Government Notice

The following Republic Government Notice is published for general information.

J. F. GREEBE
Secretary for South West Africa

Administration of South West Africa
Windhoek

DEPARTMENT OF HEALTH

No. R. 1926 31 August 1979

AMENDMENT OF SCHEDULES 1 TO 9 TO THE MEDICINES AND RELATED SUBSTANCES CONTROL ACT, 1965 (ACT 101 OF 1965)

The Minister of Health has, by virtue of the powers vested in him by section 37A of the Medicines and Related Substances Control Act, 1965 (Act 101 of 1965), and on the recommendation of the Medicines Control Council, amended Schedules 1 to 9 to the said Act, as indicated below. This amendment shall come into effect on a date three months after the date of the publication of this notice.

SCHEDULE 1

This Schedule includes all preparations and admixtures which are not included in Schedule 2 and which contain a substance listed in Schedule 1 or 2, with the exception of those substances, preparations and admix-

Goewermentskennisgewing

Die volgende Republiek Goewermentskennisgewing word vir algemene inligting gepubliseer.

J. F. GREEBE
Sekretaris van Suidwes-Afrika

Windhoek.

DEPARTEMENT VAN GESONDHEID

No. R. 1926 31 Augustus 1979

WYSIGING VAN BYLAES 1 TOT 9 VAN DIE WET OP DIE BEHEER VAN MEDISYNE EN VERWANTE STOWWE, 1965 (WET 101 VAN 1965)

Die Minister van Gesondheid het kragtens die bevoegdheid hom verleen by artikel 37A van die Wet op die Beheer van Medisyne en Verwante Stowwe, 1965 (Wet 101 van 1965), en op aanbeveling van die Medisynebeheerraad, Bylaes 1 tot 9 van genoemde Wet gewysig soos hieronder aangedui. Hierdie wysiging tree in werking op 'n datum drie maande na die datum van publikasie van hierdie kennisgewing.

BYLAE 1

Hierdie Bylae sluit alle preparate en mengsels in wat nie in Bylae 2 ingesluit is nie en wat 'n stof bevat wat onder Bylae 1 of 2 gelys is, met uitsondering van

tures excluded specifically from this Schedule (i.e. Schedule 1).

All preparations for injection, unless otherwise scheduled, except preparations registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Acetanilide and alkyl acetanilides.

Acetyldihydrocodeine; preparations containing 2,5 per cent or less of acetyldihydrocodeine.

Adrenaline (epinephrine) and its salts; preparations and admixtures thereof, except inhalants and except preparations for injection and except eye preparations when intended for glaucoma.

Aminopentamide; preparations and admixtures thereof.

Amyl nitrite.

Anethole trithione.

Anticoagulants; preparations and admixtures thereof when intended for application to the skin.

Antimalarials; preparations containing substances in the 4-aminoquinoline, 8-aminoquinoline, diguanide and diaminopyrimidine groups of compounds when intended specifically for malaria prophylaxis.

Antimicrobial substances when intended for application to the skin, nares and external ear, as excluded from the conditions of Schedule 4.

Barbituric acid, its derivatives and salts thereof, excluding amobarbital, cyclobarbital, pentobarbital, secobarbital and their salts; preparations and admixtures containing not more than 30 milligrams per minimum recommended or prescribed dose when intended for continued use in asthma and not more than 50 milligrams per minimum recommended or prescribed dose when intended for continued use in epilepsy.

Bee venom preparations thereof when intended for application to the skin.

Benorylate.

Beta-aminopropylbenzene and beta-aminoisopropylbenzene; such preparations and admixtures thereof as are exempted from the conditions of Schedule 5.

Calcium; preparations thereof intended for injection, except preparations for injection registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Camylofin and its salts.

Carbuterol and its salts; preparations and admixtures thereof, except preparations for injection and except inhalants.

Chlorprenaline and its salts; preparations and admixtures thereof, except inhalants.

Chlorodyne (Tincture of Chloroform and Morphine BPC 1963); preparations and admixtures containing not more than 5,0 per cent of chlorodyne in combination with other medicinal ingredients in such a manner that it cannot be recovered by readily applicable means or in a yield which would constitute a risk to public health.

Chloroform; all substances, preparations and admixtures thereof, except substances, preparations and admixtures containing less than 20 per cent of chloroform.

Clonidine and its salts; preparations and admixtures thereof when intended for the treatment of migraine.

Cocaine; preparations containing 0,1 per cent or less of cocaine, calculated as cocaine alkaloid.

dié stowwe, preparete en mengsels wat spesiaal uitgesluit is uit hierdie Bylae (d.i. Bylae 1).

Alle preparete vir inspuiting, tensy anders gelys, uitgesonderd preparete wat ingevolge die bepalings van die Wet op Misstawwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Adrenaliën (epinefriën) en sy sout; preparete en mengsels daarvan, uitgesonderd inasemmiddels en uitgesonderd preparete vir inspuiting en uitgesonderd oog-preparate bedoel vir gloukoom.

Amiëlnitriet.

Aminopentamiëd; preparete en mengsels daarvan.

Anetooltritiën.

Antimalariamiddels; preparete wat stowwe bevat in die 4-aminokinoliën-, 8-aminokinoliën-, diguanied- en diaminopirimidiëngroep van verbindings, spesiaal bedoel vir die voorkoming van malaria.

Antimikrobiëse stowwe bedoel vir aanwending aan die vel, neusgate en buite-oor, soos uitgesonderd van die voorwaardes in Bylae 4.

Antistolmiddels; preparete en mengsels daarvan bedoel vir aanwending aan die vel.

Asetaniliëd en alkielasetaniliëde.

Asetiëldihidrokodeiën; preparete wat 2,5 persent of minder asetieëldihidrokodeiën bevat.

Barbituursuur; sy derivate en sout daarvan, met uitsondering van amobarbital, siklobarbital, pentobarbital, sekobarbital en hulle sout; preparete en mengsels wat hoogstens 30 milligram per minimum aanbevole of voorgeskrewe dosis bevat wanneer bedoel vir aanhoudende gebruik by asma, en hoogstens 50 milligram per minimum aanbevole of voorgeskrewe dosis wanneer bedoel vir aanhoudende gebruik by epilepsie.

Benorilaat.

Beta-aminopropiëlbenseën en beta-aminoisopropiëlbenseën; sodanige preparete en mengsels daarvan as wat vrygestel is van die voorwaardes van Bylae 5.

Byegif; preparete daarvan bedoel vir aanwending aan die vel.

Chloorprenaliën en sy sout; preparete en mengsels daarvan, uitgesonderd inasemmiddels.

Chlorodiën (Tinktuur van Chloroform en Morfiën BPC 1963); preparete en mengsels wat hoogstens 5,0 persent chlorodiën in samestelling met ander medisinale bestanddele op so 'n wyse bevat dat dit nie maklik, of in sodanige mate herwin kan word dat dit 'n gevaar vir die openbare gesondheid inhou nie.

Chloroform; alle stowwe, preparete en mengsels daarvan, uitgesonderd stowwe, preparete en mengsels wat minder as 20 persent chloroform bevat.

Dapsoon en sy derivate; preparete spesifiek bedoel vir die voorkoming van malaria.

Dekstrometorfiaan en sy sout.

Dialisaatpreparate.

Difenoksiën (of difenoksiënsuur); mengsels wat per doseringseenheid 0,5 milligram of minder difenoksiën, as basis bereken, bevat, en met 'n hoeveelheid atropiensulfaat, gelyk aan minstens 5,0 persent van die hoeveelheid difenoksiën, as basis bereken, in die mengsel.

Difenoksilaat; preparete wat hoogstens 2,5 milligram difenoksilaat, as basis bereken, en minstens 25 mikrogram atropiensulfaat per doseringseenheid bevat.

Dihidrokodeiën; mengsels wat hoogstens 2,5 persent dihidrokodeiën bevat.

Disiklomien en sy sout.

Codeine (methylmorphine); admixtures containing 2,5 per cent or less of codeine.

Contrast media.

Cresol and phenol; all preparations and admixtures containing 3,0 per cent or more of either of these substances, except substances, preparations and admixtures registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Dapsone and its derivatives; preparations intended specifically for malaria prophylaxis.

Dextromethorphan and its salts.

Dialysate preparations.

Dicyclomine and its salts.

Difenoxin (or diphenoxylate); admixtures containing, per dosage unit, 0,5 milligram or less of difenoxin, calculated as base, and a quantity of atropine sulphate equal to at least 5,0 per cent of the quantity of difenoxin, calculated as base, which is present in the mixture.

Dihydrocodeine; admixtures containing not more than 2,5 per cent of dihydrocodeine.

Diphenoxylate; preparations containing not more than 2,5 milligrams of diphenoxylate, calculated as base, and not less than 25 micrograms of atropine sulphate per dosage unit.

Escin (aescin) and its salts; medicinal preparations and admixtures thereof intended for application to the skin and containing 1,0 per cent or less of escin.

Ethacridine and its salts.

Ether (diethyl ether); all substances, preparations and admixtures containing more than 20 per cent of ether.

Ethylmorphine; admixtures containing 2,5 per cent or less of ethylmorphine.

Ethylphenylephrine.

Fedrilate; preparations and admixtures thereof.

Fenoterol and its salts; preparations and admixtures thereof, except inhalants and except preparations for injection and except preparations and admixtures thereof when intended for the prevention or delay of labour.

Flufenamic acid and its salts; preparations and admixtures thereof when intended for application to the skin.

Gamma benzene hexachloride; human medicinal preparations and admixtures containing more than 1,0 per cent thereof when intended for application to the skin.

Hexoprenaline and its salts; preparations and admixtures thereof, except inhalants and except preparations for injection and except preparations and admixtures thereof when intended for the prevention or delay of labour.

Hormones (natural or synthetic); preparations thereof when intended for application to the skin or for human vaginal use.

Ipecacuanha alkaloids; substances, preparations and admixtures thereof containing more than 0,01 or less than 0,2 per cent of alkaloids, calculated as emetine.

*Isoaminile and its salts; preparations and admixtures thereof.

Isoprenaline (isoproterenol) and its salts; preparations and admixtures thereof, except inhalants and except preparations for injection.

Lead acetate, except when registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Eskien en sy soute; medisinale preparate en mengsels daarvan bedoel vir aanwending aan die vel en wat 1,0 persent of minder eskien bevat.

Etakridien en sy soute.

Eter (diëtleter); alle stowwe, preparate en mengsels wat meer as 20 persent eter bevat.

Etielfenielefrien.

Etielmorfien; mengsels wat 2,5 persent of minder etielmorfien bevat.

Fedрилаат; preparate en mengsels daarvan.

Fenielbutasoon, sy soute en derivate; preparate en mengsels daarvan bedoel vir aanwending aan die vel.

Fenielefrien en sy soute; preparate en mengsels daarvan, uitgesonderd oogpreparate wat 0,2 persent of minder fenielefrien of sy soute bevat.

Fenielpropanolamien en sy soute; preparate en mengsels daarvan.

Fenoterol en sy soute; preparate en mengsels daarvan, uitgesonderd inasemmiddels en uitgesonderd preparate vir inspuiting en uitgesonderd preparate en mengsels daarvan bedoel vir die voorkoming of vertraging van baring.

Flufenaamsuur en sy soute; preparate en mengsels daarvan bedoel vir aanwending aan die vel.

Foledrien en sy soute; preparate en mengsels daarvan.

Folkodien; mengsels wat 2,5 persent of minder folkodien bevat.

*Fosfolipiede wanneer dit vir terapeutiese doeleindes aangewend word.

Gamma-benseenheksachloried; medisinale preparate en mengsels vir menslike gebruik wat meer as 1,0 persent daarvan bevat en bedoel is vir aanwending aan die vel.

Heksoprenalien en sy soute; preparate en mengsels daarvan, uitgesonderd inasemmiddels en uitgesonderd preparate vir inspuiting en uitgesonderd preparate en mengsels daarvan bedoel vir die voorkoming of vertraging van baring.

Hormone (natuurlik of sinteties); vel- en vaginale preparate daarvan vir menslike gebruik.

Ipekakuana-alkaloïede; stowwe, preparate en mengsels daarvan wat meer as 0,01 en minder as 0,2 persent alkaloïede, bereken as emetien, bevat.

*Iso-aminieel en sy soute; preparate en mengsels daarvan.

Isoprenalien (isoproterenol) en sy soute; preparate en mengsels daarvan, uitgesonderd inasemmiddels en uitgesonderd preparate vir inspuiting.

*Kaliumchloried; mengsels daarvan bedoel vir intraveneuse infusie of inspuiting.

Kaliumdichromaat.

Kalsium; preparate daarvan bedoel vir inspuiting, uitgesonderd preparate vir inspuiting wat ingevolge die bepalinge van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Kamilofien en sy soute.

Karbuterol en sy soute; preparate en mengsels daarvan, uitgesonderd preparate vir inspuiting en uitgesonderd inasemmiddels.

Kinien en sy soute; preparate en mengsels wat meer as 1,0 persent daarvan bevat.

Klonidien en sy soute; preparate en mengsels daarvan bedoel vir die behandeling van migraine.

Lead plaster and its combinations.

Loperamide and its salts.

Lysozyme and its salts; preparations and admixtures thereof intended for application to the skin.

Mercuric ammonium chloride.

Mercuric iodide.

Mercuric oxides; substances, preparations and admixtures thereof, except those containing less than 3,0 per cent of mercury.

Metaproterenol and its salts; preparations and admixtures thereof, except inhalants and except preparations for injection and except preparations and admixtures thereof when intended for the prevention or delay of labour.

Methoxyphenamine and its salts.

Morphine; admixtures containing 0,2 per cent or less of morphine calculated as anhydrous morphine.

Mucopolysaccharide poly-sulphuric acid ester; preparations and admixtures thereof when intended for application to the skin.

Nicotinic acid; oral medicinal preparations and admixtures thereof containing more than 30 milligrams per recommended daily dose, except substances, preparations and admixtures registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Nitrofurantoin and its salts; preparations thereof when intended for application to the skin.

Nitrofurazone and its salts; preparations thereof when intended for application to the skin.

