MEMORANDUM OF AGREEMENT made and entered into between the GOVERNMENT OF THE REPUBLIC OF SOUTH AFRICA in its RAILWAYS AND HARBOURS ADMINISTRATION (hereinafter referred to as "the Administration"), herein represented by the MINISTER OF TRANSPORT of the Republic of South Africa, of the one part, and FISONS (PROPRIETARY) LIMITED, being a company incorporated with limited liability under the Companies Act, 1926 (hereinafter referred to as "the Company"), of the other part.

1. Pending the approval and sanction of Parliament, which the Administration proposes to seek as soon as may be practicable after the execution of this Agreement, the obligations of the Administration under this Agreement shall be taken to be provisional only. Should the construction of the railway not be authorized by Parliament within a period of twelve months from the date hereof, this Agreement shall lapse, unless renewed by mutual consent.

VERTALING VAN MEMORANDUM VAN OOREENKOMS TUSSEN DIE REGERING VAN DIE REPUBLIEK VAN SUID-AFRIKA IN SY ADMINISTRASIE VAN SPOORWEË EN HAWENS, VAN DIE EEN KANT, EN FISONS (EIENDOMS) BEPERK, VAN DIE ANDER KANT.

MEMORANDUM VAN OOREENKOMS aangegaan tussen DIE REGERING VAN DIE REPUBLIEK VAN SUID-AFRIKA in sy ADMINISTRASIE VAN SPOORWEË EN HAWENS (hierna „die Administrasie” genoem), hierin verteenwoordig deur die MINISTER VAN Vervoer van die Republiek van Suid-Afrika, van die een kant, en FISONS (EIENDOMS) BEPERK, 'n maatskappy ingelyf met beperkte aanspreeklikheid kragtens die Maatskappwyet, 1926 (hierna „die Maatskappy” genoem), van die ander kant.

NADEMAAL die Maatskappy die Administrasie versoek het om 'n spoorlyn met 'n spoerwydte van drie voet ses duim van Kensington tot by 'n eindpunt in die gebied Montague Gardens in die landdrostdistrik Kaapstad in die provinsie die Kaap die Goeie Hoop, 'n afstand van ongeveer vyf myl (hierna „die spoorlyn” genoem), aan te lê, uit te rus, in stand te hou en te eksploteer vir die vervoer van verkeer na en van 'n gebied waarin die Maatskappy sekere nywerheidswerksaamhede uitvoer of waarby hy andersins belang het;

EN NADEMAAL die Administrasie ingestem het, indien en wanneer deur die Parlement daartoe gemagtig, om die spoorlyn aan te lê, uit te rus, in stand te hou en te eksploteer, onderworpe aan die bepalings en voorwaardes hierna uiteengesit;

DERHALWE kom die genoemde partye hierby soos volg ooreen:

1. Hangende die goedkeuring en magtiging van die Parlement, wat die Administrasie voornemens is om aan te vra so spoedig doenlik nadat hierdie ooreenkoms gesluit is, word die verpligtings van die Administrasie kragtens hierdie ooreenkoms slegs as voorlopig beskou. As die aanleg van die spoorlyn nie binne 'n tydperk van twaalf maande na ondertekening hiervan deur die Parlement goedgekeur word nie, verval hierdie ooreenkoms tensy dit met wedersydse toestemming hernuwe word.

2. (1) Na die inwerkingtreding van 'n Parlementsgetwet wat die aanlē en uitrus van die spoorlyn magtig en hierdie ooreenkoms bekratig, en onderworpe daaraan dat die Parlement fondse vir die doel beskikbaar stel, moet die Administrasie met alle redelike spoed voortgaan om die spoorlyn aan te lê en uit te rus: Met dien verstande dat die Administrasie nie aanspreeklik is vir vertraging met die voltooiing van die aanleg en met die uitrus van die spoorlyn weens enige oorsaak hoegenaamd waaroor hy geen geheer het nie.

(2) Die Administrasie het die reg om, na oorlegpleging met die Maatskappy, van tyd tot tyd sulke bykomende spoorlyne of ander geriewe wat regstreeks met die spoorlyn in verband staan, aan te lê of te voorsien as wat hy nodig ag om hom in staat te stel om enige toename in verkeer oor die spoorlyn doeltreffend die hoof te bied. Die koste van enige addisionele treinspore of ander geriewe wat aldus aangelê of voorsien word, word geag deel van die koste van die aanlē en uitrus van die spoorlyn vir die doeleindes van hierdie ooreenkoms uit te maak.

3. (1) Onderworpe aan die goedkeuring van die Parlement verskaf die Administrasie die nodige geld vir die aanlē en uitrus van die spoorlyn waarvan die koste volgens raming ongeveer agthonderdduisend driehuizen sewentig rand (R800,073) sal bedra, met uitsondering van rollende materiaal.

(2) Die roete van die spoorlyn en die ligging van stasies en slyne moet nagenoeg wees soos aangetoon op die bygaande plan wat deur beide partye onderteken is: Met dien verstande dat die Administrasie, na oorlegpleging met die Maatskappy, die roete van die spoorlyn en die ligging van stasies en slyne kan wysig slegs om aan die vereistes van ingenieurswerk te voldoen, onderworpe aan enige beperking opgelê deur die wetteregtelike magtiging waarkragtens die spoorlyn aangelê word.

4. (1) Die spoorlyn moet aangelê en uitgerus word ooreenkomsdig die standaarde wat deur die Administrasie vir soortgelyke lyne aanvaar is en moet gebou word met S.A.S.-spoorstawe van 'n gewig van minstens ses-en-negentig pond per jaart.

