any aerated water.

3. No person shall carry on in or upon any premises the business of an aerated or mineral water factory unless, to the satisfaction of the Council—

- (a) there is provided a filling room, syrup and essence room, a storeroom or storerooms, a bottle washing room and a change-room or change-rooms; Provided that where the washing of bottles is carried out by mechanical process the provision of a separate bottle-washing room shall not be required;
 - (b) the premises are adequately ventilated and lighted in accordance with the standards laid down in these regulations;
 - (c) all floors of such rooms are constructed of cement, concrete or other similar impervious material brought to a smooth finish;
 - (d) the floors of the bottle-washing and filling rooms are sufficiently graded and drained for the efficient removal of all liquids therefrom to an outside gully trap;
 - (e) except where glazed or glass bricks or glazed tiles are used, the inside walls of the filling room, syrup and essence room and bottle-washing room are plastered with cement and the surface brought up to a smooth finish and painted with a light-coloured oil paint;
 - (f) the ceilings of the filling room, syrup and essence room and bottle-washing room are dustproof and painted with a light-coloured oil paint;
 - (g) no door or window opening into any portion of the factory is so placed as to be less than five metres (16 feet 5 inches) from any urinal or pail-closet, and 9.15 metres (30 feet) from the door or window of any stable;
 - (h) no portion of the filling room, syrup and essence room, any storeroom or the bottle-washing room communicates directly with any dwelling, closet or urinal;
 - (i) the bottle-washing room is provided with suitable and effective washing equipment and with a proper, sufficient and wholesome supply of hot and cold running water free from liability to pollution;
 - (j) the premises are connected to a sewer or, where a sewer is not available, to other means for the innocuous disposal of all waste water;
 - (k) a proper, sufficient and wholesome supply of water free from liability to pollution is provided;
 - (l) separate change-rooms are provided for the different sexes and for Europeans and non-Europeans furnished with a proper, sufficient and wholesome supply of hot and cold running water free from liability to pollution and laid over an adequate number of wash-basins fitted with waste pipes as prescribed by the Council in each case;
 - (m) all persons engaged in the preparation, handling, selling or delivery of aerated or mineral waters, are provided with clean and sound overalls of a light-coloured washable material to be worn whilst so engaged;
 - (n) latrine and sanitary conveniences are provided for the different sexes and for Europeans and non-Europeans employed on such premises.
4. No person carrying on the business of an aerated or mineral water factory shall—
- (a) fail to cause every bottle, syphon, cask, vessel or other container used for containing mineral or aerated water to be washed and sterilised immediately before being filled;

- (c) beteken „pakkamer” die gedeelte van die fabriekperseel wat gebruik word vir die bewaring van geselskap, apparaat, bruiswaters en materiaal wat by die bedryf gebruik word;
- (d) beteken „stroop- en essenskamer” die gedeelte van die fabriekperseel waarin essense en geursels bewaar word.

2. Regulasie 1 tot en met 8 van Hoofstuk XXI, met betrekking tot voedsel, is *mutatis mutandis* van toepassing op bruiswater, en op elkeen wat bruiswater verkoop.

3. Niemand mag in of op 'n perseel 'n bruise- of mineralwaterfabriek dryf nie, tensy hy die onderstaande bepalingen ten genoegte van die Raad ingekom het:—