*Nonoxynol; preparations thereof when intended for contraceptive purposes.

Norcodeine; admixtures containing not more than 2,5 per cent of norcodeine.

Opium; admixtures containing not more than 0,2 per cent of morphine, calculated as anhydrous morphine.

Pentaerythritol tetranitrate.

Pentoxifylline; preparations and admixtures thereof.

Phenylbutazone, its salts and derivatives; preparations and admixtures thereof when intended for application to the skin.

Phenylephrine and its salts; preparations and admixtures thereof, except eye preparations containing 0,2 per cent or less of phenylephrine or its salts.

Phenylpropanolamine and its salts; preparations and admixtures thereof.

Pholcodine; admixtures containing 2,5 per cent or less of pholcodine.

Pholedrine and its salts; preparations and admixtures thereof.

*Phospholipids when applied for therapeutic purposes.

*Potassium chloride; admixtures thereof when intended for intravenous infusion or injection.

Potassium dichromate.

Procaine and its salts; preparations and admixtures thereof, except injections and eye preparations thereof and except preparations and admixtures registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Propylhexedrine and its salts; nose preparations and inhalants thereof.

Pyridoxilate; preparations and admixtures thereof.

Quinine and its salts; preparations and admixtures containing more than 1,0 per cent thereof.

Kodeïen (metiëlmorfien); mengsels wat 2,5 persent of minder kodeïen bevat.

Kokaïen; preparate wat 0,1 persent of minder kokaïen, bereken as kokaïenalkaloïed, bevat.

Kontrasmiddels.

Kresol en fenol; alle preparate en mengsels wat 3,0 persent of meer van een van hierdie stowwe bevat, uitgesonderd stowwe, preparate en mengsels wat ingevolge die bepalings van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Kwikammoniumchloried.

Kwikjodied.

Kwikoksiede; stowwe, preparate en mengsels daarvan, uitgesonderd dié wat minder as 3,0 persent kwik bevat.

Lisosiem en sy soute; preparate en mengsels daarvan bedoel vir aanwending aan die vel.

Loodasetaat, uitgesonderd wanneer dit ingevolge die bepalings van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Loodpleister en sy samestellings.

Loperamied en sy soute.

Metaproterenol en sy soute; preparate en mengsels daarvan, uitgesonderd inasemmiddels en uitgesonderd preparate vir inspuiting en uitgesonderd preparate en mengsels daarvan bedoel vir die voorkoming of vertraging van baring.

Metoksifenamien en sy soute.

Morfien; mengsels wat 0,2 persent of minder morfien, bereken as anhidriese morfien, bevat.

Mukopolisakkaried-poliswael-suurester; preparate en mengsels daarvan bedoel vir aanwending aan die vel.

Natriumchromoglikaat.

Natriumpentosanpolisulfaat.

Nikotiensuur; orale medisinale preparate en mengsels daarvan wat meer as 30 milligram per aanbevole daaglikse dosis bevat, uitgesonderd stowwe, preparate en mengsels wat ingevolge die bepalings van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Nitrofuraantöien en sy soute; preparate daarvan bedoel vir aanwending aan die vel.

Nitrofurasoon en sy soute; preparate daarvan bedoel vir aanwending aan die vel.

*Nonoksinol; preparate daarvan wanneer vir voorbehoeddoeleindes bedoel.

Norkodeïen; mengsels wat hoogstens 2,5 persent norkodeïen bevat.

Opium; mengsels wat hoogstens 0,2 persent morfien, bereken as anhidriese morfien, bevat.

Oppervlak-anestetika; preparate en mengsels daarvan bedoel vir aanwending aan die vel, mond, keel en neusgate, uitgesonderd oogpreparate en uitgesonderd stowwe, preparate en mengsels wat ingevolge die bepalings van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Penta-eritritoltetranitraat.

Pentoksifillien; preparate en mengsels daarvan.

Piridoksilaat; preparate en mengsels daarvan.

Prokaïen en sy soute; preparate en mengsels daarvan, uitgesonderd inspuittings en oogpreparate en uitgeson-

Radix valerianae and its extracts; preparations and admixtures containing more than 10 per cent thereof.

Rimiterol and its salts; preparations and admixtures thereof, except inhalants and except preparations for injection.

Salbutamol and its salts; preparations and admixtures thereof, except preparations for injection and except inhalants.

Salmefamol; preparations and admixtures thereof, except inhalants and except preparations for injection.

Sodium cromoglycate.

Sodium pentosan polysulphate.

Solcoseryl; ophthalmic preparations thereof.

Sulfonamides; substances, preparations and admixtures thereof when intended for application to the eye, nares and vagina.

Surface anaesthetics; preparations and admixtures thereof when intended for application to the skin, mouth, throat and nares, except eye preparations and except substances and preparations registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Terbutaline and its salts.

Theophylline and its derivatives; preparations and admixtures thereof, except preparations for injection and except inhalants.

Ticlatone.

SCHEDULE 2

Aconite alkaloids; substances, preparations and admixtures containing 0,02 per cent or more thereof. Alkaloids and glycosides; all poisonous alkaloids and glycosides and their salts not specifically named in any Schedule.

Aminopentamide.

Amobarbital, cyclobarbital, pentobarbital, secobarbital and their salts; preparations and admixtures thereof containing not more than 30 milligrams per minimum recommended or prescribed dose, when intended for continued use in asthma and epilepsy.

*Antihistaminics; preparations and admixtures thereof, unless otherwise scheduled, except preparations and admixtures thereof when intended specifically for the treatment of travel sickness and for application to the skin.

Antimony potassium tartrate and antimony sodium tartrate; substances, preparations and admixtures containing 1,0 per cent or more thereof, except substances, preparations and admixtures registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Antipyrine (phenazone) and its salts; preparations and admixtures thereof, except preparations and admixtures when intended for application to the skin.

Apomorphine; substances, preparations and admixtures containing 0,2 per cent or more thereof.

Aptocaine and its salts; preparations and admixtures thereof.

Arecoline and its salts; preparations and admixtures thereof, except preparations and admixtures registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Arsenic; substances, preparations and admixtures containing the equivalent of 0,01 per cent or more of arsenic trioxide, except substances, preparations and

derd prepareate en mengsels wat ingevolge die bepalings van die Wet op Misstawwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Propielheksedrien en sy soute; neuspreparate en inasemmiddels daarvan.

Radix valerianae en sy ekstrakte; prepareate en mengsels wat meer as 10 persent daarvan bevat.

Rimiterol en sy soute; prepareate en mengsels daarvan, uitgesonderd prepareate vir inspuiting en uitgesonderd inasemmiddels.

Salbutamol en sy soute; prepareate en mengsels daarvan, uitgesonderd prepareate vir inspuiting en uitgesonderd inasemmiddels.

Salmefamol; prepareate en mengsels daarvan, uitgesonderd inasemmiddels en uitgesonderd prepareate vir inspuiting.

Solkoseriel; oogpreparate daarvan.

Sulfoonamiede; stowwe, prepareate en mengsels daarvan bedoel vir aanwending aan die oë, neusgate en vagina.

Teofillien en sy derivate; prepareate en mengsels daarvan, uitgesonderd prepareate vir inspuiting en uitgesonderd inasemmiddels.

Terbutalien en sy soute.

Tiklatoon.

BYLAE 2

Akonietalkaloïede; stowwe, prepareate en mengsels wat 0,02 persent of meer daarvan bevat.

Alkaloïede en glikosiede; alle giftige alkaloïede en glikosiede en hulle soute, wat nie uitdruklik in enige Bylae genoem word nie.

Aminopentamied.

Amobarbital, siklobarbital, pentobarbital, seko-barbital en hulle soute; prepareate en mengsels daarvan wat nie meer as 30 milligram per minimum aanbevole of voorgeskrewe dosis bevat nie wanneer bedoel vir aanhoudende gebruik by asma en epilepsie.

*Antihistaminika; prepareate en mengsels daarvan tensy anders gelys, uitgesonderd prepareate en mengsels wanneer spesiaal bedoel vir die behandeling van reisiekte en vir aanwending aan die vel.

Antimoonkaliumtartraat en antimoonnatriumtartraat; stowwe, prepareate en mengsels wat 1,0 persent of meer daarvan bevat, uitgesonderd stowwe, prepareate en mengsels wat ingevolge die bepalings van die Wet op Misstawwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Antipirien (Fenasoon) en sy soute; prepareate en mengsels daarvan, uitgesonderd prepareate en mengsels bedoel vir aanwending aan die vel.

Apomorfien; stowwe, prepareate en mengsels wat 0,2 persent of meer daarvan bevat.

Aptokaïen en sy soute; prepareate en mengsels daarvan.

Arekoliën en sy soute; prepareate en mengsels daarvan, uitgesonderd prepareate en mengsels wat ingevolge die bepalings van die Wet op Misstawwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Arseen; stowwe, prepareate en mengsels wat die ekwivalent van 0,01 persent of meer arseentrioksied bevat, uitgesonderd stowwe, prepareate en mengsels wat ingevolge die bepalings van die Wet op Misstawwe, Veevoedsel, Landboumiddels en Veemiddels, 1947

admixtures registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

"AS XVII" (Spasmo-urgenin).

Atropine and its salts; substances, preparations and admixtures containing 0,1 per cent or more thereof, except ophthalmic preparations and except preparations and admixtures registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Belladonna alkaloids; substances, preparations and mixtures containing 0,1 per cent or more thereof, excluding belladonna plasters.

Benproperine and its salts; preparations and admixtures thereof.

Calabar bean alkaloids and their salts; substances, preparations and admixtures containing 0,2 per cent or more thereof.

Calcium dobesilate.

Camphorated Opium Tincture BP.

Cantharidin; substances, preparations and admixtures containing 0,01 per cent or more thereof.

Chloorsoksasoon; prepare en mengsels daarvan.

Chloroform.

Dimenhidrinaat; prepare en mengsels daarvan, uitgesonderd wanneer spesifiek bedoel vir die behandeling van reissiekte.

Ditiasanien en sy soute; prepare en mengsels daarvan.

Efedra-alkaloïde (natuurlik of sinteties) en hulle soute; stowwe, prepare en mengsels daarvan uitgesonderd prepare en mengsels wanneer bedoel vir aanwending aan die vel, oë, ore en neusgate met hoogstens 1,0 persent, en ander prepare en mengsels met hoogstens 30 milligram per dosis efedrien of efedra-alkaloïde.

Fenielpromanolamien.

Flavoksaathidrokloried.

Fluoor; orale medisinale prepare en mengsels daarvan wat 0,25 milligram of meer fluoor as fluoriëd per aanbevole daaglikse dosis bevat.

Flusitosien; prepare en mengsels daarvan bedoel vir aanwending aan die vel.

Furasolidoon en sy soute; prepare en mengsels daarvan, uitgesonderd prepare daarvan bedoel as toevoeging tot diervoedsels en uitgesonderd stowwe, prepare en mengsels wat ingevolge die bepaling van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Gehalogeneerde hidroksikinoliene; prepare en mengsels daarvan.

Gelsemiumalkaloïde; stowwe, prepare en mengsels wat 0,1 persent of meer daarvan bevat.

Glikopirroniumbromied; prepare en mengsels daarvan.

Harsolie van Aspidium (Filix Mas); prepare en mengsels daarvan.

Hiosien; stowwe, prepare en mengsels wat 0,1 persent of meer daarvan bevat.

Homatropien en sy soute; prepare en mengsels wat 0,1 persent of meer daarvan bevat, uitgesonderd oogprepare.

(Wet 36 van 1947), geregistreer is en verkoop word. "As XVII" (Spasmo-urgenin).

Atropien en sy soute; stowwe, prepare en mengsels wat 0,1 persent of meer daarvan bevat, uitgesonderd oogprepare daarvan en uitgesonderd prepare en mengsels wat ingevolge die bepaling van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Belladonna-alkaloïde; stowwe, prepare en mengsels wat 0,1 persent of meer daarvan bevat, uitgesonderd belladonna pleisters.

Benproperien en sy soute; prepare en mengsels daarvan.

Braakneut; stowwe, prepare en mengsels wat 0,2 persent of meer strignien bevat.

"Camphorated Opium Tincture BP".

Chloormesanoon; mengsels daarvan wat 100 milligram of minder chloormesanoon per minimum aanbevole of voorgeskrewe dosis bevat.

*Carbocisteine (S-carboxymethylcysteine); preparations and admixtures thereof.

Carisoprodol; preparations and admixtures thereof.

Chlormezanone; admixtures thereof containing 100 milligrams or less of chlormezanone per minimum recommended or prescribed dose.

Chloroform.

Chlorzoxazone; preparations and admixtures thereof.

Cyclandelate.

Cyclopentolate; except ophthalmic preparations thereof.

Dimenhidrate; preparations and admixtures thereof, except when intended specifically for the treatment of travel sickness.

Dithiazanine and its salts; preparations and admixtures thereof.

Ephedra alkaloids (natural or synthetic) and their salts; substances, preparations and admixtures thereof, except preparations and admixtures intended for application to the skin, eye, ear and nares containing not more than 1,0 per cent and other preparations and admixtures containing not more than 30 milligrams per dose of ephedrine or ephedra alkaloids.

Flavoxate hydrochloride.

Flucytosine; preparations and admixtures thereof when intended for application to the skin.

Fluorine; oral medicinal preparations and admixtures thereof containing 0,25 milligram or more of fluorine as fluoride per recommended daily dose.

Furazolidone and its salts; preparations and admixtures thereof, except preparations thereof intended for addition to animal feeds and except substances, preparations and admixtures registered and sold under the provisions of the Fertilizers, Farm Feed, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Gelsemium alkaloids; substances, preparations and admixtures containing 0,1 per cent or more thereof.

Glycopyrronium bromide; preparations and admixtures thereof.

Halogenated hydroxyquinolines; preparations and admixtures thereof.

Homatropine and its salts; preparations and admixtures containing 0,1 per cent or more thereof, except eye preparations.

Hyoscine; substances, preparations and admixtures containing 0,1 per cent or more thereof.

Inhalants containing carbutole, chlorprenaline, epinephrine, fenoterol, hexoprenaline, isoproterenol, meta-proterenol, rimiterol, salbutamol, salmefamol, theophylline or the salts thereof in any quantity.

*Isoaminile and its salts.

Lobelia alkaloids; substances, preparations and admixtures containing 0,5 per cent or more thereof.

Malathion; preparations and admixtures thereof, except preparations and admixtures registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Mebendazole; preparations and admixtures thereof, except preparations and admixtures registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Mebeverine and its salts; preparations and admixtures thereof.

Mephenesin; preparations and admixtures thereof.

Mercuric organic compounds; preparations and admixtures thereof, except substances, preparations and admixtures not in the form of aerosols intended for application to the skin or mucous membranes, and containing less than the equivalent of 0,6 per cent of mercury (Hg) and except substances, preparations and admixtures registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Mercuric chloride; substances, preparations and admixtures containing 1,0 per cent or more thereof, except substances, preparations and admixtures registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Mesna; preparations and admixtures thereof when intended for application to the nasal mucosa.

Methocarbamol; preparations and admixtures thereof.

Nux Vomica; substances, preparations and admixtures containing 0,2 per cent or more of strychnine.

Oleoresin of Aspidium (Filix Mas); preparations and admixtures thereof.

Papaverine; substances, preparations and admixtures containing 0,2 per cent or more thereof.

Phenylpropanolamine.

Pinaverium and its salts; preparations and admixtures thereof.

Procyclidine and its salts; preparations and admixtures thereof.

Propyphenazone; preparations and admixtures thereof.

Pyrodifenium bromide.

Sabadilla alkaloids; substances, preparations and admixtures containing 1,0 per cent or more thereof.

S-carboxymethylcysteine; see carbocysteine.

Inasemmiddels wat chloorprenalinen, epinefrien, fenoterol, heksoprenalinen, isoproterenol, karbuterol, meta-proterenol, rimiterol, salbutamol, salmefamol, teoffillien of die soute daarvan in enige hoeveelheid bevat.

*Iso-aminil en sy soute.

Kalabarboontjie-alkaloïde en hulle soute; stowwe, preparate en mengsels wat 0,2 persent of meer daarvan bevat.

Kalsiumdobesilaat.

Kantaridien; stowwe, preparate en mengsels wat 0,01 persent of meer daarvan bevat.

*Karbosistien (S-karboksimeetelsistien); preparate en mengsels daarvan.

Karisoprodol; preparate en mengsels daarvan.

Kwikchloried; stowwe, preparate en mengsels wat 1,0 persent of meer daarvan bevat, uitgesonderd stowwe, preparate en mengsels wat ingevolge die bepalings van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Kwik-organiëse verbindings; preparate en mengsels daarvan, uitgesonderd stowwe, preparate en mengsels wat nie in aerosolpreparate vervat is nie, wat bedoel is vir plaaslike aanwending aan die vel of slymvliese en wat minder as die ekwivalent van 0,6 persent kwik (Hg) bevat, en uitgesonderd stowwe, preparate en mengsels wat ingevolge die bepalings van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Lobelia-alkaloïde; stowwe, preparate en mengsels wat 0,5 persent of meer daarvan bevat.

Malation; preparate en mengsels daarvan, uitgesonderd preparate en mengsels wat ingevolge die bepalings van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Mebendasool; preparate en mengsels daarvan, uitgesonderd preparate en mengsels wat ingevolge die bepalings van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Mebeverien en sy soute; preparate en mengsels daarvan.

Mefenesien; preparate en mengsels daarvan.

Mesna; preparate en mengsels daarvan wanneer vir aanwending aan die slymvliese van die neus bedoel.

Metokarbamol; preparate en mengsels daarvan.

Papaverien; stowwe, preparate en mengsels wat 0,2 persent of meer daarvan bevat.

Pinaverium en sy soute; preparate en mengsels daarvan.

Pirotifeniumbromied.

Propifenasoon; preparate en mengsels daarvan.

Prosiklidien en sy soute; preparate en mengsels daarvan.

Sabadilla-alkaloïde; stowwe, preparate en mengsels wat 1,0 persent of meer daarvan bevat.

Siklandelaat.

Siklopentolaat; uitgesonderd oogpreparate daarvan.

S-karboksimeetelsistien; sien karbosistien.

Strychnine; substances, preparations and admixtures containing 0,2 per cent or more thereof, except substances, preparations and admixtures registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

SCHEDULE 3

Acebutolol and its salts; preparations and admixtures thereof.

Acetarsonone diethylamine salt; preparations thereof intended for injection.

Acetazolamide and its salts; preparations and admixtures thereof.

Acetohexamide; preparations and admixtures thereof.

Adrenaline (epinephrine) and its salts; eye preparations thereof when intended for glaucoma.

Alclofenac; preparations and admixtures thereof.

Allopurinol; preparations and admixtures thereof.

Alprenolol and its salts; preparations and admixtures thereof.

Amiloride and its salts; preparations and admixtures thereof.

Anthiolimine; preparations thereof intended for injection.

Arsenamide; preparations thereof intended for injection.

Atenolol; preparations and admixtures thereof.

Atropine and its salts; ophthalmic preparations thereof.

Azapropazone; preparations and admixtures thereof.

Beclamide; preparations and admixtures thereof.

Benfluorex and its salts; preparations and admixtures thereof.

Benzbromarone; preparations and admixtures thereof.

Benzydamine and its salts; preparations and admixtures thereof.

Beta-benzalbutyramide; preparations and admixtures thereof.

Betahistine and its salts; preparations and admixtures thereof.

Buflomedil and its salts; preparations and admixtures thereof.

Buformin and its salts; preparations and admixtures thereof.

Bumetanide; preparations and admixtures thereof.

Calcium disodium edetate; preparations thereof intended for injection.

Carbachol; ophthalmic preparations thereof when intended for glaucoma.

Chenodeoxycholic acid; preparations and admixtures thereof.

Chlorazaniol and its salts; preparations and admixtures thereof.

Chlorexolone; preparations and admixtures thereof.

Chlorothiazide and other derivatives of benzo-1,2,4-thiazine-7-sulfonamide-1,1-dioxide, whether or not hydrogenated, including hydrochlorothiazide, bendrofluazide, benzthiazide, cyclopenthiazide, hydroflumethiazide, metchlorothiazide, polythiazide; preparations and admixtures thereof.

Chlorpropamide; preparations and admixtures thereof.

Strignien; stowwe, prepare en mengsels wat 0,2 persent of meer daarvan bevat, uitgesonderd stowwe, prepare en mengsels wat ingevolge die bepalings van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

BYLAE 3

Adrenaliën (epinefriën) en sy sout; oogpreparate daarvan bedoel vir gloukoom.

Alklofenak; prepare en mengsels daarvan.

Allopurinol; prepare en mengsels daarvan.

Alprenolol en sy sout; prepare en mengsels daarvan.

Amiloried en sy sout; prepare en mengsels daarvan.

Antiolimien; prepare daarvan bedoel vir inspuiting.

Arseenamied; prepare daarvan bedoel vir inspuiting.

Asapropasoon; prepare en mengsels daarvan.

Asebutolol en sy sout; prepare en mengsels daarvan.

Asetarsoondiëtielamiensout; prepare daarvan bedoel vir inspuiting.

Asetasolamied en sy sout; prepare en mengsels daarvan.

Asetoheksamied; prepare en mengsels daarvan.

Atenolol; prepare en mengsels daarvan.

Atropien en sy sout; oogpreparate daarvan.

Beklamied; prepare en mengsels daarvan.

Benfluoreks en sy sout; prepare en mengsels daarvan.

Bensbromaroon; prepare en mengsels daarvan.

Bensidamien en sy sout; prepare en mengsels daarvan.

Beta-bensalbutiramied; prepare en mengsels daarvan.

Betahistien en sy sout; prepare en mengsels daarvan.

Buflomediel en sy sout; prepare en mengsels daarvan.

Buformien en sy sout; prepare en mengsels daarvan.

Bumetanied; prepare en mengsels daarvan.

Chenodeoksicholiensuur; prepare en mengsels daarvan.

Chloorasaniël en sy sout; prepare en mengsels daarvan.

Chlooreksoloon; prepare en mengsels daarvan.

Chloorpropamied; prepare en mengsels daarvan.

Chloortalidoon en sy sout; prepare en mengsels daarvan.

*Chloortiasied en ander derivate van benso-1,2,4-tiadiasien-7-sulfoonamied-1,1-dioksied, gehidrogeneer al dan nie, insluitende hidrochloortiasied, bendrofluasied, benstiasied, siklopentiasied, hidroflumetiasied, metchloortiasied, politiasied; prepare en mengsels daarvan.

Cholestipol en sy sout; prepare en mengsels daarvan.

Chromonar en sy sout; prepare en mengsels daarvan.

Dichloorfenamied; prepare en mengsels daarvan.

Chlorthalidone and its salts; preparations and admixtures thereof.

Cholestipol and its salts; preparations and admixtures thereof.

Chromonar and its salts; preparations and admixtures thereof.

Clofibrate; preparations and admixtures thereof.

Copper; preparations thereof intended for injection.

Cyclopentolate; ophthalmic preparations thereof.

Dichlorphenamide; preparations and admixtures thereof.

Diclophenac sodium; preparations and admixtures thereof.

Diffunisal; preparations and admixtures thereof.

Diflalone; preparations and admixtures thereof.

Digitalis, its glycosides and other active principles thereof unless diluted below one unit (BP) in each 2,0 grams.

Dimercaprol; preparations thereof intended for injection.

Dipyridamole; preparations and admixtures thereof.

Emepronium bromide; preparations and admixtures thereof.

Ergot alkaloids (natural or synthetic) and their salts; preparations and admixtures thereof when intended for the treatment of migraine.

Ethacrynic acid and its salts; preparations and admixtures thereof.

Ethambutol and its salts; preparations and admixtures thereof.

Ethionamide; preparations and admixtures thereof for oral use.

Ethosuximide; preparations and admixtures thereof.

Fenbufen; preparations and admixtures thereof.

Fenclofenac; preparations and admixtures thereof.

Fenoprofen and its salts; preparations and admixtures thereof.

Floctafenine; preparations and admixtures thereof.

Flufenamic acid and its salts; preparations and admixtures thereof, except preparations and admixtures intended for application to the skin.

Flurbiprofen; preparations and admixtures thereof.

Furosemide; preparations and admixtures thereof.

Gamma globulins; preparations thereof intended for injection.

Glibenclamide; preparations and admixtures thereof.

Glibornuride; preparations and admixtures thereof.

Glicazide; preparations and admixtures thereof.

Glimidine; preparations and admixtures thereof.

Glipizide; preparations and admixtures thereof.

Guanethidine and its salts; preparations and admixtures thereof.

Homatropine and its salts; ophthalmic preparations thereof.

Ibuprofen; preparations and admixtures thereof.

Indapamide; preparations and admixtures thereof.

Indoprofen; preparations and admixtures thereof.

Insulin; preparations and admixtures thereof, except in cases of emergency.

Iron; preparations thereof intended for injection, except preparations for injection registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Isoniazid and its derivatives; preparations and admixtures thereof.

Diffunisal; prepare en mengsels daarvan.

Diftaloon; prepare en mengsels daarvan.

Digitalis, sy glikosiede en ander aktiewe bestanddele daarvan, tensy verdun tot minder as een eenheid (BP) in elke 2,0 gram.

Dimerkaprol; prepare daarvan bedoel vir inspuiting.

Dipiridamol; prepare en mengsels daarvan.

Emeproniumbromied; prepare en mengsels daarvan.

Ergotalkaloïede (natuurlik of sinteties) en hulle soute; prepare en mengsels daarvan wanneer bedoel vir die behandeling van migraine.

Etakriensuur en sy soute; prepare en mengsels daarvan.

Etambutol en sy soute; prepare en mengsels daarvan.

Etioonamied; prepare en mengsels daarvan vir orale gebruik.

Etosuksimied; prepare en mengsels daarvan.

Fenasopiridien; prepare en mengsels daarvan.

Fenbufen; prepare en mengsels daarvan.

Fenformien en sy soute; prepare en mengsels daarvan.

Fenitoïen en sy soute; prepare en mengsels daarvan.

Fenklofenak; prepare en mengsels daarvan.

Fenoksimetielpenisillien en sy soute; prepare daarvan bedoel vir die voorkoming van rumatiekkoors.

Fenoprofen en sy soute; prepare en mengsels daarvan.

Fisostigmien en sy soute; oogpreparete daarvan bedoel vir gloukoom.

Floktafenien; prepare en mengsels daarvan.

Flufenaamsuur en sy soute; prepare en mengsels daarvan, uitgesonderd prepare en mengsels bedoel vir aanwending aan die vel.

Flurbiprofen; prepare en mengsels daarvan.

Furosemied; prepare en mengsels daarvan.

Gammaglobuliene; prepare daarvan bedoel vir inspuiting.

Glibenklamied; prepare en mengsels daarvan.

Glibornuried; prepare en mengsels daarvan.

Glikasied; prepare en mengsels daarvan.

Glimidien; prepare en mengsels daarvan.

Glipisied; prepare en mengsels daarvan.

Guanetidien en sy soute; prepare en mengsels daarvan.

Homatropien en sy soute; oogpreparete daarvan.

Ibuprofen; prepare en mengsels daarvan.

Indapamied; prepare en mengsels daarvan.

Indoprofen; prepare en mengsels daarvan.

Insulien; prepare en mengsels daarvan, uitgesonderd in noodgevalle.

Isoniasied en sy derivate; prepare en mengsels daarvan.

Isosorbied-dinitraat; prepare en mengsels daarvan.

*Kaliumchloried; prepare en mengsels daarvan waar die aanbevole dosis meer as 13,5 millimol kalium (1 000 mg kaliumchloried) per etmaal is, uitgesonderd mengsels daarvan bedoel vir intraveneuse infusie of inspuiting.

Isosorbide dinitrate; preparations and admixtures thereof.

Ketoprofen; preparations and admixtures thereof.

Ketotifen; preparations and admixtures thereof.

Labetalol and its salts; preparations and admixtures thereof.

