---

(5) The Council may require the applicant to furnish proof of proficiency in the English language in a manner determined by the Council.

**Consideration of application by Council**

7. (1) The registrar must submit the application for registration as hearing aid acoustician to the Council for its decision.

(2) The Council after having considered the application referred to in subregulation (1) may -

- (a) grant the application if the Council is satisfied that the applicant -
  - (i) complies with the requirements required for the registration as a hearing aid acoustics intern;
  - (ii) has complied with subregulations (2) and (3) of regulation 6; and
  - (iii) is proficient in the English language; or
- (b) refuse the application if the Council is satisfied that the applicant does not comply with the requirements of paragraph (a).

(3) The Council must -

- (a) inform the applicant in writing of its decision made under subregulation (2);
- (b) issue to the applicant a certificate of registration as a hearing aid acoustics intern if the application is granted, in the form determined by the Council;
- (c) enter the name of the applicant into the register;
- (d) if the application is refused, inform the applicant in writing as soon as practicable and the grounds for the refusal.

(4) Despite subregulation (1) of regulation 6 the Council may exempt a person from being registered as a hearing aid acoustics intern or may reduce the period of internship referred to in regulation 8 by the period that the Council determines if the applicant submits documentary proof to the satisfaction of the Council that he or she has -

- (i) completed practical training substantially equivalent to the training referred to in regulation (8) at a training facility in a country other than Namibia in accordance with the laws of that country pertaining to hearing aid acoustician and hearing aid acoustics interns; or
- (ii) practiced as a hearing aid acoustician in a country other than Namibia in accordance with the laws of that country for the period of time and under the circumstances that afford him or her an experience and training substantially equivalent to the internship training referred to in regulation 8.

**Period of internship**

8. (1) An intern must complete an internship training for a maximum period of -

(a) 12 months in the case of a six month internship; or

(b) 24 months in the case of a 12 month internship

after the date of the first registration of an intern.

(2) If the internship training in terms of subregulation (1) is interrupted at any time, the internship training must consist of a period which when added together are not less than -

(a) six months in case of a six month internship; or

(b) twelve months in case of a twelve month internship.

(3) Any leave including sick leave taken, any other absence from the approved facility or any other interruption in the internship training during the period of internship referred to in subregulation (1) must be added to the period of internship to ensure that an intern completes not less than six or twelve months internship periods when added together.

(4) Subject to regulation 8 if an intern fails to comply with subregulation (1), his or her registration as intern is regarded as cancelled as from the date which the period of 12 or 24 months is exceeded.

(5) The Council may extend in writing, on good cause shown, the period of 12 or 24 months referred to in subregulation (1) within which the hearing aid acoustics internship training must be completed.

**Internship**

9. (1) A hearing aid acoustics intern must complete his or her internship training at an approved facility or approved facilities as determined by the Council.

(2) A person may not commence with his or her internship at an approved facility unless he or she -

(a) is registered with the Council as a hearing aid acoustics intern in accordance with these regulations;

(b) has entered into a written agreement of internship with the approved facility at which he or she must complete the internship in the form and containing the conditions and particulars that the Council may determine; and

(c) has obtained from the Council a written approval of the agreement of internship entered into under paragraph (b).

(3) The agreement referred to in subregulation (2)(b) must be in the form and contain the conditions and particulars determined by the Council.

(4) The Council may specify in writing, when approving a facility for the training of hearing aid acoustics interns, that different specific portions of the training of an intern be undertaken at different approved facilities.

(5) If at any time during the period of internship the Council considers any training provided by the facility to be inadequate or unsatisfactory for any reason, the Council may withdraw its approval of the written agreement of internship referred to in subregulation (1)(c) by written notice to both the facility and the intern after having afforded both the facility and the intern the opportunity to be heard.

(6) Any period of internship completed by an intern under an agreement of internship cancelled under regulation 7(6) or in respect of which the Council has withdrawn approval under subregulation (5) or terminated in terms of regulation 10 is invalid.

(7) The Council must furnish an intern with copies of all regulations and rules of professional conduct applicable to environmental health practitioners before internship training starts.

(8) An intern is subject to all the rules of professional conduct applicable to a hearing aid acoustician during his or her internship.

(9) The criteria pertaining to hearing aid acoustics internship training are specified in the Annexure.

**Commencement and termination of internship and change of name**

**10.** (1) An intern must notify the Council in writing -

- (a) of the commencement as soon as he or she starts the internship and furnish the Council with the name, business address and telephone number and any other particulars that the Council may require of the specific approved facility where he or she has commenced internship;
- (b) if he or she terminates the internship with the facility referred to in paragraph (a) within a period of 30 days;
- (c) if he or she intends to terminate the internship with the facility referred to in paragraph (a) and to start internship with any other approved facility not less than 30 days before the date of the intended termination and apply to the Council in the form determined by the Council for approval of the new agreement of internship entered into between the intern and the other approved facility.

(2) Hearing aid acoustics interns must complete an internship -

- (a) for a period of six months if -
