

Republic of Namibia
Annotated Statutes

REGULATIONS

REGULATIONS MADE IN TERMS OF

Namibian Constitution

pursuant to Article 26(5) of the Namibian Constitution,
subsequent to the declaration of a State of Emergency in the whole of Namibia,
following a worldwide outbreak of the disease known as Coronavirus Disease 2019
(COVID-19), by Proclamation No. 7 of 18 March 2020 (GG 7148)

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

Proclamation 17 of 2020

(GG 7203)

came into force on date of publication: 4 May 2020

as amended by

Proclamation 21 of 2020 (GG 7225)

came into force on date of publication: 1 June 2020

Proclamation 25 of 2020 (GG 7235)

came into force on date of publication: 8 June 2020

Proclamation 27 of 2020 (GG 7251)

came into force on date of publication: 22 June 2020

Note that the High Court found regulation 15 of Proc. 17 of 2020 to be an unconstitutional delegation of power, and thus invalid, in *Namibian Employers' Federation and Others v President of the Republic of Namibia and Others* (HC-MD-CIV-MOT-GEN 2020/00136) [2020] NAHCMD 248 (23 June 2020).

These amended regulations covered the period from 23:59 on 1 June 2020 to 28 June 2020,
with some exceptions pertaining to Walvis Bay and the Erongo Region.
(See the successive versions of subregulations 2(1) and (1A) read with the definition of "specified period"
in regulation 1, read with the amended version of regulation 3.)

Definitions

1. In these regulations -

“authorised officer” means -

- (a) the Director referred to in section 32 of the Disaster Risk Management Act, 2012 (Act No. 10 of 2012);
- (b) a member of the Namibian Police as defined in section 1 of the Police Act, 1990 (Act No. 19 of 1990);
- (c) a member of the municipal police service referred to in section 43C of the Police Act, 1990 (Act No. 19 of 1990);
- (c) a member of the Defence Force as defined in section 1 of the Defence Act, 2002 (Act No. 1 of 2002);

[There are two paragraphs lettered as (c) in the Government Gazette, as reproduced above.]

- (d) a correctional officer as defined in section 1 of the Correctional Service Act, 2012 (Act No. 9 of 2012);
- (e) an immigration officer as defined in section 1 of the Immigration Control Act, 1993 (Act No. 7 of 1993);
- (f) an officer as defined in section 1 of Customs and Excise Act, 1998 (Act No. 20 of 1998) charged with the responsibility of enforcing the customs and excise legislation; and
- (g) any other staff member designated or person appointed as an authorised officer under section 32 of the Disaster Risk Management Act, 2012 (Act No. 10 of 2012);

REGULATIONS
Namibian Constitution

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

“COVID-19” means the coronavirus disease of 2019 which is caused by severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2);

“head of the institution” means the administrative head of a public institution and the chief executive officer or the equivalent of a chief executive officer of a private institution;

“higher education institution” means a higher education institution as defined in section 1 of the Higher Education Act, 2003 (Act No. 26 of 2003);

“Immigration Control Act” means the Immigration Control Act, 1993 (Act No.7 of 1993);

“liquor” means any spirits, wine, beer, cider or other beverage, which contains alcohol by weight or volume, intended for human consumption but excludes any substance that contains alcohol but used or is intended to be used for medicinal purposes;

“mask” means a covering made of any suitable material that covers a person’s nose and mouth for purposes of preventing the transmission of the coronavirus;

“quarantine” means separating asymptomatic individuals potentially exposed to COVID-19 from non-exposed individuals in such a manner as to prevent the possible spread of an infection or contamination;

“school” means a school as defined in section 1 of the Education Act, 2001 (Act No. 16 of 2001);

“specified period” means the period referred to in regulation 3 and indicating Stage 3 of the State of Emergency as determined by Cabinet;

[definition of “specified period” substituted by Proc. 21 of 2020]

“these regulations” include directions and directives issued under regulation 14 and 15;

“vehicle” means a motor vehicle, a locomotive, an aircraft or a vessel; and

“vulnerable employee” means expecting mothers, nursing mothers, employees with pre-existing conditions such as a heart disease, high blood pressure, respiratory problems, obesity, diabetes, tuberculosis or a condition which might compromise the immune system of the employee.

Application of regulations

2. (1) These regulations apply to the whole of Namibia during the specified period, but except for regulations 10, 11 and 12, they do not apply to the Erongo Region for the duration of the specified period referred to in regulation 3 of the Stage 3: State of Emergency - Covid-19 Regulations: Erongo Region published under Proclamation No. 26 of 22 June 2020.

[Subregulation (1) initially stated:

“(1) These regulations apply to the whole of Namibia during the specified period.”

**Proc. 21 of 2020 substituted subregulation (1) and inserted a new subregulation (1A)
(after Walvis Bay returned to Stage 1):**

“(1) These regulations apply to the whole of Namibia during the specified period except for regulations 3, 4, 6, 7, 8, 9 and 12 which do not apply to the local authority area of Walvis Bay for the duration of the period of lockdown imposed in that area by the Stage 1: State of Emergency - Covid-19 Regulations: Walvis Bay Local Authority Area published under Proclamation No. 20 of 29 May 2020.

REGULATIONS
Namibian Constitution

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

(1A) At the expiry of the period of lockdown referred to in subregulation (1), regulations 3, 4, 6, 7, 8, 9 and 12 will apply to the local authority area of Walvis Bay, unless the President determines otherwise by regulation.”

**Proc. 25 of 2020 then substituted subregulations (1) and (1A)
(after the whole of the Erongo Region returned to Stage 1):**

“(1) These regulations apply to the whole of Namibia during the specified period, except for regulations 3, 4, 6, 7, 8, 9 and 12 which do not apply to the restricted area referred to in regulation 1 of the Stage 1: State of Emergency - Covid-19 Regulations: Erongo Region published under Proclamation No. 24 of 8 June 2020.

(1A) At the expiry of the period of lockdown referred to in subregulation (1), regulations 3, 4, 6, 7, 8, 9 and 12 will apply to the restricted area referred to in that subregulation, unless the President determines otherwise by regulation.”

**Proc. 27 of 2020 substituted subregulations (1) and (1A) with a new subregulation (1)
(after the whole of the Erongo Region migrated to Stage 3 - with some additional restrictions
in Walvis Bay, Swakopmund and Arandis). This new subregulation (1) now appears
in the text of these regulations.]**

(2) If there is a conflict between the provisions of these regulations and any other law the provisions of these regulations prevail.

Specified period

3. The specified period starts from 23:59 on 1 June 2020 and ends at 23:59 on 28 June 2020.

[Regulation 3 was substituted by Proc. 21 of 2020. It initially read:

**“3. The specified period starts from 23:59 on 4 May 2020 and
ends at 23:59 on 1 June 2020.”]**

Restrictions relating to schools and higher education institutions

4. (1) Except as provided in subregulation (2), all schools and higher education institutions in Namibia must remain closed during the specified period, but the closure of schools and higher education institutions does not prevent -

- (a) in the case of a state school, the relevant minister responsible for education; and
- (b) in any other case, the governing bodies of schools and institutions,

from employing other alternative forms of learning that do not involve the physical presence of learners or students at the schools or institutions.

- (2) During the specified period -
 - (a) vocational training centres contemplated in section 49(16) of the Vocational Education and Training Act, 2008 (Act No. 1 of 2008) may resume for normal classroom contact education and training as from 3 June 2020;
 - (b) secondary schools and other educational institutions that provide secondary education at grade 11 or 12 level, may resume for normal classroom contact learning for grade 11 and grade 12 as from 3 June 2020; and

REGULATIONS
Namibian Constitution

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

- (c) schools and other educational institutions providing early childhood development learning, pre-primary learning and primary education at grade one to three levels may resume for normal classroom contact learning as from 22 June 2020.

(3) Heads of vocational training centres, schools, educational institutions and other institutions referred to in subregulation (2) must ensure that the persons accessing their services at all times adhere to the measures to combat, prevent and suppress the spread of COVID-19 as specified in and under these regulations.”.

[Regulation 4 was substituted by Proc. 21 of 2020. It initially read:

“Closure of schools and higher education institutions

4. All schools and higher education institutions in Namibia must remain closed during the specified period, but the closure of schools and higher education institutions does not prevent -

(a) in the case of a state school, the relevant minister responsible for education; and

(b) in any other case, the governing bodies of schools and institutions,

from employing other alternative forms of learning that do not involve the physical presence of learners or students at the schools or institutions.”]

Wearing of masks

5. (1) During the specified period every person must wear a mask in a public place.

(2) An authorised officer may instruct a person who is not wearing a mask as contemplated in subregulation (1) to wear a mask or to leave the public place.

(3) A person who refuses to comply with an instruction under subregulation (2) commits an offence and on conviction is liable to a fine not exceeding N\$2 000 or imprisonment for a period not exceeding six months or to both such fine and such imprisonment.

Gatherings

6. (1) For the purpose of this regulation, “gathering” means a group of more than 50 persons who meet for a common purpose.

(2) During the specified period, all gatherings are prohibited, except where -

- (a) all persons at the gathering are members of the same household gathered at their place of residence;
- (b) persons are gathered at their workplace;
- (c) the gathering is by a government institution at national, regional or local level or the Cabinet or the Parliament for purposes of its normal operations;
- (d) the gathering is for purposes of court or tribunal proceedings; or
- (e) a group of persons independently or coincidentally find themselves at a specific place.

(3) Persons who gather in the circumstances referred to in subregulation (2) must at all times adhere to the measures to combat, prevent and suppress the spread of COVID-19 as specified in and under these regulations.

**REGULATIONS
Namibian Constitution****Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]**

(4) An authorised officer may instruct a gathering or a group of more than 50 persons, other than a gathering referred to in subregulation (2), to disperse and may use all reasonable measures to cause a gathering or group to disperse.

(5) The person organising or hosting a gathering permitted in terms of this regulation must -

- (a) open and maintain a register of the persons who attend the gathering; or
- (b) ensure that the register of the persons referred to in paragraph (a) is opened and maintained,

for the purpose of recording the particulars of persons who attend a gathering.

(6) The persons who are required to open and maintain a register in accordance with subregulation (5) must -

- (a) keep the register in a safe place for the duration of the State of Emergency;
- (b) on request, make the register available for inspection by an authorised officer; and
- (c) consider the information provided under this regulation to be confidential, and may not disclose that information to any other person except as provided in paragraph (b) or when required to so disclose in terms of any law.

(7) The register referred to in subregulation (6) must contain the following particulars in respect of each person who attended the gathering:

- (a) the full names of the person;
- (b) the identification number of the person;
- (c) the nationality and country of residence or origin of the person;
- (d) the physical address of the person;
- (e) the contact telephone or cell phone number of the person; and
- (f) the email address of the person.

(8) A person who -

- (a) facilitates, instigates or organises a gathering;
- (b) fails or refuses to obey an instruction issued under subregulation (4); or
- (c) fails or refuses to comply with subregulation (5) or (6),

commits an offence and is on conviction liable to a fine not exceeding N\$2 000 or to imprisonment not exceeding six months or to both such fine and imprisonment.

[Regulation 6 was substituted by Proc. 21 of 2020. It initially read:]

REGULATIONS
Namibian Constitution

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

Gatherings

6. (1) For the purpose of this regulation, “gathering” means a group of more than 10 persons who meet for a common purpose.
- (2) During the specified period, all gatherings are prohibited [sic], except where -
- (a) all persons at the gathering are members of the same household gathered at their place of residence;
- (b) persons are gathered at their workplace;
- (c) the gathering is by a government institution at national, regional or local level or the Cabinet or the Parliament for purposes of its normal operations;
- (d) the gathering is for purposes of court or tribunal proceedings; or
- (e) a group of persons independently or coincidentally find themselves at a specific place.
- (3) Persons who gather in the circumstances referred to in subregulation (2) must at all times adhere to the measures to combat, prevent and suppress the spread of COVID-19 as specified in and under these regulations.
- (4) An authorised officer may instruct a gathering or a group of more than ten persons, other than a gathering referred to in subregulation (2), to disperse and may use all reasonable measures to cause a gathering or group to disperse.
- (5) A person who facilitates, instigates or organises a gathering commits an offence and is on conviction liable to a fine not exceeding N\$2 000 or to imprisonment for a period not exceeding six months or to both such fine and such imprisonment.
- (6) A person who fails or refuses to obey an instruction issued under subregulation (4) commits an offence and is on conviction liable to the penalties provided for in subregulation (5).”]

Restrictions relating to liquor

7. (1) Despite any contrary condition applicable to any type of liquor licence issued under the Liquor Act, 1998 (Act No. 6 of 1998) during the specified period -
- (a) the sale or purchase of liquor in terms of that licence may only take place -
- (i) between the hours 12H00 and 18H00 on Mondays to Fridays;
- (ii) between the hours of 09H00 and 13H00 on Saturday; and
- (iii) if the liquor sold or purchased is not for consumption at the place of sale or purchase; and
- (b) a person may not purchase or sell liquor on a Sunday or public holiday.

[The word “liquor” is misspelt in the *Government Gazette* in paragraph (b), as reproduced above.]

(2) Subsection (1) does not apply to the sale of liquor by the holder of a hotel liquor licence or a restaurant liquor licence issued under the Liquor Act, 1998 (Act No. 6 of 1998) and the holder of such licence is permitted to sell liquor on an on-consumption basis and in accordance with the conditions of the respective licence.

(3) A person who contravenes or fails to comply with a provision of subregulation (1) or (2) commits an offence and is on conviction liable to a fine not exceeding N\$2 000 or imprisonment for a period not exceeding six months or to both such fine and such imprisonment.

(4) An authorised officer who is a peace officer within the meaning of the Criminal Procedure Act, 1977 (Act No. 51 of 1977) may, without a warrant, seize any liquor that is suspected to have been sold or has been purchased in contravention of this regulation and the seized liquor must, subject to changes required in the context, be dealt with in accordance with the provisions of the Liquor Act as if it were liquor seized in terms of that Act.