Lidoflazine; preparations and admixtures thereof.

Mefenamic acid and its salts; preparations and admixtures thereof.

Mesna; preparations and admixtures thereof except preparations and admixtures intended for application to the nasal mucosa.

Metformin and its salts; preparations and admixtures thereof.

Methenamine (hexamine) and its salts; preparations and admixtures thereof.

Methimazole; preparations and admixtures thereof.

Metolazone; preparations and admixtures thereof.

Metoprolol and its salts; preparations and admixtures thereof.

Nadolol; preparations and admixtures thereof.

Naftidrofuryl and its salts; preparations and admixtures thereof.

Nalidixic acid; preparations and admixtures thereof.

Naproxen; preparations and admixtures thereof.

Nifedipine; preparations and admixtures thereof.

Niflumic acid; preparations and admixtures thereof.

Nitroglycerine when for medicinal use.

Oral antidiabetic preparations.

Ornidazole; preparations and admixtures thereof, except preparations and admixtures intended for application to the skin.

Oxprenolol and its salts; preparations and admixtures thereof.

Oxybutynin and its salts; preparations and admixtures thereof.

Para-aminosalicylic acid and its salts and esters; preparations and admixtures thereof.

Penicillinase; preparations thereof intended for injection.

Phenazopyridine; preparations and admixtures thereof.

Phenformin and its salts; preparations and admixtures thereof.

Phenoxymethylpenicillin and its salts; preparations thereof intended for the prophylaxis of rheumatic fever.

Phenytolol and its salts; preparations and admixtures thereof.

Physostigmine and its salts; ophthalmic preparations thereof when intended for glaucoma.

Pilocarpine and its salts; ophthalmic preparations thereof intended for glaucoma.

Pindolol; preparations and admixtures thereof.

Piracetam; preparations and admixtures thereof.

*Potassium chloride; preparations and admixtures thereof, where the prescribed dose is more than 13,5 millimol of potassium (1 000 mg of potassium chloride) per 24 hours, except admixtures thereof when intended for intravenous infusion or injection.

Potassium canrenoate; preparations and admixtures thereof.

Kaliumkanrenoaat; prepare en mengsels daarvan.
Kalsiumdinatriumedetaat; prepare daarvan bedoel vir inspuiting.

Karbachol; oogprepare daarvan bedoel vir gloukoom.

Ketoprofen; prepare en mengsels daarvan.

Ketotifen; prepare en mengsels daarvan.

Klofibraat; prepare en mengsels daarvan.

Koper; prepare daarvan bedoel vir inspuiting.

Labetalol en sy soute; prepare en mengsels daarvan.

Lidoflasien; prepare en mengsels daarvan.

Mefenaamsuur en sy soute; prepare en mengsels daarvan.

Mesna; prepare en mengsels daarvan uitgesonderd prepare en mengsels daarvan bedoel vir aanwending aan die slymvliese van die neus.

Metenamien (heksamien) en sy soute; prepare en mengsels daarvan.

Metformien en sy soute; prepare en mengsels daarvan.

Metimasool; prepare en mengsels daarvan.

Metolasoon; prepare en mengsels daarvan.

Metoprolol en sy soute; prepare en mengsels daarvan.

Nadolol; prepare en mengsels daarvan.

Naftidrofuriel en sy soute; prepare en mengsels daarvan.

Nalidiksiensuur; prepare en mengsels daarvan.

Naprokseen; prepare en mengsels daarvan.

Natriumdiklofenak; prepare en mengsels daarvan.

Natriumvalproaat; prepare en mengsels daarvan.

Nifedipien; prepare en mengsels daarvan.

Niflumiensuur; prepare en mengsels daarvan.

Nitrogliserien vir medisinale gebruik.

Oksibutinien en sy soute; prepare en mengsels daarvan.

Oksiprenolol en sy soute; prepare en mengsels daarvan.

Orale antidiabetiese prepare.

Ornidasool; prepare en mengsels daarvan, uitgesonderd prepare en mengsels bedoel vir aanwending aan die vel.

Paraaminosalisielsuur en sy soute en esters; prepare en mengsels daarvan.

Penisillinase; prepare daarvan bedoel vir inspuiting.

Pilokarpien en sy soute; oogprepare daarvan bedoel vir gloukoom.

Pindolol; prepare en mengsels daarvan.

Pirasetam; prepare en mengsels daarvan.

Pirasinamied; prepare en mengsels daarvan vir orale gebruik.

Pirtioksien; prepare en mengsels daarvan.

Praktolol en sy soute; prepare en mengsels daarvan.

Pralidoksiem en sy soute; prepare daarvan bedoel vir inspuiting.

Primidoon; prepare en mengsels daarvan.

Probenesied; prepare en mengsels daarvan.

Practolol and its salts; preparations and admixtures thereof.

Pralidoxime and its salts; preparations thereof intended for injection.

Primidone; preparations and admixtures thereof.

Probenecid; preparations and admixtures thereof.

Probucol; preparations and admixtures thereof.

Procetofene; preparations and admixtures thereof.

Propranolol and its salts; preparations and admixtures thereof.

Proteolytic enzymes; preparations thereof intended for injection.

Prothionamide; preparations and admixtures thereof for oral use.

Pygeum africanum (lipido-sterolic complex extract thereof); preparations and admixtures thereof.

Pyrazinamide; preparations and admixtures thereof for oral use.

Pyrithioxin; preparations and admixtures thereof.

Sodium valproate; preparations and admixtures thereof.

Sotalol and its salts; preparations and admixtures thereof.

Spironolactone; preparations and admixtures thereof.

Strophanthus, its glycosides and their hydrolysis products, their salts and derivatives; preparations and admixtures thereof.

Sulindac and its salts; preparations and admixtures thereof.

Sulotidil; preparations and admixtures thereof.

Sulphinpyrazone; preparations and admixtures thereof.

Sulthiame; preparations and admixtures thereof.

Terizidone; preparations and admixtures thereof.

Thiacetazone; preparations and admixtures thereof.

Thyroid gland and its active principles and derivatives; preparations and admixtures thereof.

Timolol maleate; preparations and admixtures thereof.

Tolamolol and its salts; preparations and admixtures thereof.

Tolazamide; preparations and admixtures thereof.

Tolbutamide; preparations and admixtures thereof.

Tolmetin and its salts; preparations and admixtures thereof.

Tretinoin; preparations and admixtures thereof.

Triamterene.

Trimethadione; preparations and admixtures thereof.

Tropicamide; preparations and admixtures thereof.

Veterinary vaccines; except veterinary vaccines registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Vitamin A; all preparations thereof for injection, except preparations for injection registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Vitamin D; all preparations thereof for injection and oral preparations and admixtures thereof containing more than 500 i.u. per recommended daily dose, except preparations and admixtures thereof registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Zinc sulphate when intended for human oral and rectal use.

Probucol; prepare en mengsels daarvan.

Propranolol en sy soute; prepare en mengsels daarvan.

Prosetofeen; prepare en mengsels daarvan.

Proteolitiese ensieme; prepare daarvan bedoel vir inspuiting.

Protioonamied; prepare en mengsels daarvan wanneer vir orale gebruik.

Pygeum africanum (lipido-steroliese komplekseksrak daarvan); prepare en mengsels daarvan.

Siklopentolaat; oogpreparate daarvan.

Sinksulfaat bedoel vir menslike orale en rektale gebruik.

Skildklier en sy aktiewe bestanddele en derivate; prepare en mengsels daarvan.

Sotalol en sy soute; prepare en mengsels daarvan.

Spironolaktone; prepare en mengsels daarvan.

Strofantus, sy glikosiede en hulle hidroliseprodukte, hulle soute en derivate; prepare en mengsels daarvan.

Sulfinpirasoon; prepare en mengsels daarvan.

Sulindak en sy soute; prepare en mengsels daarvan.

Suloktidil; prepare en mengsels daarvan.

Sultiaam; prepare en mengsels daarvan.

Terisidoon; prepare en mengsels daarvan.

Tiasetasoon; prepare en mengsels daarvan.

Timololmaleaat; prepare en mengsels daarvan.

Tolamolol en sy soute; prepare en mengsels daarvan.

Tolasamied; prepare en mengsels daarvan.

Tolbutamied; prepare en mengsels daarvan.

Tolmetin en sy soute; prepare en mengsels daarvan.

Tretinoïen; prepare en mengsels daarvan.

Triamtereen.

Trimetadion; prepare en mengsels daarvan.

Tropikamied.

Veterinêre entstowwe; uitgesonderd veterinêre entstowwe wat ingevolge die bepalinge van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Vitamiën A; alle preparate daarvan vir inspuiting, uitgesonderd preparate vir inspuiting wat ingevolge die bepalinge van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Vitamiën D; alle preparate daarvan vir inspuiting en orale preparate en mengsels daarvan wat meer as 500 IE per aanbevole daaglikse dosis bevat, uitgesonderd preparate en mengsels wat ingevolge die bepalinge van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Yster; prepare daarvan bedoel vir inspuiting, uitgesonderd preparate vir inspuiting wat ingevolge die bepalinge van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

SCHEDULE 4

Adrenaline and its salts; preparations thereof for injection.

Alcuronium and its salts; preparations and admixtures thereof.

Alpha-chymotrypsin; preparations and admixtures thereof when intended for ophthalmic use.

Amantadine and its salts; preparations and admixtures thereof.

*Amethopterin (previously methotrexate) and its salts; preparations and admixtures thereof.

Aminopyrine (amidopyrine) and its salts; preparations and admixtures thereof.

Amiphenazole and its salts; preparations and admixtures thereof.

Anticoagulants; preparations and admixtures thereof, except preparations and admixtures registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947), and except preparations for application to the skin.

Antihemophilic Factor; preparations and admixtures thereof.

Antimalarials; preparations thereof, excluding the 4-aminoquinoline, 8-aminoquinoline, diguanide and di-amino-pyrimidine groups of compounds and preparations thereof when these are intended specifically for malaria prophylaxis.

Antimicrobial substances (chemotherapeutic substances) synthesised in nature or the laboratory, being substances used in the specific treatment of infections; preparations and admixtures containing the above, except the following when intended for topical application to the epidermis, nares and external ear;

Bacitracin;

clotrimazole;

framycetin;

gramicidin;

natamycin;

neomycin;

nystatin;

polymixin B;

sodium fusidate;

thyrothricin;

and except when intended to be used as germicides and antiseptics and except phenoxymethylpenicillin and its salts when intended for the prophylaxis of rheumatic fever, and except those substances, preparations and admixtures registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Aprotinin; preparations and admixtures thereof.

L-Asparaginase; preparations and admixtures thereof.

Azathioprine; preparations and admixtures thereof.

Baclofen; preparations and admixtures thereof.

Bee venom; preparations and admixtures thereof, except preparations intended for application to the skin.

Bemegride; preparations and admixtures thereof.

Bethanechol and its salts; preparations and admixtures thereof.

Bethanidine and its salts; preparations and admixtures thereof.

Biperiden; preparations and admixtures thereof.

Bleomycin sulphate; preparations and admixtures thereof.

BYLAE 4

Adrenalien en sy soute; prepare daarvan bedoel vir inspuiting.

Alfachimotripsien; prepare en mengsels daarvan wanneer bedoel vir oftalmiese gebruik.

Alkuronium en sy soute; prepare en mengsels daarvan.

Amantadien en sy soute; prepare en mengsels daarvan.

*Ametopterien (voorheen metotreksaat) en sy soute; prepare en mengsels daarvan.

Amifenasool en sy soute; prepare en mengsels daarvan.

Aminopirien (amidopirien) en sy soute; prepare en mengsels daarvan.

Antihemofilitiese Faktor; prepare en mengsels daarvan.

Antimalariamiddels; prepare daarvan, uitgesonderd die 4-aminokinolien-, 8-aminokinolien-, diguanied- en diaminopirimidiengroepe van verbindings en prepare daarvan spesiaal bedoel vir die voorkoming van malaria.

Antimikrobiese stowwe (chemoterapeutiese stowwe) gesintetiseer in die natuur of in 'n laboratorium, synde stowwe wat gebruik word by die spesifieke behandeling van infeksie; prepare en mengsels wat bovermelde bevat, uitgesonderd die volgende wanneer bedoel vir aanwending aan die epidermis, neusgate en buite-oor:

Basitrasien;

framisetien;

gramisidien;

klotrimasool;

natamisien;

natriumfusidaat;

neomisien;

nistatien;

polimiksien B;

tirotrisien;

en uitgesonderd wanneer bedoel vir gebruik as kiemdoders en antiseptika, en uitgesonderd fenoksimetiel-penisillien en sy soute bedoel vir die voorkoming van rumatiekkoors en uitgesonderd die stowwe, prepare en mengsels wat ingevolge die bepalings van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Vee-middels, 1947 (Wet 36 van 1947), geregistreer is en verkoopt word.

Antistolmiddels; prepare en mengsels daarvan, uitgesonderd prepare en mengsels wat ingevolge die bepalings van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Vee-middels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word en uitgesonderd prepare bedoel vir aanwending aan die vel.

Aprotinien; prepare en mengsels daarvan.

Asatioprien; prepare en mengsels daarvan.

L-Asparaginase; prepare en mengsels daarvan.

Baklofen; prepare en mengsels daarvan.

Bemegried; prepare en mengsels daarvan.

Betanechol en sy soute; prepare en mengsels daarvan.

Betanidien en sy soute; prepare en mengsels daarvan.

Biperideen; prepare en mengsels daarvan.

Bleomisiensulfaat; prepare en mengsels daarvan.

Bromokriptien; prepare en mengsels daarvan.

Bromocriptine; preparations and admixtures thereof.
Bufenoide; preparations and admixtures thereof.
Bumadizone and its salts; preparations and admixtures thereof.

Busulphan and its salts; preparations and admixtures thereof.

Carbachol; preparations and admixtures thereof; except ophthalmic preparations thereof when intended or glaucoma.

Carbidopa; preparations and admixtures thereof.

Carbuterol and its salts; preparations thereof for injection.

Chlorambucil and its salts; preparations and admixtures thereof.

Chloroquine; preparations and admixtures thereof when intended for antirheumatic use.