(2) Vir die doel van hierdie ooreenkoms sluit die koste van die aanlē en uitrus van die spoorlyn alle uitgaweposte in, met inbegrip van rente, wat ooreenkomsdig die Administrasie se gewone rekeninggebruik teen die spoorlyn in rekening gebring word, maar uitgesonder enige bedrag/

Company to the Administration in terms of clause 9 hereof, and excluding also the capital cost of locomotives, other rolling stock and any equipment used in connection with rolling stock in the working of the railway after completion.

5. (1) When the railway has been completed and has been certified by the Administration's Chief Civil Engineer as being ready for the conveyance of public traffic, it shall forthwith be opened by the Administration for the conveyance of public traffic.

(2) Subject to the provisions of clause 6, the fares, charges and rates for the conveyance of passengers, parcels, livestock and goods of any description, and for the services incidental thereto, shall be those fixed by the Administration from time to time and applicable generally over its railway system.

(3) Nothing contained in this Agreement shall be deemed to diminish or restrict in any way the Administration's statutory power to fix and alter rates and fares.

6. (1) Subject to the provisions hereinafter set forth, the Company undertakes, for so long as a loss may be sustained in the working of the railway on the basis of the fares, charges and rates generally applicable over the Administration's railway system, to hold itself liable for, and to pay to the Administration, in respect of all traffic consigned by it or on its behalf by goods train over the railway or a portion thereof in the direction of Kensington, a special surcharge as hereinafter provided over and above the normal tariff prescribed from time to time in the Official Railway Tariff Book for the conveyance of any such commodity over the Administration's railway system generally. The moneys accruing to the Administration from such special surcharge shall be dealt with in the manner hereinafter provided.

(2) For a period of six months from the date on which the railway is opened for the conveyance of public traffic, the special surcharge mentioned in sub-clause (1) hereof shall be levied at the rate of nineteen cents (R0.19) per ton of 2,000 lbs. or at a proportionate rate per 100 lbs., as the case may be. At the expiration of the said period of six months, and every six months thereafter, for so long as may be necessary in accordance with sub-clause (1) hereof, the Administration shall, in consultation with the Company, review the rate of the aforementioned special surcharge in order to ensure that the amount accruing to the Administration by way of the special surcharge during the financial year in question, shall tally, as nearly as may be, with the amount by which the working costs of the railway exceed the revenue derived therefrom, without taking into account the amount accruing from the aforementioned special surcharge. Depending on what may seem to be necessary in order to attain this object, the rate of the aforementioned special surcharge shall, at the time of such review, be either increased or decreased or left undisturbed for the ensuing period of six months.

7. (1) From the date of opening of the railway for public traffic and for each financial year thereafter for a period of thirty (30) years, the Administration shall prepare and maintain accounts to indicate the results of working the railway, and a copy of each annual statement shall be supplied to the Company at its office in Johannesburg as soon as practicable after the close of each financial year. The accounts shall be prepared in accordance with the Administration's usual accounting practice and the annual statement shall give particulars of expenditure and revenue (with separate reference to the moneys accruing to the Administration from the aforementioned special surcharge) and shall indicate the rates of depreciation and interest charges applied on the capital cost of construction and equipment. It is specifically declared that, for the purpose of calculating such working results, the amount derived from the aforementioned special surcharge paid by the Company and the other senders referred to in clause 12, shall be regarded as part of the revenue earned by the railway.

(2) (a) At the end of each period of five years, calculated from the date on which the railway is officially opened for public traffic, it shall be determined from the annual statements referred to in sub-clause (1) hereof, due regard being had to the provisions of paragraphs (b) to (f) of this sub-clause, whether the results of working the railway during the period of five years in question, show a loss or a surplus, and settlement between the parties shall then be effected as hereinafter set forth in this sub-clause.

(b) If the working results of the railway for any financial year included in such period of five years show a surplus, such surplus shall be retained by the Administration but shall be set off against any loss which has been or may be incurred in the working of the railway during any other financial year included in the same period of five years.

(c) If the working results of the railway show a surplus over any period of five years as set forth in paragraph (a) of this sub-clause, the Company and/or the senders referred to in clause 12, shall have no claim thereto but such surplus shall, depending on the circumstances, either be retained by the Administration or dealt with as prescribed in paragraph (d) of this sub-clause.

(d) If the special surcharge was levied during any portion of such a period of five years it shall be determined whether a loss would have been incurred in the working of the railway during such period of five years had the special surcharge not been levied. Should it be found that no loss would have been incurred, the whole of the proceeds of the special surcharge during the said period of five years shall be used to defray any loss and/or interest on losses that may be incurred in the working of the railway during a succeeding period of five years. Should it be found that a loss would have been incurred, then so much of the said proceeds as exceeds that loss, shall be applied to the purpose aforementioned: Provided that any surplus that may

bedrae wat ingevolge klosule 9 hiervan deur die Maatskappy aan die Administrasie terugbetaal is, en uitgesonder ook die kapitaalkoste van lokomotiewe, ander rollende materiaal en enige uitrusting wat in verband met rollende materiaal gebruik word in die eksplorasie van die spoorlyn nadat dit voltooi is.

5. (1) Nadat die spoorlyn voltooi is en die Administrasie se Siviele Hoofingenieur gesertifiseer het dat dit gereed is vir die vervoer van openbare verkeer, moet dit onverwyd deur die Administrasie oopgestel word vir die vervoer van openbare verkeer.

(2) Onderworp aan die bepalings van klosule 6 is die reisgeld, koste en tariewe vir die vervoer van passasiers, pakkette, lewende hawe en alle soorte goedere en vir aanverwante dienste dieselfde as wat die Administrasie van tyd tot tyd vasstel en wat in die algemeen op sy spoorweë van toepassing is.