- (a) Daar moet 'n vulkamer, 'n stroop- en essenskamer, 'n pakkamer van pakkamers, 'n bottelwaskamer en 'n kleedkamer of kleedkamers verskaf word; Met dien verstande dat waar bottels meganies gewas word, 'n afsonderlike bottelwaskamer nie vereis word nie;
- (b) die perseel moet toereikend belig en verlig wees in ooreenkomsing met die standaarde wat by hierdie regulasies vasgestel is;
- (c) elke vloer van sodanige kamers moet van cement, beton of ander soortgelyke ondeurdringbare materiaal met glad afgewerkte oppervlakte gebou wees;
- (d) die vloere van die bottelwaskamer en die vulkamer moet so gegradeer en gedreineer wees dat alle vloeistof behoorlik daarvandaan verwyder kan word na 'n buite-rioolstankafsluiting;
- (e) buiten waar geglasuurde of glaslestene of geglasuurde teëls gebruik word, moet die binnekamere van die vulkamer, stroop- en essenskamer en die bottelwaskamer met sement gepleister, glad afgewerk en met ligkleurige olieverf geschilder wees;
- (f) die plafonne van die vulkamer, stroop- en essenskamer en die bottelwaskamer moet stofdig wees en met ligkleurige olieverf geschilder wees;
- (g) geen deur of venster na enige deel van die fabriek mag minder as vyf meters (16 voet 5 duim) vanaf 'n urinal of ennekemak wees nie, en minder as 9.15 meter (30 voet) vanaf die deur of venster van 'n stal nie;
- (h) geen deel van die vulkamer, stroop- en essenskamer, bewaarkamer(s) of bottelwaskamer mag regstreeks verbind wees met 'n woonhuis, genak of urinal nie;
- (i) die bottelwaskamer moet voorsoen wees van 'n geskikte en doeltreffende wasoerusting met 'n behoorlike en genoegsame voorraad gesonde warm en koue lopende water wat gevrywaar is teen besmetting;
- (j) die perseel moet verbind wees met 'n riool, of waar daar geen riool beskikbaar is nie, met 'n onderstelsel waarby vuilwater onskadelik weggedoen kan word;
- (k) daar moet op die perseel 'n behoorlike en genoegsame voorraad gesonde water wees, wat teen besmetting gevrywaar is;
- (l) daar moet aisonderlike kleedkamers vir albei geslagte en vir Blanke en nie-Blanke wees met 'n behoorlike en toereikende voorraad gesonde warm en koue lopende water wat gevrywaar is teen besmetting, en wat aangele is oor 'n genoegsame getal wasbukke met afvoerpype soos die Rand in elke geval voorskrif;
- (m) elkeen wat bruise- of mineralwater voorberei, hanter, verkoop of aflewer moet voorsoen wees van 'n skoon en heel oopark van ligkleurige wasbare materiaal, wat by sonlike werk gedra moet word;
- (n) daar moet sanitasie- en latrinegeriewe vir albei geslagte en vir blanke en nie-blanke werknemers aisonderlik op sodanige perseel verskaf word.

4. Niemand wat 'n bruise- of mineralwaterfabriek dryf, mag—

- (a) inlaat om elke bottel, sifon, kuip, vat of ander houer van bruise- of mineralwater, onmiddellik voor dat dit gevul word, te laat was en steriliseer nie;

- (b) except where a separate bottle-washing room is not required, use or cause or permit to be used the filling room for any purpose other than the filling of bottles, casks or other vessels;
- (c) use or cause or permit to be used the syrup and essence room for any purpose other than the storage, measuring and mixing of syrups, essences and flavourings;
- (d) fail to keep the overalls of employees in the change-rooms when not in use or being washed;
- (e) use or cause or permit to be used any change-room for any purpose other than a change-room;

17. The employer or occupier shall provide free of charge and maintain in an effective condition an adequate soap and satisfactory water supply and sufficient soap, nail brushes and towels to the satisfaction of the Council.

18. Where, in the opinion of the Council, the nature of the processes carried on in a factory is such as to render desirable the provision of additional washing facilities, the Council may require an employer or occupier to provide free of charge and maintain in an effective condition shower-baths and additional wash-basins with an adequate supply of hot and cold running water.

19. Washing facilities shall be provided for such classes of non-Europeans of each sex working in such factory as the Council may require, and the provisions of regulations 16 to 18 of Chapter XXV shall *mutatis mutandis* apply.

CLEANLINESS.

20. The employer or occupier shall cause the factory to be kept in a clean state and free from any smell or leakage arising from any drain or privy and from any other type of nuisance.

21. Dross and refuse from metals and waste matters or by-products, the nature of which is poisonous or capable of fermentation, putrefaction, or constituting a nuisance shall be treated or disposed of by methods approved of by the Council.

