3. Die klage en enige begeleidende dokumente moet voorgelê word aan die voorsitter wat die registrator moet gelas—

DEPARTMENT OF HEALTH

No. R. 1189 1 July 1977
THE SOUTH AFRICAN MEDICAL AND DENTAL COUNCIL

The Minister of Health, on the recommendation of the South African Medical and Dental Council, hereby makes the following regulations in terms of section 61 (1) (r) read with section 61 (4) of the Medical, Dental and Supplementary Health Service Professions Act, 1974 (Act 56 of 1974), in substitution for the regulations published under Government Notice R. 2286 of 3 December 1976:

REGULATIONS RELATING TO THE CONDUCT OF INQUIRIES HELD IN TERMS OF SECTION 48 OF THE ACT

1. In these regulations—

“accused” means a person registered in a register kept under section 18 or 32 of the Act in respect of whose profession a professional board has been established in terms of section 15;

“chairman” means the chairman of the professional board;

“professional board” means the professional board established in terms of section 15 of the Act in respect of the profession of the accused.

2. Where a person reports a complaint or charge or allegation of improper or disgraceful conduct to the professional board, such person shall in writing to the registrar set out in concise terms the specific act complained of, and shall be prepared, if so required by the professional board, to bring evidence in support thereof.

3. The complaint and any accompanying documents shall be submitted to the chairman, who shall direct the registrar—

(1) to call for further information from the complainant; or

(2) to forward to the accused the documents received from the complainant or to advise the accused of the nature of the complaint and ask him for an explanation, but warning him that such explanation may be used in evidence against him; or

(3) to refer the case to the professional board.

4. On receipt of the replies asked for under the preceding regulation the registrar shall submit them to the chairman, or, if no replies be received, the registrar shall report to the chairman accordingly. The chairman shall then make his recommendation on the case, and this, together with all other documents concerned, shall be referred to the professional board for consideration.

5. A professional board may cause further investigation to be made and seek such legal advice or other assistance as it may deem necessary.

6. Should a professional board resolve that the complaint, even if substantiated, would not constitute improper or disgraceful conduct, or conduct which, when regard is had to the accused’s profession, would be improper or disgraceful, or for any other reason should be withheld from inquiry, it shall take such action as it may think fit and report such action and the grounds therefor to the council.

7. Should a professional board resolve that the evidence adduced in support of the complaint discloses prima facie evidence of improper or disgraceful conduct, or conduct which, when regard is had to the accused’s profession, is improper or disgraceful, it shall arrange to have the case heard by it.

8. Indien 'n beroepsraad die bevoegdhede aan hom verleen by artikel 48 van die Wet uitoefen, moet hy iemand as pro forma-aanklaer aanstel om die saak aan die beroepsraad voor te lê: Met dien verstande dat die registrateur asdan of 'n lid van die beroepsraad nie aldus aangestel word nie.

9. 'n Beroepsraad kan, behoudens die bepalings van die voorbehoudsbepaling by regulasie 8, 'n persoon aanstel om verrigtinge voort te sit indien die persoon wat kragtens daardie regulasie aangestel is, om die een of ander rede nie in staat is om dit te doen nie.

10. Indien besluit word om 'n ondersoek in te stel, moet die voorsitter of registrateur namens die beroepsraad 'n dagvaarding uitreik in die vorm van Aanhangel A hiervan, gerig aan die beskuldigde. Terselfdertyd moet die voorsitter of registrateur die beskuldigde van 'n kopie van hierdie regulasies voorsien en hom waarsku dat sy skriftelike antwoord as getuenis gebruik kan word. Die beskuldigde kan in alle verrigtinge kragtens hierdie regulasies deur 'n advokaat of prokureur, of albei, bygestaan word.

Die dagvaarding in hierdie regulasie genoem, moet aan die beskuldigde by sy geregistreerde adres beteken of per pos aan hom by sy geregistreerde adres per geregistreerde brief gerig word.

11. In alle gevalle waar die pro forma-aanklaer of die beskuldigde die wens uitspreek om persone as getuies te laat dagvaar, kan die beroepsraad, na goedvinde, die nodige dagvaardings uitreik en kan van die beskuldigde, indien getuies op sy versoek gedagvaar word, 'n deposit vereis voldoende om die daarby betrokke koste te dek, en kan sodanige koste betaal uit die bedrag wat aldus gestort is. Die gelde aan getuies betaalbaar, is soos van tyd tot tyd deur die raad bepaal.

12. By 'n ondersoek ingevolge hierdie regulasies ingestel, is die prosedure soos volg:

(1) Die voorsitter of die registrateur, lees die kennisgewing van die ondersoek gerig aan die beskuldigde voor.

(2) Die beskuldigde word dan deur die voorsitter gevra om "skuldig" of "onskuldig" te pleit op die beskuldiging(s) teen hom: Met dien verstande dat indien die beskuldigde voor die verhoor die registrateur skriftelik by wyse van 'n brief deur hom persoonlik onderteken, verwittig het dat hy "skuldig" pleit op die beskuldiging(s) teen hom, dit in sy afwesigheid as sy pleit aangeteken kan word, in welke geval dit by die beroepsraad berus of hy getuenis oor die beskuldiging(s) wil aanhoor of nie. Indien die beskuldigde "onskuldig" pleit, moet die beroepsraad getuenis ten opsigte van die beskuldiging aanhoor. Indien die beskuldigde weier of in gebreke bly om regstreeks op 'n beskuldiging te pleit, maak die beroepsraad daarvan 'n aantekening en teken hy voorts 'n pleit van "onskuldig" namens die beskuldigde aan, en 'n pleit aldus aangeteken, het dieselfde gevolg asof dit inderdaad aldus gepleit was.

(3) Waar getuenis ten opsigte van enige beskuldiging aangevoer moet word of omdat die beskuldigde "onskuldig" gepleit het, of omdat die beroepsraad besluit het dat getuenis aangevoer moet word, moet die pro forma-aanklaer geleentheid gegee word om sy saak uiteen te sit en daarna om getuenis ter stawing daarvan te lei. Na beëindiging van sodanige getuenis is die pro forma-aanklaer se saak afgesluit.

(4) (a) Indien die beskuldigde teenwoordig of verteenwoordig is, word hy of sy verteenwoordiger geleentheid gegee om sy saak uiteen te sit en om daarna getuenis ter stawing daarvan te lei: Met dien verstande dat die beskuldigde toegelaat moet word, indien hy dit verlang, om sy verweer skriftelik te stel, in welke geval sodanige skriftelike uiteensetting aan die beroepsraad voorgelees sal word.

8. If a professional board exercises the powers conferred upon it by section 48 of the Act, it shall appoint a person to be pro forma complainant to present the case to the professional board: Provided that the registrar for the time being or any member of the professional board shall not be so appointed.

9. A professional board may, subject to the provisions of the proviso to regulation 8, appoint a person to continue proceedings if the person appointed under that regulation is for any reason unable to do so.

10. In the event of an inquiry being resolved upon, the chairman or registrar, on behalf of the professional board, shall issue a summons in the form of Annexure A hereto, addressed to the accused. The chairman or registrar shall at the same time furnish the accused with a copy of these regulations and warn him that his answer in writing may be used in evidence. The accused may be assisted in all proceedings under these regulations by counsel or an attorney, or both.

The summons referred to in this regulation shall be served on the accused at his registered address or forwarded through the Post Office to him at his registered address by registered letter.

11. In all cases where the pro forma complainant or the accused expresses a desire to have persons subpoenaed as witnesses, the professional board may, at its discretion, issue the necessary summonses and may require the accused, if witnesses are summoned at his instance, to deposit a sum of money sufficient to cover the costs thereby entailed, and may pay such costs from the amount so deposited. The fees payable to witnesses shall be as determined from time to time by the council.

12. At an inquiry held in terms of these regulations the procedure shall be as follows:

(1) The chairman or the registrar shall read the notice of the inquiry addressed to the accused.

(2) The accused shall then be asked by the chairman to plead "guilty" or "not guilty" to the charge(s) against him: Provided that if the accused by a personally signed letter notified the registrar before the hearing that he pleads "guilty" to the charge(s) against him, it may be entered as his plea in his absence, in which event the professional board shall have a discretion as to whether or not to hear evidence pertaining to the charge. If the accused pleads "not guilty" the professional board shall proceed to hear evidence pertaining to the charge. If the accused refuses or fails to plead directly to a charge, the professional board shall make a note thereof and enter a plea of "not guilty" on behalf of the accused, and a plea so entered shall have the same result as if it had in fact been so pleaded.

(3) Where evidence pertaining to any charge must be adduced either because the accused has pleaded "not guilty" or because the professional board has resolved that evidence should be adduced, the pro forma complainant shall be given the opportunity of stating his case and thereafter of leading evidence in support thereof. After the conclusion of such evidence the pro forma complainant's case shall be closed.

(4) (a) If the accused is present or is represented, he or his representative shall be given the opportunity of stating his case and thereafter of leading evidence in support of it: Provided that the accused shall be allowed to present his defence in writing, should he so wish, in which event such written exposition shall be read to the professional board.

(b) Indien die beskuldigde afwesig is en hy nie verteenwoordig is nie, word enige skrywe, verklaring, verduideliking of verweer wat hy voorgelê het na aanleiding van 'n versoek ingevolge regulasie 3 (2) of na aanleiding van die dagvaarding uitgereik ingevolge regulasie 10, of beide, aan die beroepsraad voorgelees en as getuenis ontvang.

(c) Nadat die beskuldigde of sy verteenwoordiger sy getuenis gelei het, of, in plek daarvan, sy skriftelike uiteensetting, verklaring, verduideliking of verweer voor gelees is, is sy saak afgesluit.

(5) Die beroepsraad kan, indien hy dit goed ag, toelaat dat verdere getuenis gelei word of deur die pro forma-aanklaer of deur die beskuldigde of sy verteenwoordiger of deur albei nadat hulle sake reeds afgesluit is.

(6) Nadat alle getuenis afgelê is, word die pro forma-aanklaer toegelaat om die beroepsraad toe te spreek oor die getuenis en die reg sposisie, en dit word toegelaat afgesien daarvan of die beskuldigde getuenis gelei het of nie.

(7) Daarna word die beskuldigde of sy verteenwoordiger, indien teenwoordig, insgelyks toegelaat om die beroepsraad toe te spreek.

(8) Die beroepsraad kan na goeddunke die pro forma-aanklaer toelaat om repliek te lewer op regsvraagstukke wat die beskuldigde of sy verteenwoordiger in sy rede geopper het.

13. (1) Lede van die beroepsraad kan, met toestemming van die voorsitter, sodanige vrae aan getuies stel as wat hulle wenslik ag.

(2) Nadat die getuenis van 'n getuie gelewer is, is die teenparty of sy verteenwoordiger geregtig om die getuie te kruisvra; daarna is die voorsitter van die beroepsraad geregtig om enige vrae wat hy self, of wat lede van die beroepsraad met sy toestemming wil stel, aan die getuie te stel. Indien getuenis gelei is, is die persoon wat die getuenis gelei het, daarop geregtig om die getuie te herondervra, maar hy moet sy herondervraging beperk tot aangeleenthede waaroor die getuie gekruisvra is of waaroor die voorsitter aan die getuie vrae gestel het.

14. (1) Alle mondelinge getuenis moet onder eed afgelê word en die beroepsraad kan weier om getuenis toe te laat van enige getuie of deponent by 'n dokument wat nie vir kruisondervraging aanwesig is nie, of wat weier om hom daaraan te onderwerp.

(2) Die verklaring van 'n klaer wat nie persoonlik aanwesig is nie, of van enige getuie ter stawing van die beskuldiging(s) wat nie persoonlik aanwesig is nie, moet in die vorm van 'n beëdigde verklaring wees; die beskuldigde kan egter teen sodanige getuenis beswaar maak indien hy nie in die geleenthed gestel word om die getuie te kruisvra nie: Met dien verstande dat waar die inligting of beskuldiging(s) gebaseer is op die oorkonde van 'n wetlik ingestelde hof, sodanige oorkonde as prima facie-getuenis aanvaar moet word indien dit as 'n ware kopie gesertifiseer is. As dit uitvoerbaar is en regverdig blyk, kan die beroepsraad die getuies wie se getuenis in sodanige oorkonde verskyn, vir doeleindes van kruisondervraging dagvaar.

15. (1) Na afloop van die saak, moet die beroepsraad *in camera* daaroor beraadslaag.

(2) Indien die beskuldigde onskuldig bevind word aan die beskuldiging teen hom ingebring, moet hy onmiddellik dienooreenkomsdig in kennis gestel word, en moet die beroepsraad sy optrede aan die raad rapporteer.

(3) Indien die beroepsraad met betrekking tot enige beskuldiging vasgestel het dat voldoende feite tot sy tevredenheid bewys is om die beskuldiging te staaf, moet hy besluit of die beskuldiging aldus gestaaf, onbetaamlike of skandelike gedrag uitmaak of gedrag wat, indien die beskuldigde se beroep in aanmerking geneem word, onbetaamlik of skandelik is, en moet hy sy bevinding in hierdie verband bekendmaak.

(b) If the accused is absent and he is not represented, any letter, statement, explanation or defence that he put forward as a result of a request in terms of regulation 3 (2) or as a result of the summons issued in terms of regulation 10, or both, shall be read to the professional board and shall be received as evidence.

(c) After the accused or his representative has led his evidence, or his written exposition, statement, explanation or defence has been read instead, his case shall be closed.

(5) The professional board may, if it thinks it desirable, allow further evidence to be led by either the pro forma complainant or the accused or his representative or by both after their cases are already closed.

(6) After all evidence has been given, the pro forma complainant shall be allowed to address the professional board on the evidence and the legal position, and this shall be allowed irrespective of whether the accused has led evidence or not.

(7) Thereafter the accused or his representative, if present, shall likewise be allowed to address the professional board.

(8) If it sees fit, the professional board may allow the pro forma complainant to reply on questions of law which the accused or his representative has raised in his address.

13. (1) Members of the professional board may, with the consent of the chairman, put to the witnesses such questions as they think desirable.

(2) After the evidence of a witness has been given, the opposing party or his representative shall be entitled to cross-examine the witness; thereafter the chairman of the professional board shall be entitled to put to the witness any questions which he wishes to put or which members of the professional board wish to put with his consent. If evidence has been led, the person who led the evidence shall be entitled to re-examine the witness, but shall confine his re-examination to matters on which the witness was cross-examined or on which the chairman put questions to the witness.

14. (1) All oral evidence shall be taken on oath, and the professional board may decline to admit the evidence of any witness or deponent to a document who is not present for, or declines to submit to cross-examination.

(2) The statement of a complainant who is not present in person, or of any witness in support of the charge(s) who is not present in person, shall be in the form of an affidavit; however, the accused may object to such evidence if he is not given the opportunity of cross-examining the witness: Provided that where the information or charge(s) has or have been based on the records of a lawfully constituted court, such records shall be accepted as prima facie evidence provided they have been certified to be a true copy. If it is practicable and appears just, the professional board may subpoena for the purposes of cross-examination the witnesses whose evidence appears in the said records.

15. (1) Upon the conclusion of the case, the professional board shall deliberate thereon *in camera*.

(2) If the accused be found not guilty of the charge preferred against him, he shall be advised accordingly forthwith, and the professional board shall report its action to the council.

(3) If the professional board has determined, regarding any charge, that sufficient facts have been proved to its satisfaction to support the charge, it shall decide whether the charge so supported constitutes improper or disgraceful conduct, or conduct which, when regard is had to the accused's profession, is improper or disgraceful, and it shall announce its finding in this connection.

(4) Na bekendmaking van 'n bevinding soos hierbo uiteengesit, of nadat die beskuldigde "skuldig" gepleit het, en die beroepsraad beslis het dat geen getuienis geleid word nie, moet die pro forma-aanklaer bewys aanvoer van vorige skuldigbevindings van die beskuldigde ingevolge die Wet as enige sodanige skuldigbevinding voorheen teen hom aangeteken is: Met dien verstande dat die pro forma-aanklaer geregtig is om sodanige bewys aan te voer slegs indien die beskuldigde voor die aanvang van die ondersoek in kennis gestel is dat die bewys aangevoer sal word ingeval die beroepsraad hom skuldig sou bevind aan die gedrag waarvan hy aangekla word.

(5) Bewys van vorige skuldigbevindings ingevolge die Wet moet aangevoer word deur middel van 'n sertifikaat onder die hand van die registrator; sodanige sertifikaat moet die beskuldiging bevat wat indertyd teen die beskuldigde ingebring is, die bevinding van die raad, beroepsraad, tugkomitee of uitvoerende komitee van die raad, die straf opgelê, en in die geval van 'n beroepsraad, tugkomitee of die uitvoerende komitee, 'n uittreksel uit die notule van die vergadering van die raad waarop die bevinding bekratig en straf opgelê is: Met dien verstande dat die beskuldigde die reg het om die korrektheid van sodanige sertifikaat te betwissel, en in dié geval moet 'n afskrif van die notule van die verrigtinge by enige ondersoek waarop die beskuldigde skuldig bevind is, voorgelê word, tesame met 'n afskrif van die notule van die vergadering van die raad waarop die bevinding bekratig en die straf opgelê is.

