(Opmerking II.—Die gelde onder elke item word op dieselfde bedrag bereken.)
3. Vir die nagaan van die ander party se kosterekening soos voorgelê vir taksasie, insluitende voorbereiding vir taksasie, per folio: R3,50.
4. Vir die bywoning van taksasie van die ander party se kosterekening: 5 persent op gelde wat verskyn in die kosterekening soos voorgelê, voor taksasie.
(Opmerking.—Die minimum bedrag ingevolge hierdie item is R25,00.)
5. Voordat die takseermeester 'n kosterekening takseer, moet hy oortuig wees dat die party wat die rekening moet betaal, of sy regsverteenvoorder, behoorlik kennis gekry het van die tyd en plek van sodanige taksasie en dat hy daarop geregtig is om daarby teenwoordig te wees: Met dien verstande dat so 'n kennisgewing nie nodig is nie as die persoon wat vir die betaling van koste aanspreeklik is, skriftelik toegestem het tot taksasie in sy afwesigheid.

(Opmerking I.—Met die oog daarop om die party in wie se guns die koste toegeken is, ten volle te vrywaar teen alle koste wat redelikerwys deur hom aangegaan is in verband met sy eis of verweer en ten einde te verseker dat al sodanige koste gedra word deur die party teen wie die koste toegestaan is, laat die takseermeester by iedere taksasie sodanige koste, vorderings en uitgawes toe as wat vir hom noodsaaklik of gepas voorkom ten einde reg te laat geskied of om die regte van enige party te beskerm, maar behalwe teenoor die party wat dit aangegaan het, word geen koste toegelaat nie wat, na dit vir die takseermeester voorkom, aangegaan of verhoog is deur oorversigtigheid, nalatigheid of 'n fout, of deur die betaling van 'n spesiale geld aan 'n advokaat of deur ander buitengewone uitgawes.)

(Opmerking II.—Die takseermeester is daarop geregtig om te eniger tyd en na goeddunke in buitengewone of besondere gevalle van enige van die bepalings van hierdie tarief af te wyk waar die strenge nakoming daarvan onbillik sou wees, en moet in dié verband die tyd noodsaaklikerwys bestee, die ingewikkeldheid van die aangeleentheid, die aard van die onderwerp in geskil, die bedrag in geskil en alle faktore wat hy as relevant beskou, in ag neem.)

(Opmerking III.—Ten einde die koste van die kopiëring van die stukke of dokumente wat die opdragte aan advokate vergesel, sover moontlik te verminder, laat die takseermeester nie die koste van enige onnodige duplisering toe nie.)

(Opmerking IV.—Waar na die mening van die takseermeester meer as een prokureur noodsaaklikerwys vir die verrigting van enige van die werk deur hierdie tarief gedek, in diens geneem is, is elke sodanige prokureur daarop geregtig om op die basis in hierdie tarief bepaal, vergoed te word vir die werk noodsaaklikerwys deur hom verrig. In elke sodanige geval moet die kosterekenings gesamentlik en terselfdertyd getakseer word.)

(Opmerking V.—'n Folio bestaan uit 100 woorde, vier syfers word as 'n woord getel en enige gedeelte van minder as 25 woorde word nie as 'n bykomende folio toegelaat nie.)

(Opmerking VI.—'n Bladsy bestaan uit ten minste 250 woorde en enige gedeelte van minder as 250 woorde word nie as 'n bykomende bladsy toegelaat nie. Hierdie bepaling het nie betrekking op 'n dokument wat in sy geheel minder as 250 woorde bevat nie.)

[Opmerking VII.—Wanneer daar van die dienste van 'n kostekonsultant gebruik gemaak word om 'n kosterekening op te stel, moet 'n sertifikaat van die prokureur die kosterekening vergesel waarin aangedui word dat—

- (a) die rekening ná ontvangs behoorlik deur hom nagegaan en korrek bevind is;
- (b) iedere beskrywing daarin met betrekking tot werk, tye en getalle in ooreenstemming is met dié wat noodsaaklikerwys deur hom verrig is; en
- (c) die items en tarief streng volgens party-en-party-praktykreëls opgestel is en geëis word.

Die takseermeester kan, waar dit duidelik uit 'n kosterekening blyk dat daar nie aan die vereistes van (a), (b) en (c) hierbo genoem, of gedeeltes daarvan, voldoen is nie, weier om so 'n rekening te takseer. Die takseermeester kan ook, wanneer hy oortuig is dat daar in 'n party-en-party-kosterekening geëis word vir werk wat nie gedoen is nie óf vir werk wat in 'n prokureur-en-kliënt-kosterekening tuishoort, of dat buitensporige gelde gevra word, die prokureur die vergoeding in item G1 vermeld, ontsê, indien meer as 20% van die aantal items of totaal van die gelde van die rekening afgetakseer word.]'

G.—BILLS OF COSTS

In connection with a bill of costs for work done or services rendered by an attorney, such attorney shall be entitled to charge the following:

1. For drawing up the bill of costs, making the necessary copies and attending settlement: 5 per cent of the amount of attorney's fees, either as charged in the bill if not taxed, or as allowed on taxation.
2. For arranging and attending taxation: 5 per cent of the fees allowed.
(Note I.—The minimum fee under each of these items shall be R25,00.)
(Note II.—The fees under each item are calculated on the same amount.)
3. For perusal of the other party's bill of costs, as submitted for taxation, including preparation for taxation, per folio R3,50.
4. For attending taxation of the other party's bill of costs: 5 per cent on fees appearing in the bill of costs as submitted before taxation.
(Note.—The minimum fee under this item shall be R25,00.)