7. Die bepalings van regulasie 6 is nie van toepassing op fabriek wat reeds bestaan op die datum waarop hierdie regulasies in werking tree nie: Met dien verstaande dat die openings vir die deurlaat van natuurlike lig in elke kamer van so 'n fabriek minstens 10 persent van die vloerreuite van die kamer moet wees, en sodanige lig aangevul moet word deur kunsmatige lig wat die Raad goedgekeur het.

8. Geen werkgewer of besetter mag vereis of toelaat dat iemand saans werk nie, tensy daar toereikende kuns-matige lig wat die Raad goedgekeur het, beskikbaar is.

9. 'n Werkgewer moet sorg dat elke venster, kuns-matige lig, dalkig en bolig skoon en deurskynend gehou word.

SANITASIEGERIEWE.

10. Geen werkgewer of besetter mag vereis of toelaat dat enigeen in 'n fabriek werk, wat nie voorseen is van behoorlike watergemakgeriewe in die verhouding van minstens een sodanige gemak vir elke vyfien of minder Blanke van elke geslag wat in die fabriek werkzaam is nie: Met dien verstaande dat waar daar geen waterrooil-stelsel beskikbaar is nie, ander genoegte wat die Raad goedgekeur het, aangebring moet word. In die geval van enige gemakgeriewe moet daar minstens een vir elke ses of minder Blanke van elke geslag wat in die fabriek werk, beskikbaar wees: Met dien verstaande voorts dat waar daar elke dag riuvolvull verwyder word, die Raad sy goedkeuring kan gee tot 'n kleiner getal gemakgeriewe.

11. Die gemakke vir elke afsounderlike geslag en hul toegang moet behoorlik van mekaar geskei wees.

12. Die werkgewer of besetter moet sorg dat elke gemak skoon en in goeie herstel en werkung gehou word.

13. Gemakgeriewe moet verskaf word vir sulke klasse nie-blanke werknemers in die fabriek, soos die Raad vereis, en die bepalings van regulasie 10 tot en met 12 van Hoofstuk XXV is *mutatis mutandis* van toepassing.

14. Geen watergemak, putskreet of privaat mag binne of in regstrekske verbinding wees met 'n kamer waarin mens werk nie.

15. Geen deur of venster van enige kamer waarin daar vodselmiddels of drank vervaardig, berei of gehanteer word, mag minder as 3.05 meter (10 voet) vanaf 'n deur van 'n watergemak, of minder as 5 meter (16 voet 5 duim) vanaf 'n deur van 'n putskreet of privaat verwyder wees nie.

WASGERIEWE.

16. Geen werknemer of besetter mag vereis of toelaat dat iemand in 'n fabriek werk, wat nie voorseen is van behoorlike wasgeriewe in die verhouding van minstens een wasbak vir elke vyfien of minder Blanke van elke geslag wat in sodanige fabriek werk nie.

17. Die werkgewer of besetter moet 'n toereikende en bevredigende watervoorraad en genoeg seep, naelborsels en hunddoeke, ten genoë van die Raad, gratis verskaf en in goeie herstel hou.

18. Wear die Raad meen dat die aard van die werk wat in die fabriek gedoen word, sodanig is dat dit die verskaffing van bykomende wasgeriewe wenslik miskien, kan die Raad vereis dat die werkgewer of besetter stortbaddens en bykomende wasbakke met 'n toereikende voorraad warm en koue lopende water gratis verskaf en in goeie herstel hou.

19. Wasgeriewe moet verskaf word vir sulke klasse nie-blanke werknemers van elke geslag in die fabriek soos die Raad vereis, en die bepalings van regulasie 16 tot en met 18 van Hoofstuk XXV is *mutatis mutandis* van toepassing.

SINDELIKHEID.

20. Die werkgewer of besetter moet sorg dat die fabriek skoon gehou word en dat daar geen reuk of lekkasie uit 'n afvoerpyp of privaat of van enige ander soort oorlaas ontstaan nie.

21. Afval en vullis van metale en afval- of newelprodukte wat giftig is, of wat kan gis, verront of 'n oorlaas veroorsaak, moet volgens stelsels wat die Raad goedkeur, behandel of weggedoen word.

