NAMIBIA FINANCIAL INSTITUTIONS SUPERVISORY AUTHORITY

No. 330

2012

UNASSIGNED LONG-TERM INSURANCE AGENTS

The Long-term Insurance Act No. 5 of 1998 (the Act), requires all participants in the local long-term insurance industry to be registered with NAMFISA. Only registered insurers, reinsurers, insurance brokers, reinsurance brokers and insurance agents are allowed to provide services in the long-term insurance industry in Namibia.

The public is therefore advised to confirm the registration of any insurance company, broker or agent with NAMFISA before doing business with them.

With our recent data verification, the agents in the list attached could not be located to confirm their current operational status. NAMFISA, hereby requests the registered agents in the attached list or the general public to notify NAMFISA of their status on whether they are still operating as agents in the insurance industry or not.

Should you still be operating as an agent, kindly notify NAMFISA by providing your latest appointment letter from a registered insurer or broker firm.

You are herewith advised, should NAMFISA not receive any response from you October 2012, your registration will be cancelled in terms of section 59 of the Long-term Insurance Act No. 5 of 1998.

Should you not be operating as an insurance agent any longer, you are requested to submit your cancellation letter together with your original NAMFISA license or alternatively a police declaration if you are not in possession thereof.

Should you have any queries about this message or require additional information, feel free to contact us at:
