(2) Enige bydraes wat van 'n lid geëis word of wat 'n lid ooreenkomsdig artikel *vier* gekies het om te betaal, moet behoudens enige andersluidende bepalings van hierdie Ordonnansie paaiementsgewys betaal word, en die bedrae wat in daardie verband van 'n lid se pensioengewende besoldiging afgetrek moet word, moet bereken word teen twee persent van daardie besoldiging of teen die hoërs wat die lid verkies.

(3) As 'n lid ooreenkomsdig artikels *vier* of *vyftien* bydraes betaal en sterf of aftree of afgedank of ontslaan word voordat die volle bedrag van sodanige bydraes betaal is, moet die nog onbetaalde bedrag afgetrek word van die pensioen wat uit die fonds of uit inkomste, na gelang, aan hom of aan sy afhanklik betaalbaar is, en moet die pensioen bereken word op die volle tydperk pensioengewende diens ten opsigte waarvan hy moet bydra of gekies het om te dra.

(5) 'n Lid dra by ten opsigte van enige siekte- of ander verlof sonder betaling vir langer as veertien dae tensy hy skriftelik kennis gee dat hy nie aldus wil bydra nie.

14. A member who is seconded to a Government department or any board, institution or body established by law, may, subject to the Administrator's approval, continue while so seconded to make contributions to the fund: Provided that the contributions which would otherwise be made to the fund from revenue in respect of such member shall be made either by the said Government department, board, institution or body to which such member has been seconded or by the member himself, and such contributions shall be credited to revenue: Provided, further, that the contributions so continuing to be made shall be based upon such amount, not being less than the pensionable emoluments which such member would have drawn had he not been seconded, as the Administrator may determine from time to time, and any such amount shall, for the purposes of this Ordinance, be deemed to be the pensionable emoluments of such member during the period concerned.

15. (1) Any person in the service of a Government department or of an institution for higher education or other institution or body approved by the Administrator for this purpose, in which he has to contribute to a pension or provident fund and who is appointed without a break in his service as an employee or who without a break in his service becomes liable to contribute to such fund, shall, subject to the provisions of section *five*, contribute to the fund according to the scale set forth in section *three*.

(2) Any person so appointed or becoming liable as aforesaid, may elect in writing within sixty days after he has been called upon by the Secretary to do so, to reckon his past service as pensionable service under this Ordinance, and if he so elects, he shall pay to the fund an amount which would have been payable by or in respect of him to the fund during his previous service had he during that period been a member of the fund. Interest on such contributions at the rate of five per cent per annum shall be deposited into the fund from revenue. Such interest shall be compounded annually as at the thirty-first day of March and calculated according to the dates on which the contributions would have been payable: Provided that —

- (i) from the amount payable by the member plus the interest payable from revenue there shall be deducted any sum paid to the fund by such Government department, institution or body in respect of such past pensionable service; and
- (ii) if such sum is less than the amount payable to the fund in terms of this sub-section, the balance, after the interest has been deposited from revenue, may be paid in instalments by the member within the period and upon the conditions determined by the Secretary.

16. (1) If a member is appointed without a break in his service to a Government department or an institution for higher education or any other institution or body approved by the Administrator for this purpose, in which he is subject to a pension or provident fund and becomes a contributor to another fund as from the date of such appointment and is permitted and elects to contribute to the other fund in respect of his past pensionable service, there shall be transferred from the fund to such other fund an amount equal to twice his own contributions together with interest at the rate of five per cent on such contributions, and such interest shall be compounded annually as at the thirty-first day of March, and calculated according to the dates upon which the contributions became payable. If the amount so to be transferred exceeds the amount which is required in respect of such past pensionable service by the other fund, then only the amount so required by such other fund shall be transferred and the excess dealt with as the Secretary may direct. Any shortfalls shall be dealt with as the Secretary may direct.

(2) If a member who is appointed to any such service is not permitted to contribute in respect of his past

fonds bydra op die voorwaardes wat die Administrateur bepaal, en sy bydraes ten opsigte van daardie tydperk moet op sy volle pensioengewende besoldiging onmiddellik voor sy skorsing of ontslag gebaseer word.

