

CENSUS AND STATISTICS

Census of Dwellings Proclamation 24 of 1945

Summary: This Proclamation ([OG 1196](#)) makes provision for the taking of a census of dwellings.

Statistics Act 9 of 2011

Summary: This Act ([GG 4777](#)) establishes the Namibia Statistics Agency and provides for the development of the National Statistics System. The Namibia Statistics Agency is charged with organising a population and housing census every ten years, amongst its many other duties. The Act also establishes the National Spatial Data Infrastructure and the Committee for Spatial Data. It repeals the *Statistics Act 66 of 1976*. The Act was brought into force on 16 April 2012 by GN 103/2012 ([GG 4929](#)).

Regulations and notices: Regulations and notices made under the previous law survive under the current Act, pursuant to section 60(3) which states: “Unless otherwise provided in this Act, anything done under a law repealed by section 59 and which could have been done under a corresponding provision of this Act is deemed to have been done under that corresponding provision.” Regulations are authorised under section 58 of the current Act.