(3) Geen bepaling in hierdie ooreenkoms word geag hoegenaamd aan die Administrasie se wetteregtelike bevoegdheid om tariewe en reisgeld vas te stel en te verander, afbreuk te doen of dit te beperk nie.

6. (1) Onderworp aan die bepalings hierna uiteengesit, verbind die Maatskappy hom om, solank as wat daar 'n verlies getoon word met die eksplorasie van die spoorlyn op die grondslag van die reisgeld, koste en tariewe wat in die algemeen op die Administrasie se spoorweë van toepassing is, vir alle verkeer wat deur of ten behoeve van hom per goederetrein in die rigting van Kensington oor die spoorlyn of 'n gedeelte daarvan versend word, aanspreeklik te wees vir 'n spesiale ekstrakoste soos hierna uiteengesit, en om dié spesiale ekstrakoste aan die Administrasie te betaal benewens die gewone tarief wat van tyd tot tyd in die Offisiële Spoorwegtariefboek voorgeskryf word vir die vervoer van sodanige goedere oor die Administrasie se spoorweë in die algemeen. Die gelde wat die Administrasie uit sodanige spesiale ekstrakoste toeval, moet aangewend word soos hierna uiteengesit.

(2) Vir 'n tydperk van ses maande van die datum waarop die spoorlyn vir die vervoer van openbare verkeer oopgestel word, sal die spesiale ekstrakoste in sub-klosule (1) hiervan genoem, gehef word teen die voet van negentien sent (R0.19) per ton van 2,000 lb. of teen 'n proporsionele voet per 100 lb., na gelang van die geval. By verstryking van bedoelde tydperk van ses maande en elke ses maande daarna, solank as wat dit ooreenkomsdig sub-klosule (1) hiervan nodig is, sal die Administrasie, in oorleg met die Maatskappy, die voet waarteen gemelde spesiale ekstrakoste gehef word, in hersiening neem ten einde te verseker dat die bedrag wat gedurende die betrokke boekjaar by wyse van die spesiale ekstrakoste die Administrasie sal toeval, so na as moontlik sal ooreenstem met die bedrag waarmee die bedryfskoste van die spoorlyn die inkomste daarvan (sonder inagneming van die opbrengs van gemelde spesiale ekstrakoste) oorskry. Na gelang van wat nodig blyk te wees ten einde hierdie oogmerk te bereik, word die heffing ten opsigte van bedoelde spesiale ekstrakoste dan by sodanige hersiening of verhoog of verlaag of onveranderd gelaat vir die daaropvolgende tydperk van ses maande.

7. (1) Van die datum waarop die spoorlyn vir openbare verkeer oopgestel word en vir elke daaropvolgende boekjaar vir 'n tydperk van dertig (30) jaar, moet die Administrasie rekenings opstel en hou om die bedryfsresultate van die spoorlyn aan te toon, en 'n afskrif van elke jaarstaat moet so spoedig doenlik na die afsluiting van elke boekjaar aan die Maatskappy op sy kantoor te Johannesburg verstrek word. Die rekenings moet opgestel word ooreenkomsdig die Administrasie se gewone rekeninggebruik en die jaarstaat moet besonderhede verstrek van uitgawe en inkomste (met afsonderlike vermelding van die bedrag wat by wyse van voormalde spesiale ekstrakoste die Administrasie toegeval het), en moet die waardeverminderingstarief asook die rentekoste aantoon wat op die kapitaalkoste van die aanleg en uitrusting toegepas word. Daar word bepaaldelik verklaar dat, vir die doel van die berekening van sodanige bedryfsresultate, die bedrag wat verkry is uit die voormalde spesiale ekstrakoste wat betaal word deur die Maatskappy en die ander afsenders genoem in klosule 12, beskou word as deel van die inkomste wat deur die spoorlyn verdien is.

- (2) (a) Aan die end van elke tydperk van vyf jaar, bereken van die datum waarop die spoorlyn amptelik vir openbare verkeer oopgestel is, word daar aan die hand van die jaarstate genoem in sub-klosule (1) hiervan, en met behoorlike inagneming van die voorstukte van paragraaf (b) tot (f) van hierdie sub-klosule, vasgestel of die bedryfsresultate van die spoorlyn oor die betrokke tydperk van vyf jaar, 'n verlies of 'n surplus aantoon, en geskied daar dan 'n afrekening tussen die partye soos hierna in hierdie sub-klosule bepaal.
(b) Indien die bedryfsresultate van die spoorlyn vir die een of ander boekjaar wat binne so 'n tydperk van vyf jaar val, 'n surplus aantoon, word sodanige surplus deur die Administrasie behou, maar word dit in rekening gebring teen 'n verlies wat, gedurende enige ander boekjaar wat binne dieselfde tydperk van vyf jaar val, in die eksplorasie van die spoorlyn gely is of word.
(c) Indien die bedryfsresultate van die spoorlyn oor enige tydperk van vyf jaar soos in paragraaf (a) van hierdie sub-klosule bedoel, 'n surplus aantoon, het die Maatskappy en/of die afsenders genoem in klosule 12 geen aanspraak daarop nie, maar word sodanige surplus, na gelang van die omstandighede, deur die Administrasie behou of aangewend soos in paragraaf (d) van hierdie sub-klosule bepaal.
(d) Indien die spesiale ekstrakoste gedurende enige gedeelte van so 'n tydperk van vyf jaar gehef is, word daar bepaal of 'n verlies met die eksplorasie van die spoorlyn oor genoemde tydperk van vyf jaar gely sou gewees het as die spesiale ekstrakoste nie gehef was nie. As daar bevind word dat geen verlies gely sou gewees het nie dan word die hele opbrengs van die spesiale ekstrakoste oor genoemde tydperk van vyf jaar aangewend ter bestryding van enige verliese en/of rente op verliese wat gedurende 'n daaropvolgende tydperk van vyf jaar met die eksplorasie van die spoorlyn gely word. As daar bevind word dat 'n verlies wel gely sou gewees het, dan word soveel van bedoelde opbrengs as wat daardie verlies oorskry, vir voornoemde doel aangewend: Met dien verstande dat enige oorskot wat aan die end van die

have accrued at the end of the sixth period of five years shall be retained by the Administration.

