**INVITATION FOR NOMINATIONS FOR THE BIOSAFETY COUNCIL:
BIOSAFETY ACT, 2006**

In terms of Section 6(3) of the Biosafety Act, 2006 (Act No 7 of 2006), I hereby invite nominations from interested persons and organisations of persons with suitable skills or experience as contemplated in Section 6(2) of the Biosafety Act, 2006, for appointment as members of the Biosafety Council.

The Ministry of Education through the National Commission on Research, Science and Technology is in the process of implementing the Biosafety Act, 2006 (Act No. 7 of 2006) in pursuance of the objectives that are in line with the Cartagena Protocol on Biosafety, a subsidiary protocol of the Convention on Biological Diversity.

The objectives of the Biosafety Act are:

- (a) to introduce a system and procedures for the regulation of Genetically Modified Organisms in Namibia, in order to provide an adequate level of protection to the conservation and sustainable use of biological diversity, taking into account
 - (i) potential risks to the health and safety of humans and potential harmful consequences to the environment that could be posed by genetically modified organisms or genetically modified products; and
 - (ii) social, cultural, ethical and economic considerations:

Provided that lack of scientific knowledge due to insufficient relevant scientific information or scientific consensus should not be interpreted as indicating a particular level of risk, or absence of risk, or an acceptable risk; and

- (b) to provide a framework for responsible research, development and the use of genetic engineering and to manage the potential risks posed by or as a result of gene technology by regulating activities involving the development, production, use, import, export, transport, release into the environment, marketing and other uses of genetically modified organisms and genetically modified products.

To commence with the functions of the Biosafety Council as specified under Section 15 of the Biosafety Act, the Commission on Research, Science and Technology herewith invite nominations to serve on the Biosafety Council as provided by Section 5 of the Biosafety Act and Section 19(1) of the Research, Science and Technology Act, 2004 (Act No. 23 of 2004). Suitably qualified and experienced candidates are invited to submit their nominations under the following subject areas according to Section 6 of the Biosafety Act:

- a) Environmental issues, including environmental assessment;
- b) Public health issues, including food hygiene and food safety;
- c) Animal health and welfare or other related agricultural issues;
- d) Molecular biology;
- e) Law;