Cholestyramine resin; preparations and admixtures thereof.

Cimetidine and its salts; preparations and admixtures thereof.

Cisplatin; preparations and admixtures thereof.

Clofazimine; preparations and admixtures thereof.

Clonidine and its salts; preparations and admixtures thereof, except preparations and admixtures intended for the treatment of migraine.

Corticosteroids (natural or synthetic); preparations and admixtures thereof.

Cyclofenil; preparations and admixtures thereof.

Cyclophosphamide, its salts and its derivatives; preparations and admixtures thereof.

Cytarabine; preparations and admixtures thereof.

Dacarbazine; preparations and admixtures thereof.

Dactinomycin (actinomycin D); preparations and admixtures thereof.

Dantrolene sodium; preparations and admixtures thereof.

Dapsone and its derivatives; preparations and admixtures thereof, except preparations intended specifically for malaria prophylaxis and except preparations and admixtures registered and sold under the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Daunomycin (daunorubicin); preparations and admixtures thereof.

Debrisoquine and its salts; preparations and admixtures thereof.

Demecarium bromide; preparations and admixtures thereof.

Diazoxide; preparations and admixtures thereof.

Diethylcarbamazine citrate; preparations and admixtures thereof.

Dihydralazine and its salts; preparations and admixtures thereof.

Dihydrotachysterol; preparations and admixtures thereof.

Di-isopropyl fluorophosphate; preparations and admixtures thereof.

Dilazep and its salts; preparations and admixtures thereof.

Diloxanide furoate; preparations and admixtures thereof.

Dimethyl sulfoxide; preparations and admixtures thereof.

Dinitrophenol and its salts; preparations and admixtures thereof.

Diphemethoxidine and its salts; preparations and admixtures thereof.

Bufenoïed; prepare en mengsels daarvan.

Bumadisoon en sy soute; prepare en mengsels daarvan.

Busulfan en sy soute; prepare en mengsels daarvan.

Byegif; prepare en mengsels daarvan, uitgesonderd prepare bedoel vir aanwending aan die vel.

Chloorambusiel en sy soute; prepare en mengsels daarvan.

Chloorkien; prepare en mengsels daarvan bedoel vir antirumatiese gebruik.

Cholestiramienhars; prepare en mengsels daarvan.

Cisplatin; prepare en mengsels daarvan.

Dakarbasien; prepare en mengsels daarvan.

Daktinomisien (aktinomisien D); prepare en mengsels daarvan.

Dapsoon en sy derivate; prepare en mengsels daarvan, uitgesonderd prepare en mengsels spesifiek bedoel vir die voorkoming van malaria en uitgesonderd middels wat ingevolge die bepalings van die Wet op Mistowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Daunomisien (daunorubisien); prepare en mengsels daarvan.

Debrisokien en sy soute; prepare en mengsels daarvan.

Demekariumbromied; prepare en mengsels daarvan.

Diasoksied; prepare en mengsels daarvan.

Diëtielkarbamasiensitraat; prepare en mengsels daarvan.

Difemetoksidien en sy soute; prepare en mengsels daarvan.

Difenidol en sy soute; prepare en mengsels daarvan.

Dihidralasien en sy soute; prepare en mengsels daarvan.

Dihidrotagisterol; prepare en mengsels daarvan.

Di-isopropielfluoorfosfaat; prepare en mengsels daarvan.

Dilasep en sy soute; prepare en mengsels daarvan.

Diloksaniedfuroaat; prepare en mengsels daarvan.

Dimetielsulfoksied; prepare en mengsels daarvan.

Dinitrofenol en sy soute; prepare en mengsels daarvan.

Dipirosetiel; prepare en mengsels daarvan.

Diprenorfien en sy soute; prepare en mengsels daarvan.

Disopiramied en sy soute; prepare en mengsels daarvan.

Distigmien en sy soute; prepare en mengsels daarvan.

Disulfiram; prepare en mengsels daarvan.

Ditasol; prepare en mengsels daarvan.

Dobutamien en sy soute; prepare en mengsels daarvan.

Doksapram en sy soute; prepare en mengsels daarvan.

Domperidoon; prepare en mengsels daarvan.

Dopa; prepare en mengsels daarvan.

Dopamien en sy soute; prepare en mengsels daarvan.

Edrofonium en sy soute; prepare en mengsels daarvan.

Ekonasool en sy soute; prepare en mengsels daarvan, uitgesonderd prepare en mengsels bedoel vir aanwending aan die vel.

Emetien en sy soute; prepare en mengsels daarvan.

Diphenidol and its salts; preparations and admixtures thereof.

Diprenorphine and its salts; preparations and admixtures thereof.

Dipyrocetyl; preparations and admixtures thereof.

Disopyramide and its salts; preparations and admixtures thereof.

Distigmine and its salts; preparations and admixtures thereof.

Disulfiram; preparations and admixtures thereof.

Ditazol; preparations and admixtures thereof.

Dobutamine and its salts; preparations and admixtures thereof.

Domperidone; preparations and admixtures thereof.

Dopa; preparations and admixtures thereof.

Dopamine and its salts; preparations and admixtures thereof.

Doxapram and its salts; preparations and admixtures thereof.

Econazole and its salts; preparations and admixtures thereof, except preparations and admixtures when intended for application to the skin.

Edrophonium and its salts; preparations and admixtures thereof.

Emetine and its salts; preparations and admixtures thereof, except substances, preparations and admixtures containing less than 0,2 per cent of alkaloids, calculated as emetine.

Ergot alkaloids (natural or synthetic) and their salts; preparations and admixtures thereof except preparations and admixtures thereof when intended for the treatment of migraine.

Escin (aescin) and its salts; preparations and admixtures thereof except preparations and admixtures when intended for application to the skin containing 1,0 per cent or less of escin.

Estramustine and its salts; preparations and admixtures thereof.

Fazadinium and its salts; preparations and admixtures thereof.

Fenchlorphos; preparations and admixtures thereof.

Fenoterol and its salts; preparations and admixtures thereof when intended for the prevention or delay of labour and preparations thereof for injection.

Flucytosine; preparations and admixtures thereof, except preparations and admixtures intended for application to the skin.

Flunisolide; preparations and admixtures thereof.

5-Fluorouracil; preparations and admixtures thereof.

Furazolidone and its salts; preparations and admixtures thereof intended for addition to animal feeds.

Gallamine and its salts; preparations and admixtures thereof.

Glaphenine; preparations and admixtures thereof.

Guanacine and its salts; preparations and admixtures thereof.

Guanoxan and its salts; preparations and admixtures thereof.

Halofenate; preparations and admixtures thereof.

Heptaminol; preparations and admixtures thereof.

Hexoprenaline and its salts; preparations thereof when intended for the prevention or delay of labour and preparations thereof for injection.

uitgesonderd stowwe, prepare en mengsels wat minder as 0,2 persent alkaloïede, bereken as emetien, bevat.

Ergotalkaloïede (natuurlik of sinteties) en hulle soute; prepare en mengsels daarvan uitgesonderd prepare en mengsels daarvan wanneer bedoel vir die behandeling van migraine.

Eskien en sy soute; prepare en mengsels daarvan, uitgesonderd prepare en mengsels daarvan; wat 1,0 persent of minder eskien bevat, bedoel vir aanwending aan die vel.

Estramustien en sy soute; prepare en mengsels daarvan.

Fasadinium en sy soute; prepare en mengsels daarvan.

Fenasetien; prepare en mengsels daarvan.

Fenchloorfos; prepare en mengsels daarvan.

Fenielbutasoon, sy soute en sy derivate; prepare en mengsels daarvan, uitgesonderd prepare bedoel vir aanwending aan die vel.

Fenoksibensamien en sy soute; prepare en mengsels daarvan.

Fenopirasoon en sy soute; prepare en mengsels daarvan.

Fenoterol en sy soute; prepare en mengsels daarvan bedoel vir die voorkoming of vertraging van baring en prepare daarvan bedoel vir inspuiting.

Fentolamien en sy soute; prepare en mengsels daarvan.

Fisostigmien en sy soute; prepare en mengsels daarvan, uitgesonderd oogprepare bedoel vir gloukoom.

Flunisolied; prepare en mengsels daarvan.

5-Fluoorurasiel; prepare en mengsels daarvan.

Flusitosien; prepare en mengsels daarvan, uitgesonderd prepare en mengsels bedoel vir aanwending aan die vel.

Furasolidoon en sy soute; prepare en mengsels daarvan bedoel as toevoeging tot diervoedsels.

Gallamien en sy soute; prepare en mengsels daarvan.

Glafenien; prepare en mengsels daarvan.

Guanaklien en sy soute; prepare en mengsels daarvan.

Guanoksan en sy soute; prepare en mengsels daarvan.

Halofenaat; prepare en mengsels daarvan.

Heksoprenalien en sy soute; prepare en mengsels daarvan bedoel vir die voorkoming of vertraging van baring en prepare daarvan bedoel vir inspuiting.

Heptaminol; prepare en mengsels daarvan.

Hialuroonsuur-B en sy soute; prepare en mengsels daarvan.

Hidralasien en sy soute; prepare en mengsels daarvan.

Hidroksi-ureum; prepare en mengsels daarvan.

Hormone (natuurlik of sinteties); prepare en mengsels daarvan, uitgesonderd prepare en mengsels bedoel vir aanwending aan die vel en vir menslike vaginale gebruik en uitgesonderd stowwe wat ingevolge die bepalings van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van

Hormones (natural or synthetic); preparations and admixtures thereof, except those preparations and admixtures intended for application to the skin, and except preparations for human vaginal use, and except substances registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947), and excluding insulin and epinephrine (adrenaline).

Hyaluronic acid-B and its salts; preparations and admixtures thereof.

Hydralazine and its salts; preparations and admixtures thereof.

Hydroxyurea; preparations and admixtures thereof.

Idoxuridine; preparations and admixtures thereof.

Indomethacin and its salts; preparations and admixtures thereof.

Indoramin and its salts; preparations and admixtures thereof.

Isopirin; preparations and admixtures thereof.

Isoprenaline (isoproterenol) and its salts; preparations thereof for injection.

Levallorphan and its salts; preparations and admixtures thereof.

Levamisole and its salts; preparations and admixtures thereof, except substances, preparations and admixtures thereof registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Local anaesthetics; preparations and admixtures thereof, except preparations when intended for application to the skin, mouth, nares and throat and except preparations and admixtures registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Lomustine; preparations and admixtures thereof.

Lysozyme and its salts; preparations and admixtures thereof, except preparations and admixtures when intended for application to the skin.

Mecamylamine and its salts; preparations and admixtures thereof.

Melphalan, its derivatives and its salts; preparations and admixtures thereof.

Mephentermine and its salts; preparations and admixtures thereof.

Mepirizole; preparations and admixtures thereof.

2-Mercaptopropionyl glycine; preparations and admixtures thereof.

6-Mercaptopurine, its derivatives and its salts; preparations and admixtures thereof.

Mercury; preparations and admixtures containing pure mercury when intended for medicinal use.

Metaproterenol and its salts; preparations thereof when intended for the prevention or delay of labour and preparations thereof for injection.

Methampyrone; preparations and admixtures thereof. "Methotrexate"; see Amethopterin.

Methoxsalen; preparations and admixtures thereof.

Methyldopa and its salts and esters; preparations and admixtures thereof.

Methysergide and its salts; preparations and admixtures thereof.

Metoclopramide and its salts; preparations and admixtures thereof.

Metronidazole; preparations and admixtures thereof.

Mexiletine and its salts; preparations and admixtures thereof.

1947), geregistreer is en verkoop word, en uitgesonderd insulien en epinefrien (adrenalinien).

Idoksuridien; preparate en mengsels daarvan.

Indometasien en sy soute; preparate en mengsels daarvan.

Indoramien en sy soute; preparate en mengsels daarvan.

Isopirien; preparate en mengsels daarvan.

Isoprenalien (isoproterenol) en sy soute; preparate daarvan bedoel vir inspuiting.

Karbachol; preparate en mengsels daarvan, uitgesonderd oogpreparate daarvan bedoel vir gloukoom.

Karbidopa; preparate en mengsels daarvan.

Karbuterol en sy soute; preparate daarvan vir inspuiting.

Klofasimien; preparate en mengsels daarvan.

Klonidien en sy soute; preparate en mengsels daarvan, uitgesonderd preparate en mengsels bedoel vir die behandeling van migraine.

Kortikosteroïede (natuurlik of sinteties); preparate en mengsels daarvan.

Kwik; preparate en mengsels wat kwikmetaal bevat en wat bedoel is vir medisinale gebruik.

Levallorfan en sy soute; preparate en mengsels daarvan.

Levamisool en sy soute; preparate en mengsels daarvan, uitgesonderd stowwe, preparate en mengsels wat ingevolge die bepalings van die Wet op Misstawwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Lisosiem en sy soute; preparate en mengsels daarvan, uitgesonderd preparate en mengsels bedoel vir aanwending aan die vel.

Lokale anestetika; preparate en mengsels daarvan, uitgesonderd preparate bedoel vir aanwending aan die vel, mond, neusgate en keel en uitgesonderd preparate en mengsels wat ingevolge die bepalings van die Wet op Misstawwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Lomustien; preparate en mengsels daarvan.

Mefentermien en sy soute; preparate en mengsels daarvan.

Mekamilamien en sy soute; preparate en mengsels daarvan.

Meksilitien en sy soute; preparate en mengsels daarvan.

Melfalan, sy derivate en sy soute; preparate en mengsels daarvan.

Mepirisool; preparate en mengsels daarvan.

2-Merkaptopropionielglisien; preparate en mengsels daarvan.

6-Merkaptopurien, sy derivate en sy soute; preparate en mengsels daarvan.

Metamproon; preparate en mengsels daarvan.

Metaproterenol en sy soute; preparate daarvan bedoel vir die voorkoming of vertraging van baring en preparate daarvan bedoel vir inspuiting.

Metieldopa en sy soute en esters; preparate en mengsels daarvan.

Metisergied en sy soute; preparate en mengsels daarvan.

Metoklopramid en sy soute; preparate en mengsels daarvan.