(6) Die voorzitter moet dan aan die pro forma-aanklaer die geleentheid bied om vertoe te rig in verband met die oplegging van 'n gesikte straf.

(7) Die voorzitter moet dan aan die beskuldigde die geleentheid bied om die beroepsraad ter versagting van die straf wat opgelê staan te word, toe te spreek.

Die beskuldigde kan getuienis ter versagting en aanstaande karakter lei of lewer.

(8) Daarna moet die beroepsraad *in camera* beraadslaag omtrent die straf wat opgelê moet word, wat die een of die ander van die volgende moet wees:

- (a) 'n Boete van hoogstens R50; en/of
- (b) 'n waarskuwing; of
- (c) 'n berispeling; of
- (d) 'n berispeling en 'n waarskuwing; of
- (e) skorsing, vir 'n vasgestelde tydperk, in sy praktyk of die verrigting van handelinge wat by uitstek by sy beroep tuishoort; of
- (f) skrapping van sy naam uit die register.

(9) Indien die beroepsraad die beskuldigde skuldig bevind, teken hy sy bevinding aan en verwittig hy die beskuldigde daarvan en verwittig hom terselfdertyd van die straf, die oplegging waarvan hy voornemens is om by die raad aan te beveel en lê hy, voor die eersvolgende vergadering van die raad, aan die raad die notule van die verrigtinge by sodanige ondersoek, tesame met 'n aanbeveling aangaande 'n gepaste straf, voor.

(10) Die beskuldigde is geregtig om skriftelike vertoe tot die raad te rig, voor die eersvolgende vergadering van die raad, ten aansien van die bevinding wat gemaak is en die straf wat deur die beroepsraad aanbeveel is. Sodanige vertoe geskied slegs by wyse van 'n skriftelike memorandum gerig aan die registrator vir voorlegging aan die raad. Die raad oorweeg geen vertoe ten aansien van die straf wat deur die beroepsraad aanbeveel is nie

(4) After an announcement of a finding as aforesaid has been made or after the accused has pleaded "guilty", and the professional board has decided that no evidence shall be led, the pro forma complainant shall adduce evidence of previous convictions of the accused under the Act if any such convictions have previously been recorded against him: Provided that it shall be lawful for the pro forma complainant to adduce such evidence only if notice has been given to the accused prior to the commencement of the inquiry that in the event of the professional board's finding him guilty of the conduct with which he is charged, such evidence will be adduced.

(5) Evidence of previous convictions under the Act shall be adduced by means of a certificate under the hand of the registrator; such certificate shall contain the charge preferred against the accused at the time, the finding of the council, professional board, disciplinary committee or executive committee of the council, the penalty imposed, and in the case of a professional board, disciplinary committee or the executive committee, an extract from the minutes of the meeting of the council at which the finding was confirmed and the penalty was imposed: Provided that the accused shall be entitled to challenge the correctness of such certificate, in which case a copy of the minutes of the proceedings at any inquiry at which the accused was found guilty, together with a copy of the minutes of the meeting of the council at which the finding was confirmed and the penalty was imposed, shall be produced.

(6) The chairman shall then afford the pro forma complainant an opportunity of making representations regarding a suitable penalty to be imposed.

(7) The chairman shall then afford the accused an opportunity of addressing the professional board in mitigation of the penalty to be imposed. The accused may lead or give evidence in mitigation and concerning character.

(8) Thereupon the professional board shall deliberate *in camera* upon the penalty to be imposed, which shall be one or other of the following:

- (a) A fine not exceeding R50; and/or
- (b) a caution; or
- (c) a reprimand; or
- (d) a reprimand and a caution; or
- (e) suspension for a specified period from practising or performing acts specially pertaining to his profession; or
- (f) removal of his name from the register.

(9) If the professional board finds the accused guilty, it shall record its finding and inform the accused thereof and at the same time inform him of the penalty, the imposition of which it intends to recommend to the council, and shall, before the next ensuing meeting of the council, submit the minutes of the proceedings at such inquiry, together with a recommendation as to a fit and proper penalty, to the council.

(10) The accused shall be entitled to make written representations to the council, prior to the next ensuing meeting of the council, regarding the finding made and the penalty recommended by the professional board. Such representations shall be made only in the form of a written memorandum addressed to the registrator for submission to the council. The council shall not consider any representations regarding the penalty recommended by the

tensy sodanige vertoë skriftelik deur die beskuldigde self of syregsverteenwoordiger aan die registrator gerig word. Alle vertoë moet deur die registrator ontvang word voor 'n datum wat die voorsitter ten tyde van die ondersoek moet aankondig.

(11) Indien die raad, na oorweging van notule kragtens regulasie 15 (9) en die vertoë kragtens regulasie 15 (10) voorgelê (as daar is), van oordeel is—

(a) dat die bevinding nie gehandhaaf behoort te word nie, stel hy die bevinding ter syde en verwittig die beskuldigde en die beroepsraad daarvan; of

(b) dat die bevinding korrek is, kan hy aan die beskuldigde 'n straf in regulasie 15 (8) bedoel, oplê.

(12) Die besluit van die raad kragtens regulasie 5 (11) moet aan die betrokke partye meegedeel word, of onmiddellik na die vergadering deur die voorsitter van die raad of op 'n later datum skriftelik deur die registrator, na gelang die raad gelas.

