(c) Where the sum of the amounts so issued for any service is less than the amount so appropriated for such service, the difference between such sum and such amount

vir die toepassing van die betrokke Begrotingswet as 'n besparing ten opsigte van sodanige diens beskou en kan daar ooreenkomsdig daardie Wet daarvan gehandel word.

Rekening van die Betaalmeester-generaal

4. By die bank word 'n rekening genoem "Rekening van die Betaalmeester-generaal" gehou en alle bedrae wat uit die Skatkisrekening ooreenkomsdig regulasie 3 (1) uitbetaal word, word gekrediteer—

Bewilliging vir die Dienste van 'n Boekjaar

Opstel van Finansierekenings

7. (1) So gou moontlik nadat die rekenings ten opsigte van 'n boekjaar afgesluit is, maar in elke geval binne vier maande na die afsluiting van die boekjaar, moet die Tesourie state opstel van die Skatkisrekening, die Inkomsterekening en alle ander fondse waaraan die Tesourie beheer het.

(2) Sodra die state wat in subregulasie (1) voorgeskryf word, opgestel is, word hulle aan die Kontroleur en Ouditeur-generaal gestuur.

Opstel van Appropriasierekenings

8. So gou moontlik, maar in elke geval binne drie maande na die afsluiting van 'n boekjaar, moet rekenings van die appropriasie van al die dienste wat in die Begrotingswet van daardie boekjaar vervat is, deur die rekenpligtige beampies opgestel en aan die Kontroleur en Ouditeur-generaal deurgestuur word om nagesien te word. Afskrifte van sodanige rekenings word aan die Tesourie gestuur.

Vorm van Appropriasierekenings

9. 'n Appropriasierekening moet aan die ontvangstekant daarvan elke bedrag aantoon wat deur die Wetgewende Vergadering bewillig is vir die diens van die boekjaar waarop die rekening betrekking het en aan die uitgawekant daarvan elke bedrag wat gedurende dieselfde tydperk werklik betaal is. Geen voorskot van die aanwending waarvan 'n rekening nie gestuur is aan en toegelaat is deur die rekenpligtige departement nie, word aan die uitgawekant van die Appropriasierekening ingesluit nie.

State moet Saam met Appropriasierekening Gaan

10. Elke appropriasierekening wat aan die Kontroleur en Ouditeur-generaal gestuur word, gaan vergesel van—

Plan of Accounts

6. A plan of account books and accounts adapted to the requirements of each service, in order to exhibit, in a convenient form the whole of the receipts and payments in respect of each vote or service shall be designed under the superintendence of the Treasury, after consultation with the Controller and Auditor-General, and the Treasury may, from time to time by minute or instruction, prescribe the manner in which each department shall keep its accounts.

Preparation of Finance Accounts

7. (1) As soon as possible after the accounts have been closed in respect of any financial year, but in every case within four months of the close of a financial year, the Treasury shall prepare statements of the Exchequer Account, the Revenue Account and all other funds of which the Treasury may have charge.

(2) The statements prescribed in subregulation (1) shall, as soon as they have been prepared, be transmitted to the Controller and Auditor-General.

Afwykings van hierdie Regulasies

11. 'n Afwyking van hierdie regulasies word toegelaat slegs indien die Tesourie voorafgaande magtiging daartoe verleen het na oorlegpleging met die Kontroleur en Ouditeur-generaal.

Opstel van Finansierekenings

7. (1) So gou moontlik nadat die rekenings ten opsigte van 'n boekjaar afgesluit is, maar in elke geval binne vier maande na die afsluiting van die boekjaar, moet die Tesourie state opstel van die Skatkisrekening, die Inkomsterekening en alle ander fondse waaraan die Tesourie beheer het.

(2) Sodra die state wat in subregulasie (1) voorgeskryf word, opgestel is, word hulle aan die Kontroleur en Ouditeur-generaal gestuur.

Opstel van Appropriasierekenings

8. So gou moontlik, maar in elke geval binne drie maande na die afsluiting van 'n boekjaar, moet rekenings van die appropriasie van al die dienste wat in die begrotingswet van daardie boekjaar vervat is, deur die rekenpligtige beampies opgestel en aan die Kontroleur en Ouditeur-generaal deurgestuur word om nagesien te word. authorised to be issued to the sums which the Treasury considers are required for the payment of current expenditure in respect of such service or purpose or to withhold or suspend the issues out of moneys so appropriated or authorised to be issued if, in the opinion of the Treasury, the financial situation renders such withholding or suspension desirable.