Miconazole and its salts; preparations and admixtures except when intended for application to the skin.

Mofebutazone; preparations and admixtures thereof.

Morazone and its salts; preparations and admixtures thereof.

Morphazinamide and its salts; preparations and admixtures thereof.

Morphethylbutyne hydrochloride; preparations and admixtures thereof.

Mucopolysaccharide poly-sulphuric acid ester; preparations and admixtures thereof, except preparations and admixtures when intended for application to the skin.

Nalorphine hydrobromide; preparations and admixtures thereof.

Naloxone and its salts; preparations and admixtures thereof.

Nefopam and its salts; preparations and admixtures thereof.

Neostigmine and its salts; preparations and admixtures thereof.

Nifuratel; preparations and admixtures thereof.

Nikethamide; preparations and admixtures thereof.

*Nimorazole (previously nitrimidazine); preparations and admixtures thereof.

Niridazole; preparations and admixtures thereof.

Nitrimidazine; see Nimorazole.

Nitrofurantoin and its salts; preparations and admixtures thereof except preparations thereof when intended for application to the skin and except preparations and admixtures registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Nitrofurazone and its salts; preparations and admixtures thereof, except preparations when intended for application to the skin and except preparations and admixtures registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Nitroxoline and its salts; preparations and admixtures thereof.

*Obidoxime (previously toxogonin) and its salts; preparations and admixtures thereof.

Ophthalmic preparations containing surface anaesthetics.

Oxamniquine; preparations and admixtures thereof.

Oxolinic acid; preparations and admixtures thereof.

Pancuronium and its salts; preparations and admixtures thereof.

Penicillamine; preparations and admixtures thereof.

Pentamidine isethionate; preparations and admixtures thereof.

Perhexiline maleate; preparations and admixtures thereof.

Phenacetin; preparations and admixtures thereof.

Phenopyrazone and its salts; preparations and admixtures thereof.

Phenoxybenzamine and its salts; preparations and admixtures thereof.

Phentolamine and its salts; preparations and admixtures thereof.

Phenylbutazone, its salts and its derivatives; preparations and admixtures thereof, except preparations intended for application to the skin.

Physostigmine and its salts; preparations and admixtures thereof, except ophthalmic preparations thereof when intended for glaucoma.

Picrotoxin; preparations and admixtures thereof.

Metoksalen; prepare en mengsels daarvan.

"Metotreksaat"; Sien Ametopterien.

Metronidasool; prepare en mengsels daarvan.

Mikonasool en sy soute; prepare en mengsels daarvan, uitgesonderd prepare en mengsels bedoel vir aanwending aan die vel.

Mofebutasoon; prepare en mengsels daarvan.

Morasoon en sy soute; prepare en mengsels daarvan.

Morfasienameied en sy soute; prepare en mengsels daarvan.

Morfetielbutynhydrochloried; prepare en mengsels daarvan.

Mukopolisakkaried-poliswael-suurester; prepare en mengsels daarvan, uitgesonderd prepare en mengsels bedoel vir aanwending aan die vel.

Naloksoon en sy soute; prepare en mengsels daarvan.

Nalorfienhydrobromied; prepare en mengsels daarvan.

Natriumaurotiomalaat; prepare en mengsels daarvan.

Natriumdantrolien; prepare en mengsels daarvan.

Natriumdihidro - asapentaseenpolisulfonaat; prepare en mengsels daarvan.

Natriumnitroprussied; prepare en mengsels daarvan.

Nefopam en sy soute; prepare en mengsels daarvan.

Neostigmien en sy soute; prepare en mengsels daarvan.

Nifuratel; prepare en mengsels daarvan.

Niketamied; prepare en mengsels daarvan.

*Nimorasool (voorheen nitrimidasien); prepare en mengsels daarvan.

Niridasool; prepare en mengsels daarvan.

Nitrimidasien: Sien Nimorasool.

Nitrofurantoin en sy soute; prepare en mengsels daarvan, uitgesonderd prepare daarvan bedoel vir aanwending aan die vel en uitgesonderd prepare en mengsels wat ingevolge die bepalings van die Wet op Misstawwe, Veevoedsel, Landboumiddels en Vee-middels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Nitrofurason en sy soute; prepare en mengsels daarvan, uitgesonderd prepare bedoel vir aanwending aan die vel en uitgesonderd prepare en mengsels wat ingevolge die bepalings van die Wet op Misstawwe, Veevoedsel, Landboumiddels en Vee-middels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Nitroksolien en sy soute; prepare en mengsels daarvan.

*Obidoksiem (voorheen toksogonien) en sy soute; prepare en mengsels daarvan.

Oksamnikiën; prepare en mengsels daarvan.

Oksoliensuur; prepare en mengsels daarvan.

Oogprepare wat oppervlak-anestetika bevat.

Pankuronium en sy soute; prepare en mengsels daarvan.

Penisillamien; prepare en mengsels daarvan.

Pentamidiënsetionaat; prepare en mengsels daarvan.

Perheksiliënmaleaat; prepare en mengsels daarvan.

Pikrotoksien; prepare en mengsels daarvan.

Pilokarpien en sy soute; prepare en mengsels daarvan, uitgesonderd oogprepare daarvan bedoel vir gloukoom.

Pilocarpine and its salts; preparations and admixtures thereof except ophthalmic preparations thereof when intended for glaucoma.

Piribedil and its salts; preparations and admixtures thereof.

Piromidic acid; preparations and admixtures thereof.

Polyglycerylene-dextran and its salts; preparations and admixtures thereof.

Prazosin and its salts; preparations and admixtures thereof.

Procaine amide; preparations and admixtures thereof.

Procarbazine; preparations and admixtures thereof.

Proquazone; preparations and admixtures thereof.

*Propanediol, its derivatives and its salts; preparations and admixtures thereof excluding guaiphenesin, chlorphenesin and mephensin.

Propylhexedrine and its salts; preparations and admixtures thereof except when used as a vasoconstrictor and decongestant in nose preparations and in inhalants.

Pyridinolcarbamate; preparations and admixtures thereof.

Pyridostigmine and its salts; preparations and admixtures thereof.

Rauwolfia serpentina; preparations and admixtures containing 0,1 per cent or more of its alkaloids or their derivatives.

Rimiterol and its salts; preparations thereof for injection.

Salbutamol and its salts; preparations thereof for injection.

Salmefamol; preparations thereof for injection.

Sodium aurothiomalate; preparations and admixtures thereof.

Sodium dihydroazapentacene polysulfonate; preparations and admixtures thereof.

Sodium nitroprusside; preparations and admixtures thereof.

Solcoseryl; preparations and admixtures thereof, except ophthalmic preparations thereof.

Styramate; preparations and admixtures thereof.

Sulfonamides; substances, preparations and admixtures thereof except those substances, preparations and admixtures intended for application to the eyes, nares and vagina, and except those substances, preparations and admixtures registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Suramin; preparations and admixtures thereof.

Suxamethonium and its salts; preparations and admixtures thereof.

Suxethonium and its salts; preparations and admixtures thereof.

Tamoxifen and its salts; preparations and admixtures thereof.

Tetramisole and its salts; preparations and admixtures thereof, except substances, preparations and admixtures registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Thenylidene-lignan P; see Teniposide.

Theophylline and its derivatives; preparations thereof for injection.

*Teniposide (previously thenylidene-lignan P); preparations and admixtures thereof.

Thiabendazole; preparations and admixtures thereof, except preparations and admixtures which are registered

Piribedil en sy soute; prepare en mengsels daarvan.

Piridinolkarbamaat; prepare en mengsels daarvan.

Piridostigmien en sy soute; prepare en mengsels daarvan.

Piromidiensuur; prepare en mengsels daarvan.

Poligliserileendekstran en sy soute; prepare en mengsels daarvan.

Prasosien en sy soute; prepare en mengsels daarvan.

Prokaïenamied; prepare en mengsels daarvan.

Prokarbasien; prepare en mengsels daarvan.

Prokasoon; prepare en mengsels daarvan.

*Propaandiol, sy soute en sy derivate; prepare en mengsels daarvan, uitgesonderd guaifenesien, chloorfenesien en mefenesien.

Propielheksedrien en sy soute; prepare en mengsels daarvan, uitgesonderd wanneer gebruik as 'n blootvatvernouer en ontstuer in neuspreparate en inasemmiddels.

Rauwolfia serpentina; prepare en mengsels wat 0,1 persent of meer van sy alkaloiëde of hulle derivate bevat.

Rimiterol en sy soute; prepare daarvan bedoel vir inspuiting.

Salbutamol en sy soute; prepare daarvan bedoel vir inspuiting.

Salmefamol; prepare daarvan wanneer bedoel vir inspuiting.

Siklofeniel; prepare en mengsels daarvan.

Siklofosamied, sy soute en sy derivate; prepare en mengsels daarvan.

Simetidien en sy soute; prepare en mengsels daarvan.

Sitarabien; prepare en mengsels daarvan.

Solkoseriel; prepare en mengsels daarvan, uitgesonderd oogpreparate daarvan.

Stiramaat; prepare en mengsels daarvan.

Suksametonium en sy soute; prepare en mengsels daarvan.

Suksetonium en sy soute; prepare en mengsels daarvan.

Sulfoonamiede; stowwe, prepare en mengsels daarvan, uitgesonderd die stowwe, prepare en mengsels bedoel vir aanwending aan die oë, neusgate en vagina; en uitgesonderd die stowwe, prepare en mengsels wat ingevolge die bepalings van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 37 van 1947), geregistreer is en verkoop word.

Suramien; prepare en mengsels daarvan.

Tamoksifeen en sy soute; prepare en mengsels daarvan.

Tenilideen-lignan P sien Teniposied.

*Teniposied (voorheen tenilideen-lignan P); prepare en mengsels daarvan.

Teofilien en sy derivate; prepare daarvan vir inspuiting.

Tetramisool en sy soute; prepare en mengsels daarvan, uitgesonderd stowwe, prepare en mengsels wat ingevolge die bepalings van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Tiabendasool; prepare en mengsels daarvan, uitgesonderd prepare en mengsels wat ingevolge die bepalings van die Wet op Misstowwe, Veevoedsel,

and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Thioguanine; preparations and admixtures thereof.

Tinidazole; preparations and admixtures thereof.

Toxogonin; see Obidoxime.

Tranexamic acid; preparations and admixtures thereof.

Triethylene thiophosphoramidate; preparations and admixtures thereof.

Trifluorothymidine; preparations and admixtures thereof.

Trimethoprim; preparations and admixtures thereof.

Trioxsalen; preparations and admixtures thereof.

Tromantadine and its salts; preparations and admixtures thereof.

Tubocurarine and its salts; preparations and admixtures thereof.

Urethane; preparations and admixtures thereof.

Urokinase; preparations and admixtures thereof.

Vanillic acid diethylamide; preparations and admixtures thereof.

Verapamil (iproveratril) and its salts; preparations and admixtures thereof.

Veratrum alkaloids; preparations and admixtures thereof.

Vinblastine and its salts; preparations and admixtures thereof.

Vincamine; preparations and admixtures thereof.

Vincristine and its salts; preparations and admixtures thereof.

SCHEDULE 5

Amitriptyline, its derivatives and its salts; preparations and admixtures thereof.

Amoxapine; preparations and admixtures thereof.

Anaesthetic preparations containing pregnanedione derivatives.

Aponal; preparations and admixtures thereof.

Apronalide; preparations and admixtures thereof.

Arabinosyl cytosine; preparations and admixtures thereof.

Azacyclonol and its salts; preparations and admixtures thereof.

Barbituric acid, its derivatives and its salts, excluding amobarbital, cyclobarbital, pentobarbital, secobarbital and their salts; preparations and admixtures thereof, except preparations and admixtures containing not more than 30 milligrams per minimum recommended or prescribed dose, when intended for continued use in asthma and not more than 50 milligrams per minimum recommended or prescribed dose, when intended for continued use in epilepsy.

Benactyzine, its derivatives and its salts; preparations and admixtures thereof.

Benfluramate and its salts; preparations and admixtures thereof.

Benzoctamine and its salts; preparations and admixtures thereof.

Benzodiazepines, their derivatives and their salts; preparations and admixtures thereof.

Benzquinamide and its salts; preparations and admixtures thereof.

Beta-aminopropylbenzene and beta-aminoisopropylbenzene, any compound structurally derived from either

Landbouwmiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Tinidasool; preparate en mengsels daarvan.

Tioguanien; preparate en mengsels daarvan.

"Toksoگونien" sien Obidoksiem.

Traneksamiensuur; preparate en mengsels daarvan.

Triëtileentiofosforamied; preparate en mengsels daarvan.

Trifluorotimidien; preparate en mengsels daarvan.

Trimetoprim; preparate en mengsels daarvan.

Trioksaleen; preparate en mengsels daarvan.

Tromantadien en sy soute; preparate en mengsels daarvan.

Tubokurarien en sy soute; preparate en mengsels daarvan.

Ureëtan; preparate en mengsels daarvan.

Urokinase; preparate en mengsels daarvan.

Vanilliensuurdiëtiëlamied; preparate en mengsels daarvan.

Verapamiel (iproveratriel) en sy soute; preparate en mengsels daarvan.

Veratrum-alkaloïede; preparate en mengsels daarvan.

Vinblastien en sy soute; preparate en mengsels daarvan.

Vinkamien; preparate en mengsels daarvan.

Vinkristien en sy soute; preparate en mengsels daarvan.

BYLAE 5

Amitriptilien, sy soute en sy derivate; preparate en mengsels daarvan.

Amoksapien; preparate en mengsels daarvan.

Anestetiese preparate wat pregnaandioonderivate bevat.

Aponal; preparate en mengsels daarvan.

Apronalied; preparate en mengsels daarvan.

Arabinosiëlsitosien; preparate en mengsels daarvan.

Asasiklonol en sy soute; preparate en mengsels daarvan.

