

Republic of Namibia
Annotated Statutes

REGULATIONS

REGULATIONS MADE IN TERMS OF

Communications Act 8 of 2009

section 129(1)(f) read with section 100(4)

**Regulations setting out the Frequency Channelling Plan
for Digital Terrestrial Television**

General Notice 808 of 2025

(GG 8771)

came into force on date of publication: 31 Oct 2025

These regulations were made by the Communications Regulatory Authority of Namibia.

General Notice 808/2025 repeals the Regulations setting out the Frequency Channelling Plan for Digital Terrestrial Television in General Notice 166/2013 ([GG 5201](#)).

ARRANGEMENT OF REGULATIONS

1. Definitions
 2. Applicability
 3. Table of Frequency Allocations
-

Definitions

1. In these regulations, any word or expression to which a meaning is assigned in the Act, shall have the same meaning and -

“Broadcasting Service Licensees” means a holder of a licence issued under regulation 6 of the Regulations Setting out Broadcasting and Telecommunications Service Licence Categories published under General Notice No. 124 of 18 May 2011; and

[The phrase “a holder” should be “holders” to match the plural term “Broadcasting Service Licensees”.]

REGULATIONS
Communications Act 8 of 2009

Regulations setting out the Frequency Channelling Plan for Digital Terrestrial Television

“Act” means the Communications Act, 2009 (Act No. 8 of 2009).

Applicability

2. These regulations are applicable to all Broadcasting Service Licensees, providing or intending to provide digital terrestrial television broadcasting services, prescribed in the Regulations Setting out Broadcasting and Telecommunications Service Licence Categories.

Table of Frequency Allocations

3. The table of frequency allocations sets out digital terrestrial television allocations for Namibia adopted in terms of the revised ITU Regional Radio Communications Conference in 2006 (GE06 Plan) for terrestrial television broadcasting services in the spectrum bands ranging from 174-230 MHz and 470-608 MHz in accordance with the Frequency Band Plan as published under section 100 of the Act.

Site Name	Frequency (MHz)	Channel No.	TX power (W)	Antennae Polarisation	Antenna height (m)	Region
