NOTE.—The purpose of this Notice is to restate the existing position in consolidated form and at the same time to effect the following amendments:—

- (a) Descriptions of the goods liable to ordinary dumping duty have been amended to conform with the present tariff;
- (b) the ordinary dumping duty hitherto payable on all cord fabrics imported from the United States of America is now restricted to tyre cord fabric only;
- (c) incomplete distribution switchboards imported from the United Kingdom of Great Britain and Northern Ireland are now also liable to ordinary dumping duty; and
- (d) in view of the fact that the Saar is now an integral part of the Federal Republic of Germany, all references to this territory have been deleted. Imports from the Saar are now treated on the same basis as are imports from the Federal Republic of Germany.

OPMERKING.—Die uitwerking van hierdie kennisgewing is om die bestaande posisie opnuut in gekonsolideerde vorm uiteen te sit en terselfdertyd die volgende wysigings aan te bring:—

- (a) Beskrywings van die goedere wat aan gewone dumpingreg onderhewig is, is gewysig om by die huidige tarief aan te pas;
- (b) die gewone dumpingreg wat voorheen op alle invoere van koordweefsel van die Verenigde State van Amerika betaalbaar was, is nou tot slegs koordweefsel vir buitebande beperk;
- (c) onvolledige verdeelskakelborde van die Verenigde Koninkryk van Groot-Brittanje en Noord-Ierland is nou ook aan gewone dumpingreg onderhewig; en
- (d) aangesien die Saar nou 'n integrale deel van die Federale Republiek van Duitsland geword het, is alle melding van hierdie gebied geskrap. Invoere van die Saar word nou op dieselfde basis as invoere van die Federale Republiek van Duitsland behandel.