Barbituursuur, sy derivate en sy soute met uitsondering van amobarbital, siklobarbital, pentobarbital, sekobarbital en hulle soute; preparate en mengsels daarvan, uitgesonderd preparate en mengsels wat hoogstens 30 milligram per minimum aanbevole of voorgeskrewe dosis bevat wanneer bedoel vir aanhoudende gebruik by asma, en hoogstens 50 milligram per minimum aanbevole of voorgeskrewe dosis wanneer bedoel vir aanhoudende gebruik by epilepsie.

Benaktisien, sy derivate en sy soute; preparate en mengsels daarvan.

Benfluramaat en sy soute; preparate en mengsels daarvan.

Benskinamied en sy soute; preparate en mengsels daarvan.

Bensodiasepiene, hul derivate en hulle soute; preparate en mengsels daarvan.

Bensoktamien en sy soute; preparate en mengsels daarvan.

Beta-aminopropiëlbenseen en beta-aminoisopropiëlbenseen, enige verbinding struktureel afkomstig van

of these substances by substitution in the side chain or by ring closure therein (or by both such substitution and such ring closure) and any salt or substance falling under the above; preparations and admixtures thereof (except preparations and admixtures of the above when used as vasoconstrictors and decongestants in antihistamine nose and eye preparations and except when contained in appliances for inhalation in which the substance is absorbed in solid material and excluding ephedrine, etafedrine, N-methylephedrine, N-diethylamino-ethylephedrine, phenylpropanolamine, prenylamine and preparations and admixtures thereof) and except substances listed in Schedules 8 and 9.

Bromine; preparations and admixtures thereof containing 80 milligrams or more of bromine as bromide per recommended daily dose.

Bromisovalum; preparations and admixtures thereof.

Butriptyline and its salts; preparations and admixtures thereof.

Butyrophenones; preparations and admixtures thereof.

Carbamazepine; preparations and admixtures thereof.

Carbromal; preparations and admixtures thereof.

Chloral derivatives; preparations and admixtures thereof.

Chlormezanone; preparations and admixtures thereof, except preparations containing 100 milligrams or less of chlormezanone per minimum recommended or prescribed dose.

Chlorprothixene; preparations and admixtures thereof.

Clomacran and its salts; preparations and admixtures thereof.

Clomethiazole and its salts; preparations and admixtures thereof.

Clophenoxol and its salts; preparations and admixtures thereof.

Clothiapine; preparations and admixtures thereof.

Clozapine; preparations and admixtures thereof.

Cyclobenzaprine and its salts; preparations and admixtures thereof.

Deanol and its derivatives; preparations and admixtures thereof.

Dextropropoxyphene and its salts; preparations and admixtures thereof.

Dothiepin and its salts; preparations and admixtures thereof.

Doxepin and its salts; preparations and admixtures thereof.

Drostanolone propionate; preparations and admixtures thereof.

Echothiopate iodide; preparations and admixtures thereof.

Emylcamate; preparations and admixtures thereof.

Enflurane; preparations and admixtures thereof.

Ethchlorvynol; preparations and admixtures thereof.

Ethinamate, its derivatives and its salts; preparations and admixtures thereof.

Etodroxizine; preparations and admixtures thereof, except preparations and admixtures thereof when used solely as an antihistaminic.

Etomidate; preparations and admixtures thereof.

Fencamfamine and its salts; preparations and admixtures thereof.

Fenfluramine and its salts; preparations and admixtures thereof.

enigene van hierdie twee stowwe deur substitusie in die syketting of deur ringsluiting daarin (of deur sodanige substitusie sowel as ringsluiting) en enige sout of stof wat hieronder val; preparate en mengsels daarvan (uitgesonderd preparate en mengsels van bostaande wanneer dit gebruik word as bloedvaatvernouers en ontstewers in antihistamienneus- en -oogpreparate, en uitgesonderd wanneer dit voorkom in inasemtoestelle waarin die stof in soliede materiaal geabsorbeer is, en uitgesonderd N-diëtielaminoëtiëlefedrien, efedrien, etefedrien, fenielpropanolamien, N-metielefedrien, preniliamien, en preparate en mengsels daarvan) en uitgesonderd stowwe gelys in Bylaes 8 en 9.

Bromisovalum; preparate en mengsels daarvan.

Broom; preparate en mengsels daarvan wat 80 milligram of meer broom as bromied per aanbevole daaglikse dosis bevat.

Butirofenone; preparate en mengsels daarvan.

Butriptilien en sy soute; preparate en mengsels daarvan.

Chloormesanoon; preparate en mengsels daarvan, uitgesonderd preparate wat 100 milligram of minder chloormesanoon per minimum aanbevole of voorgeskrewe dosis bevat.

Chloorprotikseen; preparate en mengsels daarvan.

Chloraalderivate; preparate en mengsels daarvan.

Deanol en sy derivate; preparate en mengsels daarvan.

Dekstropropoksifeen en sy soute; preparate en mengsels daarvan.

Doksepien en sy soute; preparate en mengsels daarvan.

Dotiëpien en sy soute; preparate en mengsels daarvan.

Drostanoloonpropionaat; preparate en mengsels daarvan.

Echotiopaatjodied; preparate en mengsels daarvan.

Emilkamaat; preparate en mengsels daarvan.

Enfluraan; preparate en mengsels daarvan.

Etchloorvinol; preparate en mengsels daarvan.

Etinamaat, sy derivate en sy soute; preparate en mengsels daarvan.

Etodroksisien; preparate en mengsels daarvan, uitgesonderd preparate en mengsels daarvan wanneer uitsluitlik as 'n antihistamien gebruik.

Etomidate; preparate en mengsels daarvan.

Fenetielhidrasien en sy soute; preparate en mengsels daarvan.

Fenfluramien en sy soute; preparate en mengsels daarvan.

Fenkamfamen en sy soute; preparate en mengsels daarvan.

Fenotiasien, sy derivate en sy soute; preparate en mengsels daarvan, uitgesonderd preparate wat prometiasien of dimetotiasien of hulle soute bevat wanneer dit uitsluitlik as 'n antihistamien gebruik word, en uitgesonderd preparate wat prometiasien of sy soute bevat, wanneer dit spesiaal bedoel is vir die behandeling van reissiekte of vir aanwending aan die vel, en uitgesonderd fenotiasien-preparate wat ingevolge die bepalings van die Wet op Misstowwe, Veevoedsel, Landboumiddels en Veemiddels, 1947 (Wet 36 van 1947), geregistreer is en verkoop word.

Fentermien en sy soute; preparate en mengsels daarvan.

Flupenthixol and its salts; preparations and admixtures thereof.

Fluspirilene; preparations and admixtures thereof.

Halothane.

Hedonal and its salts and esters; preparations and admixtures thereof.

Heminevrin; preparations and admixtures thereof.

Hydroxyzine and its salts; preparations and admixtures thereof.

Imipramine, its derivatives and its salts; preparations and admixtures thereof.

Iproniazid and its salts; preparations and admixtures thereof.

Isoflurane; preparations and admixtures thereof.

Ketamine and its salts; preparations and admixtures thereof.

Lithium salts; preparations and admixtures thereof when intended for medicinal use.

Loxapine and its salts; preparations and admixtures thereof.

Maprotiline and its salts; preparations and admixtures thereof.

Mazindol; preparations and admixtures thereof.

Mechlorethamine and its derivatives; preparations and admixtures thereof.

Meclofenoxate and its salts; preparations and admixtures thereof.

Melitracene and its salts; preparations and admixtures thereof.

Mephexalone; preparations and admixtures thereof.

Meproamate; preparations and admixtures thereof.

Methoxyflurane; preparations and admixtures thereof.

Methypyrone and its salts; preparations and admixtures thereof.

Mianserin and its salts; preparations and admixtures thereof.

Molindone and its salts; preparations and admixtures thereof.

Nomifensine and its salts; preparations and admixtures thereof.

Oxyperline and its salts; preparations and admixtures thereof.

Paraldehyde; preparations and admixtures thereof.

Pargyline and its salts; preparations and admixtures thereof.

Pemoline and its complexes; preparations and admixtures thereof.

Phenethylhydrazine and its salts; preparations and admixtures thereof.

Phenothiazine, its derivatives and their salts; preparations and admixtures thereof, except preparations containing promethazine or dimethothiazine or their salts when used solely as an antihistaminic, and except preparations containing promethazine or its salts when specially intended for the treatment of travel sickness or application to the skin, and except phenothiazine preparations registered and sold under the provisions of the Fertilizers, Farm Feeds, Agricultural Remedies and Stock Remedies Act, 1947 (Act 36 of 1947).

Phentermine and its salts; preparations and admixtures thereof.

Pimethixene; preparations and admixtures thereof, except preparations and admixtures thereof when used solely as an antihistaminic.

Pimozide; preparations and admixtures thereof.

Pipradol and its salts; preparations and admixtures thereof.

Flupentiksol en sy soute; prepare en mengsels daarvan.

Fluspirileen; prepare en mengsels daarvan.

Halotaan.

Hedonal en sy soute en esters; prepare en mengsels daarvan.

Heminevrin; prepare en mengsels daarvan.

Hidroksisien en sy soute; prepare en mengsels daarvan.

Imipramien, sy derivate en sy soute; prepare en mengsels daarvan.

Iproniasied en sy soute; prepare en mengsels daarvan.

Isofluraan; prepare en mengsels daarvan.

Karbamasepien; prepare en mengsels daarvan.

Karbromaal; prepare en mengsels daarvan.

Ketamien en sy soute; prepare en mengsels daarvan.

Klomakran en sy soute; prepare en mengsels daarvan.

Klometiasool en sy soute; prepare en mengsels daarvan.

Klopentiksol en sy soute; prepare en mengsels daarvan.

Klosapien; prepare en mengsels daarvan.

Klotapien; prepare en mengsels daarvan.

Litiumsoute; prepare en mengsels daarvan bedoel vir medisinale gebruik.

Loksapien en sy soute; prepare en mengsels daarvan.

Maprotilien en sy soute; prepare en mengsels daarvan.

Masindool; prepare en mengsels daarvan.

Mechlooretamien en sy derivate; prepare en mengsels daarvan.

Mefenoksaloon; prepare en mengsels daarvan.

Meklofenoksaat en sy soute; prepare en mengsels daarvan.

Melitraseen en sy soute; prepare en mengsels daarvan.

Meproamaat; prepare en mengsels daarvan.

Metipriloon en sy soute; prepare en mengsels daarvan.

Metoksifluraan; prepare en mengsels daarvan.

Mianserien en sy soute; prepare en mengsels daarvan.

Molindoon en sy soute; prepare en mengsels daarvan.

Nomifensien en sy soute; prepare en mengsels daarvan.

Oksipertien en sy soute; prepare en mengsels daarvan.

Paraldehyd; prepare en mengsels daarvan.

Pargilien en sy soute; prepare en mengsels daarvan.

Pemolien en sy komplekse; prepare en mengsels daarvan.

Pimetikseen; prepare en mengsels daarvan, uitgesonderd prepare en mengsels daarvan wanneer dit uitsluitlik as 'n antihistamien gebruik word.

Pimosied; prepare en mengsels daarvan.

Pipradol en sy soute; prepare en mengsels daarvan.

Pisotifen; prepare en mengsels daarvan, uitgesonderd prepare en mengsels daarvan wanneer dit uit-

Pizotifen; preparations and admixtures thereof, except preparations and admixtures thereof when used solely as an antihistaminic.

Prolintane and its salts; preparations and admixtures thereof.

Propanidid; preparations and admixtures thereof.

Sulfonmethane; preparations and admixtures thereof.

Sulpyride; preparations and admixtures thereof.

Tiaprider and its salts; preparations and admixtures thereof.

Thiuanosine; preparations and admixtures thereof.

Thiothixene and its salts; preparations and admixtures thereof.

Tranlycypromine and its salts; preparations and admixtures thereof.

Trazodone and its salts; preparations and admixtures thereof.

Trihexyphenidyl and its salts; preparations and admixtures thereof.

L-Tryptophan when for medicinal use.

Viloxazine and its salts; preparations and admixtures thereof.

SCHEDULE 6

Amobarbital, cyclobarbital, pentobarbital, secobarbital and their salts; preparations and admixtures thereof, except preparations and admixtures containing not more than 30 milligrams per minimum recommended or prescribed dose when intended for continued use in asthma and epilepsy.

Chlorphentermine and its salts; preparations and admixtures thereof.

Diethylpropion and its salts; preparations and admixtures thereof.

Glutethimide; preparations and admixtures thereof.

Pentazocine and its salts; preparations and admixtures thereof.

*Phencyclidine, its immediate precursors 1-phenylcyclohexylamine and 1-piperidinocyclohexane-carbonitrile and their salts; preparations and admixtures thereof.

Tilidine and its salts; preparations and admixtures thereof.

SCHEDULE 7

All the substances mentioned in this Schedule include the following:

(a) The isomers of the substances where the existence of such isomers is possible in the specific chemical compound;

(b) the esters and ethers of the substances and the isomers thereof where the existence of such esters and ethers is possible;

(c) the salts of the substances or the isomers thereof or the esters or ethers of the said substances or the isomers thereof, where the existence of such salts is possible; and

(d) all the preparations and admixtures of the substances where such preparations and admixtures are not expressly excluded.

Acetorphine.

Acetyldihydrocodeine; except admixtures containing not more than 2,5 per cent of acetyldihydrocodeine.

Acetylmethadol.

Allylprodine.

Alphacetylmethadol.

Alphameprodine.

sluitlik as 'n antihistamien gebruik word.

Prolintaan en sy soute; prepare en mengsels daarvan.

Propanidied; prepare en mengsels daarvan.

Siklobensaprien en sy soute; prepare en mengsels daarvan.

Sulfonmetaan; prepare en mengsels daarvan.

Sulpiried; prepare en mengsels daarvan.

Tiapried en sy soute; prepare en mengsels daarvan.

Tioguanosien; prepare en mengsels daarvan.

Tiotikseen en sy soute; prepare en mengsels daarvan.

Tranielsipromien en sy soute; prepare en mengsels daarvan.

Trasodoon en sy soute; prepare en mengsels daarvan.

Triheksifenidiel en sy soute; prepare en mengsels daarvan.

L-Triptofaan vir medisinale gebruik.

Viloksasien en sy soute; prepare en mengsels daarvan.