14. As 'n lid na 'n staatsdepartement of 'n by wet gestigte raad, inrigting of liggaam gesekondeer word, kan hy behoudens die goedkeuring van die Administrateur gedurende sy sekondering aanhou om tot die fonds by te dra: Met dien verstande dat die bydraes ten opsigte van die lid wat anders uit inkomste in die fonds gestort sou word, of deur vermelde staatsdepartement, raad, inrigting of liggaam waarna die lid gesekondeer is of deur die lid self betaal word, en dat die bydraes in inkomste gestort word: Met dien verstande voorts dat die aldus volgehoue bydraes gebaseer moet word op 'n bedrag wat die Administrateur van tyd tot tyd bepaal en wat nie kleiner mag wees as die pensioengewende besoldiging wat sodanige lid sou ontvang het as hy nie gesekondeer was nie, en vir die doeleindest van hierdie Ordonnansie word enige sodanige bedrag as die lid se pensioengewende besoldiging gedurende die betrokke tydperk beskou.

15. (1) Elkeen wat in diens is van 'n staatsdepartement of van 'n inrigting vir hoër onderwys of van 'n ander vir hierdie doel deur die Administrateur goedgekeurde inrigting of liggaam waar hy aan 'n pensioen- of spaarfonds onderhewig is, en wat sonder onderbreking van sy diens as 'n werknemer aangestel word of wat sonder onderbreking van sy diens daarvoor aanspreeklik word om tot die fonds by te dra moet behoudens die bepalings van artikel *vyf* ooreenkomsdig dié in artikel *drie* uiteengesette skaal tot die fonds bydra.

(2) Enigeen wat aldus aangestel of soos voormeld aanspreeklik word, kan binne sestig dae nadat die Sekretaris hom versoek het om dit te doen, skriftelik kies om sy vorige diens as pensioengewende diens kragtens hierdie Ordonnansie te reken en as dit sy keuse is, moet hy aan die fonds 'n bedrag betaal wat deur en ten opsigte van hom gedurende sy vorige diens aan die fonds betaalbaar sou gewees het as hy gedurende daardie tydperk 'n lid van die fonds was. Rente op sodanige bydraes teen vyf persent per jaar word uit inkomste in die fonds gestort. Sodaange rente moet jaarliks op die een-en-dertigste dag van Maart saamgestel word en moet bereken word volgens die datums waarop die bydraes betaalbaar sou gewees het: Met dien verstande dat —

- (i) van die bedrag betaalbaar deur die lid plus die rente betaalbaar uit inkomste afgetrek moet word enige bedrag wat deur sodanige Staatsdepartement, inrigting of liggaam ten opsigte van sodanige vorige pensioengewende diens aan die fonds betaal is en
- (ii) as die bedrag kleiner is as die bedrag wat die fonds ooreenkomsdig hierdie subartikel toekom, die balans nadat die rente uit inkomste gestort is, paalementsgewys deur die lid betaal kan word en wel binne die tydperk en op die voorwaardes wat die Sekretaris bepaal.

16. (1) As 'n lid sonder onderbreking van sy diens aangestel word in 'n staatsdepartement of 'n inrigting vir hoër onderwys of van 'n ander vir hierdie doel deur die Administrateur goedgekeurde inrigting of liggaam waar hy aan 'n pensioen- of spaarfonds onderhewig is, en as hy met ingang van die datum van sodanige aanstelling 'n bydraer van 'n ander fonds word en toegelaat word en kies om ten opsigte van sy vorige pensioengewende diens tot die ander fonds by te dra, moet uit die fonds aan die ander fonds 'n bedrag oorgedra word wat gelyk is aan twee maal sy eie bydraes, tesame met rente teen vyf persent op die bydraes, en vermelde rente moet jaarliks op die een-en-dertigste dag van Maart saamgestel word en moet bereken word volgens die datums waarop die bydraes betaalbaar geword het. As die aldus oordraagbare bedrag egter die bedrag oortref wat die ander fonds ten opsigte van die vorige pensioengewende diens vereis moet net daardie bedrag oorgedra word wat die ander fonds aldus vereis en moet met die oorblywende bedrag gehandel word soos die Sekretaris gelas. Die Sekretaris bepaal wat in verband met tekorte gemaak moet word.

(2) As 'n lid wat in enige sodanige diens aangestel word, nie toegelaat word om ten opsigte van sy vorige pensioengewende diens vereis moet met die oorblywende bedrag gehandel word soos die Sekretaris gelas.

(3) If such member fails to make an election in terms of sub-section (2) he shall be deemed to have elected to accept the benefits intended to in paragraph (a) of the said sub-section.