(13) Waar 'n straf opgelê is, stel die registrator die Sekretaris van Gesondheid in kennis van die naam van die persoon wat gestraf is, asook van die aard van die beskuldiging(s) waaraan hy skuldig bevind is en die straf wat opgelê is. Terselfdertyd tref die registrator reëlings vir die publikasie in die *Staatskoerant* in albei ampelike tale van die naam van die betrokke persoon, die beskuldiging(s) waaraan hy skuldig bevind is en die straf wat hom opgelê is.

16. Enige besluit van die beroepsraad ten opsigte van enige aangeleentheid wat in verband met, of gedurende die verloop van 'n ondersoek ontstaan, kan *in camera* geneem word.

17. (1) Indien die beroepsraad van mening is dat dit in die belang van die behoorlike uitvoering van sy pligte is, kan die beroepsraad gelas dat niemand te eniger tyd op enige wyse enige inligting wat die identiteit van 'n bepaalde persoon (uitgesonderd die geregistreerde persoon na wie se gedrag ondersoek ingestel word) waarskynlik aan die lig sal bring, publiseer nie.

(2) Iemand wat 'n bevel kragtens subregulasie (1) uitgereik, oortree of versuim om dit na te kom, is aan 'n misdryf skuldig en by skuldigbevinding strafbaar met 'n boete van hoogstens R50.

18. Die voorsitter kan iemand met voldoende ondervinding van die regspleging aanstel om as assessor teenwoordig te wees by 'n ondersoek en om die beroepsraad in verband met regsvrae, prosedure of bewyslewering van advies te dien.

19. 'n Dagvaarding om as 'n getuie voor die beroepsraad te verskyn, of om aan hom 'n boek, aantekening, dokument of voorwerp voor te lê, moet so na as moontlik in die vorm van Aanhangsel B wees.

20. Die prosedure in hierdie regulasies voorgeskryf is *mutatis mutandis* van toepassing op 'n ondersoek ingestel deur 'n beroepsraad ingevolge artikel 51 van die Wet.

21. Enige boete kragtens regulasie 15 (8) (a) opgelê, kan by wyse van aksie in 'n bevoegde hof verhaal word en moet vir doeleindes van die raad bestee word.

H.6 ALLOCATION AND CHANGE OF NUMBERS

The Postmaster General may at any time allocate any number to a telecommunication line or change the number of a client or the name of an exchange to which a telecommunication line is connected. The Postmaster General may also arrange or re-arrange telecommunication lines and shall not be held liable in any circumstances for any loss or damages of whatever nature arising from such an allocation, change, arrangement or re-arrangement.

H.7 DIRECTORY ENTRIES

(1) A client's name and address (except post-office box or private bag numbers), as well as the telephone or telex numbers allocated to him are inserted once free of charge in each edition of a departmental directory. (2) The insertion of a telephone number in a telex directory, and vice versa, is not permitted.

(3) The insertion of a post-office box or private-bag number with or without the name of the town in the directory is permissible on payment of the prescribed charge.

(4) The Postmaster General may at any time amend or delete an entry in a directory and shall not be held liable for any damages or loss arising from any entry or error in or omission from a directory. If an entry referring to a client is faulty or has been omitted from the directory, the client shall duly inform the Postmaster General in writing.

H.8 PERMISSION FOR INSTALLATION OF A TELECOMMUNICATION LINE

When a prospective client is not the owner of the premises at which he desires a telecommunication line to be installed, he shall obtain the permission of the owner of the premises or otherwise indemnify the Postmaster General against any damages or claims that may arise from the work done in connection with the installation.

H.9 LIABILITY OF CLIENTS FOR FEES, RATES OR CHARGES AND CLASSIFICATION OF TELECOMMUNICATION LINES FOR THE CALCULATION OF FEES, RATES OR CHARGES AND FOR THE PURPOSE OF THE REGULATIONS

(1) Clients are responsible for the payment of fees, rates or charges fixed in accordance with Section 2B (1) (e) of the Post Office Act, 1958 (Act 44 of 1958). Accounts rendered to clients in this connection are prima facie evidence of the amounts due by the clients to the Postmaster General and are payable on presentation.

(2) The Postmaster General may, for the purpose of these regulations or for determining fees, rates or charges classify telecommunication lines into different categories.

H.10 PAYMENT OF RENTAL

(1) Rental shall be payable with effect from the date on which the service is commenced for a minimum period determined by the Postmaster General.

(2) Rental for the use of telecommunication lines shall be payable in advance monthly or for such period as may be determined by the Postmaster General.

H.11 TYDPERK WAARTYDENS TELEKOMMUNIKASIELYNE GEBRUIK MAG WORD

'n Telekommunikasielyn is beskikbaar gedurende die ure wat die Posmeester-generaal vasstel vir die sentrale waarby 'n lyn aangesluit is. Die Posmeester-generaal kan op skriftelik versoek van 'n kliënt sy lyn na 'n ander sentrale verleng vir diens na die sluitingstyd van die sentrale waarby die lyn aangesluit is. Die kliënt is in so 'n geval aanspreeklik vir alle ekstra huur of ander koste wat die verskaffing van dié diens meebring. Die diens kan summerier en sonder kennisgewing ingetrek word as dringende departementele omstandighede dit vereis.

H.12 BEDRAE WAT DEUR DIE POSMEESTER-GENERAAL GEVORDER KAN WORD

(1) Die Posmeester-generaal kan van 'n kliënt vereis dat hy 'n bedrag aan die Posmeester-generaal betaal wat minstens gelyk is aan twee maande se waarde ten opsigte van gelde, tariewe of koste wat betrekking het op 'n telekommunikasielyn waarvan hy gebruik maak. As die kliënt in gebreke bly om hierdie vereiste na te kom, kan die Posmeester-generaal weier om diens te lewer.