Storage places or receptacles for wastes and by-products of the nature indicated above shall be provided to the satisfaction of the Council, and shall be rendered impervious at the bottom and sides and adequately covered. They shall be so situated that no overflow or leakage therefrom or breakage thereof can pollute any water supply or cause a nuisance.

22. Lime washing of the interior walls of the factory and privies shall be carried out at such periods as may be directed by the Council, regard being had to the nature of the business and the character of the factory premises.

23. In the case of a factory in which articles of food and/or drink are manufactured, prepared or handled—

(a) the employer or occupier shall cause—

(i) all vessels, tables and utensils to be kept in a clean and sanitary condition;

(ii) if the Council so requires, all doors and windows in the factory to be effectively screened and made flyproof;

(b) (i) the ceiling of the factory shall be dust-proof, the floors suitably hard and impervious and the walls impervious and brought to a smooth finish on the inside of the building;

(ii) no ashpit or sleeping room shall be within or communicate directly with any room in the factory.

PROTECTIVE CLOTHING AND APPLIANCES.

24. The employer or occupier shall provide, free of charge, and maintain in good condition a first-aid outfit and adequate protective clothing and appliances, including, where necessary, caps, goggles, gloves, footwear and protective ointments for any person who works in the factory or where machinery is used, or is exposed to wet or dusty processes, to heat or to any poisonous, corrosive or other injurious substance, liable to cause injury or disease to the person or damage to clothing.

25. The employer or occupier shall provide each female working in, or whose duties take her to a room or place where machinery is in motion, with a cap or net which will fit the head and confine the hair. Such cap or net shall be supplied free of charge and shall be maintained in good condition by the employer or occupier.

Each female employee to whom a cap or net has been supplied shall wear it so as to cover the head and confine the hair.

26. In the case of a factory in which articles of food or drink are manufactured, prepared or handled, the employer or occupier shall provide, free of charge to each person working therein, and maintain in a clean state and good condition, suitable overalls and caps.

27. No protective clothing provided in terms of these regulations shall be removed from the factory, except on the authority of the employer or occupier for the purpose of cleaning or repair.

28. Every employer or occupier shall provide persons who work where floors are made of metal, stone, concrete or other similar substances, with suitable insulating material underfoot, free of charge, and maintain such insulating material in good condition.

CHAPTER XXVI.

LAUNDRIES.

1. No person shall establish or carry on within the Municipal Area any laundry business, or undertake any laundry work unless in possession of a certificate of registration for that purpose granted by the Council and signed by the Town Clerk.

2. The certificate of registration mentioned in the preceding regulation shall contain the name and address of the person to whom it is issued and particulars as to the premises where such person is allowed to carry on laundry work under such certificate.

Daar moet bewaarplekke of houers vir afval- of nieuweprodukte van die soort hierbo aangedui, ten genoegte van die Raad, verskaf word, en hulle bodems en syc moet ondeurdringbaar gemaak word, en hulle moet behoorlik bedek wees. Hulle moet op so'n plek staan dat, as hulle oorloop, lek of breek, hulle geen watervoorraad kan besoele of 'n oorlaas kan veroorsaak nie.

22. Die binnekure van die fabriek en private moet so dikwels soos die Raad vereis en met inagneming van die aard van die bedryf en van die fabriksperceel, niet kalk afgewit word.

23. By 'n fabriek waarin daar voedselmiddels en/of drank vervaardig, berei of gehanteer word—

(a) moet die werknaemer of besetter—

(i) elke houer, tafel en stuk gereedskap skoon en ligjienies laat hou;

(ii) waar die Raad dit vereis, elke deur en venster in die fabriek met doelmatige skerms voorseen en vliecidig laat maak;

(b) (i) moet die plafon van die fabriek stofdig wees, die vloere behoorlik hard en ondeurdringbaar en die mure ondeurdringbaar en aan die binnekant van die gebou glad afgewerk;

(ii) moet daar geen asput of slaapvertrek binne in of in regstreekse verbinding met 'n kammer in die fabriek wees nie.

BESKERMINGSKLERASIE EN -TOESTELLE.

24. Die werkgever of besetter moet 'n eerstehulpsrusting en toereikende beskermingsklere en -toestelle (met inbegrip, waar nodig, van pette, oorbrille, handskoene, skoele en beskermende salf) vir elkeen wat in die fabriek, of waar daar masjienerie gebruik word, werk of wat blootgestel is aan natheid, stowwige prosesse, hitte of giftige, bytende of ander nadelige materie, wat moontlik skade of siekte kan veroorsaak by so 'n werker, of sy klere kan bekadig, gratis verskaf en in goeie herstel hou.

25. Die werkgever of besetter moet elke vroulike werknaemer wat in 'n kammer met bewegende masjienerie werk, of wie se pligte haar daareheen neem, voorsien van 'n pet of net wat op haar kop pas en haar hare vashou. Sodanige pet of net moet gratis verskaf word, en die werkgever of besetter moet dit in goeie herstel hou.

Elke vroulike werknaemer aan wie 'n pet of net verskaf is, moet dit dra sodat haar kop bedek is en haar hare vasghou word.

26. By 'n fabriek waarin daar voedingsmiddels en drank vervaardig, berei of gehanteer word, moet die werkgever of besetter geskikte oorpakke en pette aan elkeen wat daar werk gratis verskaf en in goeie herstel hou.

27. Geen beskermingsklere wat ingevolge hierdie regulasie verskaf word, mag uit die fabriek verwyder word nie buiten met die magtiging van die werkgever of besetter dan vir die doel van skoonmaak of herstel.

28. Elke werkgever of besetter moet vir elkeen wat werk op vloere van metaal, kliip, beton of ander soortgelyke stof, geskikte isolermateriaal onder hul voete gratis verskaf, en sodanige isolermateriaal in goeie herstel hou.

HOOFSTUK XXVI.

WASSERYE.

1. Niemand mag binne die Munisipale gebied 'n wasbertyf instel of uitoefen, of waswerk onderneem nie, tensy hy in besit is van 'n registrasiesertifikaat daartoe, wat die Raad uiteer in die Stadsklerk ondergeteken.

2. Die registrasiesertifikaat in die voorafgaande regulasie genoem, moet die naam en adres aangee van die persoon aan wie dit uitgereik is, asook besonderhede oor die perceel waarop hy ingevolge die sertifikaat toegelaat word om waswerk te verrig.

3. No such certificate shall be transferable from one person to another nor from one set of premises to another without the written consent of the Council.

4. Every such certificate shall be in force up to and including the 30th day of June following the date of registration, unless previously relinquished or cancelled.

5. Every person applying for such certificate shall furnish such further particulars, in addition to the particulars mentioned in Regulation 2 as may be deemed necessary by the Medical Officer of Health or Health Inspector.

6. No person or premises shall be so registered unless the Medical Officer of Health or Health Inspector is satisfied that the premises are in a satisfactory condition and that they are situated in a suitable locality, that the business has been or can be carried on in conformity with these regulations and that the applicant is a fit and proper person to conduct the business of a laundry-man.

7. Any person carrying on the business of a laundry-man or doing any laundry work or any process incidental thereto shall immediately notify the Medical Officer of Health or Health Inspector of the occurrence of any case within his knowledge of actual or suspected infectious or contagious disease among his employees or the members of his household, and no person so suffering from any infectious or contagious disease or suspected of so suffering or who lives on premises in which there is a case of such disease shall carry on or in any way engage in any process or incidental of any laundry work.

8. The Medical Officer of Health or Health Inspector may require any laundryman to furnish him, within a stated time, with a full and complete list of the names and addresses of his customers, for the purpose of taking steps to prevent the spread of infectious or contagious diseases, and, for this purpose, may close or suspend the operations of any such laundry.

9. Every person carrying on contracting or managing a laundry business shall, in respect of the premises where any such business is carried on, or in respect of the appliances, apparatus and furniture used on such premises, or in respect of employees engaged in connection with such business, ensure that the following conditions are complied with to the satisfaction of the Council:—

(a) If any part of such business is carried on in a dwelling house or other premises in which any person resides or sleeps, the portion of the house or dwelling used in connection with such business shall be separated from every other portion of such house or dwelling by walls of solid construction without windows or other openings.

