**ADDITIONAL APPROPRIATION ORDINANCE
(1974-75).**

*(Assented to 25 March 1975.)
(Afrikaans text signed by the Administrator.)
(Date of commencement 27 March 1975.)*

ORDINANCE

To apply a further sum not exceeding one hundred and five thousand and three rand towards the service of the Territory of South West Africa for the financial year ending on the thirty-first day of March, 1975.

BE IT ORDAINED by the Legislative Assembly for the Territory of South West Africa as follows:-

Territory Revenue Fund charged with R105 003 on Revenue Account.

1. The Territory Revenue Fund is hereby charged with the sum of one hundred and five thousand and three rand on Revenue Account as shown in the Schedule to meet certain expenditure over and above the amounts appropriated for the service of the financial year ending on the 31st March, 1975, as specified in Ordinances 4 and 15 of 1974.

Application of money

2. The money appropriated by this Ordinance shall be applied to the services detailed in the Schedule to this Ordinance and more particularly specified in the Second Additional Estimates of Expenditure (S.W.A. 3-1975) as approved by the Legislative Assembly, and to no other purpose.

With approval of Administrator-in-Executive Committee savings may be made available to meet expenses.

3. With the approval of the Administrator-in-Executive Committee, a saving on any sub-head of a Vote may be made available to meet excess expenditure on any other sub-head, or expenditure on a new sub-head of the same Vote: Provided that the sums appearing in column 2 of the Schedule to Ordinance 4 of 1974 shall not be exceeded, nor shall savings thereon be available for any purpose other than that for which the money was granted as indicated in the said Schedule.

Short title.

4. This Ordinance shall be called the Additional Appropriation Ordinance (1974-75), 1975.

(Datum van inwerkingtreding 27 Maart 1975.)

ORDONNANSIE

Tot aanwending van 'n verdere geldbedrag van hoogstens eenhonderd-en-vyfduisend en drie rand ten behoeve van die diens van die Gebied Suidwes-Afrika vir die boekjaar wat op die een-en-dertigste dag van Maart 1975 eindig.

Die Wetgewende Vergadering van die Gebied Suidwes-Afrika VERORDEN SOOS VOLG:-

1. Die Gebiedsinkomstefonds word hiermee belas met die bedrag van eenhonderd-en-vyfduisend en drie rand op die Inkomsterekening soos uiteengesit in die Bylae, tot dekking van sekere uitgawes bo en behalwe die bedrae beskikbaar gestel vir die diens van die boekjaar wat op 31 Maart 1975 eindig soos in Ordonnansies 4 en 15 van 1974 vermeld is.

Gebiedsinkomstefonds belas met R105 003 op inkomsterekening.

2. Die geld wat deur hierdie Ordonnansie beskikbaar gestel word, moet aangewend word vir die dienste in besonderhede vermeld in die Bylae by hierdie Ordonnansie en meer omstandig uiteengesit in die Tweede Begroting van Bykomende Uitgawe (S.W.A. 3-1975) soos deur die Wetgewende Vergadering goedgekeur, en vir geen ander doel nie.

Aanwending van geld.

3. Met die goedkeuring van die Administrateur-in-Uitvoerende Komitee kan 'n besparing onder die een subhoof van 'n begrotingspos aangewend word tot dekking van 'n oorskryding onder enige ander subhoof, of van uitgawe onder 'n nuwe subhoof van dieselfde begrotingspos: Met dien verstande dat die somme wat in kolom 2 van die Bylae tot Ordonnansie 4 van 1974 voorkom, nie oorskry mag word nie, en besparings daarop ewemin aangewend mag word vir enige ander doel as dié waarvoor die geld toegestaan was soos in die gemelde Bylae aangedui.

Met goedkeuring van Administrateur-in-Uitvoeren de Komitee kan besparings ter bestryding van oorskrydings aangewend word.

4. Hierdie Ordonnansie heet die Addisionele Begrotingsordonnansie (1974-75), 1975.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This ensures transparency and allows for easy verification of the data.

Additionally, it highlights the need for regular audits to identify any discrepancies or errors. By conducting these audits frequently, potential issues can be caught early, preventing them from escalating into larger problems.

CONCLUSION

In conclusion, the successful implementation of a robust financial system is essential for the long-term growth and stability of any organization. By adhering to the principles outlined in this document, businesses can ensure that their financial data is accurate, secure, and easily accessible.

It is recommended that all stakeholders involved in the financial process should be trained and kept up-to-date on the latest best practices. This will help in maintaining a high level of accuracy and efficiency throughout the organization.

The second part of the document provides a detailed overview of the various components that make up a comprehensive financial system. It covers everything from the initial data entry to the final reporting and analysis stages.

Each component is described in detail, including its purpose and how it integrates with the other parts of the system. This ensures that users have a clear understanding of the entire process and can troubleshoot any issues that may arise.

Furthermore, it discusses the importance of data security and privacy. With the increasing amount of financial data being stored electronically, it is crucial to implement strong security measures to protect this information from unauthorized access and theft.

Regular security audits and updates to software and hardware are essential to maintain a secure environment. This helps in safeguarding the organization's financial assets and maintaining the trust of its stakeholders.

The third part of the document focuses on the role of technology in modern financial systems. It explores how advanced software solutions can streamline processes, reduce errors, and provide real-time insights into the organization's financial health.

Cloud-based systems are particularly beneficial as they allow for easy access to data from anywhere, facilitating collaboration and decision-making. However, it is important to choose a reliable and secure provider to ensure that the data remains safe and accessible.

Continuous monitoring and evaluation of the financial system's performance are necessary to ensure that it remains effective and efficient. This involves regularly reviewing the system's output and making adjustments as needed to address any changes in the organization's requirements.

Finally, it emphasizes the importance of clear communication and collaboration between all departments involved in the financial process. This ensures that everyone is on the same page and working towards the same goals.
