MINISTRY OF HEALTH AND SOCIAL SERVICES

No. 182 2005

NOTIFICATION OF REGISTRATION OF CERTAIN MEDICINES IN TERMS OF THE MEDICINES AND RELATED SUBSTANCES CONTROL ACT, 1965

In terms of section 17 of the Medicines and Related Substances Control Act, 1965 (Act No. 101 of 1965) (hereinafter referred to as the Act), I give notice that the medicines set out in the Schedule have been registered in terms of the Act, subject to the following conditions:

- (a) the manufacture and control of the medicine must be in accordance with the existing Good Manufacturing Practices as required by the World Health Organisation;
- (b) in order to assess compliance with paragraph (a), inspections and investigations may be carried out regularly by inspectors authorised in terms of section 26 of the Act;
- (c) the information in the package insert must, on a regular basis, be updated to conform with the package insert approved by the council;

- (d) the holder of the certificate of registration which is referred to in section 15(4) of the Act, must comply with the Act;
- (e) the registration of the medicine is subject to regular review regarding its quality, safety and efficacy, and the council may, as it considers necessary, vary the registration of the medicine;
- (f) the first two production batches must be validated in accordance with the detailed process validation protocol which was submitted at the time of the application for registration;
- (g) a validation report must be submitted to the council within one month from the date of completion of the validation referred to in paragraph (f); and
- (h) the council may review the registration dossier at such intervals as the council may determine.