(b) If, by virtue of the provisions of paragraph (a), amounts are issued for any service which together amount to less than the amount appropriated for such service by an appropriation act, the sum of the amounts so issued shall, subject to the provisions of paragraph (c), for all purposes be regarded as the amount appropriated by such Act.

(c) Where the sum of the amounts so issued for any service is less than the amount so appropriated for such service, the difference between such sum and such amount shall for the purpose of the relevant Appropriation Act be regarded as a saving in respect of such service and may be dealt with in accordance with such Act.

Plan of Accounts

6. A plan of account books and accounts adapted to the requirements of each service, in order to exhibit, in a convenient form, the whole of the receipts and payments in respect of each vote or service shall be designed under the superintendence of the Treasury, after consultation with the Controller and Auditor-General, and the Treasury may, from time to time by minute or instruction, prescribe the manner in which each department shall keep its accounts.

Preparation of Finance Accounts

7. (1) As soon as possible after the accounts have been closed in respect of any financial year, but in every case within four months of the close of a financial year, the Treasury shall prepare statements of the Exchequer Account, the Revenue Account and all other funds of which the Treasury may have charge.

(2) The statements prescribed in subregulation (1) shall, as soon as they have been prepared, be transmitted to the Controller and Auditor-General.

Preparation of Appropriation Accounts

8. As soon as possible, but in every case within three months of the close of any financial year, accounts of the appropriation of all the services comprised in the appropriation act for that financial year, shall be prepared by the accounting officers and shall be transmitted for examination to the Controller and Auditor-General. Copies of such accounts shall be sent to the Treasury.

Vorm van Appropriasierekenings

9. 'n Appropriasierekening moet aan die ontvangste-kant daarvan elke bedrag aantoon wat deur die Wetgewende Vergadering bewillig is vir die diens van die boekjaar waarop die rekening betrekking het en aan die uitgawekant daarvan elke bedrag wat gedurende dieselfde tydperk werklik betaal is. Geen voorskot van die aanwending waarvan 'n rekening nie gestuur is aan en toegelaat is deur die rekenpligtige departement nie, word aan die uitgawekant van die appropriasierekening ingesluit nie.

State moet saam met Appropriasierekening gaan

10. Elke appropriasierekening wat aan die Kontroleur en Ouditeur-generaal gestuur word gaan vergesel van—

(a) 'n verduidelikende staat van enige verskil vergeleke met die toekenning wat in bedoelde rekening ingesluit is; en

Afwykings van hierdie Regulasies

11. 'n Afwyking van hierdie regulasies word toegelaat slegs indien die Tesourie vooraf magtiging daartoe verleen het na oorlegpleging met die Kontroleur en Ouditeur-generaal.

(b) Indien, uit hoofde van die bepalings van paragraaf (a), bedrae vir 'n diens betaal word wat gesamentlik minder is as die bedrag wat vir sodanige diens by 'n Begrotingswet bewillig is, word die som van die bedrae aldus betaal, behoudens die bepalings van paragraaf (c), vir alle doeleindeste geag die bedrag te wees wat by sodanige Wet bewillig is.

(c) Waar die som van die bedrae aldus vir 'n diens betaal minder is as die bedrag aldus vir sodanige diens bewillig, word die verskil tussen sodanige som en sodanige bedrag vir die toepassing van die betrokke Begrotingswet as 'n besparing ten opsigte van sodanige diens beskou en kan daar ooreenkomsdig daardie Wet daarmee gehandel word.

(c) any reference to the Secretary of a department or any other person or body shall be deemed to be a reference to the person or body exercising similar powers, authority and functions in the Venda area;

(4) (a) Notwithstanding anything to the contrary in any law contained, the appropriation by an Appropriation Act of moneys for any service or the authorisation by special warrant granted under paragraph (c) of Proclamation R. 59 of 1972 of the issue of moneys for any purpose shall be construed merely as specifying the maximum amount that may be devoted to the service or purpose in question, and the Treasury shall have the power to limit the issues out of moneys so appropriated or authorised to be issued to the sums which the Treasury considers are required for the payment of current expenditure in respect of such service or purpose or to withhold or suspend the issues out of moneys so appropriated or authorised to be issued if, in the opinion of the Treasury, the financial situation renders such withholding or suspension desirable.

(b) If, by virtue of the provisions of paragraph (a), amounts are issued for any service which together amount to less than the amount appropriated for such service by an Appropriation Act, the sum of the amounts so issued shall, subject to the provisions of paragraph (c), for all purposes be regarded as the amount appropriated by such Act.