(b) Such premises shall be sufficiently lighted and ventilated by windows, openings and doors and in such manner as will prevent contamination of the air by the work carried on therein or by noxious fumes arising from any stove or other apparatus.

(c) The floor of such premises shall be properly paved with cement-concrete of a smooth surface, or other hard and impermeable material and such floor shall be properly and effectively drained. The walls shall be smooth and finished in either good oil-paint, glazed tiles, impervious bricks or other washable surfaces to a height of at least 2.44 metres (8 feet) from floor level, so that they can be easily cleaned.

(d) Any article or thing in or upon which washing is done or kept shall be so constructed and of such type and material as to be capable of being easily cleaned.

(e) There shall be a sufficiency of air-space, which shall be not less than 11,327 cubic metres (400 cubic feet), for every person working in any laundry-room, work-room or other place used for laundry purposes.

3. Sonder die skrifstelike toestemming van die Raad is sodanige sertifikaat nie een houer op 'n ander, nòg van een persel op 'n ander, oordraagbaar nie.

4. Elke sodanige sertifikaat bly geldig tot en met die dertigste dag van Junie wat volg op die registrasiedatum, tensy dit voor die tyd opgeset of ingetrek word.

5. Elkeen wat om 'n sodanige sertifikaat aansoek doen moet, benewens die besonderde by regulasie 2 genoem, ook sodanige ander gegevens versrek, wat die Geeneskundige Gesondheidsbeampte of die Gesondheidsinpekteur nodig ag.

6. Geen persoon of persel kan aldus geregistreer word nie, tensy die Geeneskundige Gesondheidsbeampte of die Geesondheidsinpekteur oortuig is dat die persel in 'n bevredigende toestand verkeer en in 'n geskikte omgewing is, dat die bedryf ooreenkoms hierdie regulasies uitgeoefen word of kan word, en dat die applikant 'n geskikte persoon is om die wasserybedryf uit te oefen.

7. Elkeen wat die wasserybedryf uitvoer of wat waswerk hoegenaamd of 'n proses in verband daarvan uitvoer, moet die Geeneskundige Gesondheidsbeampte of die Geesondheidsinpekteur onmiddellik daarvan in kennis stel, as hy uitvind dat van sy werkers of lede van sy huusgesin aan 'n werklike of vermoedelik aansteeklike of besmetlike siekte ly, en niemand wat werklik of vermoedelik aan 'n aansteeklike of besmetlike siekte ly, of wat woon op die persel waar daar so 'n geval voorkom, mag waswerk of deel daarvan of werk in verband daarmee hoegenaamd voortstaan of doen nie.

8. Die Geeneskundige Gesondheidsbeampte of die Geesondheidsinpekteur kan enigeen wat die wasserybedryf uitvoer, aansoek om hon binne 'n bepaalde datum te voorseen van 'n volledige en voltallige lys van die name en adresse van sy klante, sodat hy stappe kan doen om die verspreiding van aansteeklike en besmetlike siektes te verlinder, en met hierdie doel kan hy sodanige wassery sluit of die werk daar opskort.

9. Elkeen wat die wasserybedryf uitvoer, bestuur of kontakte daarvoor aangan, moet, ten opsigte van die persel waarop die wassery gedryf word, of die toestelle, apparatuur en ameublement wat daarop gebruik word, of ten opsigte van die werkneemers by die bedryf, verseker dat die onderstaande bepalings ten gevolge van die Raad nagekoms word:—

(a) Waar 'n deel van sodanige bedryf in 'n woonhuis of ander persel waarop iemand woon of slaap, uitgeoefen word, moet die deel van die huis of woonhuis wat by sodanige bedryf gebruik word, afgesondert wees van die res van die huis of woonhuis met stellig geboude mure sonder vensters of ander openings daarin.

(b) Sodanige persel moet toereikend verlig en belug wees met vensters, openings en deure, en die belugting moet sodanig wees dat die lug nie besmet raak deur die werk wat daarin verrig word, nòg deur skadelike dampie wat deur 'n stoof of ander apparatuur afgegee word nie.

