#### APPLICATIONS FOR REGISTRATION OF TRADE MARKS IN NAMIBIA (Applications accepted in terms of Act No. 48 of 1973)

Any person who has grounds for objection to any of the following trade marks, may, within the prescribed time, lodge Notice of Opposition on form SM6 contained in the Second Schedule to the Trade Marks Rules in Namibia, 1973. The prescribed time is two months after the date of advertisement. This period may on application be extended by the Registrar. Where the Gazette is issued late, the period of opposition will count as from the date of issue and a notice relating thereto will be displayed on the public notice board in the Trade Marks Registry.

Formal opposition should not be lodged until after notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the Notice of Opposition is incurred. Failing such notice to the applicant an opponent may not succeed in obtaining an order for costs.

“B” preceding the number indicates Part B of the Trade Mark Register.

Neither the office mentioned hereunder nor Solitaire Press (Pty) Ltd., acting on behalf of the Government of Namibia, guarantee the accuracy of this publication or undertake any responsibility for errors or omissions or their consequences.

M. POGISHO

The mark consists of a label applied to a packet or container for goods having the appearance as symbolised by the representation of a label affixed to the application form. In use the label displays writing and/or other features. The areas at the top and middle of the mark, marked "1" for identification purposes only, indicate where writing, in the form of trade mark matter appears in the mark in use. The blank space, marked "2" for identification purposes only, indicates the location where pictorial matter appears in the mark in use. Such pictorial matter per se is not an essential part of the mark but its position and location to the other features of the mark is an essential part of the mark. The numeral 2 is not a feature of the mark.