- (e) At the end of each month in each financial year, interest shall be calculated at the rate of five per cent. (5%) per annum on the amount by which the aggregate amount of the accumulated loss and the accrued interest up to the end of the preceding month, exceeds the aggregate amount of the profits, if any, up to the end of that month, and the amount of such interest shall be reflected on a separate statement, a copy of which shall be furnished to the Company as soon as practicable after the close of each financial year.
- (f) If the results of working the railway during any period of five years show a loss, the amount of such loss, together with the interest accrued during such period of five years, as reflected in the statements mentioned in paragraph (e), shall be paid by the Company to the Administration within thirty (30) days after the date on which a statement, certified by the Administration's Chief Accountant, indicating the amount for which the Company is liable, shall have been furnished to the Company at its office in Johannesburg. After settlement has been effected between the parties at the end of the sixth period of five years, the Company shall be under no obligation to reimburse the Administration for losses that may thereafter be incurred in the working of the railway.

8. The depreciation charges referred to in sub-clause (1) of clause 7 shall be assessed at the normal rates applicable to the Administration's assets, and the interest charges referred to in sub-clause (2) of clause 4 and sub-clause (1) of clause 7 shall be assessed at the average rate determined by the Administration in accordance with its usual procedure and shall not be specifically loaded against the railway.

9. (1) The Company hereby agrees to repay to the Administration on demand, or within such period as the Administration may in its discretion determine after consultation with the Company, but subject to the final proviso to sub-clause (3) hereof, the total amount of—

- (a) any compensation which the Administration may have paid to any third party or parties whose rights to mine minerals of whatever nature have been injuriously affected as a result of the construction of the railway, in that, by reason of the operation of the Mining Laws, the mining of such minerals under or in the vicinity of the railway is prohibited or restricted; and
- (b) any legal costs incurred by the Administration in settling or contesting any claim for compensation preferred against it by any such third party:

Provided that nothing in this sub-clause contained shall be deemed to impose on the Company any obligation with respect to any minerals, or the injurious affection of any rights to minerals, underlying any land traversed by the railway of which the Administration is the owner at the date of this Agreement.

(2) In the absence of such an agreement as is contemplated in sub-clause (3) hereof, the Administration shall forthwith take all reasonable and proper steps to settle, on the most advantageous terms, any claims for compensation preferred against it by third parties as aforesaid, and shall consult the Company before arriving at a final settlement with any such claimant. If any such claim cannot be settled out of court on terms which, in the opinion of the Company are fair and reasonable, the Administration shall, at the risk and expense of the Company, contest any legal proceedings which the claimant may bring against it for the determination of the amount of the compensation payable. The Administration undertakes that, in regard to the manner in which and the extent to which any such proceedings are to be contested it will, wherever practicable, act in accordance with and give effect to such directions as may be given to it by the Company from time to time during the course of the litigation, including directions to pay any amount into court, or to settle the claim at an agreed figure, or to appeal or not to appeal against any judgment or order of the court of first instance.

(3) With the consent of the Company, the Administration may enter into an agreement with any such claimant whereby the payment of compensation to the claimant in respect of the injurious affection of his rights to minerals is postponed to some future date so as to permit of the amount of the compensation to which the claimant is entitled, being determined more readily and accurately. When the said date arrives, the Administration shall, with due regard to the terms of such agreement and in consultation with the Company, proceed to negotiate for the settlement of any such claim on the most advantageous terms, subject however to the second and third sentences of sub-clause (2) of this clause, which shall be deemed also to form part of this sub-clause, and provided further that the Company shall not be liable to repay to the Administration any amount which the Administration may pay to any such claimant whose claim for compensation is presented to the Administration for payment pursuant to any such agreement as aforesaid, after the lapse of a period of fifty years from the date of the opening of the railway for public traffic.

(4) It is hereby agreed that if, as a result of the construction of the railway, any rights to minerals of whatever nature vested in the Company (whether such rights were acquired before or after the date of this Agreement) are injuriously affected in that, by reason of the operation of the Mining Laws, the mining of such minerals under or in the vicinity of the railway is prohibited or restricted, the Company shall and hereby does unconditionally release the Administration from any and all liability to compensate it, its successors or assigns, in respect of the injurious affection, as aforesaid, of such rights to minerals.

10. The Company agrees that, if at a future date after thirty years but within fifty years of the date of opening the railway for public traffic, the traffic falls off to such an extent that the total volume of traffic carried

sesde vyfjaartydperk opgeloop het, deur die Administrasie behou word.