BYLAE 6

Amobarbital, siklobarbital, pentobarbital, sekobarbital en hulle soute; prepare en mengsels daarvan, uitgesonderd prepare en mengsels wat nie meer as 30 milligram per minimum aanbevole of voorgeskrewe dosis bevat nie, en bedoel vir aanhoudende gebruik by asma en epilepsie.

Chloorfentermien en sy soute; prepare en mengsels daarvan.

Diëtielpropioon en sy soute; prepare en mengsels daarvan.

*Fensiklidien, sy direkte voorgangers 1-fenielsikloheksielamien en 1-piperidienosikloheksaan-karbonitriël en hulle soute; prepare en mengsels daarvan.

Glutetimied; prepare en mengsels daarvan.

Pentasosien en sy soute; prepare en mengsels daarvan.

Tilidien en sy soute; prepare en mengsels daarvan.

BYLAE 7

Al die stowwe genoem in hierdie Bylae sluit die volgende in:

(a) Die isomere van die stowwe waar die bestaan van sodanige isomere in die bepaalde chemiese samestelling moontlik is;

(b) die esters en eters van die stowwe en die isomere daarvan waar die bestaan van sodanige esters en eters moontlik is;

(c) die soute van die stowwe of die isomere daarvan of die esters of eters van bedoelde stowwe of die isomere daarvan waar die bestaan van sodanige soute moontlik is; en

(d) alle prepare en mengsels van die stowwe waar sodanige prepare en mengsels nie uitdruklik uitgesluit word nie.

Alfameprodien.

Alfametadol.

Alfaprodien.

Alfasetielmetadol.

Allielprodien.

Anileridien.

Alphamethadol.
 Alphaprodine.
 Anileridine.
 Benzethidine.
 Benzphetamine.
 Benzylmorphine.
 Betacetylmethadol.
 Betameprodine.
 Betamethadol.
 Betaprodine.
 Bezitramide.

Chlorodyne (Tincture of Chloroform and Morphine BPC 1963) or any preparation or admixture thereof described as chlorodyne and containing morphine in any proportion, except admixtures containing not more than 5,0 per cent of chlorodyne in combination with other medicines in such manner that it cannot be recovered by readily applicable means or in a yield which would constitute a risk to public health.

Clonitazene.

Cocaine; except admixtures containing not more than 0,1 per cent of cocaine, calculated as cocaine alkaloid.

Codeine (methylemorphine); except admixtures containing not more than 2,5 per cent of codeine.

Codexime.

Concentrate of poppy straw.

Desomorphine.

Dextromoramide.

Diampromide.

Diethylthiambutene.

Difenoxin (or diphenoxylate); any preparation of difenoxin, except admixtures containing, per dosage unit 0,5 milligram or less of difenoxin, calculated as base, and a quantity of atropine sulphate equal to at least 5,0 per cent of the quantity of difenoxin, calculated as base, which is present in the mixture.

Dihydrocodeine; except admixtures containing not more than 2,5 per cent of dihydrocodeine.

Dihydromorphine.

Dimenoxadol.

Dimepheptanol.

Dimethylthiambutene.

Dioxaphethylbutyrate.

Diphenoxylate; except preparations containing not more than 2,5 milligrams of diphenoxylate, calculated as base, and not less than 25 micrograms of atropine sulphate per dosage unit.

Dipipanone.

Ecgonine, and the esters and derivatives thereof which are convertible to ecgonine and cocaine.

Ethylmethylthiambutene.

Ethylmorphine; except admixtures containing not more than 2,5 per cent of ethylmorphine.

Etonitazene.

Etorphine.

Etoxicidine.

Fenproporex.

Fentanyl.

Furethidine.

Hydrocodone (dihydrocodeinone).

Hydromorfinol (14-hydroxydihydromorphine).

Hydromorphone (dihydromorphinone).

Hydroxypethidine.

Isomethadone.

Ketobemidone.

Asetieldihidrokodeïen; uitgesonderd mengsels wat hoogstens 2,5 persent asetieldihidrokodeïen bevat.

Asetielmetadol.

Asetorfin.

Bensetidien.

Bensfetamien.

Bensielmorfin.

Besitramied.

Betameprodien.

Betametadol.

Betaprodien.

Betasetielmetadol.

Chlorodien (Tinktuur van Chloroform en Morfin BPC 1963) of enige preparaat of mengsel daarvan beskryf as chlorodien en wat morfin in enige verhouding bevat; uitgesonderd mengsels wat hoogstens 5,0 persent chlorodien in samestelling met ander medisinale bestanddele op so 'n wyse bevat dat dit nie maklik of in sodanige mate herwin kan word dat dit 'n gevaar vir die openbare gesondheid inhou nie.

Dekstromoramied.

Desomorfien.

Diampromied.

Diëtieltiambuteen.

Difenoksien (of difenoksiensuur); enige preparaat van difenoksien uitgesonderd mengsels wat per doseringseenheid 0,5 milligram of minder difenoksien, as basis bereken, bevat, en met 'n hoeveelheid atropiensulfaat, gelyk aan minstens 5,0 persent van die hoeveelheid difenoksien, as basis bereken, in die mengsel.

Difenoksilaat; uitgesonderd preparate wat hoogstens 2,5 milligram difenoksilaat, as basis bereken, en minstens 25 mikrogram atropiensulfaat per doseringseenheid bevat.

Dihidrokodeïen; uitgesonderd mengsels wat hoogstens 2,5 persent dihidrokodeïen bevat.

Dihidromorfien.

Dimefeptanol.

Dimenoksadol.

Dimieltiambuteen.

Dioksafetielbutiraat.

Dipipanoon.

Ekgonien en die esters en derivate daarvan wat veranderbaar is in ekgonien en kokaïen.

Etieltieltiambuteen.

Etielmorfien; uitgesonderd mengsels wat hoogstens 2,5 persent etielmorfien bevat.

Etokseridien.

Etonitaseen.

Etorfin.

Fenadoksoon.

Fenampromied.

Fenasosien.

Fendimetrasien.

Fenomorfaan.

Fenoperidien.

Fenproporeks.

Fentaniel.

Folkodien; uitgesonderd mengsels wat hoogstens 2,5 persent folkodien bevat.

Furetidien.

Hidrokodeon (dihidrokodeïnoon).

Hidroksipetidien.

Hidromorfinol (14-hidroksidihidromorfien).

Hidromorfoon (dihidromorfinoon).

Isometadoon.

Ketobemidoon.

Levomoramide.
 Levophenacymorphan.
 Levorphanol.

Mefenorex.
 Metazocine.
 Methadone.
 Methadone-intermediate.
 Methorphan, including levomethorphan and racemethorphan, but excluding dextromethorphan.

Methyl-desorphone.
 Methyl-dihydromorphine.
 Methylphenidate and its derivatives.
 Metopon.

Moramide-intermediate.
 Morpheridine.

Morphine; except preparations and admixtures of morphine containing not more than 0,2 per cent of morphine, calculated as anhydrous morphine, and except admixtures from which morphine cannot be recovered by readily applicable means or in a yield which would constitute a risk to public health. (See also Chlorodyne).

Morphine methobromide and other pentavalent nitrogen morphine derivatives.

Morphine-N-oxide and its derivatives.

Myrophine (myristylbenzylmorphine).

Nicocodine.
 Nicodocodine.
 Nicomorphine.
 Noracemethadol.
 Norcodeine; except admixtures containing not more than 2,5 per cent of norcodeine.
 Norlevorphanol.
 Normethadone.
 Normorphine (demethylmorphine or N-demethylated morphine).
 Norpipanone.

Opium; except admixtures containing not more than 0,2 per cent of morphine calculated as anhydrous morphine. (See also Chlorodyne.)

Oxycodone (14-hydroxydihydrocodeinone or dihydrohydroxycodone).

Oxymorphone (14-hydroxydihydromorphinone or dihydrohydroxymorphinone).

Pethidine, pethidine-intermediate A, pethidine-intermediate B and pethidine-intermediate C.

Phenadoxone.
 Phenampromide.
 Phenazocine.
 Phendimetrazine.
 Phenomorphan.
 Phenoperidine.

Pholcodine; except admixtures containing not more than 2,5 per cent of pholcodine.

Piminodine.
 Piritramide.
 Proheptazine.
 Properidine.
 Propiram.

Racemoramide.
 Racemorphan.

Sufentanil.
 Thebacon.
 Thebaine.
 Trimeperidine.

Klonitaseen.

Kodeïen (metiëlmorfien); uitgesonderd mengsels wat hoogstens 2,5 persent kodeïen bevat.

Kodoksiem.

Kokaïen; uitgesonderd mengsels wat hoogstens 0,1 persent kokaïen, bereken as kokaïenalkaloïed, bevat.

Levofenasiëlmorfaan.

Levomoramied.

Levorfanol.

Mefenoreks.

Metadoon.

Metadoon-intermediër.

Metasosien.

Metiëldesorfien.

Metiëldihidromorfien.

Metiëlfenidaat en sy derivate.

Metopoon.

Metorfaan, insluitende levometorfaan en rasemetorfaan, maar uitgesonderd dekstrometorfaan.

Mirofien (miristiëlbensiëlmorfien).

Moramied-intermediër.

Morferidien.

Morfien; uitgesonderd preparate en mengsels van morfien wat hoogstens 0,2 persent morfien, bereken as anhidriese morfien, bevat en uitgesonderd mengsels waaruit morfien nie maklik of in sodanige mate herwin kan word dat dit 'n gevaar vir die openbare gesondheid inhou nie. (Sien ook chlorodien).

Morfienmetobromied en ander pentavalente stikstof-morfienderivate.

Morfien-N-oksied en sy derivate.

Nikodikodien.

Nikokodien.

Nikomorfien.

Norasimetadol.

Norkodeïen; uitgesonderd mengsels wat hoogstens 2,5 persent norkodeïen bevat.

Norlevorfanol.

Normetadoon.

Normorfien (demetiëlmorfien of N-gedemetileerde morfien).

Norpipanone.

Oksikodoon (14-hidroksidihidrokodeïnoon of dihidrohidroksikodeïnoon).

Oksimorfoon (14-hidroksidihidromorfinoon of dihidrohidroksimorfinoon).

Opium; uitgesonderd mengsels wat hoogstens 0,2 persent morfien, bereken as anhidriese morfien, bevat. (Sien ook chlorodien).

Papawerstrooikonsentraat.

Petidien, petidien-intermediër A, petidien-intermediër B en petidien-intermediër C.

Piminodien.

Piritramied.

Proheptasien.

Properidien.

Propiram.

Rasemoramid.

Rasemorfaan.

Sufentanil.

Tebaïen.

Tebakon.

Trimeperidien.

SCHEDULE 8

All the substances mentioned in this Schedule include the following:

(a) The isomers of the substances where the existence of such isomers is possible in the specific chemical compound;

(b) the esters and ethers of the substances and the isomers thereof where the existence of such esters and ethers is possible;

(c) the salts of the substances or the isomers thereof or the esters or ethers of the said substances or the isomers thereof, where the existence of such salts is possible; and

(d) all the preparations and admixtures of the substances where such preparations and admixtures are not expressly excluded.

Amphetamine.

Bufotenine (N,N-dimethylserotonin).

Cannabis (dagga), the whole plant or any portion or product thereof.

Coca Leaf.

Dexamphetamine.

Diethyltryptamine [3-(2-(diethylamino)-ethyl) -indole].

Dimethyltryptamine [3-(2-(dimethylamino)-ethyl) -indole].

Harmaline (3,4-dihydroharmine).

Harmine [7-methoxy-1-methyl-9H-pyrido (3, 4-b) indole].

Heroin (diacetylmorphine).

Lysergide (lysergic acid diethylamide).

Mescaline (3, 4, 5-trimethoxyphenethylamine).

Methamphetamine.

Methaqualone.

4-methyl-2, 5-dimetoxyamphetamine (DOM) and its derivatives.

Phenmetrazine.

Prepared opium.

Psilocin (4-hydroxydimethyltryptamine).

Psilocybin (4-phosphoryloxy-N, N-dimethyltryptamine).

Tetrahydrocannabinol.

SCHEDULE 9

Amphetamine.

Dexamphetamine.

Note: (a) An * in the Schedules indicates an amendment.

(b) Entries printed in *italic* indicate new additions to the Schedules.

BYLAE 8

Alle stowwe genoem in hierdie Bylae sluit die volgende in:

(a) Die isomere van die stowwe waar die bestaan van sodanige isomere in die bepaalde chemiese samestelling moontlik is;

(b) die esters en eters van die stowwe en die isomere daarvan, waar die bestaan van sodanige esters en eters moontlik is;

(c) die soute van die stowwe of die isomere daarvan of die esters of eters van bedoelde stowwe of die isomere daarvan, waar die bestaan van sodanige soute moontlik is; en

(d) alle preparate en mengsels van die stowwe waar sodanige preparate en mengsels nie uitdruklik uitgesluit word nie.

Amfetamien.

Bereide opium.

Bufotenien (N,N-dimetielseotonin).

Cannabis (dagga), die hele plant of enige gedeelte of produk daarvan.

Deksamfetamien.

Diëtieltriptamien [3-(2-(diëtielamino)-etiel)-indool].

Dimetieliptamien [3 - (2 - (dimetiellamino) - etiel) -indool].

Fenmetrasien.

Harmalien (3,4-dihidroharmien).

Harmien [7-metoksi-1-metiel-9H-pirido (3,4-b) indool].

Heroien (diasetiellormien).

Kokablaar.

Lisergied (lisergiensuurdiëtiellamied).

Meskalien (3,4,5-trimetoksifenetiellamien).

Metakaloon.

Metamfetamien.

4-metiel-2,5-demetoksiamfetamien (DOM) en sy derivate.

Psilosibien (4-fosforieloksi-N,N-dimetieliptamien).

Psilosien (4-hidroksidimetieliptamien).

Tetrahidrokannabinol.

BYLAE 9

Amfetamien.

Deksamfetamien.

Let wel: (a) Die * in die Bylaes dui op 'n wysiging wat aangebring is.

(b) Die kursiefgedrukte gedeeltes dui op nuwe toevoegings aan die Bylaes.