(2) Wanneer die gebruik van 'n telekommunikasielyn opgesê of beëindig word en die kliënt—

(i) geen bedrag skuld ten opsigte van gelde, tariewe of koste wat voortgespruit het uit die gebruik van so 'n telekommunikasielyn nie, word 'n bedrag aan die kliënt terugbetaal wat gelyk is aan die bedrag wat kragtens subregulasie (1) betaal is; of

(ii) ten opsigte van gelde, tariewe of koste wat voortgespruit het uit die gebruik van 'n telekommunikasielyn 'n bedrag skuld wat kleiner is as die bedrag wat kragtens subregulasie (1) betaal is, word 'n bedrag gelyk aan die verskil tussen eersgenoemde en laasgenoemde bedrag aan gemelde kliënt terugbetaal.

H.13 FOUTIEWE DEBIETE T.O.V. GETELDE OPROEPEENHEDDE

Indien 'n debiet t.o.v. getelde oproepeenhede wat op 'n kliënt se rekening verskyn, nie korrek is nie omdat die teller wat met die telekommunikasielyn verbind is defek is of nie regstreer nie, moet die Posmeester-generaal die teller so gou doenlik herstel of vervang. Indien daar in sodanige gevalle tot voldoening van die Posmeester-generaal bewys word dat die kliënt minder of meer oproepe gemaak het as wat werklik geregistreer is, word die getal eenhede waarvoor die kliënt vir die betrokke debiettydperk moet betaal, beraam op die gemiddelde maandelikse getal eenhede wat gedurende die ses maande voor die laaste telleraflesing geregistreer is. Indien die kliënt die telekommunikasielyn nog nie ses maande lank gebruik het nie, word die getal eenhede waarvoor betaal moet word, beraam op die gemiddelde maandelikse getal eenhede wat geregistreer is vanaf die datum waarop diens verskaf is.

H.14 DIENSONDERBREKINGS

(1) 'n Telekommunikasielyn word geag in goeie werkende orde te wees totdat die betrokke kliënt die Posmeester-generaal van die teendeel verwittig. Foute wat deur 'n kliënt aangemeld word, word so gou moontlik op departementele koste deur die Posmeester-generaal herstel. Die Posmeester-generaal is onder geen omstandighede aanspreeklik vir enige verlies of skade wat uit enige vertraging by die herstel van die diens of uit die algehele of gedeeltelike onderbreking van die diens voorspruit nie.

(2) Indien 'n kliënt se diens vir 'n ononderbroke tydperk van 14 dae of langer geheel en al buite werking was, kan die Posmeester-generaal 'n huurrabat verleen.

H.11 PERIOD DURING WHICH TELECOMMUNICATION LINES MAY BE USED

A telecommunication line is available during the hours determined by the Postmaster General for the exchange to which a line is connected. The Postmaster General may, at the written request of a client, extend his line to another exchange for service after the closing time of the exchange to which the line is connected. In such a case the client shall be responsible for all the additional rental or other charges involved in the provision of this service. The service may be withdrawn summarily without notice if departmental exigencies so require.

H.12 AMOUNTS THAT MAY BE LEVIED BY THE POSTMASTER GENERAL

(1) The Postmaster General may require a client to pay the Postmaster General an amount at least equal to the value of two months' fees, rates or charges in respect of a telecommunication line used by him. If the client fails to comply with this requirement, the Postmaster General may withhold service.

(2) When the use of a telecommunication line is discontinued or terminated and the client—

(i) owes no amount in respect of fees, rates or charges resulting from the use of such a telecommunication line, an amount equal to the amount paid in terms of subregulation (1) shall be refunded to the client; or

(ii) owes an amount smaller than that paid in terms of subregulation (1) in respect of fees, rates or charges resulting from the use of a telecommunication line, an amount equal to the difference between the former and the latter amounts shall be refunded to such a client.

H.13 INCORRECT DEBITS IN RESPECT OF METERED CALL UNITS

If it is found that a debit in respect of metered call units appearing on a client's account is incorrect because the meter connected to the telecommunication line is faulty or does not register, the Postmaster General shall repair or replace the meter as soon as possible. If in such cases it can be proved to the satisfaction of the Postmaster General that the client has made fewer or more calls than those actually registered, the number of units for which the client must pay for the relative debit period shall be estimated on the average monthly number of units registered during the six months prior to the latest meter reading. If the client has not yet been using the telecommunication line for a period of six months, the number of units for which payment must be made shall be estimated on the average monthly number of units registered from the date on which service was provided.

H.14 INTERRUPTIONS OF SERVICE

(1) A telecommunication line is considered to be in good working order until the client in question notifies the Postmaster General to the contrary. Faults reported by the client shall be repaired as soon as possible by the Postmaster General at departmental expense. The Postmaster General shall under no circumstances be liable for any loss or damages resulting from any delay in restoring the service or from the total or partial interruption of the service.

(2) If a client's service has been totally interrupted for a continuous period of at least 14 days, the Postmaster General may grant a rental rebate.

H.15 OPROEPE OOR TELEKOMMUNIKASIELYNE

(1) Tensy in hierdie regulasies of deur die Posmeester-generaal anders bepaal word, word die koste van 'n oproep oor 'n telekommunikasielyn bereken vanaf die tydstip waarop die verlangde verbinding tot stand gebring is.

(2) Wanneer 'n oproep onderbreek of belemmer is of as gevolg van 'n onderbreking of defek op die telekommunikasielyn nie geslaag het nie, kan die Posmeester-generaal redelike tydsverlenging sonder ekstra koste aan die oproeper toestaan of soveel van die koste as wat na die oordeel van die Posmeester-generaal geregtig is, aan die oproeper terugbetaal.

