**NOTIFICATION OF REGISTRATION OF CERTAIN MEDICINES: MEDICINES AND
RELATED SUBSTANCES CONTROL ACT, 2003**

In terms of section 23 of the Medicines and Related Substances Control Act, 2003 (Act No. 13 of 2003), I give notice that the medicines set out in the Schedule have been registered in terms of that Act, subject to the following conditions:

- (a) the manufacture and control of the medicines must be in accordance with the existing current Good Manufacturing Practices as required by the World Health Organisation;
- (b) in order to assess compliance with paragraph (a), an inspection or investigation may be carried out regularly by an inspector authorised in terms of sections 35 of the Act;
- (c) the information contained in the medicine package insert must, on a regular basis, be updated to conform with the package insert approved by the Namibia Medicines Regulatory Council so as to provide accurate information to the user of the medicines;
- (d) the holder of the certificate of registration must comply with the provisions of the Medicines and Related Substances Control Act, 2003;
- (e) the registration of medicine is subject to regular review regarding its quality, safety and efficacy and the Namibia Medicines Regulatory Council may, as it considers necessary, vary the registration of the medicine;
- (f) the first two production batches must be validated in accordance with the detailed process validation protocol which was submitted at the time of the application for registration;
- (g) a validation report must be submitted to the Namibia Medicines Regulatory Council within 30 days from the date of completion of the validation referred to in paragraph (f); and
- (h) the Namibia Medicines Regulatory Council may review the registration dossier and determine the intervals when such review takes place.