5. Before the taxing master taxes the bill of costs, he shall be convinced that the party who has to pay the account, or his legal representative, was properly notified of the time and place of such taxation and of his right to be present: Provided that such notice is unnecessary where the person liable for payment of costs has consented, in writing, to taxation in his absence.

(Note I.—With a view to affording the party who has been awarded an order for costs full indemnity for all costs reasonably incurred by him in relation to his claim or defence and to ensure that all such costs shall be borne by the party against whom such order has been made, the taxing master shall on every taxation allow such costs, charges and expenses as appear to him to have been necessary or proper for the attainment of justice or for defending the rights of any party, but, save as against the party who incurred them, no costs shall be allowed which appear to the taxing master to have been incurred or increased through overcaution, negligence or mistake, or by payment of a special fee to council or by other unusual expenses.)

(Note II.—The taxing master shall be entitled in his discretion at any time to depart from any of the provisions of this tariff in extraordinary or exceptional circumstances where the strict execution thereof will be unjust, and in this regard shall take into account the time necessarily taken, the complexity of the matter, the nature of the subject-matter in dispute, the amount in dispute and any other factors he considers relevant.)

(Note III.—In order to diminish as much as possible the costs arising from the copying of the record or of documents to accompany the briefs of counsel, the taxing master shall not allow the costs of any unnecessary duplication.)

(Note IV.—Where in the opinion of the taxing master more than one attorney has been necessarily engaged in the performance of any of the work covered by this tariff, each such attorney shall be entitled to be remunerated, on the basis set out in this tariff, for the work necessarily done by him. In each such instance the bills of costs shall be taxed jointly and at the same time.)

(Note V.—A folio shall contain 100 words, four figures to be counted as a word, and any fraction of less than 25 words shall not be allowed as an additional folio.)

(Note VI.—A page shall consist of at least 250 words and any fraction of less than 250 words shall not be allowed as an additional page. This provision bears no relevance to a document which in totality consists of less than 250 words.)

[Note VII.—When the services of a cost consultant are used to draft the bill of costs, a certificate from the attorney shall accompany the bill of costs and shall indicate—

- (a) that the bill was properly perused and found correct after receipt thereof;
- (b) that each description therein with reference to work, time and numbers is in concurrence with what was necessarily done by him; and
- (c) that the items and tariff are drafted and claimed strictly according to party-and-party practice rules.

The taxing master may, where it is evident from the bill of costs that the requirements of the above-mentioned (a), (b) and (c), or parts thereof, are not complied with, refuse to tax such bill. The taxing master may also, when he is convinced that a party-and-party bill of costs is claimed for work not done, or for work which belongs in an attorney-and-client bill of costs or that excessive fees are being charged, deny the attorney the remuneration mentioned in item G1 if more than 20 % of the number of items or the total of fees of the bill are taxed off.]”

DIE BLOMPLANTE VAN AFRIKA

Hierdie publikasie word uitgegee as 'n geïllustreerde reeks, baie na die aard van Curtis se "Botanical Magazine". Die doel van die werk is om die skoonheid en variasie van vorm van die flora van Afrika aan die leser bekend te stel, om belangstelling in die studie en kweek van die inheemse plante op te wek, en om plantkunde in die algemeen te bevorder.

Die meeste van die illustrasies word deur kunstenaars van die Navorsingsinstituut vir Plantkunde gemaak, dog die Redakteur verwelkom geskikte bydraes van 'n wetenskaplike en kunsstandaard afkomstig van verwante inrigtings.

Onder huidige omstandighede word twee dele van die werk in een omslag gepubliseer, maar met onreëlmatige tussenpose; elke deel bevat 10 kleurplate. Intekengeld bedra R15 per uitgawe van twee dele (buitelands R16 per uitgawe): Vier dele per band. Vanaf band 27 is die prys per band in rexine gebind R40; in luukse rexine gebind R45. (Buitelands, rexine gebind R45; luukse band R50).

Verkrygbaar van die Direkteur, Afdeling Landbouinligting, Privaatsak X144, Pretoria.

Verkoopbelasting moet by binnelandse bestellings ingesluit word.

THE FLOWERING PLANTS OF AFRICA

This publication is issued as an illustrated serial, much on the same lines as Curtis's Botanical Magazine, and for imitating which no apology need be tendered.

The desire and object of the promoters of the publication will be achieved if it stimulates further interest in the study and cultivation of our indigenous plants.

The illustrations are prepared mainly by the artists at the Botanical Research Institute, but the Editor welcomes contributions of suitable artistic and scientific merit from kindred institutions.

Each part contains 10 plates. Two parts are published in one cover and costs R15 per issue of two parts (other countries R16 per issue). Two, three or four parts may be published annually, depending on the availability of illustrations. A volume consists of four parts. From Volume 27, the price per volume is: Rexine binding, R40; de luxe binding R45 (other countries, rexine binding R45; de luxe binding R50).

Obtainable from the Director, Division of Agricultural Information, Private Bag X144, Pretoria.

Sales tax must accompany inland orders.

PHYTOPHYLACTICA

Hierdie publikasie bevat artikels oor plantpatologie, mikologie, mikrobiologie, entomologie, nematologie en ander dierkundige plantplae. Vier dele van die tydskrif word per jaar gepubliseer.

Verdienstelike landboukundige bydraes van oorspronklike wetenskaplike navorsing word vir plasing in hierdie tydskrif verwelkom. Voorskrifte vir die opstel van sulke bydraes is verkrygbaar van die Direkteur, Landbou-inligting, Privaatsak X144, Pretoria, aan wie ook alle navrae in verband met die tydskrif gerig moet word.

Die tydskrif is verkrygbaar van bogenoemde adres teen R5 plus AVB per eksemplaar of R20 per jaar, posvry (Buitelands R6,25 per eksemplaar of R25 per jaar).
