CONDITIONS OF SERVICE

1. Before a ship is admitted to the Syncrolift the name and full particulars of the ship shall be entered in a book to be kept for that purpose at the Syncrolift office, and the owner, master or agent of the ship shall sign an agreement binding himself to these conditions, and undertaking to pay the applicable charge specified in the Syncrolift Tariff Book.

2. When the ship may lose her turn.

Should a ship not be docked on the day duly appointed for that purpose owing to the default of the master, such ship shall, if the relevant bay be required for other ships, lose her turn in the order shown in the entry book, and the master, owner or agent of such ship shall forfeit the booking fee, if any, and pay to the Namibian Ports Authority the preparation charges which may have been incurred for the reception of such ship.

3. When preference may be given.

Notwithstanding any previous arrangements to the contrary, the Syncrolift Manager may give priority to any ship in a damaged or leaky condition or to a ship that requires a dry-dock for a period not exceeding seventy two hours.

4. No ship to have absolute right to use Syncrolift.

No ship shall have an absolute right to the use of the Syncrolift either in turn or at any other time. The decision of the Syncrolift manager in consultation with the Port Authority in all cases of dispute as to turn shall be final.

5. Ships to be lifted and docked under supervision of a dockmaster.

Every ship shall be lifted and docked under the direction and supervision of the dockmaster and in the presence of the master or other responsible officer whose duty it shall be to be present at the time appointed for lifting and docking, and to remain there until such lifting and docking is completed.

6. When the ship is considered to be properly placed on the cradle.

When the dockmaster has declared a ship to have been properly and safely placed upon the cradle, the master or other responsible officer shall forthwith satisfy himself that his ship has been so properly and safely placed, whereupon the ship shall be deemed to have been properly and safely lifted. The owner, master or duly appointed agent of the vessel docked shall sign the prescribed form stating his/her acceptance of the safe docking.

7. Limit of period of occupation of a Syncrolift Bay.

The Port Authority will limit the occupation on bays to a maximum period of 12 days.

8. Ships failing to leave the Syncrolift.

A ship which fails to leave a Syncrolift bay on the expiration of the period agreed upon may, if the bay be required by another ship, be removed at the expense of

the owner of such ship after twenty four hours written notice has been given. If the ship should not then be capable of being floated, the Port Authority may cause such ship to be made capable of being floated at the expense of its owner.

9. Master to give notice of readiness for ship to leave the Syncrolift.

The master of a ship on the Syncrolift shall give twenty-four hours notice in writing to the Syncrolift manager of his ship's readiness to leave the syncrolift.

10. Supports not to be removed without proper authority.

No person shall remove or alter the position of any of the supports upon which a ship rests whilst on the syncrolift, except by order of the dockmaster.

11. Displacement of weights in or upon a ship in a bay.

No person shall displace or remove any weight in or upon or connected with a ship in a bay on the syncrolift without permission in writing from the dockmaster, and then only after proper arrangements have been made by the master to prevent damage of any kind occurring by reason of such displacement or removal. Full disclosure of material changes in weight distribution must be provided in writing by the Master or his duly appointed agent. All costs and charges connected with any such displacement or removal shall be borne by the owner of the ship.

12. Ships to pay for labour for the shifting of shores, blocks or for other purposes.

The owner of every ship in a bay on the syncrolift, shall pay for all labour supplied by the Namibian Ports Authority for the shifting of shores, blocks or for other purposes connected with the ship after she has been blocked or shored.

13. Discharge of effluent water or refuse by a ship in a bay.

No effluent water, oil or refuse may be discharged from a ship while she is in a bay except by the permission in writing of the dockmaster and then only on such conditions as he may impose in the interest of safe, orderly and efficient harbour working.

14. Cleaning of bays before refloating of ships.

The master of a ship shall, prior to the refloating of the ship, cause the bay occupied by the ship to be cleared and cleaned.

15. Articles supplied by Namibian Ports Authority

The Namibian Ports Authority will supply the following articles free of charge to every ship lifted and docked.:

⇒ Set of blocks for the length of ship given at the time of booking.

⇒ Bilge shores with sufficient wedges.

⇒ First set of capping pieces.

Any expenses incurred by the Namibian Ports Authority in altering or adding to the keel blocks customarily supplied free of charge, shall be borne by the master or owner of the ship.

16. Trimming of vessels.

Vessels should be trimmed to the dockmaster's requirements prior to lifting. If a vessel is move to the Syncrolift in an unsafe trim condition, the cost of moving to

and from the Syncrolift and any further expense(s) shall be borne by the master or owner of the ship.

17. For the purpose of this regulation

“dockmaster” shall mean the officer appointed by the Namibian Ports Authority to take charge of and control the working of the Syncrolift, or the officer acting as such for the time being.

18. The prescribed indemnity to be signed by the owner or his duly appointed agent before the docking procedure commences.

Chapter 5

HIRE OF WHARF CRANES

5.1 HIRE OF CRANES

The charges for the use of wharf cranes, including crane drivers' services, during and outside ordinary working hours, are as follows for each crane per hour or part thereof:

With a lifting capacity of up to 4 tons (4 000 kg)	257.00
With a lifting capacity of 10 tons (10 000 kg)	282.00
With a lifting capacity of 15 tons (15 000 kg)	387.00
With a lifting capacity of 60 tons (60 000 kg)	1,366.00
With a lifting capacity of 100 tons (100 000 kg)	2,278.00

NOTE:

- a. The availability of a crane with a specific lifting capacity or reach is not guaranteed.
- b. The minimum period for which a mobile crane hire is payable is two running hours
- c. When a wharf crane is hired intermittently for several periods during normal working hours on one day by the same hirer, each period is subject to the minimum of 2 hours. The total number of hours charged shall not exceed the total number of hours for the throughout period, calculated from the beginning of the first period until the end of the last period.
- d. Crane hire charges are not payable for lifting stevedoring equipment when the crane used is on hire to the ship concerned, provided the declaration of indemnification is completed, signed and returned to Namport.
- e. Crane hire charges are payable from the time the crane is ordered or from the time it is allocated to the ship, whichever is the later, until the time that the hire is terminated. When work is suspended on discretion of the cargo supervisor owing to a power failure or as a result of wind or cranes becoming defective as a result of a mechanical or electrical defect, and is not replaced by another crane, crane hire, labour or stand-by charges for the crane drivers are not payable when the period of stoppage is one hour or more. As a result of the above stevedores standing charges for the stoppage period are claimable against Namport. This clause should be read in conjunction with clause 9.4 Crane hire charges are payable during all other periods work is suspended, irrespective of the reason for the stoppage.
- f. Where cranes are provided, the master of every ship shall use the cranes for loading or unloading and shall pay according to the prescribed tariff. The General Manager: Operations may, at his or her discretion, grant permission for the ships own deck appliances to be used. Such permission shall be subject to the condition that the prescribed tariff be paid for the crane that would have been utilised, provided such a crane is available if demanded.