(c) Die vloer van sodanige persel moet behoorlik geplavei wees met cement-beton met 'n glad algewerkte oppervlakte, of van 'n ander harde en ondeurdringbare materiaal, en sodanige vloer moet behoorlik en doelmatig gedreineer wees. Die mure moet glad wees en met goeie olieverf, geglasuurde teëls, ondeurdringbare bakstene of ander wasbare oppervlaktes tot op 'n hoogte van minstens 2.44 meter (8 voet) vanaf die vloeroppervlakte afgewerk wees, sodat hulle maklik skoonmaak kan word.

(d) Enigets waarop van waarin daar wasgoed gewas of gehou word, moet so gemaak en van sodanige materiaal en soort wees, dat dit maklik skoonmaak kan word.

(e) Daar moet genoeg lugruimte wees, minstens 11.327 kubiese meter (400 kubiese voet) vir elkeen wat in 'n waskamer, werkamer of ander plek wat vir wasdoelindes gebruik word, werkzaam is.

- (f) Every part of the premises, including furniture, equipment and apparatus thereon shall at all times be kept scrupulously clean and free of vermin.
- (g) All persons engaged in connection with laundry work and also their wearing apparel shall be and remain thoroughly clean and clean overalls and caps shall be worn by such persons whilst engaged in such work.
- (h) All articles brought into any such premises for washing, ironing or bleaching shall be kept on such premises until returned to the sender.
- (i) The sorting and identification-marking of soiled clothing shall be done in a separate apartment, which shall not be used for any other purpose.
- (j) No laundry-room or other place used in connection with laundry work shall be used for sleeping or domestic purposes.
- (k) There shall not be used in any part of any such premises any iron or other apparatus liable to emit noxious fumes or gases or to be otherwise injurious or dangerous to health, unless there shall be provided and maintained in good working order effective mechanical arrangements for carrying directly away into the outer air, any such fumes or gases.
- (l) There shall be kept a complete list of the names and addresses of all customers for whom any laundry work is done.
- (m) There shall be provided proper and sufficient means for hanging out and drying of laundry articles and in no case shall such articles be exposed on any street, boundary fence or in such manner as to be exposed to public view.
- (n) All waste water is suitably disposed of.
-
- (f) Elke deel van die perseel, met insluiting van die ameublement, toerusting en apparaat daarop moet 'n alle tye deeglik skoon en vry van ongediertes gehou word.
- (g) Elkeen wat waswerk doen, sowel as die klere wat hy dra, moet deeglik skoon wees en bly, en hy moet 'n skoon oorpak en pet dra so lank hy sodanige werk verrig.
- (h) Elke artikel wat na sodanige perseel gebring word om gewas, gestryk of gbleik te word, moet op die perseel gehou word, totdat dit aan die versender teruggestuur word.
- (i) Vuil klere moet in 'n afsonderlike vertrek uitgesoek en gemerk word, en hierdie vertrek mag vir geen ander doel gebruik word nie.
- (j) Geen waskamer of ander plek wat in verband met waswerk gebruik word, mag as slaapvertrek of vir die huishouding gebruik word nie.
- (k) In geen deel van sodanige perseel mag daar 'n yster of ander apparaat wat moonlike skadelike dampen of gasse kan afgee, of wat andersins skadelik of gevarelik vir die gesondheid is, gebruik word nie, tenus daar dockmatige ingangiese maatreels wat sodanige dampen of gasse regtreaks na die buitelug voer, verskaf en in goeie herstel gehou word.
- (l) Daar moet volledig lys gehou word van die name en adresse van al die klante vir wie waswerk gedoen word.
- (m) Daar moet behoorlike en toereikende maatreels getref word vir die uithang en droogmaak van wasgoed, en sodanige wasgoed mag geensins op 'n straat, grensontleining of andersins insig van die publiek blootgestel word nie.
- (n) Alle vuilwater moet behoorlik weggedoen word.
-

CHAPTER XXVII.

GENERAL AND PENALTY PROVISIONS.

1. No person shall conduct in or upon any premises the business or trade of a grocer, General Dealer or Fresh Produce Dealer, unless there is provided, adjacent to the room or rooms in which the business or trade is conducted, a separate room or rooms adequate for the storage of all such articles as are not, for the time being, on offer for sale to the public.