[Regulation 7 was substituted by Proc. 21 of 2020. It initially read:

REGULATIONS
Namibian Constitution

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

“Prohibitions relating to liquor

7. (1) During the specified period, a person may not -
- (a) sell liquor; or
 - (b) purchase liquor.
- (2) Despite subregulation (1), buying and selling of liquor is permitted for purposes of -
- (a) exportation to another country; or
 - (b) importation into Namibia and subsequent exportation of the imported liquor, during the normal course of business.
- (3) A person who contravenes subregulation (1) commits an offence and is on conviction liable to a fine not exceeding N\$2 000 or imprisonment for a period not exceeding six months or to both such fine and such imprisonment.
- (4) An authorised officer who is a peace officer within the meaning of the Criminal Procedure Act, 1977 (Act No. 51 of 1977) may, without a warrant, seize any liquor that is suspected to have been sold or has been purchased in contravention of this regulation and the seized liquor must, subject to changes required in the context, be dealt with in accordance with the provisions of the Liquor Act, 1998 (Act No. 6 of 1998) as if it were liquor seized in terms of that Act.”]

Restrictions relating to certain businesses, operations and activities

8. (1) Subject to the provisions of regulation 7 and subregulation (3), all businesses, operations and activities, except those listed in subregulation (2), are permitted, during the specified period.

(2) During the specified period, the following businesses, operations and activities are prohibited:

- (a) contact sports, which for purposes of this regulation refers to sports in which players may directly or indirectly have physical contact, such as rugby, boxing, football, martial arts, or wrestling;
- (b) casinos and gambling houses; and
- (c) nightclubs.

(3) During the specified period, the following businesses, operations and activities are permitted subject to the condition that the people attending the event inclusive of the organisers do not exceed 50 and that the head of the institution or organisers keeps and maintains a logbook that contains the name, identification and contact telephone or cell number of each client or customer or person that visits the business or attend the event:

- (a) sporting events inclusive of gyms, other than contact sports;
- (b) entertainment events and concerts; or
- (c) seminars, conferences, workshops and summits.

(4) Heads of institutions of businesses, operations and activities which are permitted during the specified period must ensure that the persons accessing their services at all times adhere to the measures to combat, prevent and suppress the spread of COVID-19 as specified in and under these regulations.

(5) A person who contravenes, or fails to comply with the requirements of, subregulation (2) or (3) commits an offence and is on conviction liable to a fine not exceeding N\$2 000 or to imprisonment for a period not exceeding six months or to both such fine and such imprisonment.

REGULATIONS
Namibian Constitution

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

[Regulation 8 was substituted by Proc. 21 of 2020. It initially read:

“Restrictions relating to certain businesses, operations and activities

8. (1) Subject to the provisions of subregulation (3), all businesses, operations and activities, except those listed in subregulation (2), are permitted during the specified period.

(2) During the specified period, the following businesses, operations and activities are prohibited:

- (a) cinemas and theatres;
- (b) contact sports and sporting events;
- (c) casinos and gambling houses;
- (d) nightclubs;
- (e) liquor [sic]outlets;
- (f) bars and shebeens;
- (g) entertainment events and concerts;
- (h) gyms and exercise centres; and
- (i) seminars, conferences, workshops and summits, except for seminars, conferences, workshops or summits where the number of persons in attendance does not exceed 10.

(3) Accommodation establishments and other businesses including kapana selling businesses which in the course of business or trade or commerce sell food items must operate on a take away basis.

(4) Heads of institutions of businesses, operations and activities which are allowed during the specified period must ensure that the persons accessing their services at all times adhere to the measures to combat, prevent and suppress the spread of COVID-19 as specified in and under these regulations.

(5) A person who contravenes subregulation (2) or (3) commits an offence and is on conviction liable to a fine not exceeding N\$2 000 or to imprisonment for a period not exceeding six months or to both such fine and such imprisonment[.]”]

Additional provisions relating to workplace

9. (1) Heads of institutions are encouraged to allow vulnerable employees to work from home, subject to suitable arrangements between the employer and employee.

(2) Heads of institutions are encouraged to provide masks to their employees.

(3) Heads of institutions must ensure that their employees at all times adhere to the measures to combat, prevent and suppress the spread of COVID-19 as specified in and under these regulations.

Prohibition relating to entry into Namibia

10. (1) Subject to subregulation (2) and (3), every person who -

- (a) is not a Namibian citizen;
- (b) does not hold a permanent residence permit for Namibia;
- (c) is not domiciled in Namibia or otherwise lawfully resident in Namibia;
- (d) is not part of a team of medical personnel that is required to provide medical services in Namibia to alleviate the COVID-19 pandemic;
- (e) is not a member of the diplomatic or consular staff of a country that is accredited to Namibia or in transit to another country; or
- (f) is not a spouse or child of a person referred to in paragraphs (a) to (e),

**REGULATIONS
Namibian Constitution****Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]**

must, during the specified period, be refused entry into Namibia under section 10 of the Immigration Control Act.

- (2) Subject to the Immigration Control Act, a person who -
 - (a) is a driver of a motor vehicle, an operator of a locomotive, a pilot in command of an aircraft or a captain or master of a shipping vessel transporting goods;
 - (b) performs any service relating to the operation of the vehicle referred to in paragraph (a); or
 - (c) performs a necessary service relating to the transportation of goods referred to in paragraph (a),

in the course of business or trade or commerce may be allowed to enter Namibia if such entry is otherwise lawful.

(3) Despite the provisions of subregulation (1), a person who does not fall under any of the categories referred to in that subregulation may be allowed to enter into Namibia if that person complies with or meets such requirements as may be determined by the Minister responsible for immigration in directives issued under these regulations or pursuant to the Immigration Control Act.

Quarantine

11. (1) Any person who enters Namibia as contemplated in regulation 10, is subject to quarantine requirements as may be set out in directives issued under these regulations.

(2) The provisions of the Public and Environmental Health Act, 2015 (Act No. 1 of 2015), brought into force by regulation 13, relating to the enforcement of quarantine, are applicable to a person referred to in subregulation (1).

(3) A person who unreasonably refuses to be quarantined as specified in subregulation (1) commits an offence and is on conviction liable to a fine not exceeding N\$2 000 or to imprisonment for a period not exceeding six months or to both such fine and such imprisonment.

Restrictions relating to transportation of goods and persons

12. (1) During the specified period public transportation operations relating to transport of goods and persons may operate within Namibia.

(2) Despite subregulation (1), public transportation operations may operate for purposes of transportation of goods, within Namibia or outside Namibia, where this is done in the course of business or trade or commerce.

[The word "outside" is misspelt in the *Government Gazette*, as reproduced above.]

(3) Owners and operators of public transportation must ensure that their operations, their employees and persons accessing their services at all times adhere to the measures to combat, prevent and suppress the spread of COVID-19 as specified in and under these regulations.

REGULATIONS
Namibian Constitution

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

(4) A person who contravenes subregulation (1) or (2) commits an offence and is on conviction liable to a fine not exceeding N\$2 000 or to imprisonment for a period not exceeding six months or to both such fine and such imprisonment.

Applicability of Act No. 1 of 2015

13. (1) Despite the provisions of section 96 of the Public and Environmental Health Act, 2015 (Act No. 1 of 2015), the provisions of Part 3 of that Act are, for purposes of these regulations, brought into operation.

(2) In order to attain the objectives of subregulation (1), any provision of the Public Health Act, 1919 (Act No. 36 of 1919) that is inconsistent with any provision of Part 3 of the Public and Environmental Health Act, 2015 (Act No. 1 of 2015) is suspended to the extent of the inconsistency during the period that this regulation is in force.

