MINISTRY OF HEALTH AND SOCIAL SERVICES

No. 167

2026

EXCLUSION OF CERTAIN MEDICINES FROM OPERATION OF SECTION 18(1): MEDICINES AND RELATED SUBSTANCES CONTROL ACT, 2003

1. Under section 45(1) of the Medicines and Related Substances Control Act, 2003 (Act No. 13 of 2003), after consultation with the Namibia Medicines Regulatory Council, I exclude the medicines listed in Table 1 of the Schedule from the operation of section 18(1) of that Act with effect from 20 May 2026 to 31 May 2027.
2. The exclusion referred to under paragraph 1 is subject to the conditions referred to under paragraph 3 to 8 which the importer must comply with.
3. The importer must –
 - (a) be an authorised importer in terms of section 31(5)(c) of the Act;
 - (b) provide certificates of registration from the country of origin including documents proving that the medicines are authorised for export by the authority of the country of origin;

- (c) provide proof of valid Good Manufacturing Practices (GMP) for medicines in the form of a GMP certificate or GMP closure letter and full inspection reports by the final product manufacturer issued by –
- (i) authorities that Namibia Medicines Regulatory Council aligns with;
 - (ii) a national regulatory authority of a SADC Member State at Maturity Level 3 or 4; or
 - (iii) any WHO Maturity Level 4 listed authority;
- (d) provide certificates of analysis and the manufacture's testing method for the batches to be supplied to Namibia; and
- (e) provide import permits for products under international treaties.
4. Storage conditions of the products must be for Zone IVb ($30\text{ }^{\circ}\text{C} \pm 2\text{ }^{\circ}\text{C} / 75\% \text{ RH} \pm 5\% \text{ RH}$) except for fridge/freezer items, supported by stability study data.
 5. The package inserts/patient information and packaging labels of the medicines listed in Table 1 must contain the minimum information contained in Column 1 and Column 2 of Table 2 and must be in the English language.
 6. The medicines under Table 1 marked with an asterisk are controlled by international treaties and may only be excluded to such extent as is provided for in those treaties.
 7. The documents must be submitted to the Namibia Medicines Regulatory Council prior to importation of the medicine.
 8. The import of these medicines is restricted for distribution to state hospitals and state health facilities.