17. There shall be paid out of revenue to the fund, with effect from the fixed date —

- (1) at the end of each month an amount equal to the aggregate of the contributions paid to the fund by members during that month in terms of section *three*;

 - (b) interest at the rate of four per cent per annum on —
 - (i) twice the amount of the contributions referred to in sub-paragraph (a), such interest to be compounded annually and calculated according to the dates on which the said contributions would have become payable had the members been contributors as from the beginning of the periods of their past pensionable service;

19. (1) The Administrator shall cause full and true accounts of the fund to be kept, showing particulars in connection with —

- (b) òf dat daar, as hy om enige rede uit die diens van sodanige departement, administrasie, inrigting of liggaam tree, ontslaan of afgedank word, aan homself, of, in die geval van sy dood, aan sy afhanklikes uit die fonds of uit inkomste, na gelang, die pensioen betaal word waartoe hy op die datum van sodanige aanstelling ten opsigte van sy pensioengewende diens geregtig sou gewees het as hy op daardie datum om dieselfde rede afgetree het of ontslaan of afgedank was of as hy op daardie datum oorlede is: Met dien verstande dat, as die lid aldus aftree of ontslaan word vanweë die leeftyd wat hy bereik het, enige pensioen slegs betaalbaar is met ingang van die datum waarop hy 'n leeftyd bereik het waarop hy kon geëis het om op pensioen gestel te word.

(3) As die lid in gebreke bly om ooreenkomstig subartikel (2) te kies, word beskou dat hy gekies het om die uitkerings aan te neem wat in paragraaf (a) van genoemde subartikel vermeld staan.

17. Met ingang van die bepaalde datum moet daar uit inkomste aan die fonds betaal word —

- (1) aan die end van elke maand, 'n bedrag gelyk aan die totaalsom van die bydraes wat gedurende daardie maand ooreenkomstig artikel *drie* deur lede aan die fonds betaal is;

 - (b) rente teen vier persent per jaar op
 - (i) twee maal die bedrag van die in sub-paragraaf (a) vermelde bydraes, en sodanige rente moet jaarliks saamgestel word en moet bereken word op grondslag van die datums waarop vermelde bydraes betaalbaar sou geword het as die lede sedert die aanvang van die tydperke van hul vorige diens bydraers was;
 - (ii) die bedrag van enige bydraes wat ooreenkomstig artikels *vier* en *vyftien* deur lede verskuldig is en onvereffen bly aan die end van elke maand gedurende die tydperk ten opsigte waarvan die rente betaal word, en sodanige rente moet op 'n maandelikse grondslag bereken word; en

18. (1) Alle bedrae wat aan die fonds betaal word, moet vir krediet van die fonds by die Administrasie inbetaal word.

(2) Daardie deel van die aldus inbetaalde bedrae wat nie vir lopende doeleinades nodig is nie, moet vir belegging by die Staatskuldkommissaris gedeponeer word.

(3) As die totale beleggings van die fonds gedurende enige boekjaar 'n gemiddelde jaarlikse rentekoers van minder as vier persent oplewer, moet 'n bedrag gelyk aan die tekort uit inkomste in die fonds gestort word sodra die tekort vasgestel is.

His report shall be laid upon the Table of the Legislative Assembly within one month of the Administrator's receipt thereof if the Legislative Assembly is then in session, or, if it is not then in session, within fourteen days of its next ensuing session.

(2) If the actuary certifies in such report that there is a substantial surplus or that there is a substantial deficit, the contributions payable by or in respect of members, or of any class of members, may be reduced or increased, as the case may be, to such an extent and from such date as the Administrator, on the recommendation of the actuary, may determine. The rates at which contributions are payable in respect of members from revenue shall not, however, be reduced to less than the rates at which contributions are payable by members.

(3) The decision of the Administrator under subsection (2) shall be laid upon the Table of the Legislative Assembly within one year after the actuary's report.

21. The business of the fund shall be conducted by the Administrator and the costs in connection therewith and of any actuarial investigation and matters incidental thereto shall be paid from revenue.

22. All pensions payable under this Ordinance shall, except where otherwise provided, be paid out of the fund.

24. If an annuitant's estate is sequestrated or assigned, the annuity shall not form part of the assets in his insolvent or assigned estate.

25. (1) No right in respect of a pension may be ceded or hypothecated, and any such right shall not be liable to be attached or to be subject to any form of execution under a judgment or order of the court.

(2) If a person attempts to cede or hypothecate any rights in respect of any such pension, the payment of such pension may, if the Administrator so directs, be withheld, suspended or discontinued.