(3) Despite the provisions of section 22(2) of the Public and Environmental Health Act, 2015 (Act No. 1 of 2015) the disease caused by the coronavirus known as Covid-19 is deemed to be a formidable epidemic disease and it is declared that the threatened outbreak of Covid-19 necessitates the measures referred to in section 29(1) of that Act.

Judicial proceedings

14. (1) For the purpose of combating, preventing and suppressing the spread of COVID-19, the Chief Justice may issue directions in respect of all courts in Namibia.

(2) Directions issued under subregulation (1) must be regarded, and have the effect, as directives issued under regulation 15.

Directives

~~15.—(1)—The President may authorise a minister to issue directives for the purpose of—~~

~~(a)—supplementing or amplifying on any provision of these regulations; or~~

~~(b)—ensuring that the objectives of these regulations are attained.~~

~~(2)—A directive issued under this regulation has the force of law and may deal with any matter that is within the ambit of any legislation or other law that is administered by the minister concerned.~~

~~(3)—Any directive issued under this regulation must be—~~

~~(a)—referred to the Attorney-General for approval; and~~

~~(b)—published in the *Gazette*;~~

~~for it to have the force of law.~~

~~(4)—A directive issued in terms of these regulations becomes effective on the date of its publication in the *Gazette*.~~

REGULATIONS
Namibian Constitution

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

~~(5) — A directive may create offences for contraventions of, or failure to comply with, the directive and provide for penalties of a fine not exceeding N\$2 000 or imprisonment for a period not exceeding six months or to both such fine and such imprisonment.~~

[The High Court found regulation 15 to be an unconstitutional delegation of power, and thus invalid, in *Namibian Employers' Federation and Others v President of the Republic of Namibia and Others* (HC-MD-CIV-MOT-GEN 2020/00136) [2020] NAHCMD 248 (23 June 2020).]

Offences and penalties

16. (1) A person commits an offence if that person -

- (a) not being an authorised officer, by words, conduct or demeanour falsely represents himself or herself to be an authorised officer;
- (b) hinders, obstructs or improperly attempts to influence an authorised officer when exercising or performing a power or function conferred or imposed by or under these regulations or another law;
- (c) furnishes or gives false or misleading information to an authorised officer; or
- (d) does anything calculated to improperly influence an authorised officer concerning a matter connected with the functions of the authorised officer.

(2) A person commits an offence if that person, through any form of media, including social media, knowingly or without having taken reasonable steps to ascertain the correctness of any information -

- (a) publishes any false or misleading statement about the COVID-19 status of any person; or
- (b) publishes any false or misleading statement, in connection with measures to combat, prevent and suppress COVID-19 as specified in and under these regulations.

(3) A person convicted of an offence in terms of subregulation (1) or (2) is liable to a fine not exceeding N\$2 000 or to imprisonment for a period not exceeding six months or to both such fine and such imprisonment.

Savings and transitional provisions

17. (1) Anything done under the provisions of the State of Emergency Regulations published under Proclamation No. 9 of 28 March 2020 must be regarded as having been done under a corresponding provision of these regulations.

(2) A -

- (a) direction that was issued under regulation 13 or a directive that was issued under regulation 14 of the regulations referred to in subregulation (1) -
 - (i) must be regarded as having been issued under regulation 14 or 15 of these regulations; and

REGULATIONS
Namibian Constitution

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

- (ii) continues to apply for the specified period unless repealed by the Chief Justice or the relevant minister.
- (b) reference, in a direction or a directive referred to in paragraph (a), to a “period of lockdown” is on the commencement of these regulations regarded to be a reference to the “specified period”.

Regulations to bind State

- 18.** These regulations bind the State.

**REGULATIONS
Namibian Constitution**

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

**Provisions of Part 3 of the Public and Environmental Health Act 1 of 2015
brought into force by regulation 13(1)**

Public and Environmental Health Act 1 of 2015

**PART 3
NOTIFICATION, PREVENTION AND CONTROL OF DISEASES**

Principles of notification of diseases

5. (1) The chief health officer and a local authority must prevent the spread of a notifiable infectious disease without unnecessarily restricting personal liability or privacy.

- (2) A person who -
 - (a) is at risk of contracting a notifiable infectious disease must take precaution to avoid contracting the disease; or
 - (b) suspects that he or she may have a notifiable infectious disease must ascertain whether he or she has a disease and which precautions should be taken to prevent spreading the disease.
- (3) A person who -
 - (a) is at risk of contracting a notifiable infectious disease;
 - (b) suspects that he or she has a notifiable infectious disease; or
 - (c) has a notifiable infectious disease,

has the following rights to the extent that those rights do not infringe on the well being of others to -

- (i) be protected from unlawful discrimination;
- (ii) have his or her privacy respected;
- (iii) be given information about the medical and social consequences of the disease; and
- (iv) have access to available treatment.

Classification of diseases

6. The Minister, in respect of the notification of diseases, may classify by notice in the *Gazette* a disease to be -

- (a) an infectious disease;
- (b) a notifiable infectious disease; or
- (c) a notifiable infectious disease to be a vaccine preventable notifiable infectious disease.

REGULATIONS
Namibian Constitution**Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]**

Notification and reporting of notifiable infectious diseases

7. (1) If a patient, to the knowledge of a health practitioner attending to the patient, is suffering from a notifiable infectious disease or dies from that disease, the health practitioner must forthwith in the prescribed manner, furnish the chief health officer and the local authority in whose local authority area the patient is, with a written certificate of notification containing the prescribed particulars.

(2) The -

- (a) head of health services of a local authority notified as contemplated in subsection (1) must investigate the source of the notifiable infectious disease and if necessary, take the remedial action considered necessary to hold the spread of the notifiable infectious disease; and
- (b) chief health officer must cause or direct that a notifiable infectious disease so notified be investigated by an environmental health practitioner or other health practitioner authorised by the chief health officer with regard to the source of the disease.

(3) A principal or head of a learning institution, head of a family or a household, employer, owner or occupier of land or premises, traditional leader, chief or headmen must report to a local authority the particulars of the patient and his or her symptoms, the occurrence of a case of illness or death coming to his or her notice and suspected to be due to a notifiable infectious disease, or with a history or presenting symptoms or appearances which might reasonably give grounds for the suspicion.

(4) A -

- (a) health practitioner who contravenes or fails to comply with subsection (1); or
- (b) person referred to in subsection (3) who contravenes or fails to comply with that subsection,

commits an offence and is liable to a fine not exceeding N\$100 000 or to imprisonment for a period not exceeding 10 years, or to both such fine and such imprisonment.

Inspection of premises and issuing of test orders

8. (1) A head of health services or a health practitioner authorised by the chief health officer may at a reasonable time enter and inspect a premises in which he or she has reason to believe that a person -

- (a) suffering from a notifiable infectious disease;
- (b) who has recently suffered from a notifiable infectious disease; or
- (c) who has recently been exposed to an infection of a notifiable infectious disease,

is or has recently been present.

(2) If a carrier of a notifiable infectious disease has accidentally transmitted an infection to another person, the head of health services or health practitioner may issue a test order to a

REGULATIONS
Namibian Constitution

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

person referred to in subsection (1)(a) to (c) for the purpose of ascertaining whether the person is suffering or has recently suffered from a notifiable infectious disease.