- (e) Aan die end van elke maand in elke boekjaar, word rente teen die voet van vyf persent (5%) per jaar bereken op die bedrag waarmee die gesamentlike bedrag van die opgehopte verlies en die opgelope rente tot aan die end van die vorige maand, die gesamentlike bedrag van die winste (indien daar was) tot aan die end van daardie maand oorskry, en die bedrag van sodanige rente word op 'n afsonderlike staat aangetoon, waarvan 'n afskrif so spoedig doenlik na die afsluiting van elke boekjaar aan die Maatskappy verstrek moet word.
- (f) Indien die bedryfsresultate van die spoorlyn oor die een of ander tydperk van vyf jaar, 'n verlies aantoon, word die bedrag van sodanige verlies, tesame met die rente wat gedurende daardie tydperk van vyf jaar opgeloop het, soos aangetoon in die state in paragraaf (e) bedoel, deur die Maatskappy aan die Administrasie betaal binne dertig (30) dae na die datum waarop 'n staat, deur die Administrasie se Hoofrekenmeester gesertifiseer, waarin die bedrag aangetoon word waarvoor die Maatskappy aanspreeklik is, aan die Maatskappy op sy kantoor te Johannesburg verstrek is. Nadat die afrekening tussen die partye aan die end van die sesde tydperk van vyf jaar geskied het, rus daar geen verdere verpligting op die Maatskappy om die Administrasie te vergoed vir verliese wat daarna in die eksplotasie van die spoorlyn gely word nie.

8. Die waardeverminderingskoste genoem in sub-klousule (1) van klousule 7 moet bereken word teen die gewone skaal wat op die Administrasie se bates van toepassing is, en die rentekoste gemeld in sub-klousule (2) van klousule 4 en sub-klousule (1) van klousule 7 moet bereken word teen die gemiddelde koers wat deur die Administrasie bepaal word ooreenkomsdig die gewone prosedure, en moet nie spesifiek teen die spoorlyn verhoog word nie.

9. (1) Die Maatskappy stem in om op aanvraag, of binne sodanige tydperk as wat die Administrasie na oorlegpleging met die Maatskappy na goeddunke bepaal, maar onderworpe aan die laaste voorbehoudby sub-klousule (3) hiervan, die totale bedrag van die ondervermelde koste aan die Administrasie terug te betaal—

- (a) enige vergoeding wat die Administrasie betaal het aan 'n derde party of partye wie se regte op minerale van watter aard ook al nadelig getref is as gevolg van die aanleg van die spoorlyn deurdat die ontginning van sodanige minerale onder of in die nabijheid van die spoorlyn ten gevolge van die toepassing van die mynwette verbied of beperk word; en
- (b) enige regskoste wat die Administrasie aangegaan het met die skikking of bestryding van enige eis om vergoeding wat deur so 'n derde party teen hom ingestel is:

Met dien verstande dat die bepalings van hierdie sub-klousule nie geag word die Maatskappy enige verpligting op te lê met betrekking tot enige minerale, of die nadelige aantasting van enige regte op minerale, onder enige grond waaroor die spoorlyn loop en waarvan die Administrasie op die datum van hierdie ooreenkoms die eienaar is nie.

(2) By ontstentenis van 'n ooreenkoms soos in sub-klousule (3) hiervan beoog, moet die Administrasie onverwyld alle redelike en gepaste stappe doen om alle eise om vergoeding wat deur derde partye soos voormeld teen hom ingedien is, op die voordeligste voorwaardes te skik, en moet hy die Maatskappy raadpleeg alvorens hy 'n finale skikking met so 'n eiser aanvaar. Indien sodanige eis nie buite die hof geskik kan word op voorwaardes wat, na die mening van die Maatskappy, billik en redelik is nie, moet die Administrasie op risiko en koste van die Maatskappy enige regsgeding bestry wat die eiser teen die Administrasie instel om die bedrag van die verskuldigde vergoeding te bepaal. Met betrekking tot die wyse waarop so 'n regsgeding bestry word, en die omvang van die verweer, verbind die Administrasie hom om, indien doenlik, te handel volgens en gevolg te gee aan sodanige opdragte as wat die Maatskappy van tyd tot tyd, solank die verrigtinge voortduur, aan hom gee, met inbegrip van opdragte om die een of ander bedrag by die hof in te betaal, of om die eis teen 'n onderling aanvaarde bedrag te skik, of om teen 'n uitspraak of bevel van die hof wat die saak verhoor het, te appelleer of nie daarteen te appelleer nie.

(3) Met die toestemming van die Maatskappy kan die Administrasie met enige sodanige eiser 'n ooreenkoms aangaan waarvolgens die betaling van vergoeding aan die eiser ten opsigte van die nadelige aantasting van sy regte op minerale tot 'n later datum uitgestel word sodat die bedrag van die vergoeding waarop die eiser geregtig is, geredeliker en noukeuriger bepaal kan word. Wanneer die vasgestelde datum aanbreek, sal die Administrasie, met behoorlike inagneming van die voorwaardes van sodanige ooreenkoms en in oorleg met die Maatskappy, onderhandelingsaanknoop om enige sodanige eis op die voordeligste voorwaardes te skik, onderworpe egter aan die tweede en derde sinne van sub-klousule (2) van hierdie klousule, wat geag word ook deel uit te maak van hierdie sub-klousule, en met dien verstande voorts dat die Maatskappy nie verplig sal wees nie om enige bedrag aan die Administrasie terug te betaal wat laasgenoemde betaal aan sodanige eiser wie se eis om vergoeding aan die Administrasie voorgelê word vir betaling ingevolge so 'n ooreenkoms soos voormeld, na verloop van 'n tydperk van vyftig jaar van die datum waarop die spoorlyn vir openbare verkeer oopgestel is.