(3) Ter wille van die algemene doeltreffendheid van telekommunikasielyne kan die Posmeester-generaal 'n oproep of gesprek onderbreek na verloop van ses minute vanaf die tydstip waarop dit begin het, of op enige tydstip daarna.

H.16 STRAF VIR WANBETALING VAN REKENINGS

(1) Indien 'n kliënt agterstallig is met die vereffening van enige rekening wat kragtens regulasie H.9 (1) gelewer is of met die betaling vir 'n veldrukinskrywing of advertensie wat kragtens enige ooreenkoms tussen die huurder en die Poskantoor se amptelike advertensiekontrakteur in die telefoongids gepubliseer is, kan die Posmeester-generaal, as die kliënt in gebreke bly om die rekening te vereffen binne sewe dae na die dag waarop dit betaalbaar geword het, die uitgaande diens of diens in albei rigtings summier sonder enige kennisgewing opskort, die ooreenkoms summier beëindig, die kliënt se gidsinskrywing skrap en sy perseel betree om alle apparaat, drade of enige ander eiendom van die Poskantoor te verwijder. Sodanige optrede doen geen afbreuk aan die reg van die Posmeester-generaal om die verdere stappe te doen wat hy nodig ag om die verskuldigde bedrag in te vorder nie. Die Posmeester-generaal het tewens die reg om as gelikwaardeerde skadevergoeding en nie as boete nie (en bo en behalwe genoemde agterstallige gelde) van 'n kliënt 'n bedrag te eis wat gelyk is aan die onbetaalde huur ten opsigte van die onverstreke gedeelte van die minimum huurtermyn. As 'n kliënt meer as een telekommunikasielyn huur en agterstallig is met sy huur of met die vereffening van 'n ander rekening wat in hierdie regulasies genoem word ten opsigte van 'n telekommunikasielyn wat hy gebruik, kan die Posmeester-generaal gebruik maak van 'n batige saldo voorhande ten opsigte van 'n ander telekommunikasielyn wat die kliënt huur om die bedrag van die uitstaande huur of ander rekening te vereffen of te verminder.

(2) *Aanwending van gedeeltelike betalings.*—Die Posmeester-generaal kan gedeeltelike betalings op rekenings wat ingevolge hierdie regulasies gelewer is na goeddunke toewys.

H.17 HERAANSLUITING VAN DIENS

'n Telekommunikasielyn wat in die een of ander rigting opgeskort is soos in regulasie H.16 bepaal word, kan alleen na betaling van die bedrag van die onbetaalde rekening aangesluit word. 'n Heraansluitingskoste is ook in so 'n geval betaalbaar. As die diens reeds beëindig is, word die heraansluiting as 'n aanvraag om 'n nuwe diens behandel.

H.18 TELEFONIESE AANMANINGSDIENS

Ondanks die bepalings van regulasie H.16 kan die Posmeester-generaal 'n kliënt wie se rekening op die vervaldag nog nie betaal is nie, telefonies waarsku dat sy diens opgeskort sal word tensy die verskuldigde bedrag binne 24 uur na die aanmaning betaal word, met dien verstande dat kliënte uitdruklik vooraf om dié gerief by die Posmeester-generaal moet aansoek doen. 'n Aanmaningsgeld

H.15 CALLS ON TELECOMMUNICATION LINES

(1) Unless otherwise provided in these regulations or by the Postmaster General the charges for a call on a telecommunication line shall be calculated from the moment that the required connection is established.

(2) When a call has been interrupted or obstructed or has failed owing to an interruption or fault in the telecommunication line, the Postmaster General may grant the caller a reasonable extension of time without extra charge or may refund as much of the charge to the caller as may be considered justified by the Postmaster General.

(3) In the interests of the general efficiency of telecommunication lines, the Postmaster General may terminate a call or a conversation after six minutes have elapsed from the time that it was commenced, or at any moment after that.

H.16 PENALTY FOR NON - PAYMENT OF ACCOUNTS

(1) Should a client be in arrear with the payment of an account rendered under regulation H.9 (1) or with the payment for a bold-type entry or advertisement published in the telephone directory under any agreement between the subscriber and the official advertising contractor of the Post Office, the Postmaster General may, if the subscriber fails to pay the account within seven days of the date on which the amount became due, summarily and without notice suspend outward or both-way service, summarily terminate the agreement, remove the client's name from the directory, and enter his premises to recover all apparatus, wires or any other Post Office property. Such action shall in no way prejudice the right of the Postmaster General to take such further steps as he may deem necessary to collect the amount due. The Postmaster General shall also be entitled to collect from the client as liquidated damages and not by way of penalty (and in addition to any such arrears) a sum equal to the rental remaining unpaid in respect of the unexpired portion of the minimum rental period. If a client rents more than one telecommunication line and is in arrear with his rental or with the settlement of any other account referred to in these regulations in respect of a telecommunication line used by him, the Postmaster General may apply any credit balance on hand in respect of any other telecommunication line rented by the client towards full settlement or reduction of the outstanding rental or other account.

(2) *Appropriation of part payments.*—The Postmaster General may at his discretion appropriate part payments on accounts rendered in accordance with these regulations.

H.17 RESTORATION OF SERVICE

A telecommunication line suspended in either direction as determined in regulation H.16 may only be restored after payment of the amount of the outstanding account. In such a case a reconnection charge shall also be payable. If the service has already been terminated, the restoration shall be treated as an application for a new service.