Medical examination of persons suspected to be suffering from notifiable infectious diseases

9. A health practitioner authorised by the chief health officer or a head of health services may at a reasonable time enter a premises contemplated in section 8 for the purpose of medical examination of a person contemplated in that section.

Provision of isolation and other facilities

10. (1) A local authority may, and, if required by the Minister after consultation with the local authority, must, provide and maintain either separately or jointly with another local authority -

- (a) suitable hospitals or places of isolation for the accommodation and treatment of persons suffering from notifiable infectious diseases;
- (b) mortuaries or places for the reception of human remains pending the carrying out of a *post-mortem* examination ordered by a lawful authority, but provision must be made for the separate storage of infectious human remains until removal for interment;
- (c) vehicles for the transport of persons suffering from a notifiable infectious disease or for the removal of a infected bedding, clothing or other articles;

[The article “a” before the term “infected bedding” is superfluous.]

- (d) disinfecting and cleansing stations, plant and equipment for the cleansing of persons and the disinfection of bedding, clothing, vehicles or other articles which have been exposed to, or are believed to be contaminated with, the infection of a notifiable infectious disease, or which are contaminated or harmful; or
- (e) other accommodation, equipment or articles required for dealing with a outbreak of a notifiable infectious disease.

[The article “a” before the term “outbreak” should be “an”.]

(2) A private hospital may, and, if required by the Minister after consultation with the private hospital, must, provide and maintain either separately or jointly with another private hospital or state hospital -

- (a) suitable places of isolation for the accommodation and treatment of persons suffering from notifiable infectious diseases;
- (b) mortuaries or places for the reception of human remains pending the carrying out of a *post-mortem* examination ordered by a lawful authority, but that provision must be made for the separate storage of infectious human remains until removal for interment;
- (c) vehicles for the transport of persons suffering from a notifiable infectious disease or for the removal of a infected bedding, clothing or other articles;

**REGULATIONS
Namibian Constitution****Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]**

[The article “a” before the term “infected bedding” is superfluous.]

- (d) disinfecting and cleansing stations, plant and equipment for the cleansing of persons and the disinfection of bedding, clothing, vehicles or other articles which have been exposed to, or are believed to be contaminated with, the infection of a notifiable infectious disease, or which are contaminated or harmful; or
- (e) other accommodation, equipment or articles required for dealing with an outbreak of a notifiable infectious disease.

Removal and isolation of infected persons

11. (1) If, in the opinion of a head of health services, a person certified by a medical practitioner to be suffering from a notifiable infectious disease is not accommodated or is not being treated or nursed in the manner as adequately to guard against the spread of the disease, the person may, on the order of the head of health services, be removed to a suitable hospital or place of isolation and be detained until the head of health services or a medical practitioner authorised in writing by the local authority or by the Minister, is satisfied that the person is free from infection or can be discharged.

(2) The cost of the removal of a person contemplated in subsection (1) and of his or her maintenance at the hospital or place of isolation must be borne by the local authority or State.

Infected persons transferred for treatment from other areas

12. If a patient suffering from a notifiable infectious disease is transferred from an area to another local authority or state hospital or state health service for isolation and treatment in a hospital or place of isolation maintained by the local authority or the state, the local authority, state hospital or state health service to whom the patient has been transferred may recover from the local authority or state hospital or state health service who ordered the transfer of the patient the cost of -

- (a) maintenance of the patient;
- (b) nursing and treatment of the patient; and
- (c) burial in the event of the death of the patient.

Local authority to prevent transmission of notifiable infectious diseases

13. If a person suffers from a notifiable infectious disease within the local authority area of a local authority, it is the duty of the local authority to ensure that adequate measures are taken -

- (a) for preventing the spread of the disease, including if necessary, provision for -
 - (i) the accommodation;
 - (ii) the maintenance;
 - (iii) nursing and medical treatment of the patient in a hospital or place of isolation, until the patient has recovered or is no longer a danger to the public health; or

**REGULATIONS
Namibian Constitution**

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

- (b) in the event of the death of the patient, for the removal and burial of the human remains.

Disinfection of premises or article

14. (1) If it appears from the certificate of the head of health services or a health practitioner that the cleansing or disinfection of a premises or article is necessary for -

- (a) preventing the spread or eradicating the infection of a notifiable infectious disease; or
- (b) preventing danger to health,

the head of health services or chief health officer, must in writing notify the owner or occupier of the premises or the owner or person in charge of the article that the premises or article will be disinfected.

(2) If an article dealt with by the head of health services or the chief health officer under this section is of a nature that it cannot be disinfected, the head of health services or the chief health officer may destroy or cause to be destroyed, on the order of the chief executive officer concerned or the chief health officer, the article and no compensation is payable in respect of an article so destroyed.

(3) If an article is damaged during disinfection, no compensation is payable by the local authority or the Ministry if suitable methods of disinfection have been employed and due care and all reasonable precautions have been taken to prevent damage.

(4) Compensation is not payable in respect of the deprivation of the occupation or use of a premises or the use of an article occasioned by disinfection, if no undue delay has occurred.

Removal to cleansing stations of dirty and verminous persons

15. If a cleansing station is provided within a local authority area or within a reasonable distance therefrom, a person within that local authority area certified by the head of health services or a health practitioner to be dirty or verminous may be removed, on the order of the head of health services, together with his or her clothing and bedding, to the cleansing station and be cleansed.

Removal orders

16. (1) An order made under sections 11 and 15 may be addressed to an authorised staff member of a local authority or the Ministry of Health.

(2) A person who obstructs the execution of, or fails or refuses to comply with, an order referred to in subsection (1) commits an offence and is liable to a fine not exceeding N\$100 000 or to imprisonment for a period not exceeding 10 years, or to both such fine and such imprisonment.

Exposure of infected persons or things

- 17. (1) Subject to subsection (2), a person who -

REGULATIONS
Namibian Constitution

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

- (a) knowingly suffering from a notifiable infectious disease, or the other infectious disease as the Minister may classify by notice in the *Gazette* to be a disease for the purposes of this section, exposes himself or herself in the manner as to be likely or liable to spread the disease in a street, public place, public building, shop, accommodation establishment, church or other place used, frequented or occupied in common by persons other than the members of the family or household to which the infected person belongs;
- (b) being in charge of a person, and knowing that the person is so suffering, so exposes the sufferer;
- (c) knowingly gives, lends, sells, pawns, transmits, removes or exposes, or sends to or permits to be washed or exposed in a public wash-house or washing-place, or in a laundry or other place at which articles are washed, cleansed or dyed, without previous effective disinfection to the satisfaction of the local authority and in accordance with the regulations in force in its area, a clothing, bedding, rags or other articles or things of any kind which have been exposed to or are contaminated with the infection of the disease; or
- (d) knowingly suffering from the disease contemplated in paragraph (a), handles, conveys or otherwise comes in contact with food, dairy produce, aerated water or other articles intended for consumption, or carries on a trade or occupation in the manner likely or liable to spread the disease,

commits an offence and is liable to a fine not exceeding N\$100 000 or to imprisonment for a period not exceeding 10 years, or to both such fine and such imprisonment.

(2) Nothing in this section applies to a person transmitting with proper precautions and in accordance with the instructions of the local authority a bedding, clothing or other articles or things for the purpose of having them disinfected.

[The article “a” before the word “bedding” is superfluous.]