(4) Daar word hierby ooreengekom dat indien enige regte op minerale, van watter aard ook al, wat by die Maatskappy berus (hetso sodanige regte voor of na die datum van hierdie ooreenkoms verkry is) as gevolg van die aanleg van die spoorlyn nadelig aangetas word deurdat die ontginning van sodanige minerale onder of in die nabijheid van die spoorlyn ten gevolge van die toepassing van die mynwette verbied of beperk word, die Maatskappy die Administrasie hierby onvoorwaardelik onthef van alle aanspreeklikheid om hom, sy opvolgers of regverkrygenders, te vergoed vir die nadelige aantasting, soos voormeld, van sodanige regte op minerale.

10. Die Maatskappy stem in dat indien die verkeer te eniger tyd na dertig jaar, maar binne vyftig jaar na die datum waarop die spoorlyn vir openbare verkeer oopgestel is, in so 'n mate afneem dat dit volgens die

over the railway is, in the opinion of the Administration after consultation with the Company, insufficient to justify the operation of the railway, the Administration shall, unless the Company is prepared to enter into a fresh agreement with the Administration guaranteeing to meet any future losses incurred in working the railway, have the right to uplift the whole or any portion of the railway and, if so uplifted, to recover from the Company an amount equal to the total of the original cost of construction plus any amount subsequently expended on the railway (including expenditure financed from the Administration's Renewals Fund or Betterment Fund) which, in terms of sub-clause (2) of clause 2 hereof, is deemed to form part of the cost of construction and equipment of the railway, *less* the total of

- (a) the depreciation charges raised in respect of the cost of construction and equipment of the railway (including any amount deemed in terms of clause 2 (2), to form part of such cost), from the date of the opening of the railway to such aforementioned future date; and
- (b) the total residual value, determined in accordance with the Administration's usual accounting practice, of such assets or items of material or equipment (included or deemed to be included in the cost of construction and equipment of the railway for the purposes of this Agreement), as the Administration may decide to retain. Any of the aforementioned assets, material and equipment not so retained by the Administration shall become the property of the Company, subject to any conditions of title under which the assets are held by the Administration.

11. If the whole or any portion of the railway is uplifted by the Administration in terms of clause 10, the cost incurred shall be borne by the Company.

12. The Administration undertakes that during such time as the Company remains bound to pay the special surcharge provided for in sub-clause (1) of clause 6, it will make provision in the Official Railway Tariff Book for the payment of a like surcharge at the same rate per ton or at a proportionate rate per 100 lbs., as the case may be, on all traffic consigned by or on behalf of any other senders by goods train over the railway or any portion thereof in the direction of Kensington, and that all moneys derived from such surcharge will be dealt with as provided in clause 7 of this Agreement.

13. There shall be no restriction on the running powers of the Administration in respect of any class of traffic whatever over the railway, and the Administration may construct any line or lines of railway, and consent to the construction of private sidings, in continuation of or as a branch from the railway: Provided that before constructing any such line/s of railway or consenting to the construction of any such private siding, the Administration shall consult the Company and shall take into consideration any representations that the Company may make with respect thereto.

mening van die Administrasie en na oorlegpleging met die Maatskappy, onvoldoende is om die ekploitasié van die spoorlyn te regverdig, die Administrasie die reg het om die hele spoorlyn of 'n gedeelte daarvan op te breek, tensy die Maatskappy bereid is om 'n nuwe ooreenkoms met die Administrasie aan te gaan waarvolgens die Maatskappy hom verbind om in te staan vir enige toekomstige verliese wat met die eksploitasié van die spoorlyn gely word; en indien die spoorlyn aldus opgebreek word, het die Administrasie die reg om 'n bedrag op die Maatskappy te verhaal wat gelykstaan met die totale oorspronklike aanlegkoste plus enige bedrag wat daarna aan die spoorlyn bestee is (met inbegrip van uitgawe gefinansier uit die Administrasie se Vernuwing- of Verbeteringsfonds) en wat ingevolge sub-klausule (2) van klausule 2 hiervan geag word deel uit te maak van die koste om die spoorlyn aan te lê en uit te rus, *min*

- (a) die waardeverminderingkoste gehef ten opsigte van die koste om die spoorlyn aan te lê en uit te rus (met inbegrip van enige bedrag wat ingevolge klausule 2 (2) geag word deel van sodanige koste uit te maak) vanaf die datum van die oopstelling van die spoorlyn tot sodanige voormalde toekomstige datum; en
- (b) die totale restantwaarde, vasgestel ooreenkombig die Administrasie se gewone rekeninggebruik, van sodanige bates, materiaal of uitrusting (wat vir die doeleindes van hierdie ooreenkoms ingesluit is of geag word ingesluit te wees in die koste om die spoorlyn aan te lê en uit te rus) wat die Administrasie besluit om te behou. Die voormalde bates, materiaal en uitrusting wat nie aldus deur die Administrasie behou word nie, word die eiendom van die Maatskappy onderworpe aan alle besitvoorwaardes waarkragtens die Administrasie die bates besit.

11. As die hele spoorlyn of 'n gedeelte daarvan deur die Administrasie ingevolge klausule 10 opgebreek word, dra die Maatskappy die koste wat beloop word.

12. Die Administrasie verbind hom om, solank as wat die Maatskappy onder verpligting bly om die spesiale ekstrakoste soos genoem in sub-klausule (1) van klausule 6 te betaal, voorsiening in die Offisiële Spoortegtariefboek te maak vir die betaling van dergelike ekstrakoste teen dieselfde voet per ton of 'n proporsionele voet per 100 lb., na gelang van die geval, op alle verkeer wat deur of ten behoeve van ander afsenders per goederestrein in die rigting van Kensington oor die spoorlyn of 'n gedeelte daarvan versend word, en dat alle gelde wat uit sodanige ekstrakoste verkry word, volgens voorskrif van klausule 7 van hierdie ooreenkoms bestee sal word.