H.18 TELEPHONIC REMINDER SERVICE

Notwithstanding the provisions of regulation H.16 the Postmaster General may telephonically warn a client whose account is unpaid on the due date that his service will be suspended unless the amount due is paid within 24 hours after the reminder, provided that clients shall specifically apply in advance to the Postmaster General for this facility. A reminder fee is payable to the Postmaster General in respect of each telephonic reminder.

is aan die Posmeester-generaal betaalbaar ten opsigte van elke telefoniese aanmaning. Indien 'n kliënt in gebreke bly om die rekening binne die vasgestelde tyd te betaal en sy diens as gevolg hiervan opgeskort word, is die aanmaningsgeld betaalbaar bo en behalwe die koste om die diens te herstel (sien regulasie H.17).

H.19 GESAMENTLIKE GEBRUIK VAN TELEKOM-MUNIKASIELYNE

(1) Behoudens andersluiende bepalings van hierdie regulasies kan die gebruik van 'n telekommunikasielyn na 'n kliënt toelaat dat enige persoon wat in dieselfde gebou as 'n kliënt kantore okkupeer of 'n onderneming wat 'n filiaalmaatskappy is van 'n kliënt en wat kantore in 'n ander gebou as die kliënt okkupeer, van sodanige kliënt se telekommunikasielyn gebruik maak: Met dien verstande dat sodanige persoon of filiaalmaatskappy nie self oor 'n telefoon- of teleksdiens beskik nie. Die kliënt is aanspreeklik vir alle tariewe, koste of gelde t.o.v. dienste wat deur middel van sy diens aan die medegebruiker gelewer word en moet daarbenewens ook 'n medegebruiksgeld aan die Posmeester-generaal betaal.

(2) By die toepassing van hierdie regulasie berus die verpligting by die kliënt om bewys te lewer dat 'n onderneming 'n filiaal is.

H.20 KENNISGEWING VAN BEËINDIGING OF OPSEGGING VAN DIENS

Behoudens andersluidende bepalings in hierdie regulasies kan die gebruik van 'n telekommunikasielyn na verstryking van die minimum huurtermyn of te eniger tyd daarna beëindig of opgesê word, mits die een of die ander party in elke geval 'n kalendermaand vooruit skriftelik kennis gee.

H.21 BUITENSHUISE VERPLASING VAN TELE-KOMMUNIKASIELYNE

(1) 'n Aansoek deur 'n kliënt om die buitenshuise verplasing van sy telekommunikasielyn word by die toepassing van hierdie regulasies of by die bepaling van gelde, tariewe en kostes beskou as 'n opsegging daarvan by sy ou adres en die voorsiening van 'n nuwe diens by sy nuwe adres.

(2) 'n Aansoek om die buitenshuise verplasing van 'n telekommunikasielyn is onderworpe aan die bepalings van regulasie H.4.

(3) Die Posmeester-generaal kan in bepaalde gevalle beslis dat die onverstreke gedeelte van 'n huurtermyn by die ou adres van krag bly en dat dit nie deur die buitenshuise verplasing van die diens geraak word nie. In sodanige gevalle bly die kliënt aanspreeklik vir huur ten opsigte van die onverstreke gedeelte van die huurtermyn.

H.22 KEUSE VAN TIPE DIENS EN OORMATIGE GEBRUIK VAN TELEKOMMUNIKASIELYNE

Die Posmeester-generaal kan besluit watter tipe diens 'n kliënt moet huur en wanneer 'n lyn waarby twee of meer kliënte aangesluit is na sy mening oormatig gebruik word, kan hy die diens van een of al die kliënte beëindig en van 'n kliënt wie se diens so beëindig is, vereis dat hy die ander tipe diens huur wat hy, die Posmeester-generaal, nodig ag.

H.23 BEPERKINGS BY DIE GEBRUIK VAN TELE-KOMMUNIKASIELYNE

Indien die telekommunikasielyn of groep lyne van 'n kliënt op so 'n wyse beset word dat onvoldoende oproepe die sentraletoerusting oorlaai, kan die Posmeester-generaal skriftelik van die kliënt vereis dat hy die bykomende telekommunikasielyne huur wat na die oordeel van die Posmeester-generaal nodig is om te voldoen aan die vereistes van die verkeer van en na die kliënt en as die kliënt

The client shall be responsible for all rates, charges or fees in respect of services rendered to the joint user by means of the client's service and shall in addition pay the Postmaster General a joint-use fee.

H.20 NOTIFICATION OF TERMINATION OR DIS-CONTINUANCE OF SERVICE

H.21 OUTDOOR TRANSFER OF TELECOMMUNI-CATION LINES

(1) For the purpose of these regulations and for determining fees, rates and charges an application by the client for the outdoor transfer of his telecommunication line shall be regarded as the discontinuance of the line at his former address and the provision of a new service at his new address.

(2) An application for the outdoor transfer of a telecommunication line shall be subject to the provisions of regulation H.4.

(3) In certain cases the Postmaster General may determine that the unexpired portion of a rental period at the old address shall remain in force and that it shall not be affected by the outdoor transfer of the service. In such cases the client shall remain liable for rental in respect of the unexpired portion of the rental period.

H.22 CHOICE OF TYPE OF SERVICE AND EXCESSIVE USE OF TELECOMMUNICATION LINES

The Postmaster General may decide which type of service a client shall rent and when a line to which two or more clients are connected is being used excessively in his opinion, he may terminate the service of one or all the clients and require a client whose service has been thus terminated to rent the other type of service that he, the Postmaster General, may deem necessary.

H.23 RESTRICTIONS ON THE USE OF TELECOM-MUNICATION LINES

If a client's telecommunication line or group of lines is engaged to such an extent that the uncompleted calls cause overloading of the exchange equipment, the Postmaster General may require the client in writing to hire the number of additional telecommunication lines that in the opinion of the Postmaster General are necessary to meet the requirements of the traffic from and to the client,