Transport of infected persons or thing in public transport

- 18. (1) A -**
- (a) person who knows that he or she is suffering from a notifiable infectious disease or other infectious disease which the Minister may classify by notice in the *Gazette* to be a disease for the purpose of this section may not enter a public transport;
 - (b) person in charge of -
 - (i) a person whom he or she knows to be suffering as contemplated in paragraph (a);
 - (ii) the human remains of a person who to his or her knowledge has died of a disease contemplated in paragraph (a); or
 - (iii) an article which to his or her knowledge has been exposed to or is contaminated with the infection of the disease,

REGULATIONS
Namibian Constitution**Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]**

may not place in a public transport the person, human remains or an article which to his or her knowledge has been so exposed or is so contaminated (except in the case of a hearse used for the removal of human remains), without first informing the owner or driver or conductor of the transport of the fact of the infection and obtaining his or her consent but subject to subsection (2).

(2) The owner, driver or conductor of the public transport referred to in subsection (1) must as soon as possible after the transport been so used and before permitting the use by another person, cause it to be disinfected under the supervision and satisfaction of the head of health services or the chief health officer and in accordance with a regulations in force in the local authority area concerned.

[The article “a” before the term “regulations” should be omitted.]

(3) For the purposes of this section “public transport”, includes a railway coach, cab, motor car or a vehicle, a boat, other vessel, or an aircraft if the transport solicits for hire or is used by members of the public.

(4) A person who contravenes or fails or refuses to comply with subsection (1) or (2) commits an offence and is liable to a fine not exceeding N\$100 000 or to imprisonment for a period not exceeding 10 years, or to both such fine and such imprisonment.

Infected dwellings not to be evacuated or let without previous disinfection

19. (1) A person may not cease to occupy or may not let a dwelling or premises or part in which to the knowledge of the person there is or has recently been a person suffering from a notifiable infectious disease without having the dwelling, premises or part and all articles which are liable to retain infection disinfected to the satisfaction of the local authority or the chief health officer and in accordance with the regulations in force in the local authority area concerned.

(2) Subsection (1) applies to the owner or keeper of an accommodation establishment.

Removal and burial of human remains of persons who have died of notifiable infectious disease

20. (1) In every case of death from a notifiable infectious disease the occupier of the premises in which the death has occurred, must immediately make the best arrangements practical, pending the removal of the human remains and the carrying out of disinfection, for preventing the spread of the disease.

(2) The occupier of the premises who keeps human remains of the person who has died of a notifiable infectious disease -

- (a) in a room in which a person lives, sleeps or works or in which food is kept or prepared or eaten; or
- (b) for more than 24 hours in a place other than a mortuary or other place set apart for the keeping of human remains,

unless he or she has obtained the written approval of the local authority in whose local authority area the human remains occurred, commits an offence.

(3) A person who removes the human remains of a person who has died of a notifiable infectious disease from a dwelling or room, except for the purpose of burial, commits an offence.

REGULATIONS
Namibian Constitution

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

(4) A person who removes the human remains of a person who has died of a notifiable infectious disease from a room or dwelling, must take those human remains direct to the place of interment for burial.

(5) Nothing in this section is considered to prevent the removal by due authority of a human remains from a hospital to a mortuary.

(6) A person who has been convicted of contravening or failure to comply with subsection (1), (2) or (3) is liable to a fine not exceeding N\$100 000 or to imprisonment for a period not exceeding 10 years, or to both such fine and such imprisonment.

Post-mortem examinations of human remains of persons who have died of notifiable infectious disease

21. (1) The corpse of a person who has died of a notifiable infectious disease is not subject to a post-mortem examination, unless the cause of death need to be established, if -

[The verb “need” should be “needs” to be grammatically correct.]

- (a) the corpse is retained in a room in which -
 - (i) another person lives;
 - (ii) this same deceased person sleeps or works; or
 - (iii) in which food is kept or prepared or eaten;
- (b) the corpse is retained without the written approval of the local authority concerned for more than 24 hours elsewhere than in a mortuary or other place reserved for the keeping of corpse;
- (c) the corpse is retained in a dwelling or place in circumstances which, in the opinion of the local authority, are likely to endanger health; or
- (d) the corpse is found within a local authority area and is unclaimed, or no competent person undertakes to bury it.

(2) If any of the circumstance in subsection (1)(a) to (d) has occurred, a chairperson of a regional council, chief regional officer, magistrate, justice of the peace, head of health services or member of the Namibian police of above the rank of inspector -

- (a) may direct, on a certificate signed by a medical practitioner, that the corpse concerned be removed to a mortuary and be buried within a time to be specified in the certificate; or
- (b) if the human remains is of a person certified to have died of a notifiable infectious disease, may order that the corpse be buried immediately without removal to a mortuary.

(3) Unless the friends or relatives of the deceased referred to in subsection (2) undertake to, and do, bury the corpse so specified, the local authority may bury the corpse and the cost of so doing be defrayed by the local authority concerned and be recovered by the local authority by

REGULATIONS
Namibian Constitution

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

action in a court of competent jurisdiction from a person legally liable to pay the expenses of interment.

(4) A person who obstructs the execution of a directive or order given under subsection (2) commits an offence and is liable to a fine not exceeding N\$100 000 or to imprisonment for a period not exceeding 10 years, or to both such fine and such imprisonment.

Formidable epidemic diseases

22. (1) For the purposes of this Act, unless otherwise indicated plague, cholera, epidemic influenza, diarrhoea with blood (dysentery), malaria, measles, meningitis, poliomyelitis (acute flaccid paralysis), schistosomiasis, tuberculosis, viral hemorrhagic fever, yellow fever, emerging pandemic influenza disease e.g. avian flu, SARS and swine Flu (H1N1) Anthrax, smallpox, pneumonic plague, ebola, viral haemorrhagic fever, dengue fever and rift valley fever are considered to be formidable epidemic diseases.

[The words “plague” and “hemorrhagic” are misspelt in the *Government Gazette*, as reproduced above.]

(2) The Minister may by notice in the *Gazette* declare a disease to be a formidable epidemic disease for purposes of this Act.

Notification of suspected cases of formidable epidemic diseases

23. (1) A medical practitioner, principal or head of a learning institution, head of a family or a household, employer, owner or occupier of land or premises, chief or headman must report to the nearest health facility or local authority health services, together with particulars of the patient and his or her symptoms, the occurrence of a case of illness or death coming to his or her notice and suspected to be due to a formidable epidemic disease, or with a history or presenting symptoms or post- mortem appearances which might reasonably give grounds for the suspicion.

(2) A person who, is aware of any of the diseases referred to in subsection (1), and who fails to comply with subsection (1) commits an offence and is liable to a fine not exceeding N\$100 000 or to imprisonment for a period not exceeding 10 years, or to both such fine and such imprisonment.

[The comma after the word “who” is superfluous, and the word “is” in the phrase “is subsection (1)” should be “in”.]

Notification of sickness or mortality in animals

24. (1) A person who becomes aware of unusual sickness, behaviour or mortality among rats, mice, cats, dogs or other animals susceptible to plague or other epidemic disease, not due to poison or other obvious cause, must immediately report the fact to a chief, headmen, councillors, local authority, head of health services, state veterinarian or member of the Namibian police.

(2) A person who contravenes, refuses or fails to comply with subsection (1) commits an offence and is liable to a fine not exceeding N\$100 000 or to imprisonment for a period not exceeding 10 years, or to both such fine and such imprisonment.