13. Daar rus geen beperking op die Administrasie se bedryfsbevoegdheid ten opsigte van enige soort verkeer hoogenaamd oor die spoorlyn nie, en die Administrasie kan enige spoorlyn(e) aanlê en toestemming verleen vir die aanlê van private sylne as 'n verlenging of vertakkings van die spoorlyn: Met dien verstande dat alvorens hy sodanige spoorlyn(e) aanlê of toestemming vir die aanlê van sodanige private syln verleen, die Administrasie die Maatskappy moet raadpleeg en alle vertoë in aanmerking moet neem wat die Maatskappy in verband daarmee indien.

- (c) where the elimination of such level crossing is to be effected by means of a bridge or subway for pedestrians, with or without approach roads for diverting road traffic to an existing or contemplated vehicular structure, such portion of the total cost of the work of elimination as the Administration has in terms of such agreement undertaken to bear, but not exceeding seventy-five per cent. of such cost;

Insertion of
new section in
Act 41 of 1960.

75. The following section is hereby inserted after section *eight* of the Level Crossings Act, 1960:

"Cost of certain protective devices or measures may be defrayed from the Fund.

8bis. (1) If the committee has communicated to the General Manager its opinion that, having regard to the conditions obtaining at a particular level crossing, whether or not such crossing is included in the list, it would be desirable in the public interest that flashing lights, booms or gates or any other kind of protective measure be provided or adopted at that crossing, and

- (c) waar die uitskakeling van so 'n spooroorgang bewerkstellig moet word deur middel van 'n brug of duikweg vir voetgangers, met of sonder toegangspaaie om padverkeer na 'n bestaande of beoogde bouwerk vir voertuie af te lei, die gedeelte van die totale koste van die uitskakelingswerk wat die Administrasie ingevolge so 'n ooreenkoms onderneem het om te dra, maar hoogstens vyf-en-sewentig persent van sodanige koste;
 - (d) waar die uitskakeling van so 'n spooroorgang deur middel van 'n pad- of spoorverlegging alleen bewerkstellig moet word, die gedeelte van die totale koste van die uitskakelingswerk wat die komitee volgens goed-dunke bepaal, maar hoogstens die gedeelte van die totale koste van die uitskakelingswerk wat die Administrasie ingevolge so 'n ooreenkoms onderneem het om te dra, of 'n som gelykstaande met vyf-en-sewentig persent van sodanige koste, na gelang van watter bedrag die kleinste is:

Met dien verstande dat waar die spooroorgang waarop so 'n ooreenkoms betrekking het, geleë is op 'n „verklaarde pad“ soos omskryf in artikel *een* van die Wet op Nasionale Paaie, 1935 (Wet No. 42 van 1935), daar uit die Fonds betaal word aan die Nasionale Padfonds ingestel kragtens artikel *vyf* van bedoelde Wet, bo en behalwe 'n bedrag wat ingevolge paragraaf (a), (b), (c) of (d) van hierdie sub-artikel aan die Administrasie betaalbaar is, so 'n bedrag (van hoogstens vyf-en-twintig persent van die koste van die uitskakelingswerk) as wat uit bedoelde Nasionale Padfonds aan 'n provinsiale administrasie of 'n plaaslike bestuur, hetsy volgens wet of uit hoofde van 'n ooreenkoms, ten opsigte van die uitskakelingskoste van daardie spooroorgang betaalbaar is.

(2) Wanneer die Administrasie 'n ooreenkoms aangegaan het met 'n plaaslike bestuur, behalwe 'n afdelingsraad, vir die uitskakeling van 'n spooroorgang geleë op 'n publieke pad binne die gebied van sodanige plaaslike bestuur, is die bepalings van sub-artikel (1) van toepassing: Met dien verstande dat indien die Administrasie ingevolge so 'n ooreenkoms onderneem het om die volle koste van die uitskakelingswerk te dra, of 'n gedeelte van sodanige koste wat groter is as die bedrag wat ingevolge paragraaf (a), (b), (c) of (d) van sub-artikel (1), na gelang van watter toepaslik is, uit die Fonds bestry mag word, en die komitee oortuig is dat die plaaslike bestuur, vanweë sy geldelike omstandighede, nie redelikerwys in staat is om enige bydrae tot sodanige koste te maak nie, of 'n groter bydrae daartoe as wat hy onderneem het om te maak nie, die komitee 'n besluit kan neem waarvolgens daar uit die Fonds bestry moet word die volle koste van die uitskakelingswerk, as die Administrasie ingevolge so 'n ooreenkoms onderneem het om die volle koste te dra, of die gedeelte van bedoelde koste wat die Administrasie aldus onderneem het om te dra: Met dien verstande voorts dat waar die komitee te eniger tyd voor die sluiting van so 'n ooreenkoms aan die Administrasie sy sienswyse te kenne gegee het dat die betrokke plaaslike bestuur, vanweë sy geldelike omstandighede, nie redelickerwys in staat sou wees om vyf-en-twintig persent van die koste aan die uitskakeling van so 'n spooroorgang verbonde te dra nie, en dat die Administrasie geregtig sou wees om 'n groter gedeelte van bedoelde koste as vyf-en-sewentig persent daarvan te dra, en die Administrasie daarna met die plaaslike bestuur ooreenkomen om bedoelde koste in geheel, of 'n groter gedeelte as vyf-en-sewentig persent daarvan te dra, die geval ooreenkomstig die eerste voorbehoudsbepaling by hierdie sub-artikel behandel word en geen verdere besluit van die komitee vereis word nie.”.