Local authority to report notification of formidable epidemic diseases and execution of speedy communications

REGULATIONS
Namibian Constitution

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

- 25.** A local authority must -
- (a) immediately report to the chief health officer by fax, telephone, e-mail or other expeditious means particulars of every notification received by it of a case or suspected case of a formidable epidemic disease, or of unusual sickness, behaviour or mortality in animals reported under section 24; and
 - (b) do and provide all the acts, matters and things within its means as may be necessary for mitigating the disease.

Powers of Minister if local authority fails to adequately deal with formidable epidemic disease

26. (1) If, upon a report of the chief health officer it appears to the Minister that an outbreak of a formidable epidemic disease or a disease suspected of being a formidable epidemic disease -

- (a) has occurred or is threatening within the area of a local authority; and
- (b) is not being investigated or dealt with efficiently and so as adequately to safeguard public health,

despite other provision of this Act, the Minister may inform the local authority of the measures which the Minister is taking.

(2) If the local authority concerned fails or is for a reason unable to forthwith carry out the measures concerned to the satisfaction of the Minister, the Minister may authorise the chief health officer or another local authority to take all necessary steps for dealing with the outbreak.

(3) If the Minister has authorised the chief health officer or another local authority as contemplated in subsection (2), the chief health officer or the authorised local authority possesses for the purpose concerned all rights and powers of the local authority in default, including the obligations attaching to the exercise of the powers.

(4) A portion of expenditure incurred by virtue of subsection (1) which is payable by the authorised local authority may be recovered from the local authority in default in the manner provided for in section 29(3) of the National Health Act.

Requisition of buildings, equipment or other articles

27. (1) If an outbreak of a formidable epidemic disease exists or is threatening, the Minister may require from or may authorise a local authority to require from a person owning or having charge of -

- (a) a land or a building not occupied as dwellings; or
- (b) tents, transport bedding, hospital equipment, drugs, food or other appliances, materials or articles urgently required in connection with the outbreak,

to hand over the use of the land, building or to supply or make available article, subject to the payment of a reasonable amount as hire or purchase price.

**REGULATIONS
Namibian Constitution****Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]**

[The word “the” appears to have been omitted before the word “article”.]

(2) A person who contravenes or fails to comply with this section commits an offence and is liable to a fine not exceeding N\$100 000 or to imprisonment for a period not exceeding 10 years, or to both such fine and such imprisonment.

Declaration of public health emergency

28. (1) If the Minister is satisfied that the occurrence or threatened outbreak of a formidable epidemic disease constitutes a health emergency in Namibia which threatens the life of and well-being of the nation, the Minister may in writing advise the President to declare a public health emergency as contemplated in Article 26 of the Namibian Constitution.

(2) A declaration of public health emergency contemplated in subsection (1) must specify -

- (a) the nature of the emergency;
- (b) the affected area;
- (c) the commencement date, as well as the period during which the declaration is to remain in force; and
- (d) the conditions relating to the conduct of the response to the emergency.

(3) The President may extend, on the recommendation of the Minister, the period during which the declaration is to remain in force.

Powers of Minister regarding public health emergency or occurrence or threatened outbreak of formidable epidemic disease

29. (1) If the President has declared a public health emergency as contemplated in section 28(1) or if the occurrence or threatened outbreak of a formidable epidemic disease necessitates it, the Minister may in writing issue directives or make regulations as he or she considers to be necessary or desirable to alleviate the public health emergency, occurrence or threatened outbreak of a formidable epidemic disease, including directives or actions to be taken in relation to -

- (a) the reduction or removal of a threat to public health;
- (b) the segregation or isolation of a person in an area;
- (c) the evacuation or permission of access to an area;
- (d) the control of the movement to and from the affected area;
- (e) the imposition and enforcement of quarantine and the regulation and restriction of public traffic and of the movements of persons;
- (f) the closing of schools and the restriction of school attendance and a other learning institutions;

**REGULATIONS
Namibian Constitution**

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

[The word “a” before the phrase “other learning institutions” is superfluous. The provision may have been intended to refer to “attendance at schools and other learning institutions”.]

- (g) the closing of churches and Sunday schools and the restriction of gatherings or meetings for the purpose of public worship;
- (h) the closing of a place of public entertainment, recreation or amusement, or where intoxicating liquor is sold;
- (i) if considered necessary, the prohibition of the convening, holding or attending of entertainments, assemblies, meetings or other public gatherings;
- (j) the prevention and remedying of overcrowding or the keeping of a dwelling, other building or the contents in a dirty or in a sanitary or a verminous condition;

[The phrase “a sanitary... condition” must have been intended to refer “an unsanitary... condition”.]

- (k) the medical examination of -
 - (i) a person who is suspected of being infected with, or who may have recently been exposed to the infection of, the disease; or
 - (ii) a person about to depart from a infected area;

[The article “a” before the term “infected area” should be “an”.]

- (l) the disinfection of the baggage and personal effects of a person contemplated in paragraph (k);
- (m) the detention of persons until they have after the examination been certified to be free from a infectious disease and until their baggage and personal effects have been disinfected;

[The article “a” before the term “infectious disease” should be “an”.]

- (n) the keeping under medical observation or surveillance or the removal, detention and isolation, of persons who may have recently been exposed to the infection, and who may be in the incubation stage of the disease;
- (o) the detention and isolation of persons until released by due authority;
- (p) the use of guards and force for that purpose;
- (q) in case of absolute necessity, the use of firearms or other weapons and the arrest without warrant of a person who has escaped from the detention or isolation facilities;
- (r) the establishment of isolation facilities;
- (s) the removal and isolation of persons who are or are suspected to be suffering from a disease;

REGULATIONS
Namibian Constitution

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

- (t) the accommodation, classification, care and control of persons and their detention until discharged by due authority as recovered and free from infection;
- (u) the establishment, management and control of convalescent homes or similar institutions for the accommodation of persons who have recovered from the disease;
- (v) the making of enquiries into the cause of death of a person, apart from a inquiry by a competent court under a other law;

[The word “a” before the term “inquiry” should be “an”, and the word “a” before the phrase “other law” was probably intended to be “any”.]

- (w) the ordering, if considered necessary, of post-mortem examinations or of exhumations;
- (x) the prohibition in special circumstances of the burial of a human remains, except on a certificate by a medical officer appointed to grant the certificates or after compliance with a other specified conditions, including the mode of disposal, the times and places of burial of human remains and the manner of conducting removals and burials;

[The word “a” before the phrase “other specified conditions” should be “any”.]

- (y) the restriction and prohibition of the removal of merchandise or a article or thing into, out of or within a specified or defined area;

[The word “a” before the term “article” should be “an”.]