(2) Where the adoption of any such protective measure involves recurrent expenditure, such expenditure shall not be defrayed from the Fund for a longer period than that stipulated by the committee in recommending the adoption of that measure: Provided that such period may, in the discretion of the committee, be extended from time to time.

(3) The committee may at any time recommend to the General Manager that any protective device or measure which has been provided or adopted at a level crossing pursuant to a recommendation under sub-section (1), be replaced by a protective device or measure of a different type, and if the Administration thereupon gives effect to such recommendation, the cost involved in providing or adopting such last-mentioned protective device or measure may, subject to the provisions of sub-section (2), be defrayed from the Fund.

(4) Whenever a protective device has been provided at a level crossing pursuant to a recommendation of the committee under this section, there may be defrayed from the Fund, if the committee so decides, in addition to the cost involved in the initial installation of the device, also the cost involved in maintaining it, either for an indefinite time or for such fixed period as the committee may determine: Provided that such fixed period may, in the discretion of the committee, be extended from time to time.

(5) Whenever any protective device, the cost of which has been financed from the Fund in terms of this section, is subsequently removed or dismantled and any usable material is recovered, there shall be paid into the Fund—

- (b) if the Administration decides to dispose of such material, the net proceeds of sale, after deduction of the costs of removal or dismantling.”.

78. (1) 'n Lid van die Nuwe Fonds wat voor die eerste dag van Januarie 1949 tot lidmaatskap daarvan toegelaat is en wat onmiddellik voor die datum van sodanige toelating in 'n tydelyke of 'n los hoedanigheid in diens was, het die reg om te kies, onderworpe aan die hieropvolgende bepalings van hierdie artikel, om tot daardie fonds by te dra ten opsigte van die tydperk van sy onafgebroke diens vóór daardie datum maar nie vanaf 'n vroeër datum nie as dié waarop hy die ouderdom van sestien jaar bereik het, en hy word nie belet om te kies om aldus by te dra nie omdat hy 'n keuse wat hy voorheen ingevolge enige ander wet gehad het, uitgeoefen het of versuim het om dit uit te oefen nie.

(2) Die keuse waarvoor in sub-artikel (1) voorsiening gemaak word, moet uitgeoefen word binne 'n tydperk van drie maande na die datum waarop die Administrasie se hoofrekenmeester aan die lid 'n staat verstrekk van die agterstallige bydraes en rente wat deur hom aan die Nuwe Fonds betaalbaar sal word ingeval hy sou besluit om by te dra ten opsigte van die tydperk van onafgebroke diens wat in daardie sub-artikel bedoel word.

(3) (a) Indien 'n lid kies om ten opsigte van so 'n tydperk van onafgebroke diens by te dra, word daar van hom vereis om agterstallige bydraes aan die Nuwe Fonds te betaal volgens sy ouderdom op die datum vanaf welke bydraes verskuldig is, teen die toepaslike skaal bereken op die pensioengewende emolumente wat hy ontvang het gedurende die tydperk wat gedeck moet word, en moet hy saamgestelde rente betaal op sulke agterstallige bydraes ten opsigte van enige tydperk tot op die datum of datums waarop betaling daarvan werklik geskied, teen die skaal van vier-en-'n-half persent per jaar, driemaandeliks saamgestel.

(b) Bedoelde agterstallige bydraes en rente kan betaal word in een bedrag of in die maandelikse paaiememente wat deur die Administrasie se hoofrekenmeester in oorleg met die betrokke lid bepaal word.

(4) (a) Indien 'n in sub-artikel (1) bedoelde lid te sterwe kom of uit die Diens tree of daaruit afgedank word op grond van bereiking van die leeftydsgrens of as gevolg van ernstige liggaamlike besering sonder sy eie skuld opgedoen of as gevolg van blywende slegte gesondheid of liggaamlike ongeskiktheid ten opsigte waarvan 'n spoorwegeneesheer of sodanige ander praktisyn of raad wat ingevolge die toepaslike pensioenwet voorgeskryf word, nie gesertifiseer het dat dit deur die lid se eie skuld veroorsaak is nie, of ten gevolge van 'n vermindering of reorganisering van personeel—

- (i) voordat die in sub-artikel (2) bedoelde staat aan hom verstrekk is; of
- (ii) binne drie maande nadat sodanige staat aan hom verstrekk is maar voordat hy die in sub-artikel (1) bedoelde keuse uitgeoefen het,

word hy geag te gekies het om by te dra ten opsigte van die tydperk van onafgebroke diens wat in sub-artikel (1) bedoel word, en word enige voordeel wat aan die lid of aan iemand anders ten opsigte van sy dood betaalbaar is, bereken asof die bedrag wat ingevolge sub-artikel (3) betaalbaar is, ten tyde van die lid se dood of uitdienstreding, na gelang van die geval, ten volle betaal was: Met dien verstande dat in die geval van 'n lid wat te sterwe gekom het, daar aan die bepalings van hierdie paragraaf uitvoering gegee word slegs as die lid se weduwee of ander afhanklike daardeur bevoordeel sou word.

(b) Indien 'n lid wat gekies het om by te dra ten opsigte van 'n tydperk van onafgebroke diens soos in sub-artikel (1) bedoel, te sterwe kom of die Diens verlaat om enigeen van die redes genoem in paragraaf (a) van hierdie sub-artikel voordat die bedrae wat ingevolge sub-artikel (3) betaal moet word, ten volle betaal is, word enige voordeel wat aan die lid of aan iemand anders ten opsigte van sy dood betaalbaar is, bereken

- (ii) for the purpose of sub-paragraph (i) the expression "benefit" shall be deemed to include, in relation to a deceased member, the capital sum on which in terms of the applicable pension law, the calculation of any annuity payable to his widow is based.