- (z) the mandatory provision of information for the purpose of investing, preventing, controlling or abating a disease;
- (aa) the instruction to a person to take action that is reasonably required to prevent control or abate a disease;
- (ab) the disinfecting of plant and equipment and the disinfection, or if disinfection is impossible, the destruction of an article or thing or the disinfection of a premises which are believed to be infected;
- (ac) the inspection of premises and articles and remedying of sanitary or other defects likely to favour the spread or render difficult the eradication of the disease;
- (ad) the evacuation, closing, alteration or, if considered necessary, the demolition or destruction of a premises the occupation or use of which is considered likely to favour the spread or render more difficult the eradication of the disease;
- (ae) the description of the circumstances under which compensation may be paid in respect of a premises so demolished or destroyed and the manner of determining compensation;
- (af) in the case of plague, the destruction of rodents and the removal or rectifying of the conditions likely to favour the harbourage or multiplication of rodents and the disposal of the carcasses of rodents or other animals believed or suspected to have died of plague;

REGULATIONS
Namibian Constitution

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

- (ag) the relief, during the continuance of the epidemic of acute distress including the maintenance of children whose parents or guardians are suffering from or have died of the disease;
- (ah) the manner of requisitioning accommodation, equipment or other articles under clause 27 and the manner of fixing rates of hire or purchase price and the conditions of payment; and
- (ai) the other matters as the Minister may consider necessary for preventing the occurrence of the disease or limiting or preventing the spread of the disease or for the eradication of the disease, and, generally for better carrying out and attaining the objects and purposes of this Part.

(2) The directives issued or regulations made under subsection (1) also apply to persons about to depart from Namibia or entering Namibia in the course of a journey to another state or territory.

(3) A person who contravenes or fails to comply with a directive issued or regulations made under subsection (1) commits an offence and is liable to a fine not exceeding N\$100 000 or to imprisonment for a period not exceeding 10 years, or to both such fine and such imprisonment.

Powers of authorised persons during declared public health emergency

30. (1) While a declaration of public health emergency is in force a person authorised in writing by the Minister may -

- (a) enter, using the reasonable force and assistance as is necessary, a place to -
 - (i) prevent injury to a person; or
 - (ii) rescue an endangered person;
- (b) prevent access to a place;
- (c) close pedestrian, vehicular traffic, a roadway, path or a other thoroughfare;

**[The word “a” before the phrase “other thoroughfare”
should be “any”, or else omitted.]**

- (d) in respect of a licence, permit or certificate over which an environmental health practitioner has authority under this Act, suspend or vary the license, permit or certificate concerned, without providing to the holder thereof a remedy or opportunity to dispute the suspension or variation concerned;
- (e) conduct an inspection at a time with or without a warrant, including a private dwelling; or
- (f) collect, use or disclose for purposes of this Act, information, including personal information.

(2) While a declaration of public health emergency is in force, the Minister or an authorised person contemplated in subsection (1) may in writing authorise a staff member to -

REGULATIONS
Namibian Constitution

Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]

- (a) exercise a power or perform a function in a geographic area for which the person has not been designated for; and
- (b) exercise a power or perform a function that is not normally permitted by the designation of the person.

(3) A staff member who has been authorised as contemplated in subsection (2) must act in accordance with the authorisation until the Minister or the authorised person terminates the authorisation.

(4) A person who -

- (a) hinders an authorised person or an authorised staff member in the exercise, performance or carrying out of his or her powers or functions; or
- (b) prevents the person or staff member to exercise, perform or carry out his or her powers or functions as contemplated in subsections (1) and (2),

commits an offence and is liable to a fine not exceeding N\$100 000 or to imprisonment for a period not exceeding 10 years, or to both such fine and such imprisonment.

Appointment of emergency management and response committees

31. (1) If it is considered necessary for the purpose of co-ordinating effort or otherwise for more effectively dealing with or preventing an outbreak of a formidable epidemic disease, the Minister may -

- (a) constitute, by notice in the *Gazette*, a committee to be known as an emergency management and response committee for a defined area to -
 - (i) discharge the functions in connection with the outbreaks; and
 - (ii) administer so much of this Act,

as may be specified in the notice; and
- (b) make regulations regarding -
 - (i) the appointment of members of the committees;
 - (ii) the conduct of proceedings of the committees;
 - (iii) the manner in which accounts must be kept; or
 - (iv) other matter relative to the committee.

(2) If an area defined as contemplated in subsection (1) includes wholly or partly the area or areas of one or more local authorities, the -

- (a) composition of an emergency management and response committee; and
- (b) manner of allocating and defraying expenditure incurred by the committee,

REGULATIONS
Namibian Constitution**Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]**

are as may be mutually agreed in advance between the Minister and the local authority or local authorities concerned, or failing the agreement, as the Minister may, subject to this Act, determine.

(3) In the event of the occurrence or threatened outbreak of a formidable epidemic disease in a local authority area for which a chairperson of a regional council is the local authority, the Minister may constitute an advisory committee of three or more persons resident in the local authority area concerned to advise and assist the chairperson of a regional council.

[The word “advice” should be “advise”.]

Advances to local authorities

32. (1) On the terms and conditions as the Minister, in concurrence with the Minister responsible for finance, may determine, the Minister may authorise the making of advances to a local authority or emergency management and response committee for the purpose of dealing with an outbreak of an infectious disease.

(2) The Minister may enter into an agreement with a local authority concerned which regulate the repayment of the advance.

(3) In default of repayment of an advance made to a local authority, the Minister may recover the amount concerned from the local authority in the manner provided for in section 29(3) of the National Health Act.

(4) The Minister, in concurrence with the Minister responsible for finance, may determine and authorise the making of advances to a local authority to enable the local authority to pay a proportion of the capital expenditure incurred by the local authority in providing suitable hospitals or places of isolation for persons suffering from a infectious disease, and may recover, in the manner provided for in section 29(3) of the National Health Act, the advances so made.

[The word “a” before the term “infectious disease” should be “an”.]

(5) A certificate by the Minister is conclusive proof of the amount of money advanced to or expended on behalf of a local authority under this section.

Refunds to local authorities

33. The Minister may authorise -

(a) the refund of 50% of the approved net cost actually and necessarily incurred by a local authority or by two or more local authorities acting jointly, in providing and equipping an isolation hospital or other isolation accommodation for -

(i) persons suffering from a infectious disease; or

[The word “a” before the term “infectious disease” should be “an”.]

(ii) detained under medical observation because of exposure to the infection of a formidable epidemic disease,

REGULATIONS
Namibian Constitution**Stage 2: State of Emergency - COVID-19 Regulations [as amended for Stage 3]**

but the Minister must approve the strategy as a whole and the plan of actions, specifications of equipments and supplies and cost estimates before the expenditure or a liability is incurred;

[The phrase “plan of actions” was probably intended to be “plan of action”.
The word “equipments” should be “equipment”.]

- (b) the refund of 50% of the approved net cost actually and necessarily incurred by a local authority, or by two or more local authorities acting jointly, in connection with -
- (i) the management and maintenance of an isolation hospital or other isolation accommodation; or
 - (ii) the maintenance and treatment in a other hospital or place of isolation of persons suffering or suspected to be suffering from a infectious disease or of persons detained under medical observation because of exposure to the infection of an epidemic disease,

[The word “a” before the phrase “other hospital or place of isolation” was probably intended to be “any”. The word “a” before the term “infectious disease” should be “an”.]

the net costs being determined after deduction of a revenue; or

[The word “a” before “revenue” should be omitted.]

- (c) the refund of 50% of the approved net cost actually and necessarily incurred by a local authority, or by two or more local authorities acting jointly or by an emergency management and response committee, in preventing, investigating, dealing with or suppressing an outbreak of a formidable epidemic disease or an outbreak suspected on reasonable grounds to be of such disease, including, if necessary, the provision of temporary isolation hospital accommodation.
